Section 1.09 Pro Forma Calculations.

(a) Notwithstanding anything to the contrary herein, financial ratios and tests, including the Total Net Leverage Ratio, the Secured Net Leverage Ratio, the Consolidated First Lien Net Leverage Ratio, the Consolidated Cash Interest Coverage Ratio and compliance with covenants determined by reference to Consolidated EBITDA or Total Assets, shall be calculated in the manner prescribed by this Section 1.09; *provided* that notwithstanding anything to the contrary in clauses (b), (c), (d) or (e) of this Section 1.09, (A) when calculating any such ratio or test for purposes of (i) the definition of “Applicable Rate,” (ii) the definition of “Applicable ECF Percentage” and (iii) Section 7.11, the events described in this Section 1.09 that occurred subsequent to the end of the applicable Test Period shall not be given *pro forma* effect and (B) when calculating any such ratio or test for purposes of the incurrence of any Indebtedness, cash and Cash Equivalents resulting from the incurrence of any such Indebtedness shall be excluded from the *pro forma* calculation of any applicable ratio or test. In addition, whenever a financial ratio or test is to be calculated on a *pro forma* basis, the reference to the “Test Period” for purposes of calculating such financial ratio or test shall be deemed to be a reference to, and shall be based on, the most recently ended Test Period for which internal financial statements of the Borrower are available (as determined in good faith by the Borrower). For the avoidance of doubt, the provisions of the foregoing sentence shall not apply for purposes of calculating any financial ratio or test for purposes of (i) the definition of “Applicable Rate,” (ii) the definition of “Applicable ECF Percentage” and (iii) Section 7.11, each of which shall be based on the financial statements delivered pursuant to Section 6.01(a) or (b), as applicable, for the relevant Test Period.

(b) For purposes of calculating any financial ratio or test or compliance with any covenant determined by reference to Consolidated EBITDA or Total Assets, Specified Transactions (with any incurrence or repayment of any Indebtedness in connection therewith to be subject to clause (d) of this Section 1.09) that have been made (i) during the applicable Test Period or (ii) if applicable as described in clause (a) above, subsequent to such Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made shall be calculated on a *pro forma* basis assuming that all such Specified Transactions (and any increase or decrease in Consolidated EBITDA, Total Assets and the component financial definitions used therein attributable to any Specified Transaction) had occurred on the first day of the applicable Test Period (or, in the case of Total Assets, on the last day of the applicable Test Period). If since the beginning of any applicable Test Period any Person that subsequently became a Restricted Subsidiary or was merged, amalgamated or consolidated with or into the Borrower or any of its Restricted Subsidiaries since the beginning of such Test Period shall have made any Specified Transaction that would have required adjustment pursuant to this Section 1.09, then such financial ratio or test (or Total Assets) shall be calculated to give *pro forma* effect thereto in accordance with this Section 1.09.

(c) Whenever *pro forma* effect is to be given to a Specified Transaction, the *pro forma* calculations shall be made in good faith by a responsible financial or accounting officer of the Borrower and may include, for the avoidance of doubt, the amount of “run-rate” cost savings, operating expense reductions and synergies resulting from or relating to any Specified Transaction (including the Transactions) which is being given *pro forma* effect that have been realized or are expected to be realized and for which the actions necessary to realize such cost savings, operating expense reductions and synergies are taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken (in the good faith determination of the Borrower) (calculated on a *pro forma* basis as though such cost savings, operating expense reductions and synergies had been realized on the first day of such period and as if such cost savings, operating expense reductions and synergies were realized during the entirety of such period and “run-rate” means the full recurring benefit for a period that is associated with any action taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken (including any savings expected to result from the elimination of a public target’s Public Company Costs) net of the amount of actual benefits realized during such period from such actions, and any such adjustments shall be included in the initial *pro forma* calculations of any financial ratios or tests (and in respect of any subsequent *pro forma* calculations in which such Specified Transaction is given *pro forma* effect) and during any applicable subsequent Test Period in which the effects thereof are expected to be realized) relating to such Specified Transaction; *provided* that (A) such amounts are reasonably identifiable and factually supportable in the good faith judgment of the Borrower, (B) such actions are taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken no later than twenty four (24) months after the date of such Specified Transaction, and (C) no amounts shall be added pursuant to this clause (c) to the extent duplicative of any amounts that are otherwise added back in computing Consolidated EBITDA (or any other components thereof), whether through a *pro forma* adjustment or otherwise, with respect to such period.

(d) In the event that the Borrower or any Restricted Subsidiary incurs (including by assumption or guarantees) or repays (including by redemption, repayment, retirement or extinguishment) any Indebtedness (other than Indebtedness incurred or repaid under any revolving credit facility unless such Indebtedness has been permanently repaid and not replaced), (i) during the applicable Test Period or (ii) subject to paragraph (a), subsequent to the end of the applicable Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, then such financial ratio or test shall be calculated giving *pro forma* effect to such incurrence or repayment of Indebtedness, in each case to the extent required, as if the same had occurred on the last day of the applicable Test Period (except in the case of the Consolidated Cash Interest Coverage Ratio (or similar ratio), in which case such incurrence, assumption, guarantee, redemption, repayment, retirement or extinguishment of Indebtedness will be given effect as if the same had occurred on the first day of the applicable Test Period).

(e) In connection with any action being taken solely in connection with a Limited Condition Transaction, for purposes of:

(i) determining compliance with any provision of this Agreement (other than the Financial Covenant) which requires the calculation of any financial ratio or test, including the Consolidated First Lien Net Leverage Ratio, Secured Net Leverage Ratio, Total Net Leverage Ratio and Consolidated Cash Interest Coverage Ratio (and, for the avoidance of doubt, any financial ratio set forth in Section 2.14(d)(iii)); or

(ii) testing availability under baskets set forth in this Agreement (including baskets measured as a percentage of Total Assets);

in each case, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "**LCT Election**"), the date of determination of whether any such action is permitted hereunder shall be deemed to be the date the definitive agreements for such Limited Condition Transaction are entered into (the "**LCT Test Date**"), and if, after giving Pro Forma Effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) as if they had occurred at the beginning of the most recent Test Period ending prior to the LCT Test Date, the Borrower would have been permitted to take such action on the relevant LCT Test Date in compliance with such ratio, test or basket, such ratio, test or basket shall be deemed to have been complied with. For the avoidance of doubt, if the Borrower has made an LCT Election and any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in Consolidated EBITDA or Total Assets of the Borrower or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets, tests or ratios will not be deemed to have been exceeded as a result of such fluctuations. If the Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any calculation of any ratio, test or basket availability with respect to the incurrence of Indebtedness or Liens, the making of Restricted Payments, the making of any Permitted Investment, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Borrower, the prepayment, redemption, purchase, defeasance or other satisfaction of Indebtedness, or the designation of an Unrestricted Subsidiary (a "**Subsequent Transaction**") following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement or irrevocable notice for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, for purposes of determining whether such Subsequent Transaction is permitted under this Agreement, any such ratio, test or basket shall be required to be satisfied on a Pro Forma Basis (i) assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated and (ii) assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have not been consummated.

(f) If any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date of the event for which the calculation of the Consolidated Cash Interest Coverage Ratio is made had been the applicable rate for the entire period (taking into account any interest hedging arrangements applicable to such Indebtedness); *provided*, in the case of repayment of any

Indebtedness, to the extent actual interest related thereto was included during all or any portion of the applicable Test Period, the actual interest may be used for the applicable portion of such Test Period. Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a Responsible Officer of the Borrower to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a London interbank offered rate, or other rate, shall be determined to have been based upon the rate actually chosen, or if none, then based upon such optional rate chosen as the Borrower or Restricted Subsidiary may designate.

Section 1.10 Currency Generally.

For purposes of determining compliance with Sections 7.01, 7.03 and 7.06 and the definition of Permitted Investments with respect to any amount of Indebtedness or Investment in a currency other than Dollars, no Default shall be deemed to have occurred solely as a result of changes in rates of currency exchange occurring after the time such Indebtedness or Investment is incurred (so long as such Indebtedness or Investment, at the time incurred, made or acquired, was permitted hereunder).

For purposes of determining the Secured Net Leverage Ratio, the Consolidated First Lien Net Leverage Ratio, the Total Net Leverage Ratio or any other leverage-based ratio or test under this Agreement, the amount of Indebtedness shall reflect the currency translation effects, determined in accordance with GAAP, of Swap Contracts permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Dollar equivalent of such Indebtedness.

Section 1.11 Divisions.

For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable even under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized or formed on the first date of its existence by the holders of its Equity Interests at such time.

Section 1.12 Interest Rates.

The Administrative Agent does not warrant, nor accept responsibility, nor shall the Administrative Agent have any liability with respect to the administration, submission or any other matter related to the rates in the definition of "Eurocurrency Rate" or with respect to any rate that is an alternative or replacement for or successor to any of such rate (including, without limitation, any LIBOR Successor Rate) or the effect of any of the foregoing, or of any LIBOR Successor Rate Conforming Changes.

ARTICLE II.

Amounts borrowed, exchanged, renewed, replaced or refinanced under this Section 2.01(a) and repaid or prepaid may not be reborrowed. Term Loans may be Base Rate Loans or Eurocurrency Rate Loans, as further provided herein.

(b) *The Revolving Credit Borrowings.* Subject to the terms and conditions set forth herein, each Revolving Credit Lender with any Revolving Credit Commitment severally agrees to make Revolving Credit Loans denominated in Dollars pursuant to Section 2.02 from its applicable Lending Office to the Borrower from time to time, on any Business Day during the period from and including the Closing Date until the Maturity Date of such Revolving Credit Commitment, in an aggregate principal amount not to exceed at any time outstanding the amount of such Revolving Credit Commitment; *provided* that after giving effect to any Revolving Credit Borrowing, the aggregate Outstanding Amount of the Revolving Credit Loans of any Lender, plus such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the Outstanding Amount of all L/C Obligations, plus such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the Outstanding Amount of all Swing Line Loans, shall not exceed such Revolving Credit Commitment. Within the limits of each Revolving Credit Lender's Revolving Credit Commitment, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.01(b), prepay under Section 2.05, and reborrow under this Section 2.01(b). Revolving Credit Loans may be Base Rate Loans or Eurocurrency Rate Loans, as further provided herein.

(a) Each Term Borrowing, each Revolving Credit Borrowing, each conversion of Term Loans or Revolving Credit Loans from one Type to the other, and each continuation of Eurocurrency Rate Loans shall be made upon the Borrower's irrevocable notice, on behalf of the Borrower, to the Administrative Agent (*provided* that the notices in respect of the initial Credit Extensions may be conditioned on the closing of the Merger), which may be given by telephone. Each such notice must be received by the Administrative Agent not later than (1) 1:00 p.m. (New York, New York time) three (3) Business Days prior to the requested date of any Borrowing or continuation of Eurocurrency Rate Loans or any conversion of Base Rate Loans to Eurocurrency Rate Loans, and (2) 12:00 noon on the requested date of any Borrowing of Base Rate Loans; *provided* that the notice referred to in subclause (1) above may be delivered no later than one (1) Business Day prior to the Closing Date in the case of initial Credit Extensions. Each telephonic notice by the Borrower pursuant to this Section 2.02(a) must be confirmed promptly by delivery to the Administrative Agent of a written Committed Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower. Except as provided in Section ~~2.14~~2.14 or with respect to a Borrowing of Term B-3 Loans on the Amendment No. 3 Effective Date, each Borrowing of, conversion to or continuation of Eurocurrency Rate Loans shall be in a minimum principal amount of \$1,000,000, or a whole multiple of \$100,000 in excess thereof. Except as provided in Section 2.03(c), 2.04(b) or 2.14, each Borrowing of or conversion to Base Rate Loans shall be in a minimum principal amount of \$500,000 or a whole multiple of \$100,000 in excess thereof. Each Committed Loan Notice (whether telephonic or written) shall specify (i) whether the requesting Borrower is requesting a Term Borrowing, a Revolving Credit Borrowing, a conversion of Term Loans or Revolving Credit Loans from one Type to the other or a continuation of Eurocurrency Rate Loans, (ii) the requested date of the Borrowing, conversion or continuation, as the case may be (which shall be a Business Day), (iii) the principal amount of Loans to be borrowed, converted or continued, (iv) the Type of Loans to be borrowed or to which existing Term Loans or Revolving Credit Loans are to be converted, (v) if applicable, the duration of the Interest Period with respect thereto and (vi) wire instructions of the account(s) to which funds are to be disbursed (it being understood, for the avoidance of doubt, that the amount to be disbursed to any particular account may be less than the minimum or multiple limitations set forth above so long as the aggregate amount to be disbursed to all such accounts pursuant to such Borrowing meets such minimums and multiples). If the Borrower fails to specify a Type of Loan in a Committed Loan Notice or fails to give a timely notice requesting a conversion or continuation, then the applicable Term Loans or Revolving Credit Loans shall be made as, or converted to, Base Rate Loans. Any such automatic conversion to Base Rate Loans shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurocurrency Rate Loans. If the Borrower requests a Borrowing of, conversion to, or continuation of Eurocurrency Rate Loans in any such Committed Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one (1) month.

(b) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each Lender of the amount of its Pro Rata Share or other applicable share provided for under this Agreement of the applicable Class of Loans, and if no timely notice of a conversion or continuation is provided by the Borrower, the Administrative Agent shall notify each Lender of the details of any automatic conversion to Base Rate Loans or continuation

described in Section 2.02(a). In the case of each Borrowing, each Appropriate Lender shall make the amount of its Loan available to the Administrative Agent in Same Day Funds at the Administrative Agent's Office not later than the later of (i) in the case of Eurocurrency Rate Loans, 12:00 noon (New York, New York) on the Business Day specified in the applicable Committed Loan Notice and (ii) in the case of Base Rate Loans, one hour (or in the case of Borrowing of Base Rate Loans after the Closing Date where the Committed Loan Notice has been delivered on the date of the requested Borrowing, two hours) after written notice of such Borrowing is delivered by the Administrative Agent to such Lender; *provided, that*, on the Closing Date (or with respect to any Incremental Facilities, on the relevant Incremental Amendment Date), such funds may be made available at such earlier time as may be agreed among the relevant Lenders, the Borrower and the Administrative Agent for the purpose of consummating the Transactions (or, in the case of any Incremental Facilities, the relevant transactions). The Administrative Agent shall make all funds so received available to the Borrower in like funds as received by the Administrative Agent either by (i) crediting the account(s) of the Borrower on the books of the Administrative Agent with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided by the Borrower to (and reasonably acceptable to) the Administrative Agent; *provided that* if, on the date the Committed Loan Notice with respect to a Borrowing under any Class of Revolving Credit Commitments is given by the Borrower, there are Swing Line Loans or L/C Borrowings outstanding, then the proceeds of such Borrowing shall be applied, first, to the payment in full of any such L/C Borrowing, second, to the payment in full of any such Swing Line Loans, and third, to the Borrower as provided above.

(c) Except as otherwise provided herein, a Eurocurrency Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurocurrency Rate Loan unless the Borrower pays the amount due, if any, under Section 3.05 in connection therewith. During the occurrence and continuation of an Event of Default, the Administrative Agent or the Required Lenders may require by notice to the Borrower that no Loans may be converted to or continued as Eurocurrency Rate Loans.

(d) The Administrative Agent shall promptly notify the Borrower and the Lenders of the interest rate applicable to any Interest Period for Eurocurrency Rate Loans upon determination of such interest rate. The determination of the Eurocurrency Rate by the Administrative Agent shall be conclusive in the absence of manifest error. At any time that Base Rate Loans are outstanding, the Administrative Agent shall notify the Borrower and the Lenders of any change in the Administrative Agent's prime rate used in determining the Base Rate promptly following the public announcement of such change.

(e) After giving effect to all Term Borrowings, all Revolving Credit Borrowings, all conversions of Term Loans or Revolving Credit Loans from one Type to the other, and all continuations of Term Loans or Revolving Credit Loans as the same Type, there shall not be more than fifteen (15) Interest Periods in effect unless otherwise agreed between the Borrower and the Administrative Agent; *provided that* after the establishment of any new Class of Loans pursuant to an Incremental Amendment, Refinancing Amendment or Extension Amendment, the number of Interest Periods otherwise permitted by this Section 2.02(e) shall increase by three (3) Interest Periods for each applicable Class so established.

(f) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing.

(g) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's Pro Rata Share or other applicable share provided for under this Agreement of such Borrowing, the Administrative Agent may assume that such Lender has made such Pro Rata Share or other applicable share provided for under this Agreement available to the Administrative Agent on the date of such Borrowing in accordance with paragraph (b) above, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available, then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, each of such Lender and the Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (i) in the case of the Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (ii) in the case of such Lender, the Overnight Rate plus any administrative, processing, or similar fees customarily charged by the Administrative Agent in accordance with the foregoing. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this Section 2.02(g) shall be conclusive in the absence of manifest error. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

Section 2.03 Letters of Credit.

(a) *The Letter of Credit Commitment.* (i) Subject to the terms and conditions set forth herein, (A) each L/C Issuer (except the Existing L/C Issuer) agrees, in reliance upon the agreements of the other Revolving Credit Lenders set forth in this Section 2.03, (1) from time to time on any Business Day during the period from and including the Closing Date until the Letter of Credit Expiration Date, to issue Letters of Credit at sight denominated in Dollars for the account of the Borrower (*provided* that any Letter of Credit may be for the benefit of any Subsidiary of the Borrower and may be issued for the joint and several account of the Borrower and a Restricted Subsidiary to the extent otherwise permitted by this Agreement) and to amend or renew Letters of Credit previously issued by it, in accordance with Section 2.03(b), and (2) to honor drafts under the Letters of Credit and (B) the Participating Revolving Credit Lenders severally agree to participate in Letters of Credit issued pursuant to this Section 2.03; *provided* that no L/C Issuer shall be obligated to make any L/C Credit Extension with respect to any Letter of Credit, and no Lender shall be obligated to participate in any Letter of Credit if as of the date of such L/C Credit Extension, (x) the Revolving Credit Exposure of any Participating Revolving

Credit Lender would exceed such Lender's Participating Revolving Credit Commitment or (y) the Outstanding Amount of the L/C Obligations would exceed the Letter of Credit Sublimit. Within the foregoing limits, and subject to the terms and conditions hereof, the Borrower's ability to obtain Letters of Credit shall be fully revolving, and accordingly the Borrower may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed. All Existing Letters of Credit shall be deemed to be issued hereunder and shall constitute Letters of Credit subject to the terms hereof. Notwithstanding the foregoing, the Existing L/C Issuer will be the L/C Issuer only with respect to the Existing Letters of Credit referred to in the prior sentence.

(ii) An L/C Issuer shall be under no obligation to issue any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such L/C Issuer from issuing such Letter of Credit, or any Law applicable to such L/C Issuer or any directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such L/C Issuer shall prohibit, or direct that such L/C Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such L/C Issuer is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the Closing Date (for which such L/C Issuer is not otherwise compensated hereunder);

(B) subject to Section 2.03(b)(iii), the expiry date of such requested Letter of Credit would occur more than twelve (12) months after the date of issuance or last renewal, unless (1) each Appropriate Lender has approved of such expiration date or (2) the Outstanding Amount of L/C Obligations in respect of such requested Letter of Credit has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to such L/C Issuer;

(C) the expiry date of such requested Letter of Credit would occur after the Letter of Credit Expiration Date, unless (1) each Appropriate Lender has approved such expiry date or (2) the Outstanding Amount of L/C Obligations in respect of such requested Letter of Credit has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to such L/C Issuer and the Administrative Agent;

(D) the issuance of such Letter of Credit would violate any policies of the L/C Issuer applicable to letters of credit generally; and

(E) any Participating Revolving Credit Lender is at that time a Defaulting Lender, unless such L/C Issuer has entered into arrangements reasonably satisfactory to it and the Borrower to eliminate such L/C Issuer's actual or potential Fronting Exposure (after giving effect to Section 2.17(a)(iv)) with respect to the participation in Letters of Credit by such Defaulting Lender, including by cash collateralizing such Defaulting Lender's Pro Rata Share of the L/C Obligations.

(iii) An L/C Issuer shall be under no obligation to amend any Letter of Credit if (A) such L/C Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit. Notwithstanding anything herein to the contrary, the expiry date of any Letter of Credit denominated in a currency other than Dollars must be approved by the relevant L/C Issuer in its sole discretion even if it is less than twelve (12) months after the date of issuance or last renewal and any Auto-Extension Letter of Credit denominated in a currency other than Dollars shall be issued only at the relevant L/C Issuer's sole discretion.

(b) Procedures for Issuance and Amendment of Letters of Credit; Auto-Extension Letters of Credit.

(i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the Borrower delivered to an L/C Issuer (except the Existing L/C Issuer) (with a copy to the Administrative Agent) in the form of a Letter of Credit Application, appropriately completed and signed by a Responsible Officer of the Borrower. Such Letter of Credit Application must be received by the relevant L/C Issuer and the Administrative Agent not later than 12:30 p.m. at least three (3) Business Days prior to the proposed issuance date or date of amendment, as the case may be; or, in each case, such later date and time as the relevant L/C Issuer may agree in a particular instance in its sole discretion. In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the relevant L/C Issuer: (a) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (b) the amount thereof; (c) the expiry date thereof; (d) the name and address of the beneficiary thereof; (e) the documents to be presented by such beneficiary in case of any drawing thereunder; (f) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; and (g) such other matters as the relevant L/C Issuer may reasonably request. In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the relevant L/C Issuer (1) the Letter of Credit to be amended; (2) the proposed date of amendment thereof (which shall be a Business Day); (3) the nature of the proposed amendment; and (4) such other matters as the relevant L/C Issuer may reasonably request.

(ii) Promptly after receipt of any Letter of Credit Application, the relevant L/C Issuer will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such Letter of Credit Application from the Borrower and, if not, such L/C Issuer will provide the Administrative Agent with a copy thereof. Upon receipt by the relevant L/C Issuer of confirmation from the Administrative Agent that the requested issuance or amendment is permitted in accordance with the terms hereof, then, subject to the terms and conditions hereof, such L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the Borrower (and, if applicable, its applicable Subsidiary) or enter into the applicable amendment, as the case may be. Immediately upon the issuance of each Letter of Credit, each Participating Revolving Credit Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the relevant L/C Issuer a risk participation in such Letter of Credit in an amount equal to the product of such Lender's Pro Rata Share or other applicable share provided for under this Agreement times the amount of such Letter of Credit.

(iii) If the Borrower so requests in any applicable Letter of Credit Application, the relevant L/C Issuer shall agree to issue a Letter of Credit that has automatic extension provisions (each, an “**Auto-Extension Letter of Credit**”); *provided* that any such Auto-Extension Letter of Credit must permit the relevant L/C Issuer to prevent any such extension at least once in each twelve (12) month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the “**Non-extension Notice Date**”) in each such twelve (12) month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the relevant L/C Issuer, the Borrower shall not be required to make a specific request to the relevant L/C Issuer for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Lenders shall be deemed to have authorized (but may not require) the relevant L/C Issuer to permit the extension of such Letter of Credit at any time to an expiry date that is, unless the Outstanding Amount of L/C Obligations in respect of such requested Letter of Credit has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the relevant L/C Issuer, not later than the Letter of Credit Expiration Date; *provided* that the relevant L/C Issuer shall not permit any such extension if (A) the relevant L/C Issuer has determined that it would have no obligation at such time to issue such Letter of Credit in its extended form under the terms hereof (by reason of the provisions of Section 2.03(a)(ii) or otherwise), or (B) it has received notice (which may be by telephone or in writing) on or before the day that is seven (7) Business Days before the Non-extension Notice Date from the Administrative Agent, any Participating Revolving Credit Lender or the Borrower that one or more of the applicable conditions specified in Section 4.02 is not then satisfied.

(iv) Promptly after issuance of any Letter of Credit or any amendment to a Letter of Credit, the relevant L/C Issuer will also deliver to the Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(c) *Drawings and Reimbursements; Funding of Participations.* (i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the relevant L/C Issuer shall notify promptly the Borrower and the Administrative Agent thereof. Not later than 12:00 noon on the second Business Day following any payment by an L/C Issuer under a Letter of Credit with notice to the Borrower (each such date, an “**Honor Date**”), the Borrower shall reimburse such L/C Issuer through the Administrative Agent in an amount equal to the amount of such drawing; *provided* that if such reimbursement is not made on the date of drawing, the Borrower shall pay interest to the relevant L/C Issuer on such amount at the rate applicable to Base Rate Loans under the applicable Participating Revolving Credit Commitments (without duplication of interest payable on L/C Borrowings). If the Borrower fails to so reimburse such L/C Issuer by such time, the Administrative Agent shall promptly notify each Appropriate Lender of the Honor Date, the amount of the unreimbursed drawing (the “**Unreimbursed Amount**”), and the amount of such Appropriate Lender’s Pro Rata Share or other applicable share provided for under this Agreement thereof. In such event, the Borrower shall be deemed to have requested a Revolving Credit Borrowing of Base Rate Loans under the Participating Revolving Credit Commitments to be disbursed on the Honor Date in an amount equal to the Unreimbursed Amount, without regard to the minimum and multiples specified in Section 2.02 for the principal amount of Base Rate Loans but subject to the amount of the unutilized portion of the Participating Revolving Credit Commitments of the Appropriate Lenders and the conditions set forth in Section 4.02 (other than the delivery of a Committed Loan

Notice). Any notice given by an L/C Issuer or the Administrative Agent pursuant to this Section 2.03(c)(i) may be given by telephone if immediately confirmed in writing; *provided* that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) Each Appropriate Lender (including any Lender acting as an L/C Issuer) shall upon any notice pursuant to Section 2.03(c)(i) make funds available to the Administrative Agent for the account of the relevant L/C Issuer in Dollars at the Administrative Agent's Office for payments in an amount equal to its Pro Rata Share or other applicable share provided for under this Agreement of the Unreimbursed Amount not later than 1:00 p.m. on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.03(c)(iii), each Appropriate Lender that so makes funds available shall be deemed to have made a Base Rate Loan under the Participating Revolving Credit Commitments to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the relevant L/C Issuer.

(iii) With respect to any Unreimbursed Amount that is not fully refinanced by a Revolving Credit Borrowing of Base Rate Loans because the conditions set forth in Section 4.02 cannot be satisfied or for any other reason, the Borrower shall be deemed to have incurred from the relevant L/C Issuer an L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the Default Rate. In such event, each Appropriate Lender's payment to the Administrative Agent for the account of the relevant L/C Issuer pursuant to Section 2.03(c)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.03.

(iv) Until each Appropriate Lender funds its Revolving Credit Loan or L/C Advance pursuant to this Section 2.03(c) to reimburse the relevant L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Lender's Pro Rata Share or other applicable share provided for under this Agreement of such amount shall be solely for the account of the relevant L/C Issuer.

(v) Each Participating Revolving Credit Lender's obligation to make Revolving Credit Loans or L/C Advances to reimburse an L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the relevant L/C Issuer, the Borrower or any other Person for any reason whatsoever; (B) the occurrence or continuance of a Default or an Event of Default or the failure to satisfy any of the other conditions specified in Article IV; (C) any adverse change in the condition (financial or otherwise) of the Loan Parties; (D) any breach of this Agreement or any other Loan Document by the Borrower, any other Loan Party or any other L/C Issuer; or (E) any other circumstance, occurrence, event or condition, whether or not similar to any of the foregoing; *provided* that each Participating Revolving Credit Lender's obligation to make Revolving Credit Loans pursuant to this Section 2.03(c) is subject to the conditions set forth in Section 4.02 (other than delivery by the Borrower of a Committed Loan Notice). No such making of an L/C Advance shall relieve or otherwise impair the

obligation of the Borrower to reimburse the relevant L/C Issuer for the amount of any payment made by such L/C Issuer under any Letter of Credit, together with interest as provided herein.

(vi) If any Participating Revolving Credit Lender fails to make available to the Administrative Agent for the account of the relevant L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.03(c) by the time specified in Section 2.03(c)(ii), such L/C Issuer shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such L/C Issuer at a rate per annum equal to the applicable Overnight Rate from time to time in effect. A certificate of the relevant L/C Issuer submitted to any Participating Revolving Credit Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.03(c)(vi) shall be conclusive absent manifest error.

(d) *Repayment of Participations.*

(i) If, at any time after an L/C Issuer has made a payment under any Letter of Credit and has received from any Participating Revolving Credit Lender such Lender's L/C Advance in respect of such payment in accordance with Section 2.03(c), the Administrative Agent receives for the account of such L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its Pro Rata Share or other applicable share provided for under this Agreement thereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's L/C Advance was outstanding) in the amount received by the Administrative Agent.

(ii) If any payment received by the Administrative Agent for the account of an L/C Issuer pursuant to Section 2.03(c)(i) is required to be returned under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by such L/C Issuer in its discretion), each Appropriate Lender shall pay to the Administrative Agent for the account of such L/C Issuer its Pro Rata Share or other applicable share provided for under this Agreement thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the applicable Overnight Rate from time to time in effect.

(e) *Obligations Absolute.* The obligation of the Borrower to reimburse the relevant L/C Issuer for each drawing under each Letter of Credit issued by it and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other agreement or instrument relating thereto;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that any Loan Party may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the

relevant L/C Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by the relevant L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the relevant L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(v) any exchange, release or non-perfection of any Collateral, or any release or amendment or waiver of or consent to departure from the Guaranty or any other guarantee, for all or any of the Obligations of any Loan Party in respect of such Letter of Credit; or

(vi) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Loan Party;

provided that the foregoing shall not excuse any L/C Issuer from liability to Borrower to the extent of any direct damages (as opposed to consequential, punitive, special or exemplary damages, claims in respect of which are waived by the Borrower to the extent permitted by applicable Law) suffered by the Borrower that are caused by such L/C Issuer's gross negligence or willful misconduct as determined in a final and non-appealable judgment by a court of competent jurisdiction when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof.

(f) *Role of L/C Issuers.* Each Lender and the Borrower agree that, in paying any drawing under a Letter of Credit, the relevant L/C Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the L/C Issuers, any Agent-Related Person nor any of the respective correspondents, participants or assignees of any L/C Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Lenders or the Lenders holding a majority of the Participating Revolving Credit Commitments, as applicable; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct as determined in a final and non-appealable judgment by a court of competent jurisdiction; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Letter of Credit Application. The Borrower hereby assumes all risks of the acts or

omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; *provided* that this assumption is not intended to, and shall not, preclude the Borrower's pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the L/C Issuers, any Agent-Related Person, nor any of the respective correspondents, participants or assignees of any L/C Issuer, shall be liable or responsible for any of the matters described in clauses (i) through (vi) of Section 2.03(e); *provided* that anything in such clauses to the contrary notwithstanding, the Borrower may have a claim against an L/C Issuer, and such L/C Issuer may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential, punitive or exemplary, damages suffered by the Borrower which the Borrower proves were caused by such L/C Issuer's willful misconduct or gross negligence or such L/C Issuer's willful or grossly negligent failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit, in each case as determined in a final and non-appealable judgment by a court of competent jurisdiction. In furtherance and not in limitation of the foregoing, each L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and no L/C Issuer shall be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

(g) *Cash Collateral.* (i) If, as of any Letter of Credit Expiration Date, any applicable Letter of Credit for any reason remains outstanding and partially or wholly undrawn, (ii) if any Event of Default occurs and is continuing and the Administrative Agent or the Lenders holding a majority of the Participating Revolving Credit Commitments, as applicable, require the Borrower to Cash Collateralize the L/C Obligations pursuant to Section 8.02 or (iii) if an Event of Default set forth under Section 8.01(f) occurs and is continuing, the Borrower shall Cash Collateralize the then Outstanding Amount of all of its (or, in the case of clause (i), the applicable) L/C Obligations (in an amount equal to such Outstanding Amount determined as of the date of such Event of Default or the applicable Letter of Credit Expiration Date, as the case may be), and shall do so not later than 2:00 p.m., New York City time, on (x) in the case of the immediately preceding clauses (i) or (ii), (1) the Business Day that the Borrower receives notice thereof, if such notice is received on such day prior to 12:00 noon, New York City time, or (2) if clause (1) above does not apply, the Business Day immediately following the day that the Borrower receives such notice and (y) in the case of the immediately preceding clause (iii), the Business Day on which an Event of Default set forth under Section 8.01(f) occurs or, if such day is not a Business Day, the Business Day immediately succeeding such day. At any time that there shall exist a Defaulting Lender, immediately upon the request of the Administrative Agent, the L/C Issuer or the Swing Line Lender, the Borrower shall deliver to the Administrative Agent Cash Collateral in an amount sufficient to cover all Fronting Exposure (after giving effect to Section 2.17(a)(iv) and any Cash Collateral provided by the Defaulting Lender). For purposes hereof, "**Cash Collateralize**" means to pledge and deposit with or deliver to the Administrative Agent, for the benefit of the relevant L/C Issuer and the Appropriate Lenders, as collateral for the relevant L/C Obligations, cash or deposit account balances ("**Cash Collateral**") pursuant to documentation in form, amount and substance reasonably satisfactory to the Administrative Agent and the relevant L/C Issuer (which documents are hereby consented to by the Appropriate

Lenders). Derivatives of such term have corresponding meanings. The Borrower hereby grants to the Administrative Agent, for the benefit of the L/C Issuers and the Participating Revolving Credit Lenders, a security interest in all such cash, deposit accounts and all balances therein and all proceeds of the foregoing. Cash Collateral shall be maintained in blocked accounts at the Administrative Agent and may be invested in readily available Cash Equivalents. If at any time the Administrative Agent determines that any funds held as Cash Collateral are expressly subject to any right or claim of any Person other than the Administrative Agent (on behalf of the Secured Parties) or that the total amount of such funds is less than the aggregate Outstanding Amount of all relevant L/C Obligations, the Borrower will, forthwith upon demand by the Administrative Agent, pay to the Administrative Agent, as additional funds to be deposited and held in the deposit accounts at the Administrative Agent as aforesaid, an amount equal to the excess of (a) such aggregate Outstanding Amount over (b) the total amount of funds, if any, then held as Cash Collateral that the Administrative Agent reasonably determines to be free and clear of any such right and claim. Upon the drawing of any Letter of Credit for which funds are on deposit as Cash Collateral, such funds shall be applied, to the extent permitted under applicable Law, to reimburse the relevant L/C Issuer. To the extent the amount of any Cash Collateral exceeds the then Outstanding Amount of such L/C Obligations and so long as no Event of Default has occurred and is continuing, the excess shall be refunded to the Borrower. To the extent any Event of Default giving rise to the requirement to Cash Collateralize any Letter of Credit pursuant to this Section 2.03(g) is cured or otherwise waived, then so long as no other Event of Default has occurred and is continuing, all Cash Collateral pledged to Cash Collateralize such Letter of Credit shall be refunded to the Borrower. If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent as herein provided, or that the total amount of such Cash Collateral is less than the applicable Fronting Exposure and other obligations secured thereby, the Borrower or the relevant Defaulting Lender will, promptly upon demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency. In addition, the Administrative Agent may request at any time and from time to time after the initial deposit of Cash Collateral that additional Cash Collateral be provided by the Borrower in order to protect against the results of exchange rate fluctuations with respect to Letters of Credit denominated in currencies other than Dollars.

(h) *Letter of Credit Fees.* The Borrower shall pay to the Administrative Agent for the account of each Participating Revolving Credit Lender in accordance with its Pro Rata Share or other applicable share provided for under this Agreement a Letter of Credit fee for each Letter of Credit issued pursuant to this Agreement equal to the Applicable Rate times the daily maximum amount then available to be drawn under such Letter of Credit (whether or not such maximum amount is then in effect under such Letter of Credit if such maximum amount increases periodically pursuant to the terms of such Letter of Credit); *provided, however,* any Letter of Credit fees otherwise payable for the account of a Defaulting Lender with respect to any Letter of Credit as to which such Defaulting Lender has not provided Cash Collateral satisfactory to the L/C Issuer pursuant to this Section 2.03 shall be payable, to the maximum extent permitted by applicable Law, to the other Lenders in accordance with the upward adjustments in their respective Pro Rata Shares allocable to such Letter of Credit pursuant to Section 2.17(a)(iv), with the balance of such fee, if any, payable to the L/C Issuer for its own account. Such Letter of Credit fees shall be computed on a quarterly basis in arrears. Such Letter of Credit fees shall be due and payable in Dollars on the first Business Day after the end of each March, June,

September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the applicable Letter of Credit Expiration Date and thereafter on demand. If there is any change in the Applicable Rate during any quarter, the daily maximum amount of each Letter of Credit shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect.

(i) *Fronting Fee and Documentary and Processing Charges Payable to L/C Issuers.* The Borrower shall pay directly to each L/C Issuer for its own account a fronting fee with respect to each Letter of Credit issued by it equal to 0.125% per annum of the maximum amount available to be drawn under such Letter of Credit (whether or not such maximum amount is then in effect under such Letter of Credit if such maximum amount increases periodically pursuant to the terms of such Letter of Credit). Such fronting fees shall be computed on a quarterly basis in arrears. Such fronting fees shall be due and payable in Dollars on the first Business Day after the end of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. In addition, the Borrower shall pay directly to each L/C Issuer for its own account with respect to each Letter of Credit the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of such L/C Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable within ten (10) Business Days of demand and are nonrefundable.

(j) *Conflict with Letter of Credit Application.* Notwithstanding anything else to the contrary in this Agreement or any Letter of Credit Application, in the event of any conflict between the terms hereof and the terms of any Letter of Credit Application, the terms hereof shall control.

(k) *Addition of an L/C Issuer.* A Revolving Credit Lender reasonably acceptable to the Borrower and the Administrative Agent may become an additional L/C Issuer hereunder pursuant to a written agreement among the Borrower, the Administrative Agent and such Revolving Credit Lender. The Administrative Agent shall notify the Participating Revolving Credit Lenders of any such additional L/C Issuer.

(l) *Existing Letters of Credit.* The parties hereto agree that the Existing Letters of Credit shall be deemed Letters of Credit for all purposes under this Agreement, without any further action by the Borrower.

(m) *Provisions Related to Extended Revolving Credit Commitments.* If the Maturity Date in respect of any Participating Revolving Credit Commitments occurs prior to the expiry date of any Letter of Credit, then (i) if one or more other Participating Revolving Credit Commitments are then in effect (or will automatically be in effect upon such maturity), such Letters of Credit shall automatically be deemed to have been issued (including for purposes of the obligations of the Participating Revolving Credit Lenders to purchase participations therein and to make Revolving Credit Loans and payments in respect thereof pursuant to Sections 2.03(c) and (d)) under (and ratably participated in by Participating Revolving Credit Lenders pursuant to) the non-terminating Participating Revolving Credit Commitments up to an aggregate amount not to exceed the aggregate principal amount of the unutilized Participating Revolving Credit Commitments continuing at such time (it being understood that no partial face amount of

any Letter of Credit may be so reallocated) and (ii) to the extent not reallocated pursuant to immediately preceding clause (i) and unless provisions reasonably satisfactory to the applicable L/C Issuer for the treatment of such Letter of Credit as a letter of credit under a successor credit facility have been agreed upon, the Borrower shall, on or prior to the applicable Maturity Date, cause all such Letters of Credit to be replaced and returned to the applicable L/C Issuer undrawn and marked "cancelled" or to the extent that the Borrower is unable to so replace and return any Letter(s) of Credit, such Letter(s) of Credit shall be secured by a "back to back" letter of credit reasonably satisfactory to the applicable L/C Issuer or the Borrower shall Cash Collateralize any such Letter of Credit in accordance with Section 2.03(g). Commencing with the Maturity Date of any Class of Revolving Credit Commitments, the Letter of Credit Sublimit shall be in an amount agreed solely with the L/C Issuer.

(n) *Letter of Credit Reports.* For so long as any Letter of Credit issued by an L/C Issuer is outstanding, such L/C Issuer shall deliver to the Administrative Agent on the last Business Day of each calendar month, and on each date that an L/C Credit Extension occurs with respect to any such Letter of Credit, a report in the form of Exhibit L, appropriately completed with the information for every outstanding Letter of Credit issued by such L/C Issuer.

(o) *Letters of Credit Issued for Subsidiaries.* Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Subsidiary, the Borrower shall be obligated to reimburse the applicable L/C Issuer hereunder for any and all drawings under such Letter of Credit. The Borrower hereby acknowledges that the issuance of Letters of Credit for the account of Subsidiaries inures to the benefit of the Borrower, and that the Borrower's business derives substantial benefits from the businesses of such Subsidiaries.

Section 2.04 Swing Line Loans.

(a) *The Swing Line.* Subject to the terms and conditions set forth herein, the Swing Line Lender agrees to make loans in Dollars to the Borrower (each such loan, a "**Swing Line Loan**"), from time to time on any Business Day during the period beginning on the Business Day after the Closing Date until the date which is one (1) Business Day prior to the Maturity Date of the Participating Revolving Credit Commitments (taking into account the Maturity Date of any Participating Revolving Credit Commitment that will automatically come into effect on such Maturity Date) in an aggregate amount not to exceed at any time outstanding the amount of the Swing Line Sublimit, notwithstanding the fact that such Swing Line Loans, when aggregated with the Pro Rata Share or other applicable share provided for under this Agreement of the Outstanding Amount of Revolving Credit Loans and L/C Obligations of the Lender acting as Swing Line Lender, may exceed the amount of the Swing Line Lender's Revolving Credit Commitment; *provided* that, after giving effect to any Swing Line Loan (i) the Revolving Credit Exposure under such Participating Revolving Credit Commitments shall not exceed the aggregate Participating Revolving Credit Commitments, and (ii) the aggregate Outstanding Amount of the Revolving Credit Loans of any Lender (other than the Swing Line Lender), plus such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the Outstanding Amount of all L/C Obligations, plus such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the Outstanding Amount of all Swing Line Loans shall not exceed such Lender's Participating Revolving Credit Commitment then in effect;

provided, further, that the Borrower shall not use the proceeds of any Swing Line Loan to refinance any outstanding Swing Line Loan. Within the foregoing limits, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.04, prepay under Section 2.05, and reborrow under this Section 2.04. Each Swing Line Loan shall be a Base Rate Loan. Immediately upon the making of a Swing Line Loan, each Participating Revolving Credit Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Swing Line Lender a risk participation in such Swing Line Loan in an amount equal to the product of such Lender's Pro Rata Share or other applicable share provided for under this Agreement times the amount of such Swing Line Loan.

(b) *Borrowing Procedures.* Each Swing Line Borrowing shall be made upon the Borrower's irrevocable notice to the Swing Line Lender and the Administrative Agent, which may be given by telephone. Each such notice must be received by the Swing Line Lender and the Administrative Agent not later than 1:00 p.m. on the requested borrowing date and shall specify (i) the amount to be borrowed, which shall be a minimum of \$100,000 (and any amount in excess of \$100,000 shall be an integral multiple of \$50,000) and (ii) the requested borrowing date, which shall be a Business Day. Each such telephonic notice must be confirmed promptly by delivery to the Swing Line Lender and the Administrative Agent of a written Swing Line Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower. Promptly after receipt by the Swing Line Lender of any Swing Line Loan Notice (by telephone or in writing), the Swing Line Lender will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has also received such Swing Line Loan Notice and, if not, the Swing Line Lender will notify the Administrative Agent (by telephone or in writing) of the contents thereof. Unless the Swing Line Lender has received notice (by telephone or in writing) from the Administrative Agent (including at the request of any Revolving Credit Lender) prior to 2:00 p.m. on the date of the proposed Swing Line Borrowing (A) directing the Swing Line Lender not to make such Swing Line Loan as a result of the limitations set forth in the first proviso to the first sentence of Section 2.04(a), or (B) that one or more of the applicable conditions specified in Section 4.02 is not then satisfied, then, subject to the terms and conditions hereof, the Swing Line Lender will, not later than 4:00 p.m. on the borrowing date specified in such Swing Line Loan Notice, make the amount of its Swing Line Loan available to the Borrower. Notwithstanding anything to the contrary contained in this Section 2.04 or elsewhere in this Agreement, the Swing Line Lender shall not be obligated to make any Swing Line Loan at a time when a Participating Revolving Credit Lender is a Defaulting Lender unless the Swing Line Lender has entered into arrangements reasonably satisfactory to it and the Borrower to eliminate the Swing Line Lender's Fronting Exposure (after giving effect to Section 2.17(a)(iv)) with respect to the Defaulting Lender's or Defaulting Lenders' participation in such Swing Line Loans, including by Cash Collateralizing, or obtaining a backstop letter of credit from an issuer reasonably satisfactory to the Swing Line Lender to support, such Defaulting Lender's or Defaulting Lenders' Pro Rata Share of the outstanding Swing Line Loans. The Borrower shall repay to the Swing Line Lender each Defaulting Lender's portion (after giving effect to Section 2.17(a)(iv)) of each Swing Line Loan promptly following demand by the Swing Line Lender.

(c) *Refinancing of Swing Line Loans.*

(i) The Swing Line Lender at any time in its sole and absolute discretion may request, on behalf of the Borrower (which hereby irrevocably authorizes the Swing Line Lender

to so request on its behalf), that each Participating Revolving Credit Lender make a Base Rate Loan in an amount equal to such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the amount of Swing Line Loans of the Borrower then outstanding. Such request shall be made in writing (which written request shall be deemed to be a Committed Loan Notice for purposes hereof) and in accordance with the requirements of Section 2.02, without regard to the minimum and multiples specified therein for the principal amount of Base Rate Loans, but subject to the unutilized portion of the aggregate Participating Revolving Credit Commitments and the conditions set forth in Section 4.02. The Swing Line Lender shall furnish the Borrower with a copy of the applicable Committed Loan Notice promptly after delivering such notice to the Administrative Agent. Each Participating Revolving Credit Lender shall make an amount equal to its Pro Rata Share or other applicable share provided for under this Agreement of the amount specified in such Committed Loan Notice available to the Administrative Agent in Same Day Funds for the account of the Swing Line Lender at the Administrative Agent's Office not later than 1:00 p.m. on the day specified in such Committed Loan Notice, whereupon, subject to Section 2.04(c)(ii), each Participating Revolving Credit Lender that so makes funds available shall be deemed to have made a Base Rate Loan, as applicable, to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the Swing Line Lender. Upon the remission by the Administrative Agent to the Swing Line Lender of the full amount specified in such Committed Loan Notice, the Borrower shall be deemed to have repaid the applicable Swing Line Loan.

(ii) If for any reason any Swing Line Loan cannot be refinanced by such a Revolving Credit Borrowing in accordance with Section 2.04(c)(i), the request for Base Rate Loans submitted by the Swing Line Lender as set forth herein shall be deemed to be a request by the Swing Line Lender that each of the Participating Revolving Credit Lenders fund its risk participation in the relevant Swing Line Loan and each Participating Revolving Credit Lender's payment to the Administrative Agent for the account of the Swing Line Lender pursuant to Section 2.04(c)(i) shall be deemed payment in respect of such participation.

(iii) If any Participating Revolving Credit Lender fails to make available to the Administrative Agent for the account of the Swing Line Lender any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.04(c) by the time specified in Section 2.04(c)(i), the Swing Line Lender shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swing Line Lender at a rate per annum equal to the applicable Overnight Rate from time to time in effect. If such Participating Revolving Credit Lender pays such amount, the amount so paid shall constitute such Lender's Revolving Credit Loan including in the relevant Borrowing or funded participation in the relevant Swing Line Loan, as the case may be. A certificate of the Swing Line Lender submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this clause (iii) shall be conclusive absent manifest error.

(iv) Each Participating Revolving Credit Lender's obligation to make Revolving Credit Loans or to purchase and fund risk participations in Swing Line Loans pursuant to this Section 2.04(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which

such Lender may have against the Swing Line Lender, the Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default or the failure to satisfy any condition in Article IV, (C) any adverse change in the condition (financial or otherwise) of the Loan Parties, (D) any breach of this Agreement, or (E) any other occurrence, event or condition, whether or not similar to any of the foregoing; *provided* that each Participating Revolving Credit Lender's obligation to make Revolving Credit Loans pursuant to this Section 2.04(c) (but not to purchase and fund risk participations in Swing Line Loans) is subject to the conditions set forth in Section 4.02. No such funding of risk participations shall relieve or otherwise impair the obligation of the Borrower to repay the applicable Swing Line Loans, together with interest as provided herein.

(d) *Repayment of Participations.*

(i) At any time after any Participating Revolving Credit Lender has purchased and funded a risk participation in a Swing Line Loan, if the Swing Line Lender receives any payment on account of such Swing Line Loan, the Swing Line Lender will distribute to such Lender its Pro Rata Share or other applicable share provided for under this Agreement of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's risk participation was funded) in the same funds as those received by the Swing Line Lender.

(ii) If any payment received by the Swing Line Lender in respect of principal or interest on any Swing Line Loan is required to be returned by the Swing Line Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the Swing Line Lender in its discretion), each Participating Revolving Credit Lender shall pay to the Swing Line Lender its Pro Rata Share or other applicable share provided for under this Agreement thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the applicable Overnight Rate. The Administrative Agent will make such demand upon the request of the Swing Line Lender.

(e) *Interest for Account of Swing Line Lender.* The Swing Line Lender shall be responsible for invoicing the Borrower for interest on the Swing Line Loans. Until each Participating Revolving Credit Lender funds its Base Rate Loan or risk participation pursuant to this Section 2.04 to refinance such Lender's Pro Rata Share or other applicable share provided for under this Agreement of any Swing Line Loan, interest in respect of such Pro Rata Share or other applicable share provided for under this Agreement shall be solely for the account of the Swing Line Lender.

(f) *Payments Directly to Swing Line Lender.* The Borrower shall make all payments of principal and interest in respect of the Swing Line Loans directly to the Swing Line Lender.

(g) *Provisions Related to Extended Revolving Credit Commitments.* If the Maturity Date shall have occurred in respect of any Participating Revolving Credit Commitments (the "**Expiring Credit Commitment**") at a time when other Participating Revolving Credit Commitments are in effect (or will automatically be in effect upon such maturity) with a longer maturity date (each a "**non-Expiring Credit Commitment**" and collectively, the "**non-Expiring**

Credit Commitments”), then each outstanding Swing Line Loan on the earliest occurring Maturity Date shall be deemed reallocated to the non-Expiring Credit Commitments on a pro rata basis; *provided* that (x) to the extent that the amount of such reallocation would cause the aggregate credit exposure to exceed the aggregate amount of such non-Expiring Credit Commitments, immediately prior to such reallocation (after giving effect to any repayments of Revolving Credit Loans and any reallocation of Letter of Credit participations as contemplated in Section 2.03(m)) the amount of Swing Line Loans to be reallocated equal to such excess shall be repaid or cash collateralized in a manner reasonably satisfactory to the Swing Line Lender and (y) notwithstanding the foregoing, if a Default or Event of Default has occurred and is continuing, the Borrower shall still be obligated to pay Swing Line Loans allocated to the Participating Revolving Credit Lenders holding the Expiring Credit Commitments at the Maturity Date of the Expiring Credit Commitment or if the Loans have been accelerated prior to the Maturity Date of the Expiring Credit Commitment.

Section 2.05 Prepayments.

(a) *Optional*. (i) The Borrower may, upon notice to the Administrative Agent by the Borrower, (*provided, no such notice shall be required in connection with the prepayment of the Term B Loans or Term B-2 Loans on the Amendment No. 3 Effective Date*) at any time or from time to time voluntarily prepay any Class or Classes of Term Loans and Revolving Credit Loans of any Class or Classes in whole or in part without premium or penalty, except as set forth in Section 2.05(a)(vi); *provided* that (1) such notice must be received by the Administrative Agent not later than 11:30 a.m. (New York City time) (A) two (2) Business Days prior to any date of prepayment of Eurocurrency Rate Loans (unless otherwise agreed by the Administrative Agent) and (B) on the date of prepayment of Base Rate Loans; (2) any prepayment of Eurocurrency Rate Loans shall be in a minimum principal amount of \$1,000,000, or a whole multiple of \$100,000 in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding; and (3) any prepayment of Base Rate Loans shall be in a minimum principal amount of \$500,000 or a whole multiple of \$100,000 in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment and the Class(es) and Type(s) of Loans to be prepaid. The Administrative Agent will promptly notify each Appropriate Lender of its receipt of each such notice, and of the amount of such Lender’s Pro Rata Share or other applicable share provided for under this Agreement of such prepayment. If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Eurocurrency Rate Loan shall be, as set forth in Section 2.05(c), accompanied by all accrued interest thereon, together with any additional amounts required pursuant to Section 3.05. In the case of each prepayment of the Loans pursuant to this Section 2.05(a), the Borrower may in its sole discretion select the Borrowing or Borrowings (and the order of maturity of principal payments) to be repaid, and such payment shall be paid to the Appropriate Lenders in accordance with their respective Pro Rata Shares or other applicable share provided for under this Agreement.

(ii) The Borrower may, upon notice to the Swing Line Lender (with a copy to the Administrative Agent), at any time or from time to time, voluntarily prepay Swing Line Loans in whole or in part without premium or penalty; *provided* that (1) such notice must be received by the Swing Line Lender and the Administrative Agent not later than 1:00 p.m. on the

date of the prepayment, and (2) any such prepayment shall be in a minimum principal amount of \$100,000 or a whole multiple of \$10,000 in excess thereof or, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment. If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein.

(iii) Notwithstanding anything to the contrary contained in this Agreement, the Borrower may rescind any notice of prepayment under Section 2.05(a)(i) or 2.05(a)(ii) if such prepayment would have resulted from a refinancing of all or a portion of the applicable Facility, which refinancing shall not be consummated or shall otherwise be delayed.

(iv) Voluntary prepayments of any Class of Term Loans permitted pursuant to Section 2.05(a)(i) shall be applied to the remaining scheduled installments of principal thereof pursuant to Section 2.07(a) in a manner determined at the discretion of the Borrower and specified in the notice of prepayment (and absent such direction, in direct order of maturity).

(v) Notwithstanding anything in any Loan Document to the contrary, so long as (x) no Default or Event of Default has occurred and is continuing and (y) no proceeds of Revolving Credit Loans or Swing Line Loans are used for this purpose, any Company Party may prepay the outstanding Term Loans (which shall, for the avoidance of doubt, be automatically and permanently canceled immediately upon such prepayment) on the following basis:

(A) Any Company Party shall have the right to make a voluntary prepayment of Term Loans at a discount to par pursuant to a Borrower Offer of Specified Discount Prepayment, Borrower Solicitation of Discount Range Prepayment Offers or Borrower Solicitation of Discounted Prepayment Offers (any such prepayment, the “**Discounted Term Loan Prepayment**”), in each case made in accordance with this Section 2.05(a)(v).

(B) (1) Any Company Party may from time to time offer to make a Discounted Term Loan Prepayment by providing the Auction Agent with five (5) Business Days’ notice in the form of a Specified Discount Prepayment Notice; *provided* that (I) any such offer shall be made available, at the sole discretion of the Company Party, to (x) each Term Lender and/or (y) each Term Lender with respect to any Class of Term Loans on an individual Class basis, (II) any such offer shall specify the aggregate principal amount offered to be prepaid (the “**Specified Discount Prepayment Amount**”) with respect to each applicable Class, the Class or Classes of Term Loans subject to such offer and the specific percentage discount to par (the “**Specified Discount**”) of such Term Loans to be prepaid (it being understood that different Specified Discounts and/or Specified Discount Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(a)(v)(B)), (III) the Specified Discount Prepayment Amount shall be in an aggregate amount not less than \$10,000,000 and whole increments of \$1,000,000 in excess thereof and (IV) each such offer shall remain outstanding through the Specified Discount Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Specified

Discount Prepayment Notice and a form of the Specified Discount Prepayment Response to be completed and returned by each such Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., on the third Business Day after the date of delivery of such notice to such Lenders (which date may be extended for a period not exceeding three (3) Business Days upon notice by the Company Party to, and with the consent of, the Auction Agent) (the “**Specified Discount Prepayment Response Date**”).

(2) Each Term Lender receiving such offer shall notify the Auction Agent (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its applicable then outstanding Term Loans at the Specified Discount and, if so (such accepting Lender, a “**Discount Prepayment Accepting Lender**”), the amount and the Classes of such Lender’s Term Loans to be prepaid at such offered discount. Each acceptance of a Discounted Term Loan Prepayment by a Discount Prepayment Accepting Lender shall be irrevocable. Any Term Lender whose Specified Discount Prepayment Response is not received by the Auction Agent by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept the applicable Borrower Offer of Specified Discount Prepayment.

(3) If there is at least one (1) Discount Prepayment Accepting Lender, the relevant Company Party will make a prepayment of outstanding Term Loans pursuant to this paragraph (B) to each Discount Prepayment Accepting Lender on the Discounted Prepayment Effective Date in accordance with the respective outstanding amount and Classes of Term Loans specified in such Lender’s Specified Discount Prepayment Response given pursuant to subsection (2) above; *provided* that, if the aggregate principal amount of Term Loans accepted for prepayment by all Discount Prepayment Accepting Lenders exceeds the Specified Discount Prepayment Amount, such prepayment shall be made pro rata among the Discount Prepayment Accepting Lenders in accordance with the respective principal amounts accepted to be prepaid by each such Discount Prepayment Accepting Lender and the Auction Agent (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its reasonable discretion) will calculate such proration (the “**Specified Discount Proration**”). The Auction Agent shall promptly, and in any case within three (3) Business Days following the Specified Discount Prepayment Response Date, notify (I) the relevant Company Party of the respective Term Lenders’ responses to such offer, the Discounted Prepayment Effective Date and the aggregate principal amount of the Discounted Term Loan Prepayment and the Classes to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, and the aggregate principal amount and the Classes of Term Loans to be prepaid at the Specified Discount on such date and (III) each Discount Prepayment Accepting Lender of the Specified Discount Proration, if any, and confirmation of the principal amount, Class and Type of Term Loans of such Lender to be prepaid at the Specified Discount on such date. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Company Party and such Term Lenders shall be conclusive and binding for all purposes absent manifest error.

The payment amount specified in such notice to the Company Party shall be due and payable by such Company Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(C) (1) Any Company Party may from time to time solicit Discount Range Prepayment Offers by providing the Auction Agent with five (5) Business Days' notice in the form of a Discount Range Prepayment Notice; *provided* that (I) any such solicitation shall be extended, at the sole discretion of such Company Party, to (x) each Term Lender and/or (y) each Term Lender with respect to any Class of Term Loans on an individual Class basis, (II) any such notice shall specify the maximum aggregate principal amount of the relevant Term Loans (the "**Discount Range Prepayment Amount**"), the Class or Classes of Term Loans subject to such offer and the maximum and minimum percentage discounts to par (the "**Discount Range**") of the principal amount of such Term Loans with respect to each relevant Class of Term Loans willing to be prepaid by such Company Party (it being understood that different Discount Ranges and/or Discount Range Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(a)(v)(C)), (III) the Discount Range Prepayment Amount shall be in an aggregate amount not less than \$10,000,000 and whole increments of \$1,000,000 in excess thereof and (IV) each such solicitation by a Company Party shall remain outstanding through the Discount Range Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., on the third Business Day after the date of delivery of such notice to such Lenders (which date may be extended for a period not exceeding three (3) Business Days upon notice by the Company Party to, and with the consent of, the Auction Agent) (the "**Discount Range Prepayment Response Date**"). Each Term Lender's Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the "**Submitted Discount**") at which such Lender is willing to allow prepayment of any or all of its then outstanding Term Loans of the applicable Class or Classes and the maximum aggregate principal amount and Classes of such Lender's Term Loans (the "**Submitted Amount**") such Term Lender is willing to have prepaid at the Submitted Discount. Any Term Lender whose Discount Range Prepayment Offer is not received by the Auction Agent by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Term Loan Prepayment of any of its Term Loans at any discount to their par value within the Discount Range.

(2) The Auction Agent shall review all Discount Range Prepayment Offers received on or before the applicable Discount Range Prepayment Response Date and shall determine (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the Applicable Discount and Term Loans to be prepaid at such Applicable Discount in accordance with this subsection (C). The relevant Company Party agrees to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by the Auction Agent within the Discount Range by the Discount Range Prepayment Response Date, in the

order from the Submitted Discount that is the largest discount to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par within the Discount Range being referred to as the “**Applicable Discount**”) which yields a Discounted Term Loan Prepayment in an aggregate principal amount equal to the lower of (I) the Discount Range Prepayment Amount and (II) the sum of all Submitted Amounts. Each Term Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Submitted Amount (subject to any required proration pursuant to the following subsection (3)) at the Applicable Discount (each such Term Lender, a “**Participating Lender**”).

(3) If there is at least one (1) Participating Lender, the relevant Company Party will prepay the respective outstanding Term Loans of each Participating Lender on the Discounted Prepayment Effective Date in the aggregate principal amount and of the Classes specified in such Lender’s Discount Range Prepayment Offer at the Applicable Discount; *provided* that if the Submitted Amount by all Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount, prepayment of the principal amount of the relevant Term Loans for those Participating Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the “**Identified Participating Lenders**”) shall be made pro rata among the Identified Participating Lenders in accordance with the Submitted Amount of each such Identified Participating Lender and the Auction Agent (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “**Discount Range Proration**”). The Auction Agent shall promptly, and in any case within five (5) Business Days following the Discount Range Prepayment Response Date, notify (I) the relevant Company Party of the respective Term Lenders’ responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount of the Discounted Term Loan Prepayment and the Classes to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount and Classes of Term Loans to be prepaid at the Applicable Discount on such date, (III) each Participating Lender of the aggregate principal amount and Classes of such Term Lender to be prepaid at the Applicable Discount on such date, and (IV) if applicable, each Identified Participating Lender of the Discount Range Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the relevant Company Party and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Company Party shall be due and payable by such Company Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(D) (1) Any Company Party may from time to time solicit Solicited Discounted Prepayment Offers by providing the Auction Agent with five (5) Business Days' notice in the form of a Solicited Discounted Prepayment Notice; *provided* that (I) any such solicitation shall be extended, at the sole discretion of such Company Party, to (x) each Term Lender and/or (y) each Lender with respect to any Class of Term Loans on an individual Class basis, (II) any such notice shall specify the maximum aggregate amount of the Term Loans (the "**Solicited Discounted Prepayment Amount**") and the Class or Classes of Term Loans the applicable Company Party is willing to prepay at a discount (it being understood that different Solicited Discounted Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(a)(v)(D)), (III) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than \$10,000,000 and whole increments of \$1,000,000 in excess thereof and (IV) each such solicitation by a Company Party shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., on the third Business Day after the date of delivery of such notice to such Term Lenders (which date may be extended for a period not exceeding three (3) Business Days upon notice by the Company Party to the Auction Agent) (the "**Solicited Discounted Prepayment Response Date**"). Each Term Lender's Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date, and (z) specify both a discount to par (the "**Offered Discount**") at which such Term Lender is willing to allow prepayment of its then outstanding Term Loan and the maximum aggregate principal amount and Classes of such Term Loans (the "**Offered Amount**") such Term Lender is willing to have prepaid at the Offered Discount. Any Term Lender whose Solicited Discounted Prepayment Offer is not received by the Auction Agent by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Term Loans at any discount.

(2) The Auction Agent shall promptly provide the relevant Company Party with a copy of all Solicited Discounted Prepayment Offers received on or before the Solicited Discounted Prepayment Response Date. Such Company Party shall review all such Solicited Discounted Prepayment Offers and select the smallest of the Offered Discounts specified by the relevant responding Term Lenders in the Solicited Discounted Prepayment Offers that is acceptable to the Company Party in its sole discretion (the "**Acceptable Discount**"), if any. If the Company Party elects, in its sole discretion, to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the third Business Day after the date of receipt by such Company Party from the Auction Agent of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this subsection (2) (the "**Acceptance Date**"), the Company Party shall submit an Acceptance and Prepayment Notice to the Auction Agent setting forth the Acceptable Discount. If the Auction Agent shall fail to receive an Acceptance and

Prepayment Notice from the Company Party by the Acceptance Date, such Company Party shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(3) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, within three (3) Business Days after receipt of an Acceptance and Prepayment Notice (the “**Discounted Prepayment Determination Date**”), the Auction Agent will determine (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the aggregate principal amount and the Classes of Term Loans (the “**Acceptable Prepayment Amount**”) to be prepaid by the relevant Company Party at the Acceptable Discount in accordance with this Section 2.05(a)(v)(D). If the Company Party elects to accept any Acceptable Discount, then the Company Party agrees to accept all Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Term Lender that has submitted a Solicited Discounted Prepayment Offer with an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Offered Amount (subject to any required pro-rata reduction pursuant to the following sentence) at the Acceptable Discount (each such Lender, a “**Qualifying Lender**”). The Company Party will prepay outstanding Term Loans pursuant to this subsection (D) to each Qualifying Lender in the aggregate principal amount and of the Classes specified in such Lender’s Solicited Discounted Prepayment Offer at the Acceptable Discount; *provided* that if the aggregate Offered Amount by all Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the principal amount of the Term Loans for those Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the “**Identified Qualifying Lenders**”) shall be made pro rata among the Identified Qualifying Lenders in accordance with the Offered Amount of each such Identified Qualifying Lender and the Auction Agent (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “**Solicited Discount Proration**”). On or prior to the Discounted Prepayment Determination Date, the Auction Agent shall promptly notify (I) the relevant Company Party of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Term Loan Prepayment and the Classes to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Term Loans and the Classes to be prepaid at the Applicable Discount on such date, (III) each Qualifying Lender of the aggregate principal amount and the Classes of such Term Lender to be prepaid at the Acceptable Discount on such date, and (IV) if applicable, each Identified Qualifying Lender of the Solicited

Discount Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to such Company Party and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to such Company Party shall be due and payable by such Company Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(E) In connection with any Discounted Term Loan Prepayment, the Company Parties and the Term Lenders acknowledge and agree that the Auction Agent may require as a condition to any Discounted Term Loan Prepayment, the payment of customary and documented fees and out-of-pocket expenses from a Company Party in connection therewith.

(F) If any Term Loan is prepaid in accordance with paragraphs (B) through (D) above, a Company Party shall prepay such Term Loans on the Discounted Prepayment Effective Date without premium or penalty, except as set forth in Section 2.05(a)(vi). The relevant Company Party shall make such prepayment to the Administrative Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, at the Administrative Agent's Office in immediately available funds not later than 1:00 p.m. on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the remaining scheduled installments of principal of the relevant Class of Term Loans pursuant to Section 2.07(a) on a pro-rata basis across such installments. The Term Loans so prepaid shall be, as set forth in Section 2.05(c), accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Term Loans pursuant to this Section 2.05(a)(v) shall be paid to the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, and shall be applied to the relevant Term Loans of such Lenders in accordance with their respective Pro Rata Share or other applicable share hereunder. The aggregate principal amount of the Classes and installments of the relevant Term Loans outstanding shall be deemed reduced by the full par value of the aggregate principal amount of the Classes of Term Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Term Loan Prepayment. In connection with each prepayment pursuant to this Section 2.05(a)(v), the relevant Company Party shall waive any right to bring any action against the Administrative Agent, in its capacity as such, in connection with any such Discounted Term Loan Prepayment. In connection with each prepayment pursuant to this Section 2.05(a)(v), the relevant Company Party shall (a) make a representation to the Term Lenders and the Administrative Agent that it does not possess material non-public information with respect to Holdings and its Subsidiaries or the securities of any of them that has not been disclosed to the Term Lenders generally (other than Term Lenders who elect not to receive such information) or shall make a statement that such representation cannot be made and (b) waive any right to bring any action against the Administrative Agent, in its capacity as such, in connection with any such Discounted Term Loan Prepayment.

(G) To the extent not expressly provided for herein, each Discounted Term Loan Prepayment shall be consummated pursuant to procedures consistent with the

provisions in this Section 2.05(a)(v), established by the Auction Agent acting in its reasonable discretion and as reasonably agreed by the applicable Company Party.

(H) Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 2.05(a)(v), each notice or other communication required to be delivered or otherwise provided to the Auction Agent (or its delegate) shall be deemed to have been given upon the Auction Agent's (or its delegate's) actual receipt during normal business hours of such notice or communication; *provided* that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next Business Day.

(I) Each of the Company Parties and the Term Lenders acknowledge and agree that the Auction Agent may perform any and all of its duties under this Section 2.05(a)(v) by itself or through any Affiliate of the Auction Agent and expressly consents to any such delegation of duties by the Auction Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions pursuant to this Agreement shall apply to each Affiliate of the Auction Agent and its respective activities in connection with any Discounted Term Loan Prepayment provided for in this Section 2.05(a)(v) as well as activities of the Auction Agent.

(J) Each Company Party shall have the right, by written notice to the Auction Agent, to revoke or modify its offer to make a Discounted Term Loan Prepayment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount Prepayment Response Date (and if such offer is revoked pursuant to the preceding clauses, any failure by such Company Party to make any prepayment to a Lender, as applicable, pursuant to this Section 2.05(a)(v) shall not constitute a Default or Event of Default under Section 8.01 or otherwise).

(vi) Notwithstanding the foregoing, in the event that, on or prior to the date that is ~~six~~twelve (~~6~~12) months after the Amendment No. ~~13~~13 Effective Date, the Borrower (x) prepays, refinances, substitutes or replaces any Term B ~~Loans or Term B-2-3~~Loans pursuant to a Repricing Transaction (including, for avoidance of doubt, any prepayment made pursuant to Section 2.05(b)(iii) that constitutes a Repricing Transaction), or (y) effects any amendment of this Agreement resulting in a Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable account of each of the applicable Term Lenders, (I) in the case of clause (x), a prepayment premium of 1.00% of the aggregate principal amount of the Term B ~~Loans or Term B-2-3~~Loans so prepaid, refinanced, substituted or replaced and (II) in the case of clause (y), a fee equal to 1.00% of the aggregate principal amount of the applicable Term B ~~Loans or Term B-2-3~~Loans subject to such amendment. Such amounts shall be due and payable on the date of effectiveness of such Repricing Transaction.

(b) *Mandatory.* (i) Within five (5) Business Days after financial statements have been delivered pursuant to Section 6.01(a) (commencing with the fiscal year ended December 31, 2015) and the related Compliance Certificate has been delivered pursuant to Section 6.02(a), the Borrower shall, subject to clause (b)(vii) of this Section 2.05, cause to be prepaid an aggregate

principal amount of Term Loans in an amount equal to (A) the Applicable ECF Percentage of Excess Cash Flow, if any, for the Excess Cash Flow Period then ended minus (B) the sum of (1) all voluntary prepayments of (x) Term B-3 Loans and (y) Term Loans that are not Term B-3 Loans, Incremental Equivalent Debt and Refinancing Equivalent Debt (in each case secured by the Collateral on a first lien basis) during such Excess Cash Flow Period or after the end of such Excess Cash Flow Period and prior to when such Excess Cash Flow prepayment is due (limited in the case of any voluntary prepayments made pursuant to Section 2.05(a)(v) to the discounted amount actually paid in respect of the principal amount of such Term Loans (as opposed to the face amount so prepaid)), (2) all voluntary prepayments of Revolving Credit Loans during such Excess Cash Flow Period or after the end of such Excess Cash Flow Period and prior to when such Excess Cash Flow prepayment is due, to the extent the Revolving Credit Commitments are permanently reduced by the amount of such payments and (3) all voluntary prepayments of Second Lien Term Loans, Second Lien Incremental Equivalent Debt and Second Lien Refinancing Equivalent Debt during such Excess Cash Flow Period or after the end of such Excess Cash Flow Period and prior to when such Excess Cash Flow prepayment is due and, in the case of each of the immediately preceding clauses (1), (2) and (3) to the extent such prepayments are funded with Internally Generated Cash.

(ii) If (1) the Borrower or any Restricted Subsidiary of the Borrower Disposes of any property or assets (other than any Disposition of any property or assets permitted by Section 7.05(a), (b), (c), (d), (e), (g), (h), (i), (k), (l), (m), (n), (o), (p), (q), (s) or (t) (*provided*, that, in the case of Section 7.05(t), immediately after giving effect to such Sale Leaseback and the application of the proceeds (if any) therefrom, (A) no Event of Default shall have occurred and be continuing and (B) the Total Net Leverage Ratio on a Pro Forma Basis is not greater than 6.50:1.00) or (2) any Casualty Event occurs, which results in the realization or receipt by the Borrower or Restricted Subsidiary of Net Proceeds, the Borrower shall cause to be prepaid on or prior to the date which is ten (10) Business Days after the date of the realization or receipt by the Borrower or any Restricted Subsidiary of such Net Proceeds, subject to clause (b)(vii) of this Section 2.05, an aggregate principal amount of Term Loans in an amount equal to 100% of all such Net Proceeds received; *provided* that if at the time that any such prepayment would be required, the Borrower (or any Restricted Subsidiary) is required to offer to repurchase Permitted Pari Passu Secured Refinancing Debt (or any Permitted Refinancing thereof that is secured on a pari passu basis with the Obligations under Term Loans and Revolving Credit Loans required to be secured on a first lien basis) pursuant to the terms of the documentation governing such Indebtedness with the net proceeds of such Disposition or Casualty Event (such Permitted Pari Passu Secured Refinancing Debt (or Permitted Refinancing thereof) required to be offered to be so repurchased, "**Other Applicable Indebtedness**"), then the Borrower may apply such Net Proceeds on a pro rata basis (determined on the basis of the aggregate outstanding principal amount of the Term Loans and Other Applicable Indebtedness at such time; *provided* that the portion of such net proceeds allocated to the Other Applicable Indebtedness shall not exceed the amount of such net proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of such net proceeds shall be allocated to the Term Loans in accordance with the terms hereof) to the prepayment of the Term Loans and to the repurchase or prepayment of Other Applicable Indebtedness, and the amount of prepayment of the Term Loans that would have otherwise been required pursuant to this Section 2.05(b)(ii) shall be reduced accordingly; *provided, further*, that to the extent the holders of Other Applicable Indebtedness decline to have such indebtedness repurchased or prepaid, the declined

amount shall promptly (and in any event within ten (10) Business Days after the date of such rejection) be applied to prepay the Term Loans in accordance with the terms hereof.

(iii) If the Borrower or any Restricted Subsidiary incurs or issues any Indebtedness after the Closing Date not permitted to be incurred or issued pursuant to Section 7.03, the Borrower shall cause to be prepaid an aggregate principal amount of Term Loans in an amount equal to 100% of all Net Proceeds received therefrom on or prior to the date which is five (5) Business Days after the receipt by the Borrower or such Restricted Subsidiary of such Net Proceeds.

(iv) If the Borrower incurs or issues any Refinancing Loans (or Refinancing Equivalent Debt) resulting in Net Proceeds (as opposed to such Refinancing Loans or Refinancing Equivalent Debt arising out of an exchange of existing Term Loans for such Refinancing Loans or Refinancing Equivalent Debt), the Borrower shall cause to be prepaid an aggregate principal amount of Term Loans in an amount equal to 100% of all Net Proceeds received therefrom on or prior to the date which is five (5) Business Days after the receipt by the Borrower of such Net Proceeds.

(v) If for any reason the aggregate Outstanding Amount of Revolving Credit Loans, Swing Line Loans and L/C Obligations at any time exceeds the aggregate Revolving Credit Commitments then in effect, the Borrower shall promptly prepay Revolving Credit Loans and Swing Line Loans and/or Cash Collateralize the L/C Obligations in an aggregate amount equal to such excess; *provided* that the Borrower shall not be required to Cash Collateralize the L/C Obligations pursuant to this Section 2.05(b)(v) unless after the prepayment in full of the Revolving Credit Loans and Swing Line Loans such aggregate Outstanding Amount exceeds the aggregate Revolving Credit Commitments then in effect.

(vi) Each prepayment of Term Loans pursuant to Section 2.05(b) (A) shall be applied either (x) ratably to each Class of Term Loans then outstanding or (y) as requested by the Borrower in the notice delivered pursuant to clause (vii) below, to any Class or Classes of Term Loans with a Maturity Date preceding the Maturity Date of the remaining Classes of Term Loans then outstanding, (B) shall be applied, with respect to each such Class for which prepayments will be made, in a manner determined at the discretion of the Borrower in the applicable notice and, if not specified, in direct order of maturity to repayments thereof required pursuant to Section 2.07(a) and (C) shall be paid to the Appropriate Lenders in accordance with their respective Pro Rata Share (or other applicable share provided by this Agreement) of each such Class of Term Loans, subject to clause (vii) of this Section 2.05(b). Notwithstanding clause (A) above, (1) in the case of prepayments pursuant to Section 2.05(b)(iv), such prepayment shall be applied in accordance with this clause (vi) solely to those applicable Classes of Term Loans selected by the Borrower and specified in the applicable Refinancing Amendment or notice (i.e., the applicable Refinanced Debt or Refinanced Term Loans) and (2) any Incremental Amendment, Refinancing Amendment or Extension Amendment may provide (including on an optional basis as elected by the Borrower) for a less than ratable application of prepayments to any Class of Term Loans established thereunder.

(vii) The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Term Loans required to be made by the Borrower pursuant to clauses

(i) through (iv) of this Section 2.05(b) at least two (2) Business Days prior to the date of such prepayment (unless otherwise agreed by the Administrative Agent). Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the aggregate amount of such prepayment to be made by the Borrower. The Administrative Agent will promptly notify each Appropriate Lender of the contents of the Borrower's prepayment notice and of such Appropriate Lender's Pro Rata Share of the prepayment. Each Term Lender may reject all or a portion of its Pro Rata Share of any mandatory prepayment (such declined amounts, the "**Declined Proceeds**") of Term Loans required to be made pursuant to clauses (i), (ii) and (iii) of this Section 2.05(b) by providing written notice (each, a "**Rejection Notice**") to the Administrative Agent and the Borrower no later than 5:00 p.m. one (1) Business Day after the date of such Lender's receipt of notice from the Administrative Agent regarding such prepayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Term Loans to be rejected by such Lender. If a Term Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Term Loans. Any Declined Proceeds shall be offered to the Term Lenders not so declining such prepayment on a pro rata basis in accordance with the amounts of the Term Loans of such Lender (with such non-declining Term Lenders having the right to decline any prepayment with Declined Proceeds at the time and in the manner specified by the Administrative Agent). To the extent such non-declining Term Lenders elect to decline their Pro Rata Share of such Declined Proceeds, any Declined Proceeds remaining thereafter shall, after application towards any mandatory prepayment of Second Lien Term Loans, be retained by the Borrower (such remaining Declined Proceeds, the "**Borrower Retained Prepayment Amounts**").

(viii) Notwithstanding any other provisions of this Section 2.05, (i) to the extent that any of or all the Net Proceeds of any Disposition by a Foreign Subsidiary ("**Foreign Disposition**"), the Net Proceeds of any Casualty Event from a Foreign Subsidiary (a "**Foreign Casualty Event**") or Excess Cash Flow attributable to Foreign Subsidiaries are prohibited or delayed by applicable local law from being repatriated to the United States, the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.05(b) but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Borrower hereby agreeing to use commercially reasonable efforts to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Proceeds or Excess Cash Flow is permitted under the applicable local law, such repatriation will be promptly effected and an amount equal to such repatriated Net Proceeds or Excess Cash Flow will be promptly (and in any event not later than five (5) Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to this Section 2.05(b) to the extent provided herein and (ii) to the extent that the Borrower has determined in good faith that repatriation of any of or all the Net Proceeds of any Foreign Disposition or any Foreign Casualty Event or Excess Cash Flow attributable to Foreign Subsidiaries would have material adverse tax consequences (as determined in good faith by the Borrower) with respect to such Net Proceeds or Excess Cash Flow, such Net Proceeds or Excess Cash Flow so affected will not be required to be applied to

repay Term Loans at the times provided in this Section 2.05(b) but may be retained by the applicable Foreign Subsidiary.

(c) *Interest Funding Losses, Etc.* (i) Except to the extent otherwise agreed by each Lender so being prepaid, all prepayments of Loans (other than any Revolving Credit Loan that is a Base Rate Loan and any Swing Line Loan) shall be accompanied by all accrued and unpaid interest thereon through but not including the date of such prepayment (which, in the case of prepayments pursuant to Section 2.05(a)(v)(F) shall be the accrued and unpaid interest on the principal amount so prepaid up to, but not including, the applicable Discounted Prepayment Effective Date), together with, in the case of any such prepayment of a Eurocurrency Rate Loan on a date prior to the last day of an Interest Period therefor, any amounts owing in respect of such Eurocurrency Rate Loan pursuant to Section 3.05.

(ii) So long as no Event of Default shall have occurred and be continuing, if any prepayment of Eurocurrency Rate Loans is required to be made under this Section 2.05 (but excluding prepayments required under Section 2.05(b)(iv)), prior to the last day of the Interest Period therefor, in lieu of making any payment pursuant to this Section 2.05 in respect of any such Eurocurrency Rate Loan prior to the last day of the Interest Period therefor, the Borrower may, in its sole discretion, deposit an amount sufficient to make any such prepayment otherwise required to be made thereunder together with accrued interest to the last day of such Interest Period into a Cash Collateral Account until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.05. Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with the relevant provisions of this Section 2.05. Such deposit shall be deemed to be a prepayment of such Loans by the Borrower for all purposes under this Agreement.

Section 2.06 Termination or Reduction of Commitments.

(a) *Optional.* The Borrower may, upon written notice to the Administrative Agent, terminate the unused Commitments of any Class, or from time to time permanently reduce the unused Commitments of any Class, in each case without premium or penalty; *provided* that (i) any such notice shall be received by the Administrative Agent at least three (3) Business Days prior to the date of termination or reduction, (ii) any such partial reduction shall be in an aggregate amount of \$500,000, or any whole multiple of \$100,000 in excess thereof or, if less, the entire amount thereof and (iii) if, after giving effect to any reduction of the Commitments, the Letter of Credit Sublimit or the Swing Line Sublimit exceeds the amount of the Participating Revolving Credit Commitments, such sublimit shall be automatically reduced by the amount of such excess. Except as provided in the immediately preceding sentence, the amount of any such Revolving Credit Commitment reduction shall not be applied to the Letter of Credit Sublimit or the Swing Line Sublimit unless otherwise specified by the Borrower. Notwithstanding the foregoing, the Borrower may rescind or postpone any notice of termination of any Commitments if such termination would have resulted from a refinancing of all of the applicable Facility, which refinancing shall not be consummated or otherwise shall be delayed.

(b) *Mandatory*. The commitment of the Additional Term B ~~Commitment of each Term-3~~ Lender to make Term B-3 Loans shall be ~~automatically and permanently reduced to \$0~~ terminated upon the fundingmaking of Term B-3 Loans ~~to be made by it on the Closing Date pursuant to Section 2.01~~. The Term Commitment of each Term Lender with respect to Incremental Term Loans, any Refinancing Term Facility or any Term Loan Extension Series shall be automatically and permanently reduced to \$0 upon the funding of Term Loans to be made by it on the date set forth in the corresponding Incremental Amendment, Refinancing Amendment or Extension Amendment. The Revolving Credit Commitment of each Revolving Credit Lender shall automatically and permanently terminate on the Maturity Date for the applicable Class of Revolving Credit Commitments; provided that (x) the foregoing shall not release any Revolving Credit Lender from any liability it may have for its failure to fund Revolving Credit Loans, L/C Advances or participations in Swing Line Loans that were required to be funded by it on or prior to such Maturity Date and (y) the foregoing will not release any Revolving Credit Lender from any obligation to fund its portion of L/C Advances or participations in Swing Line Loans with respect to Letters of Credit issued or Swing Line Loans made prior to such Maturity Date.

(c) *Application of Commitment Reductions; Payment of Fees*. The Administrative Agent will promptly notify the Appropriate Lenders of any termination or reduction of unused portions of the Letter of Credit Sublimit or the Swing Line Sublimit or the unused Commitments of any Class under this Section 2.06. Upon any reduction of unused Commitments of any Class, the Commitment of each Lender of such Class shall be reduced by such Lender's Pro Rata Share of the amount by which such Commitments are reduced (other than the termination of the Commitment of any Lender as provided in Section 3.07). All commitment fees accrued until the effective date of any termination of the Aggregate Commitments shall be paid on the effective date of such termination.

Section 2.07 Repayment of Loans.

(a) *Term Loans*. (i) The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders (A) on the last Business Day of each March, June, September and December, an aggregate principal amount equal to ~~\$1,018,622.45~~ 0.25% of the aggregate principal amount of Term B-3 Loans outstanding on the Amendment No. 3 Effective Date after giving effect to Amendment No. 3 (which payments shall be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.05 and 10.07(p)) and (B) on the Maturity Date for any Class of Term Loans, the aggregate principal amount of all Term Loans of such Class outstanding on such date.

(ii) The amount of any such payment set forth in clause (i) above shall be adjusted to account for the addition of any Incremental Term Loans, Extended Term Loans or Refinancing Term Loans to contemplate (A) the reduction in the aggregate principal amount of any Term Loans that were paid down in connection with the incurrence of such Incremental Term Loans, Extended Term Loans or Refinancing Term Loans, and (B) any increase to payments to the extent and as required pursuant to the terms of any applicable Incremental Amendment, Extension Amendment or Refinancing Amendment.

(b) *Revolving Credit Loans*. The Borrower shall, jointly and severally, repay to the Administrative Agent for the ratable account of the Appropriate Lenders on the Maturity Date for any Class of Revolving Credit Commitments the aggregate outstanding principal amount of all Revolving Credit Loans made in respect of such Revolving Credit Commitments.

(c) *Swing Line Loans*. The Borrower shall repay the aggregate principal amount of each Swing Line Loan on the earlier to occur of (i) the date five (5) Business Days after such Loan is made and (ii) the Latest Maturity Date for the Participating Revolving Credit Commitments.

Section 2.08 Interest.

(a) Subject to the provisions of Section 2.08(b), (i) each Eurocurrency Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Eurocurrency Rate for such Interest Period plus the Applicable Rate; (ii) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate; and (iii) each Swing Line Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate for Revolving Credit Loans made under the Initial Revolving Credit Commitments.

(b) During the continuance of a Default under Section 8.01(a), the Borrower shall pay interest on past due amounts owing by it hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws; *provided* that no interest at the Default Rate shall accrue or be payable to a Defaulting Lender so long as such Lender shall be a Defaulting Lender. Accrued and unpaid interest on such amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

Section 2.09 Fees. In addition to certain fees described in Sections 2.03(h) and (i):

(a) *Commitment Fee*. The Borrower agrees to pay to the Administrative Agent for the account of each Revolving Credit Lender under each Class of Revolving Credit Commitments in accordance with its Pro Rata Share or other applicable share provided for under this Agreement, a commitment fee equal to the Applicable Rate with respect to Revolving Credit Commitments commitment fees for such Class times the actual daily amount by which the aggregate Revolving Credit Commitment for the applicable Class of Revolving Credit Commitments exceeds the sum of (A) the Outstanding Amount of Revolving Credit Loans for such Class of Revolving Credit Commitments and (B) the Outstanding Amount of L/C Obligations for such Class of Revolving Credit Commitments; provided that any commitment fee accrued with respect to any of the Commitments of a Defaulting Lender during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrower so long as such

Lender shall be a Defaulting Lender except to the extent that such commitment fee shall otherwise have been due and payable by the Borrower prior to such time; and provided, further, that no commitment fee shall accrue on any of the Commitments of a Defaulting Lender so long as such Lender shall be a Defaulting Lender. The commitment fee on each Class of Revolving Credit Commitments shall accrue at all times from the Closing Date until the Maturity Date for such Class of Revolving Credit Commitments, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable quarterly in arrears on the last Business Day of each of March, June, September and December, commencing with the first such date during the first full fiscal quarter to occur after the Closing Date, and on the Maturity Date for such Class of Revolving Credit Commitments. The commitment fee shall be calculated quarterly in arrears, and if there is any change in the Applicable Rate during any quarter, the actual daily amount shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect.

(b) *Other Fees.* The Borrower shall pay to the Agents such fees as shall have been separately agreed upon in writing (including without limitation pursuant to the Fee Letter) in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrower and the applicable Agent).

(c) *Upfront and Closing Fees.* The Borrower agrees to pay on the Closing Amendment No. 3 Effective Date to each Term B-3 Lender party to this Agreement on the Closing Amendment No. 3 Effective Date, as fee compensation for the funding of such Lender's Term B-3 Loan and making or conversion of such Lender's Revolving Credit Commitment, a closing Term B Loan or Term B-2 Loan into a Term B-3 Loan an upfront fee (the "Closing Upfront Fee") in an amount equal to ~~(x) 0.50~~ 1.00% of the stated principal amount of such Lender's Revolving Credit Commitment in effect on the Closing Date (provided that, in the case of this clause (x), a Revolving Credit Lender may agree with the Borrower to accept a lower fee in respect of all or a portion of its Revolving Credit Commitments) and ~~(y) 0.25%~~ 0.25% of the stated principal amount of such Lender's Term B-3 Loan made on the Closing Date. Such Closing Upfront Fee will be in all respects fully earned, due and payable on the Closing Date and Amendment No. 3 Effective and be non-refundable and non-creditable thereafter and, in the case of the Term B-3 Loans of the Additional Term B-3 Lender, such Closing Upfront Fee shall be netted against Term Loans made by such Additional Term B-3 Lender on the Closing Date Amendment No. 3 Date. The Closing Fee (as defined herein immediately prior to the Amendment No. 3 Effective Date) shall continue to be non-refundable and non-creditable.

Section 2.10 Computation of Interest and Fees.

All computations of interest for Base Rate Loans (including Base Rate Loans determined by reference to the Eurocurrency Rate or the prime rate) shall be made on the basis of a year of three hundred and sixty-five (365) days, or three hundred and sixty-six (366) days, as applicable, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a three hundred and sixty (360) day year and actual days elapsed. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; *provided* that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one

(1) day. In computing interest on any Loan, the day such Loan is made or converted to a Loan of a different Type shall be included and the date such Loan is repaid or converted to a Loan of a different type, as the case may be, shall be excluded. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 2.11 Evidence of Indebtedness.

(a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulation Section 5f.103-1(c), as agent for the Borrower, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be prima facie evidence absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) In addition to the accounts and records referred to in Section 2.11(a), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records and, in the case of the Administrative Agent, entries in the Register, evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swing Line Loans. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

(c) Entries made in good faith by the Administrative Agent in the Register pursuant to Sections 2.11(a) and (b), and by each Lender in its account or accounts pursuant to Sections 2.11(a) and (b), shall be *prima facie* evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement and the other Loan Documents, absent manifest error; *provided* that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrower under this Agreement and the other Loan Documents.

Section 2.12 Payments Generally.

(a) All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office in Dollars and in Same Day Funds not later than 2:00 p.m. on the date specified herein. The Administrative Agent will promptly distribute to each Appropriate Lender its Pro Rata Share (or other applicable share provided for under this Agreement) of such payment in like funds as received by wire transfer to such Lender's applicable Lending Office. All payments received by the Administrative Agent after 2:00 p.m. shall in each case be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue.

(b) If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be; *provided* that, if such extension would cause payment of interest on or principal of Eurocurrency Rate Loans to be made in the next succeeding calendar month, such payment shall be made on the immediately preceding Business Day.

(c) Unless the Borrower or any Lender has notified the Administrative Agent, prior to the date any payment is required to be made by it to the Administrative Agent hereunder, that the Borrower or such Lender, as the case may be, will not make such payment, the Administrative Agent may assume that the Borrower or such Lender, as the case may be, has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to the Person entitled thereto. If and to the extent that such payment was not in fact made to the Administrative Agent in Same Day Funds, then:

(i) if the Borrower failed to make such payment, each Lender shall forthwith on demand repay to the Administrative Agent the portion of such assumed payment that was made available to such Lender in Same Day Funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender to the date such amount is repaid to the Administrative Agent in Same Day Funds at the applicable Overnight Rate from time to time in effect; and

(ii) if any Lender failed to make such payment, such Lender shall forthwith on demand pay to the Administrative Agent the amount thereof in Same Day Funds, together with interest thereon for the period from the date such amount was made available by the Administrative Agent to the Borrower to the date such amount is recovered by the Administrative Agent (the "**Compensation Period**") at a rate per annum equal to the applicable Overnight Rate from time to time in effect. When such Lender makes payment to the Administrative Agent (together with all accrued interest thereon), then such payment amount (excluding the amount of any interest which may have accrued and been paid in respect of such late payment) shall constitute such Lender's Loan included in the applicable Borrowing. If such Lender does not pay such amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent may make a demand therefor upon the Borrower, and the Borrower

shall pay such amount to the Administrative Agent, together with interest thereon for the Compensation Period at a rate per annum equal to the rate of interest applicable to the applicable Borrowing. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrower may have against any Lender as a result of any default by such Lender hereunder.

A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this Section 2.12(c) shall be conclusive, absent manifest error.

(d) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(e) The obligations of the Lenders hereunder to make Loans and to fund participations in Letters of Credit and Swing Line Loans are several and not joint. The failure of any Lender to make any Loan or to fund any such participation on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or purchase its participation.

(f) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(g) Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and the Lenders under or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the order of priority set forth in Section 8.03. If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may (to the fullest extent permitted by mandatory provisions of applicable Law), but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the sum of (a) the Outstanding Amount of all Loans outstanding at such time and (b) the Outstanding Amount of all L/C Obligations outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

Section 2.13 Sharing of Payments. If, other than as expressly provided elsewhere herein or required by court order, any Lender shall obtain payment in respect of any principal or interest on account of the Loans made by it, or the participations in L/C Obligations and Swing Line Loans held by it, any payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder)

thereof, such Lender shall immediately (a) notify the Administrative Agent of such fact, and (b) purchase from the other Lenders such participations in the Loans made by them and/or such subparticipations in the participations in L/C Obligations or Swing Line Loans held by them, as the case may be, as shall be necessary to cause such purchasing Lender to share the excess payment in respect of any principal or interest on such Loans or such participations, as the case may be, pro rata with each of them; provided that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. For the avoidance of doubt, the provisions of this paragraph shall not be construed to apply to (A) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement as in effect from time to time (including the application of funds arising from the existence of a Defaulting Lender) or (B) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant permitted hereunder. The Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by applicable Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.09) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.13 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased. For purposes of subclause (v)(a) of the definition of Indemnified Taxes, a Lender that acquires a participation pursuant to this Section 2.13 shall be treated as having acquired such participation on the earlier date(s) on which such Lender acquired the applicable interest(s) in the Commitment(s) and/or Loan(s) to which such participation relates.

Section 2.14 Incremental Credit Extensions.

(a) *Incremental Commitments.* The Borrower may at any time or from time to time after the Closing Date, by notice to the Administrative Agent (an "**Incremental Loan Request**"), request (A) one or more new commitments which may be of the same Class as any outstanding Term Loans (a "**Term Loan Increase**") or a new Class of term loans (collectively with any Term Loan Increase, the "**Incremental Term Commitments**") and/or (B) one or more increases in the amount of the Revolving Credit Commitments (a "**Revolving Commitment Increase**") or the establishment of one or more new revolving credit commitments (any such new commitments, collectively with any Revolving Commitment Increases, the "**Incremental Revolving Credit Commitments**") and the Incremental Revolving Credit Commitments, collectively with any

Incremental Term Commitments, the “**Incremental Commitments**”), whereupon the Administrative Agent shall promptly deliver a copy to each of the Lenders.

(b) *Incremental Loans*. On the applicable date (each, an “**Incremental Facility Closing Date**”) specified in any Incremental Amendment (including through any Term Loan Increase or Revolving Increase, as applicable), subject to the satisfaction of the terms and conditions in this Section 2.14, (i) (A) each Incremental Term Lender of such Class shall make a Loan to the Borrower (an “**Incremental Term Loan**”) in an amount equal to its Incremental Term Commitment of such Class and (B) each Incremental Term Lender of such Class shall become a Lender hereunder with respect to the Incremental Term Commitment of such Class and the Incremental Term Loans of such Class made pursuant thereto and (ii) (A) each Incremental Revolving Credit Lender of such Class shall make its Commitment available to the Borrower (when borrowed, an “**Incremental Revolving Loan**”) and collectively with any Incremental Term Loan, an “**Incremental Loan**”) in an amount equal to its Incremental Revolving Credit Commitment of such Class and (B) each Incremental Revolving Credit Lender of such Class shall become a Lender hereunder with respect to the Incremental Revolving Credit Commitment of such Class and the Incremental Revolving Loans of such Class made pursuant thereto.

(c) *Incremental Loan Request*. Each Incremental Loan Request from the Borrower pursuant to this Section 2.14 shall set forth the requested amount and proposed terms of the relevant Incremental Term Loans or Incremental Revolving Credit Commitments. Incremental Term Loans may be made, and Incremental Revolving Credit Commitments may be provided, by any existing Lender (but no existing Lender will have an obligation to make any Incremental Commitment, nor will the Borrower have any obligation to approach any existing Lender to provide any Incremental Commitment) or by any Additional Lender (each such existing Lender or Additional Lender providing such Commitment or Loan, an “**Incremental Revolving Credit Lender**” or “**Incremental Term Lender**,” as applicable, and, collectively, the “**Incremental Lenders**”); *provided* that (i) the Administrative Agent, the Swing Line Lender and each L/C Issuer shall have consented (not to be unreasonably withheld or delayed) to such Additional Lender’s making such Incremental Term Loans or providing such Incremental Revolving Credit Commitments to the extent such consent, if any, would be required under Section 10.07(b) for an assignment of Term Loans or Revolving Credit Commitments, as applicable, to such Lender or Additional Lender, (ii) with respect to Incremental Term Commitments, any Affiliated Lender providing an Incremental Term Commitment shall be subject to the same restrictions set forth in Section 10.07(k) as they would otherwise be subject to with respect to any purchase by or assignment to such Affiliated Lender of Term Loans and (iii) Affiliated Lenders may not provide Incremental Revolving Credit Commitments.

(d) *Effectiveness of Incremental Amendment*. The effectiveness of any Incremental Amendment, and the Incremental Commitments thereunder, shall be subject to the satisfaction on the applicable date (which shall be no earlier than the date of such Incremental Amendment) specified therein (the “**Incremental Amendment Date**”) of each of the following conditions, together with any other conditions set forth in the Incremental Amendment:

(i) after giving effect to such Incremental Commitments, the conditions of Section 4.02 shall be satisfied (it being understood that all references to “the date of such Credit Extension” or similar language in such Section 4.02 shall be deemed to refer to the Incremental

Amendment Date); *provided, that*, such Incremental Amendment may include a waiver by the Incremental Lenders party thereto of the condition set forth in Section 4.02(iii) and, in connection with any Incremental Commitment the primary purpose of which is to finance a Permitted Acquisition, a waiver in full or in part of the conditions set forth in clauses (i) and (ii) (other than with respect to any Event of Default under Section 8.01(a) or (f)) of Section 4.02;

(ii) each Incremental Term Commitment shall be in an aggregate principal amount that is not less than \$10,000,000 and shall be in an increment of \$1,000,000 (*provided* that such amount may be less than \$10,000,000 if such amount represents all remaining availability under the limit set forth in Section 2.14(d)(iii)) and each Incremental Revolving Credit Commitment shall be in an aggregate principal amount that is not less than \$10,000,000 and shall be in an increment of \$1,000,000 (*provided* that such amount may be less than \$10,000,000 if such amount represents all remaining availability under the limit set forth in Section 2.14(d)(iii));

(iii) (A) after giving Pro Forma Effect to both (x) the making of Incremental Term Loans or establishment of Incremental Revolving Credit Commitments (assuming a borrowing of the maximum amount of Loans available thereunder) under such Incremental Amendment and (y) any Specified Transactions consummated in connection therewith, (1) if such Incremental Term Loans or Incremental Revolving Credit Commitments rank *pari passu* in right of security with the Obligations under Term Loans and Revolving Credit Loans secured on a first lien basis, the Consolidated First Lien Net Leverage Ratio does not exceed ~~5.00~~2.50 :1.00, (2) if such Incremental Term Loans or Incremental Revolving Credit Commitments rank junior in right of security with the Obligations under Term Loans and Revolving Credit Loans secured on a first lien basis, the Secured Net Leverage Ratio does not exceed ~~6.25~~4.20:1.00 or (3) if such Incremental Term Loans or Incremental Revolving Credit Commitments ~~is~~are unsecured, the Total Net Leverage Ratio does not exceed ~~6.25~~4.20:1.00; or (B) together with the Incremental Term Loans made and Incremental Revolving Credit Commitments established under such Incremental Amendment, the aggregate principal amount of Incremental Term Loans made and Incremental Revolving Credit Commitments established under this clause (B) (*plus* the Second Lien Incremental Usage Amount and Incremental Equivalent Debt incurred in reliance on clause (i)(B) of Section 2.14(h)) does not exceed ~~(i) \$85,000,000 (provided, that such amount shall not be reduced by the Term B-2 Loans, Additional Commitments (as defined in Amendment No.1) or the 2016 Second Lien Incremental Term Loan (as defined in Amendment No.1)), following the Amendment No. 3 Effective Date, (i) \$42,600,000~~ plus (ii) the principal amount of any voluntary prepayments of Term Loans following the Amendment No. 3 Effective Date (to the extent not made with the proceeds of Indebtedness (other than the incurrence of Revolving Credit Loans or extensions of credit under any other revolving credit or similar facility) plus (iii) in the case of any Incremental Commitment established after the Amendment No. 3 Effective Date that effectively extends the Maturity Date or any other maturity date with respect to any Class of Loans or Commitments hereunder, an amount equal to the portion of the relevant Class of Loans or Commitments that will be replaced by such Incremental Commitments plus (iv) in the case of any Incremental Commitment that effectively replaces any Revolving Credit Commitment terminated in accordance with Section ~~3.07~~3.07 after the Amendment No. 3 Effective Date, an amount equal to the relevant terminated Revolving Credit Commitment; *provided, that*, it is understood that Incremental Term Loans and Incremental Revolving Credit Commitments may be incurred under either clause (A) or clause (B) as selected by the Borrower in its sole

discretion, including by designating any portion of Incremental Commitments in excess of an amount permitted to be incurred under clause (A) at the time of such incurrence as incurred under clause (B)); provided further that the amount of Incremental Term Commitments, Incremental Term Loans and Incremental Revolving Credit Commitments that are permitted shall in no event be reduced by the amount of the increase in the Initial Revolving Credit Commitments occurring on the Amendment No. 3 Effective Date; and

(iv) to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of (A) customary legal opinions, board resolutions and officers' certificates consistent with those delivered on the Closing Date (conformed as appropriate) other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Administrative Agent and (B) reaffirmation agreements and/or such amendments to the Collateral Documents as may be reasonably requested by the Administrative Agent in order to ensure that such Incremental Lenders are provided with the benefit of the applicable Loan Documents.

(e) *Required Terms.* The terms, provisions and documentation of the Incremental Term Loans and Incremental Term Commitments or the Incremental Revolving Loans and Incremental Revolving Credit Commitments, as the case may be, of any Class shall be as agreed between the Borrower and the applicable Incremental Lenders providing such Incremental Commitments, and except as otherwise set forth herein, to the extent not identical to any Class of Term Loans or Revolving Credit Commitments, as applicable, each existing on the Incremental Facility Closing Date, shall be consistent with clauses (i) through (iii) below, as applicable, and otherwise reasonably satisfactory to the Administrative Agent; *provided* that in the case of a Term Loan Increase or a Revolving Commitment Increase, the terms, provisions and documentation of such Term Loan Increase or Revolving Commitment Increase shall be identical (other than with respect to upfront fees, OID or similar fees) to the applicable Class of Term Loans or Revolving Credit Commitments being increased, in each case, as existing on the Incremental Facility Closing Date. In any event:

(D) shall have an Applicable Rate, and subject to clauses (e)(i)(B) and (e)(i)(C) above, amortization determined by the Borrower and the applicable Incremental Term Lenders; *provided* the Applicable Rate and amortization for a Term Loan Increase shall be the Applicable Rate and amortization for the Class being increased,

(E) shall have fees determined by the Borrower and the applicable Incremental Term Loan arranger(s), and

(F) may participate on a pro rata basis or less than pro rata basis (but not on a greater than pro rata basis (except for prepayments pursuant to Section 2.05(b)(iv) and Section 2.05(b)(vi)(A)(y) or any voluntary prepayments of any Class of Term Loans with an earlier Maturity Date than any other Classes of Term Loans)) in any voluntary or mandatory prepayments of Term Loans hereunder.

(ii) the Incremental Revolving Credit Commitments and Incremental Revolving Loans:

(A) (I) shall rank *pari passu* or junior in right of payment with the Obligations under the Term Loans and Revolving Credit Loans that are senior in right of payment and (II) shall rank *pari passu* in right of security with the Obligations under the Term Loans and Revolving Credit Loans that are secured on a first lien basis,

accordance with their percentage of the Participating Revolving Credit Commitments existing after giving effect to such Incremental Amendment, *provided*, such election may be made conditional upon the maturity of one or more other Participating Revolving Credit Commitments, *provided, further*, that in connection with such election the Swing Line Lender or the L/C Issuers may, in their sole discretion and with the consent of the Administrative Agent (not to be unreasonably withheld or delayed), agree in the applicable Incremental Amendment to increase the Swing Line Sublimit or the Letter of Credit Sublimit so long as such increase does not exceed the amount of the additional Participating Revolving Credit Commitments,

(E) may provide that the permanent repayment of Revolving Credit Loans with respect to, and termination or reduction of, Incremental Revolving Credit Commitments after the associated Incremental Facility Closing Date be made on a pro rata basis or less than pro rata basis with all other Revolving Credit Commitments,

(F) shall provide that assignments and participations of Incremental Revolving Credit Commitments and Incremental Revolving Loans shall be governed by the same assignment and participation provisions applicable to Revolving Credit Commitments and Revolving Credit Loans then existing on the Incremental Facility Closing Date,

(f) *Incremental Amendment.* Commitments in respect of Incremental Term Loans and Incremental Revolving Credit Commitments shall become additional Commitments pursuant

to an amendment (an “**Incremental Amendment**”) to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Incremental Lender providing such Commitments, the Administrative Agent and, for purposes of any election and/or increase to the Swing Line Sublimit or Letter of Credit Sublimit pursuant to Section 2.14(e)(ii)(D), the Swing Line Lender and each L/C Issuer. The Incremental Amendment may, without the consent of any other Loan Party, Agent or Lender, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.14, including amendments as deemed necessary by the Administrative Agent in its reasonable judgment to effect any lien or payment subordination and associated rights of the applicable Lenders to the extent any Incremental Loans are to rank junior in right of security or payment or to address technical issues relating to funding and payments. The Borrower will use the proceeds of the Incremental Term Loans and Incremental Revolving Credit Commitments for any purpose not prohibited by this Agreement.

(g) *Reallocation of Revolving Credit Exposure.* Upon any Incremental Facility Closing Date on which Incremental Revolving Credit Commitments are effected through a Revolving Commitment Increase pursuant to this Section 2.14, (a) each of the Revolving Credit Lenders shall assign to each of the Incremental Revolving Credit Lenders, and each of the Incremental Revolving Credit Lenders shall purchase from each of the Revolving Credit Lenders, at the principal amount thereof, such interests in the Incremental Revolving Loans outstanding on such Incremental Facility Closing Date as shall be necessary in order that, after giving effect to all such assignments and purchases, such Revolving Credit Loans will be held by existing Revolving Credit Lenders and Incremental Revolving Credit Lenders ratably in accordance with their Revolving Credit Commitments after giving effect to the addition of such Incremental Revolving Credit Commitments to the Revolving Credit Commitments, (b) each Incremental Revolving Credit Commitment shall be deemed for all purposes a Revolving Credit Commitment and each Loan made thereunder shall be deemed, for all purposes, a Revolving Credit Loan and (c) each Incremental Revolving Credit Lender shall become a Lender with respect to the Incremental Revolving Credit Commitments and all matters relating thereto. The Administrative Agent and the Lenders hereby agree that the minimum borrowing and prepayment requirements in Section 2.02 and 2.05(a) of this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

(h) *Incremental Equivalent Debt.* The Borrower may, upon notice to the Administrative Agent, at any time or from time to time after the Closing Date, issue, incur or otherwise obtain Indebtedness of the Borrower (and any Permitted Refinancing thereof) in respect of one or more series of senior or subordinated notes or loans (which may be unsecured or secured on a junior lien basis or, in the case of notes only, a *pari passu* basis with the Obligations under Term Loans and Revolving Credit Loans required to be secured on a first lien basis), in each case issued in a public offering, Rule 144A or other private placement or bridge in lieu of the foregoing, or senior or subordinated mezzanine Indebtedness (which may be in the form of loans or notes and limited to being unsecured or secured solely on a junior lien basis), in each case, that are issued or made in lieu of Incremental Revolving Credit Commitments and/or Incremental Term Commitments (the “**Incremental Equivalent Debt**”); *provided* that (i) (A) after giving Pro Forma Effect to both (x) the issuance or incurrence of such Incremental Equivalent Debt (assuming a borrowing of the maximum credit thereunder) and (y) any Specified

Transactions consummated in connection therewith, (1) if such Incremental Equivalent Debt ranks *pari passu* in right of security with the Obligations under Term Loans and Revolving Credit Loans that are secured on a first lien basis, the Consolidated First Lien Net Leverage Ratio does not exceed ~~5.00~~2.50:1.00, (2) if such Incremental Equivalent Debt ranks junior in right of security with the Obligations under the Term Loans and Revolving Credit Loans that are secured on a first lien basis, the Secured Net Leverage Ratio does not exceed ~~6.25~~4.20: 1.00 and (3) if such Incremental Equivalent Debt is unsecured, the Total Net Leverage Ratio does not exceed ~~6.25~~4.20: 1.00 or (B) together with such Incremental Equivalent Debt, the aggregate principal amount of Incremental Equivalent Debt incurred or issued under this clause (B) and Incremental Term Loans made and Incremental Revolving Credit Commitments established under Section 2.14(d)(iii)(B) (*plus* the Second Lien Incremental Usage Amount) does not exceed ~~\$85,000,000~~ (~~provided, that such amount shall not be reduced by the Term B-2 Loans, Additional Commitments (as defined in Amendment No. 1) or the 2016 Second Lien Incremental Term Loan (as defined in Amendment No.1)~~), following the Amendment No. 3 Effective Date, \$42,600,000 plus the principal amount of any voluntary prepayments of Term Loans made after the Amendment No. 3 Effective Date (to the extent not made with the proceeds of Indebtedness (other than the incurrence of Revolving Credit Loans or extensions of credit under any other revolving credit or similar facility)) plus in the case of any Incremental Equivalent Debt incurred or established after the Amendment No. 3 Effective Date that effectively extends the Maturity Date or any other maturity date with respect to any Class of Loans or Commitments hereunder, an amount equal to the portion of the relevant Class of Loans or Commitments that will be replaced by such Incremental Commitments plus ~~(iv)~~ in the case of any Incremental Equivalent Debt incurred or established after the Amendment No. 3 Effective Date that effectively replaces any Revolving Credit Commitment terminated in accordance with Section 3.07, an amount equal to the relevant terminated Revolving Credit Commitment (and, for the avoidance of doubt, the amount under this clause (i) shall not be reduced by the increase in the Initial Revolving Credit Commitments occurring on the Amendment No. 3 Effective Date), (ii) such Incremental Equivalent Debt shall not be subject to any Guarantee by any Person other than a Loan Party, (iii) if such Incremental Equivalent Debt is secured, the obligations in respect thereof shall not be secured by any Lien on any asset of Holdings, the Borrower or any Restricted Subsidiary other than any asset constituting Collateral, (iv) no Default or Event of Default shall have occurred and be continuing or would exist immediately after giving effect to such incurrence, (v) if such Incremental Equivalent Debt is secured, the security agreements and other collateral documents relating to such Incremental Equivalent Debt shall be substantially similar to the Collateral Documents (with such differences as are reasonably satisfactory to the Administrative Agent), (vi) if such Incremental Equivalent Debt is (a) secured on a *pari passu* basis with the Obligations under Term Loans and Revolving Credit Loans that are secured on a first lien basis, then such Incremental Equivalent Debt shall be subject to a First Lien Intercreditor Agreement, (b) secured on a junior basis with the Obligations under Term Loans and Revolving Credit Loans that are secured on a first lien basis, then such Incremental Equivalent Debt shall be subject to the Second Lien Intercreditor Agreement or other lien subordination and intercreditor arrangement satisfactory to the Borrower and the Administrative Agent or (c) unsecured and subordinated to the Obligations, then such Incremental Equivalent Debt shall be subject to a Subordination Agreement (or, alternatively, terms in the definitive documentation for such Incremental Equivalent Debt substantially similar to those in such applicable agreement, as agreed by the Borrower and Administrative Agent), (vii) such Incremental Equivalent Debt shall have a final

maturity date which is no earlier than the then Maturity Date and a Weighted Average Life to Maturity which is equal to or greater than the Weighted Average Life to Maturity of the Term B-3 Loans, (viii) such Incremental Equivalent Debt shall not be subject to any mandatory redemption or prepayment provisions or rights (except to the extent any such mandatory redemption or prepayment is required to be applied pro rata to the Term Loans required to be secured on a first lien basis and except with respect to customary "AHYDO catch-up payments", offers to repurchase and prepayment events upon a change of control, asset sale or event of loss and a customary acceleration right after an event of default) and (ix) except as otherwise set forth in this clause (h), such Incremental Equivalent Debt shall have terms and conditions (other than with respect to pricing, fees, rate floors and optional prepayment or redemption terms) substantially similar to, or (taken as a whole) no more favorable (as reasonably determined by the Borrower) to the lenders or holders providing such Incremental Equivalent Debt, than those applicable to the Term B-3 Loans (except for covenants or other provisions (a) conformed (or added) in the Loan Documents, for the benefit of the Lenders holding Term B-3 Loans, pursuant to an amendment thereto subject solely to the reasonable satisfaction of the Administrative Agent or (b) applicable only to periods after the Latest Maturity Date at the time of the issuance or incurrence of such Incremental Equivalent Debt) or such terms and conditions shall be current market terms for such type of Incremental Equivalent Debt (as reasonably determined in good faith by the Borrower). It is understood that Incremental Equivalent Debt may be incurred under either clause (i)(A) or clause (i)(B) of the immediately preceding sentence as selected by the Borrower in its sole discretion, including by designating any portion of Incremental Equivalent Debt in excess of an amount permitted to be incurred under such clause (i)(A) at the time of such incurrence as incurred under such clause (i)(B).

(i) This Section 2.14 shall supersede any provisions in Section 2.13 or 10.01 to the contrary.

Section 2.15 Refinancing Amendments.

(a) *Refinancing Commitments*. The Borrower may at any time or from time to time after the Closing Date, by notice to the Administrative Agent (a "**Refinancing Loan Request**"), request (A) a new Class of term loans (any such new Class, "**Refinancing Term Commitments**") or (B) the establishment of a new Class of revolving credit commitments (any such new Class, "**Refinancing Revolving Credit Commitments**" and collectively with any Refinancing Term Commitments, "**Refinancing Commitments**"), in each case, established in exchange for, or to extend, renew, replace, repurchase, retire or refinance, in whole or in part, existing Loans or Commitments (with respect to a particular Refinancing Commitment or Refinancing Loan, such existing Loans or Commitments, "**Refinanced Debt**"), whereupon the Administrative Agent shall promptly deliver a copy to each of the Lenders.

(b) *Refinancing Loans*. On any Refinancing Facility Closing Date on which any Refinancing Term Commitments of any Class are effected, subject to the satisfaction of the terms and conditions in this Section 2.15, (i) each Refinancing Term Lender of such Class shall make a Loan to the Borrower (a "**Refinancing Term Loan**") in an amount equal to its Refinancing Term Commitment of such Class and (ii) each Refinancing Term Lender of such Class shall become a Lender hereunder with respect to the Refinancing Term Commitment of such Class and the Refinancing Term Loans of such Class made pursuant thereto. On any Refinancing Facility

Closing Date on which any Refinancing Revolving Credit Commitments of any Class are effected, subject to the satisfaction of the terms and conditions in this Section 2.15, (i) each Refinancing Revolving Credit Lender of such Class shall make its Commitment available to the Borrower (when borrowed, a “**Refinancing Revolving Loan**” and collectively with any Refinancing Term Loan, a “**Refinancing Loan**”) in an amount equal to its Refinancing Revolving Credit Commitment of such Class and (ii) each Refinancing Revolving Credit Lender of such Class shall become a Lender hereunder with respect to the Refinancing Revolving Credit Commitment of such Class and the Refinancing Revolving Loans of such Class made pursuant thereto.

(c) *Refinancing Loan Request.* Each Refinancing Loan Request from the Borrower pursuant to this Section 2.15 shall set forth the requested amount and proposed terms of the relevant Refinancing Term Loans or Refinancing Revolving Credit Commitments. Refinancing Term Loans may be made, and Refinancing Revolving Credit Commitments may be provided, by any existing Lender (but no existing Lender will have an obligation to make any Refinancing Commitment, nor will the Borrower have any obligation to approach any existing Lender to provide any Refinancing Commitment) or by any Additional Lender (each such existing Lender or Additional Lender providing such Commitment or Loan, a “**Refinancing Revolving Credit Lender**” or “**Refinancing Term Lender**,” as applicable, and, collectively, “**Refinancing Lenders**”); *provided* that (i) the Administrative Agent, the Swing Line Lender and each L/C Issuer shall have consented (not to be unreasonably withheld or delayed) to such Additional Lender’s making such Refinancing Term Loans or providing such Refinancing Revolving Credit Commitments to the extent such consent, if any, would be required under Section 10.07(b) for an assignment of Term Loans or Revolving Credit Commitments, as applicable, to such Lender or Additional Lender, (ii) with respect to Refinancing Term Commitments, any Affiliated Lender providing a Refinancing Term Commitment shall be subject to the same restrictions set forth in Section 10.07(k) as they would otherwise be subject to with respect to any purchase by or assignment to such Affiliated Lender of Term Loans and (iii) Affiliated Lenders may not provide Refinancing Revolving Credit Commitments.

(d) *Effectiveness of Refinancing Amendment.* The effectiveness of any Refinancing Amendment, and the Refinancing Commitments thereunder, shall be subject to the satisfaction on the date thereof (a “**Refinancing Facility Closing Date**”) of each of the following conditions, together with any other conditions set forth in the Refinancing Amendment:

(i) after giving effect to such Refinancing Commitments, the conditions of Sections 4.02(i) and (ii) shall be satisfied (it being understood that all references to “the date of such Credit Extension” or similar language in such Section 4.02 shall be deemed to refer to the effective date of such Refinancing Amendment);

(ii) each Refinancing Commitment shall be in an aggregate principal amount that is not less than \$25,000,000 and shall be in an increment of \$1,000,000 (*provided* that such amount may be less than \$25,000,000 and not in an increment of \$1,000,000 if such amount is equal to (x) the entire outstanding principal amount of Refinanced Debt that is in the form of Term Loans or (y) the entire principal amount of Refinanced Debt that is in the form of Revolving Credit Commitments); and

(iii) to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of (i) customary legal opinions, board resolutions and officers' certificates consistent with those delivered on the Closing Date (conformed as appropriate) other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Administrative Agent and (ii) reaffirmation agreements and/or such amendments to the Collateral Documents as may be reasonably requested by the Administrative Agent in order to ensure that such Refinancing Lenders are provided with the benefit of the applicable Loan Documents.

(e) *Required Terms.* The terms, provisions and documentation of the Refinancing Term Loans and Refinancing Term Commitments or the Refinancing Revolving Loans and Refinancing Revolving Credit Commitments, as the case may be, of any Class shall be as agreed between the Borrower and the applicable Refinancing Lenders providing such Refinancing Commitments, and except as otherwise set forth herein, to the extent not identical to any Class of Term Loans or Revolving Credit Commitments, as applicable, each existing on the Refinancing Facility Closing Date, shall be consistent with clauses (i) and (ii) below, as applicable, and otherwise reasonably satisfactory to the Administrative Agent. In any event:

(i) the Refinancing Term Loans:

(A) as of the Refinancing Facility Closing Date, shall not have a final scheduled maturity date earlier than the Maturity Date of the Refinanced Debt,

(B) as of the Refinancing Facility Closing Date, shall not have a Weighted Average Life to Maturity shorter than the remaining Weighted Average Life to Maturity of the Refinanced Debt,

(E) may participate on a pro rata basis or less than pro rata basis (but not on a greater than pro rata basis (except for prepayments pursuant to Section 2.05(b)(iv) and Section 2.05(b)(vi)(A)(y) or any voluntary prepayments of any Class of Term Loans with an earlier Maturity Date than any other Classes of Term Loans)) in any voluntary or mandatory prepayments of Term Loans hereunder, or if junior in right of security, shall be on a junior basis with respect thereto,

(F) shall not have a greater principal amount than the principal amount of the Refinanced Debt plus accrued interest, fees, premiums (if any) and penalties thereon and reasonable fees, expenses, OID and upfront fees associated with the refinancing, and

(G) (I) shall rank pari passu or junior in right of payment with the Obligations under Term Loans and Revolving Credit Loans that are senior in right of payment and (II) shall be secured by the Collateral and shall rank pari passu or junior in right of security

with the Obligations under Term Loans and Revolving Credit Loans that are secured on a first lien basis (and, if applicable, subject to a Subordination Agreement and/or the Second Lien Intercreditor Agreement (or, alternatively, terms in the Refinancing Amendment substantially similar to those in such applicable agreement, as agreed by the Borrower and Administrative Agent) or other lien subordination and intercreditor arrangement satisfactory to the Borrower and the Administrative Agent); and

(ii) the Refinancing Revolving Credit Commitments and Refinancing Revolving Loans:

(A) (I) shall rank *pari passu* or junior in right of payment with the Obligations under the Term Loans and Revolving Credit Loans that are senior in right of payment and (II) shall rank *pari passu* in right of security with the Obligations under the Term Loans and Revolving Credit Loans that are secured on a first lien basis,

(B) shall not have a final scheduled maturity date or commitment reduction date earlier than the Maturity Date or commitment reduction date, respectively, with respect to the Refinanced Debt,

(C) shall provide that the borrowing and repayment (except for (1) payments of interest and fees at different rates on Refinancing Revolving Credit Commitments (and related outstandings), (2) repayments required upon the Maturity Date of the Refinancing Revolving Credit Commitments and (3) repayment made in connection with a permanent repayment and termination of commitments (in accordance with clause (E) below)) of Loans with respect to Refinancing Revolving Credit Commitments after the associated Refinancing Facility Closing Date shall be made on a *pro rata* basis or less than a *pro rata* basis (but not more than a *pro rata* basis) with all other Revolving Credit Commitments then existing on the Refinancing Facility Closing Date,

(D) may be elected to be included as additional Participating Revolving Credit Commitments under the Refinancing Amendment, subject to the consent of the Swing Line Lender and each L/C Issuer, and on the Refinancing Facility Closing Date all Swing Line Loans and Letters of Credit shall be participated on a *pro rata* basis by all Participating Revolving Credit Lenders in accordance with their percentage of the Participating Revolving Credit Commitments existing after giving effect to such Refinancing Amendment, *provided*, such election may be made conditional upon the termination of one or more other Participating Revolving Credit Commitments,

(E) may provide that the permanent repayment of Revolving Credit Loans with respect to, and termination or reduction of, Refinancing Revolving Credit Commitments after the associated Refinancing Facility Closing Date be made on a *pro rata* basis, less than *pro rata* basis or greater than *pro rata* basis with all other Revolving Credit Commitments,

(F) shall provide that assignments and participations of Refinancing Revolving Credit Commitments and Refinancing Revolving Loans shall be governed by the same assignment and participation provisions applicable to Revolving Credit

Commitments and Revolving Credit Loans then existing on the Refinancing Facility Closing Date,

(G) shall have an Applicable Rate and Eurocurrency Rate or Base Rate floor (if any) determined by the Borrower and the applicable Refinancing Revolving Credit Lenders,

(H) shall have fees determined by the Borrower and the applicable Refinancing Revolving Credit Commitment arranger(s), and

(I) shall not have a greater principal amount of Commitments than the principal amount of the Commitments of the Refinanced Debt and accrued interest, fees, premiums (if any) and penalties thereon and reasonable fees, expenses, OID and upfront fees associated with the refinancing.

(f) *Refinancing Amendment.* Commitments in respect of Refinancing Term Loans and Refinancing Revolving Credit Commitments shall become additional Commitments pursuant to an amendment (a "**Refinancing Amendment**") to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Refinancing Lender providing such Commitments, the Administrative Agent and, for purposes of any election pursuant to Section 2.15(e)(ii)(C), the Swing Line Lender and each L/C Issuer. The Refinancing Amendment may, without the consent of any other Loan Party, Agent or Lender, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.15, including amendments as deemed necessary by the Administrative Agent in its reasonable judgment to effect any lien or payment subordination and associated rights of the applicable Lenders to the extent any Refinancing Loans are to rank junior in right of security or payment or to address technical issues relating to funding and payments. The Borrower will use the proceeds of the Refinancing Term Loans and Refinancing Revolving Credit Commitments to extend, renew, replace, repurchase, retire or refinance, substantially concurrently, the applicable Refinanced Debt.

(g) *[Reserved.]*

(h) *Refinancing Equivalent Debt.*

(i) In lieu of incurring any Refinancing Term Loans, the Borrower may, upon notice to the Administrative Agent, at any time or from time to time after the Closing Date issue, incur or otherwise obtain (A) secured Indebtedness (including any Registered Equivalent Notes) in the form of one or more series of first lien senior secured notes (such notes, "**Permitted Pari Passu Secured Refinancing Debt**"), (B) secured Indebtedness (including any Registered Equivalent Notes) in the form of one or more series of second lien (or other junior lien) secured notes or second lien (or other junior lien) secured term loans (such notes or term loans, "**Permitted Junior Secured Refinancing Debt**") and (C) unsecured or subordinated Indebtedness (including any Registered Equivalent Notes) in the form of one or more series of unsecured or subordinated notes or term loans (such notes or term loans, "**Permitted Unsecured Refinancing Debt**") and together with Permitted Pari Passu Secured Refinancing Debt and

Permitted Junior Secured Refinancing Debt, and, in each case, any Permitted Refinancing thereof, “**Refinancing Equivalent Debt**”), in each case, in exchange for, or to extend, renew, replace, repurchase, retire or refinance, in whole or in part, any existing Class of Term Loans (such Term Loans, “**Refinanced Term Loans**”).

(ii) Any Refinancing Equivalent Debt:

(A) (1) shall not have a Maturity Date prior to the date that is on or after the Maturity Date of the Refinanced Term Loans, (2) if in the form of term loans, shall not have a Weighted Average Life to Maturity shorter than the remaining Weighted Average Life to Maturity of the Refinanced Term Loans, (3) if in the form of notes, shall not have scheduled amortization or payments of principal and not be subject to mandatory redemption, repurchase, prepayment or sinking fund obligations (other than customary “AHYDO catch-up payments”, offers to repurchase and prepayment events upon a change of control, asset sale or event of loss and a customary acceleration right after an event of default), in each case prior to the Maturity Date of the Refinanced Term Loans, (4) shall not be guaranteed by Persons other than Guarantors, (5) if in the form of subordinated Permitted Unsecured Refinancing Debt, shall be subject to a Subordination Agreement to which a Senior Representative acting on behalf of the holders of such Permitted Unsecured Refinancing Debt shall have become a party or otherwise subject (or, alternatively, terms in the definitive documentation for such Refinancing Equivalent Debt substantially similar to those in such applicable agreement, as agreed by the Borrower and Administrative Agent); *provided* that if such Permitted Unsecured Refinancing Debt is the initial subordinated Permitted Unsecured Refinancing Debt incurred by the Borrower, then Holdings, the Borrower, the Subsidiary Guarantors, the Administrative Agent and the Senior Representative for such Permitted Unsecured Refinancing Debt shall have executed and delivered a Subordination Agreement, (6) shall not have a greater principal amount than the principal amount of the Refinanced Term Loans plus accrued interest, fees, premiums (if any) and penalties thereon and reasonable fees, expenses, OID and upfront fees associated with the refinancing and (7) except as otherwise set forth in this clause (h)(ii), shall have terms and conditions (other than with respect to pricing, fees, rate floors and optional prepayment or redemption terms) substantially similar to, or (taken as a whole) no more favorable (as reasonably determined by the Borrower) to the lenders or holders providing such Refinancing Equivalent Debt, than those applicable to the Refinanced Term Loans (except for covenants or other provisions (a) conformed (or added) in the Loan Documents, for the benefit of the Lenders holding Term B-3 Loans, pursuant to an amendment thereto subject solely to the reasonable satisfaction of the Administrative Agent or (b) applicable only to periods after the Latest Maturity Date at the time of the issuance or incurrence of such Refinancing Equivalent Debt) or such terms and conditions shall be current market terms for such type of Refinancing Equivalent Debt (as reasonably determined in good faith by the Borrower),

(B) (1) if either Permitted Pari Passu Secured Refinancing Debt or Permitted Junior Secured Refinancing Debt, shall be subject to security agreements relating to such Refinancing Equivalent Debt that are substantially the same as or more favorable to the Loan Parties than the Collateral Documents (with such differences as are reasonably

satisfactory to the Administrative Agent), (2) if Permitted Pari Passu Secured Refinancing Debt, (x) shall be secured by the Collateral on a *pari passu* basis with the Obligations under Term Loans and Revolving Credit Loans required to be secured on a first lien basis and shall not be secured by any property or assets of Holdings, the Borrower or any Restricted Subsidiary other than the Collateral, and (y) shall be subject to a First Lien Intercreditor Agreement to which a Senior Representative acting on behalf of the holders of such Permitted Pari Passu Secured Refinancing Debt shall have become a party or otherwise subject; *provided* that if such Permitted Pari Passu Secured Refinancing Debt is the initial Permitted Pari Passu Secured Refinancing Debt incurred by the Borrower, then Holdings, the Borrower, the Subsidiary Guarantors, the Administrative Agent and the Senior Representative for such Permitted Pari Passu Secured Refinancing Debt shall have executed and delivered a First Lien Intercreditor Agreement and (3) if Permitted Junior Secured Refinancing Debt, (x) shall be secured by the Collateral on a second priority (or other junior priority) basis to the Liens securing the Obligations under Term Loans and Revolving Credit Loans required to be secured on a first lien basis and shall not be secured by any property or assets of Holdings, the Borrower or any Restricted Subsidiary other than the Collateral, and (y) shall be subject to the Second Lien Intercreditor Agreement to which a Senior Representative acting on behalf of the holders of such Permitted Junior Secured Refinancing Debt shall have become a party or otherwise subject or other lien subordination or intercreditor arrangement satisfactory to the Borrower and the Administrative Agent, and

(C) shall be incurred solely to repay, repurchase, retire or refinance substantially concurrently the Refinanced Term Loans.

(iii) This Section 2.15 shall supersede any provisions in Section 2.13 or 10.01 to the contrary.

Section 2.16 Extension of Term Loans; Extension of Revolving Credit Loans.

(a) *Extension of Term Loans.* The Borrower may at any time and from time to time request that all or a portion of the Term Loans of a given Class (an “**Existing Term Loan Tranche**”) be amended to extend the scheduled Maturity Date(s) with respect to the Term Loans of such Existing Term Loan Tranche (any such Term Loans which have been so amended, “**Extended Term Loans**”) and to provide for other terms consistent with this Section 2.16. In order to establish any Extended Term Loans, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Term Loan Tranche) (each, a “**Term Loan Extension Request**”) setting forth the proposed terms of the Extended Term Loans to be established, which shall (x) be identical as offered to each Lender under such Existing Term Loan Tranche (including as to the proposed interest rates and fees payable, but excluding any arrangement, structuring or other similar fees payable in connection therewith that are not generally shared with all relevant Lenders) and offered pro rata to each Lender under such Existing Term Loan Tranche and (y) be identical to the Term Loans under the Existing Term Loan Tranche from which such Extended Term Loans are intended to be amended, except that: (i) all or any of the scheduled amortization payments of principal of the Extended Term Loans may be delayed to later dates than the scheduled amortization payments of principal of the Term Loans of such Existing Term Loan

Tranche, to the extent provided in the applicable Extension Amendment; *provided, however*, that at no time shall there be Classes of Extended Term Loans and Refinancing Term Loans hereunder which have more than five (5) different Maturity Dates; (ii) the All-In Yield with respect to the Extended Term Loans (whether in the form of interest rate margin, upfront fees, original issue discount or otherwise) may be different than the All-In Yield for the Term Loans of such Existing Term Loan Tranche, in each case, to the extent provided in the applicable Extension Amendment; (iii) the Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the Extension Amendment (immediately prior to the establishment of such Extended Term Loans); and (iv) Extended Term Loans may have call protection as may be agreed by the Borrower and the Lenders thereof; *provided*, that no Extended Term Loans may be optionally prepaid prior to the Maturity Date of the Term B-3 Loans, unless such optional prepayment is accompanied by a pro rata optional prepayment of the Term B-3 Loans; *provided, however*, that (A) no Event of Default shall have occurred and be continuing at the time a Term Loan Extension Request is delivered to Lenders, (B) in no event shall the Maturity Date of any Extended Term Loans of a given Term Loan Extension Series at the time of establishment thereof be earlier than the Maturity Date of the Existing Term Loan Tranche, (C) the Weighted Average Life to Maturity of any Extended Term Loans of a given Term Loan Extension Series at the time of establishment thereof shall be no shorter than the remaining Weighted Average Life to Maturity of the Existing Term Loan Tranche, (D) all documentation in respect of such Extension Amendment shall be consistent with the foregoing and (E) any Extended Term Loans may participate on a pro rata basis or less than or greater than a pro rata basis in any voluntary repayments or prepayments of principal of Term Loans hereunder and on a pro rata basis or less than a pro rata basis (but not greater than a pro rata basis except in the case of a prepayment under Section 2.05(b)(iv) and Section 2.05(b)(vi)(A)(y)), in any mandatory repayments or prepayments of Term Loans hereunder, in each case as specified in the respective Term Loan Extension Request. Any Extended Term Loans amended pursuant to any Term Loan Extension Request shall be designated a series (each, a “**Term Loan Extension Series**”) of Extended Term Loans for all purposes of this Agreement; *provided* that any Extended Term Loans amended from an Existing Term Loan Tranche may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Term Loan Extension Series with respect to such Existing Term Loan Tranche (in which case scheduled amortization with respect thereto shall be proportionately increased). Each request for a Term Loan Extension Series of Extended Term Loans proposed to be incurred under this Section 2.16 shall be in an aggregate principal amount that is not less than \$25,000,000 (it being understood that the actual principal amount thereof provided by the applicable Lenders may be lower than such minimum amount) and the Borrower may impose an Extension Minimum Condition with respect to any Term Loan Extension Request, which may be waived by the Borrower in its sole discretion.

(b) *Extension of Revolving Credit Commitments.* The Borrower may at any time and from time to time request that all or a portion of the Revolving Credit Commitments of a given Class (each, an “**Existing Revolver Tranche**”) be amended to extend the Maturity Date with respect to all or a portion of any principal amount of such Revolving Credit Commitments (any such Revolving Credit Commitments which have been so amended, “**Extended Revolving Credit Commitments**”) and to provide for other terms consistent with this Section 2.16. In order to establish any Extended Revolving Credit Commitments, the Borrower shall provide a

notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Revolver Tranche) (each, a “**Revolver Extension Request**”) setting forth the proposed terms of the Extended Revolving Credit Commitments to be established, which shall (x) be identical as offered to each Lender under such Existing Revolver Tranche (including as to the proposed interest rates and fees payable, but excluding any arrangement, structuring or other fees payable in connection therewith that are not generally shared with all relevant Lenders) and offered pro rata to each Lender under such Existing Revolver Tranche and (y) be identical to the Revolving Credit Commitments under the Existing Revolver Tranche from which such Extended Revolving Credit Commitments are to be amended, except that: (i) the Maturity Date of the Extended Revolving Credit Commitments may be delayed to a later date than the Maturity Date of the Revolving Credit Commitments of such Existing Revolver Tranche, to the extent provided in the applicable Extension Amendment; *provided, however*, that at no time shall there be Classes of Extended Revolving Credit Commitments and Refinancing Revolving Credit Commitments hereunder which have more than five (5) different Maturity Dates; (ii) the All-In Yield with respect to extensions of credit under the Extended Revolving Credit Commitments (whether in the form of interest rate margin, upfront fees, original issue discount or otherwise) may be different than the All-In Yield for extensions of credit under the Revolving Credit Commitments of such Existing Revolver Tranche, in each case, to the extent provided in the applicable Extension Amendment; (iii) the Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the Extension Amendment (immediately prior to the establishment of such Extended Revolving Credit Commitments); and (iv) all borrowings under the applicable Revolving Credit Commitments (*i.e.*, the Existing Revolver Tranche and the Extended Revolving Credit Commitments of the applicable Revolver Extension Series) and repayments thereunder shall be made on a pro rata basis (except for (I) payments of interest and fees at different rates on Extended Revolving Credit Commitments (and related outstandings) and (II) repayments required upon the Maturity Date of the non-extending Revolving Credit Commitments); *provided, further*, that (A) no Event of Default shall have occurred and be continuing at the time a Revolver Extension Request is delivered to Lenders, (B) in no event shall the Maturity Date of any Extended Revolving Credit Commitments of a given Revolver Extension Series at the time of establishment thereof be earlier than the then Latest Maturity Date of any other Revolving Credit Commitments hereunder and (C) all documentation in respect of such Extension Amendment shall be consistent with the foregoing. Any Extended Revolving Credit Commitments amended pursuant to any Revolver Extension Request shall be designated a series (each, a “**Revolver Extension Series**”) of Extended Revolving Credit Commitments for all purposes of this Agreement; *provided* that any Extended Revolving Credit Commitments amended from an Existing Revolver Tranche may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Revolver Extension Series with respect to such Existing Revolver Tranche. Each request for a Revolver Extension Series of Extended Revolving Credit Commitments proposed to be incurred under this Section 2.16 shall be in an aggregate principal amount that is not less than \$10,000,000 (it being understood that the actual principal amount thereof provided by the applicable Lenders may be lower than such minimum amount).

(c) *Extension Request.* The Borrower shall provide the applicable Extension Request at least five (5) Business Days (or such shorter period as may be agreed by the Administrative

Agent) prior to the date on which Lenders under the Existing Term Loan Tranche or Existing Revolver Tranche, as applicable, are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.16. No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Tranche amended into Extended Term Loans or any of its Revolving Credit Commitments amended into Extended Revolving Credit Commitments, as applicable, pursuant to any Extension Request. Any Lender holding a Loan under an Existing Term Loan Tranche (each, an “**Extending Term Lender**”) wishing to have all or a portion of its Term Loans under the Existing Term Loan Tranche subject to such Extension Request amended into Extended Term Loans and any Revolving Credit Lender (each, an “**Extending Revolving Credit Lender**”) wishing to have all or a portion of its Revolving Credit Commitments under the Existing Revolver Tranche subject to such Extension Request amended into Extended Revolving Credit Commitments, as applicable, shall notify the Administrative Agent (each, an “**Extension Election**”) on or prior to the date specified in such Extension Request of the amount of its Term Loans under the Existing Term Loan Tranche or Revolving Credit Commitments under the Existing Revolver Tranche, as applicable, which it has elected to request be amended into Extended Term Loans or Extended Revolving Credit Commitments, as applicable (subject to any minimum denomination requirements imposed by the Administrative Agent). In the event that the aggregate principal amount of Term Loans under the Existing Term Loan Tranche or Revolving Credit Commitments under the Existing Revolver Tranche, as applicable, in respect of which applicable Term Lenders or Revolving Credit Lenders, as the case may be, shall have accepted the relevant Extension Request exceeds the amount of Extended Term Loans or Extended Revolving Credit Commitments, as applicable, requested to be extended pursuant to the Extension Request, Term Loans or Revolving Credit Commitments, as applicable, subject to Extension Elections shall be amended to Extended Term Loans or Revolving Credit Commitments, as applicable, on a pro rata basis (subject to rounding by the Administrative Agent, which shall be conclusive) based on the aggregate principal amount of Term Loans or Revolving Credit Commitments, as applicable, included in each such Extension Election.

(d) *Extension Amendment.* Extended Term Loans and Extended Revolving Credit Commitments shall be established pursuant to an amendment (each, a “**Extension Amendment**”) to this Agreement among the Borrower, the Administrative Agent and each Extending Term Lender or Extending Revolving Credit Lender, as applicable, providing an Extended Term Loan or Extended Revolving Credit Commitment, as applicable, thereunder, which shall be consistent with the provisions set forth in Sections 2.16(a) or (b) above, respectively (but which shall not require the consent of any other Lender). The effectiveness of any Extension Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth in Section 4.02 and, to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of (i) legal opinions, board resolutions and officers’ certificates consistent with those delivered on the Closing Date (conformed as appropriate) other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel’s form of opinion reasonably satisfactory to the Administrative Agent and (ii) reaffirmation agreements and/or such amendments to the Collateral Documents as may be reasonably requested by the Administrative Agent in order to ensure that the Extended Term Loans or Extended Revolving Credit Commitments, as applicable, are provided with the benefit

of the applicable Loan Documents. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Extension Amendment. Each of the parties hereto hereby agrees that this Agreement and the other Loan Documents may be amended pursuant to an Extension Amendment, without the consent of any other Lenders, to the extent (but only to the extent) necessary to (i) reflect the existence and terms of the Extended Term Loans or Extended Revolving Credit Commitments, as applicable, incurred pursuant thereto, (ii) modify the scheduled repayments set forth in Section 2.07 with respect to any Existing Term Loan Tranche subject to an Extension Election to reflect a reduction in the principal amount of the Term Loans required to be paid thereunder in an amount equal to the aggregate principal amount of the Extended Term Loans amended pursuant to the applicable Extension (with such amount to be applied ratably to reduce scheduled repayments of such Term Loans required pursuant to Section 2.07), (iii) modify the prepayments set forth in Section 2.05 to reflect the existence of the Extended Term Loans and the application of prepayments with respect thereto, (iv) address technical issues relating to funding and payments and (v) effect such other amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.16, and the Required Lenders hereby expressly authorize the Administrative Agent to enter into any such Extension Amendment.

(e) No conversion of Loans pursuant to any Extension in accordance with this Section 2.16 shall constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

Section 2.17 Defaulting Lenders.

(a) *Adjustments*. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) Waivers and Amendments. That Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 10.01.

(ii) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise), shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to the L/C Issuer or Swing Line Lender hereunder; *third*, if so determined by the Administrative Agent or requested by the L/C Issuer or Swing Line Lender, to be held as Cash Collateral for future funding obligations of that Defaulting Lender of any participation in any Swing Line Loan or Letter of Credit; *fourth*, as the Borrower may request (so long as no Default or Event of Default has occurred and is continuing), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fifth*, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to

satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; *sixth*, to the payment of any amounts owing to the Lenders, the L/C Issuer or Swing Line Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the L/C Issuer or Swing Line Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; *seventh*, so long as no Default or Event of Default has occurred and is continuing, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and *eighth*, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided* that if (x) such payment is a payment of the principal amount of any Loans or L/C Borrowings in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Loans or L/C Borrowings were made at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and L/C Borrowings owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or L/C Borrowings owed to, that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.17(a)(ii) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees. That Defaulting Lender (x) shall not be entitled to receive any commitment fee pursuant to Section 2.09(a) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender) and (y) shall be limited in its right to receive Letter of Credit fees as provided in Section 2.03(h).

(iv) Reallocation of Pro Rata Share to Reduce Fronting Exposure. During any period in which there is a Defaulting Lender, for purposes of computing the amount of the obligation of each Non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit or Swing Line Loans pursuant to Sections 2.03 and 2.04, the "**Pro Rata Share**" of each Non-Defaulting Lender's Revolving Credit Loans and L/C Obligations shall be computed without giving effect to the Participating Revolving Credit Commitment of that Defaulting Lender; *provided* that (i) each such reallocation shall be given effect only if, at the date the applicable Lender becomes a Defaulting Lender, no Default or Event of Default has occurred and is continuing; and (ii) the aggregate obligation of each Non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit and Swing Line Loans shall not exceed the positive difference, if any, of (1) the Participating Revolving Credit Commitment of that Non-Defaulting Lender minus (2) the aggregate Outstanding Amount of the Loans of that Non-Defaulting Lender under such Participating Revolving Credit Commitments.

(b) Defaulting Lender Cure. If the Borrower, the Administrative Agent, Swing Line Lender and each L/C Issuer agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be

necessary to cause the Revolving Credit Loans and funded and unfunded participations in Letters of Credit and Swing Line Loans to be held on a pro rata basis by the Lenders in accordance with their Pro Rata Share (without giving effect to Section 2.17(a)(iv)), whereupon that Lender will cease to be a Defaulting Lender; *provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and *provided, further*, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

ARTICLE III. TAXES, INCREASED COSTS PROTECTION AND ILLEGALITY

Section 3.01 Taxes.

(a) Except as provided in this Section 3.01, any and all payments made by or on account of the Borrower (the term Borrower under Article III being deemed to include any Subsidiary for whose account a Letter of Credit is issued) or any Guarantor under any Loan Document shall be made free and clear of and without deduction for any Taxes, except as required by any Law. If the Borrower, any Guarantor or other applicable withholding agent shall be required by any Laws to deduct any Taxes from or in respect of any sum payable under any Loan Document to any Agent or any Lender, (i) if the Tax in question is an Indemnified Tax or Other Tax, the sum payable by the Borrower or any Guarantor shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 3.01), each Lender (or, in the case of a payment made to an Agent for its own account, such Agent) receives an amount equal to the sum it would have received had no such deductions been made, (ii) the applicable withholding agent shall make such deductions, (iii) the applicable withholding agent shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable Laws, and (iv) within thirty (30) days after the date of such payment (or, if receipts or evidence are not available within thirty (30) days, as soon as possible thereafter), if the Borrower or any Guarantor is the applicable withholding agent, it shall furnish to such Agent or Lender (as the case may be) the original or a copy of a receipt evidencing payment thereof or other evidence acceptable to such Agent or Lender.

(b) In addition, the Borrower agrees to pay any and all present or future stamp, court or documentary Taxes and any other excise, property, intangible or mortgage recording Taxes, imposed by any Governmental Authority, which arise from any payment made under any Loan Document or from the execution, delivery, performance, enforcement or registration of, or otherwise with respect to, any Loan Document excluding, in each case, any such Tax imposed as a result of a Lender's Assignment and Assumption, grant of a participation, transfer or assignment to or designation of a new applicable Lending Office or other office for receiving payments under any Loan Document (collectively, "**Assignment Taxes**"), except for Assignment Taxes resulting from assignment or participation that is requested or required in writing by the Borrower (all such non-excluded Taxes described in this Section 3.01(b) being hereinafter referred to as "**Other Taxes**").

(c) Borrower and each Guarantor agrees to indemnify each Agent and each Lender for (i) the full amount of Indemnified Taxes and Other Taxes payable by such Agent or such Lender (including Indemnified Taxes and Other Taxes imposed on or attributable to amounts payable under this Section 3.01) and (ii) any expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the Governmental Authority. A certificate as to the amount of such payment or liability prepared in good faith and delivered by such Agent or Lender (or by an Agent on behalf of such Lender), accompanied by a written statement thereof setting forth in reasonable detail the basis and calculation of such amounts shall be conclusive absent manifest error. Notwithstanding anything to the contrary contained in this Section 3.01(c), neither Borrower nor any Guarantor shall be required to indemnify any Agent or Lender pursuant to this Section 3.01(c) for any amount to the extent such Agent or Lender fails to notify the Borrower of such possible indemnification claim within 180 days after such Agent or Lender receives written notice from the applicable taxing authority of the specific tax assessment giving rise to such indemnification claim.

(d) Each Lender shall, at such times as are reasonably requested by the Borrower or the Administrative Agent, provide the Borrower and the Administrative Agent with any documentation prescribed by Law or reasonably requested by the Borrower or the Administrative Agent certifying as to any entitlement of such Lender to an exemption from, or reduction in, any applicable withholding Tax with respect to any payments to be made to such Lender under the Loan Documents. Each such Lender shall, whenever a lapse in time or change in circumstances renders such documentation obsolete or inaccurate in any material respect, deliver promptly and on or before the date such documentation expires, becomes obsolete or inaccurate to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrower or the Administrative Agent) or promptly notify the Borrower and the Administrative Agent in writing of its legal ineligibility to do so. Unless the applicable withholding agent has received forms or other documents satisfactory to it indicating that payments under any Loan Document to or for a Lender are not subject to withholding Tax or are subject to such Tax at a rate reduced by an applicable tax treaty, the applicable withholding agent shall withhold amounts required to be withheld by applicable Law from such payments at the applicable statutory rate. Notwithstanding any other provision of this clause (d), a Lender shall not be required to deliver any form pursuant to this clause (d) that such Lender is not legally eligible to deliver. Without limiting the foregoing:

(i) Each Lender that is a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement two properly completed and duly signed original copies of Internal Revenue Service Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding.

(ii) Each Lender that is not a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent) whichever of the following is applicable:

(A) two properly completed and duly signed original copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable (or any successor forms) claiming eligibility for the benefits of an income tax treaty to which the United States is a party,

(B) two properly completed and duly signed original copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(C) in the case of a Lender claiming the benefits of the exemption for portfolio interest under Sections 871(h) or 881(c) of the Code, (A) a certificate substantially in the form of Exhibit H hereto (any such certificate a “**United States Tax Compliance Certificate**”) and (B) two properly completed and duly signed original copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable (or any successor forms),

(D) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership, or is a Participant holding a participation granted by a participating Lender), Internal Revenue Service Form W-8IMY (or any successor forms) of the Lender, accompanied by a Form W-8ECI, W-8BEN, W-8BEN-E United States Tax Compliance Certificate, Form W-9, Form W-8IMY or any other required information from each beneficial owner, as applicable (*provided* that, if the Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate may be provided by such Lender on behalf of such partner(s)), or

(E) two properly completed and duly signed original copies of any other form prescribed by applicable U.S. federal income tax laws (including the Treasury Regulations) as a basis for claiming a complete exemption from, or a reduction in, U.S. federal withholding tax on any payments to such Lender under the Loan Documents.

(iii) Each Agent that is a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower and the Administrative Agent two properly completed and duly signed original copies of Internal Revenue Service Form W-9 with respect to fees received for its own account, certifying that such Agent is exempt from U.S. federal backup withholding. Each Agent that is not a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower and the Administrative Agent two properly completed and duly signed original copies of (A) Internal Revenue Service Form W-8ECI with respect to fees received for its own account and (B) Internal Revenue Service Form W-8IMY (together with all required accompanying documentation) with respect to payments received by it on behalf of the Lenders. Notwithstanding anything to the contrary in this Section 3.01(d)(iii), no Agent shall be required to deliver any documentation that such Agent is not legally eligible to deliver as a result of a Change in Law after the Closing Date.

(iv) Each Lender hereby authorizes the Administrative Agent to deliver to the Loan Parties and to any successor Administrative Agent any documentation provided by such Lender to the Administrative Agent pursuant to this Section 3.01(d).

(e) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by Laws and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable Laws and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has or has not complied with such Lender's obligations under FATCA and, if necessary, to determine the amount to deduct and withhold from such payment. For purposes of this clause (e), the term "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(f) Any Lender or Agent claiming any additional amounts payable pursuant to this Section 3.01 shall use its reasonable efforts to mitigate or reduce the additional amounts payable, which reasonable efforts may include a change in the jurisdiction of its Lending Office (or any other measures reasonably requested by the Borrower) if such a change or other measures would reduce any such additional amounts (or any similar amount that may thereafter accrue) and would not, in the sole determination of such Lender, result in any unreimbursed cost or expense or be otherwise disadvantageous to such Lender.

(g) If any Lender or Agent determines, in its sole discretion, that it has received a refund in respect of any Indemnified Taxes or Other Taxes as to which indemnification or additional amounts have been paid to it by a Loan Party pursuant to this Section 3.01, it shall promptly remit such refund to such Loan Party (but only to the extent of indemnification or additional amounts paid by the Loan Party under this Section 3.01(g) with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses (including any Taxes) of the Lender or Agent, as the case may be, and without interest (other than any interest paid by the relevant taxing authority with respect to such refund net of any Taxes payable by any Agent or Lender on such interest); *provided* that the Loan Parties, upon the request of the Lender or Agent, as the case may be, agree promptly to return such refund (plus any penalties, interest or other charges imposed by the relevant taxing authority) to such party in the event such party is required to repay such refund to the relevant taxing authority. This Section 3.01(g) shall not be construed to require any Agent or any Lender to make available its tax returns (or any other information relating to Taxes that it deems confidential) to the Borrower or any other Person.

(h) For the avoidance of doubt, the term "Lender" shall, for purposes of this Section 3.01 and the definition of "Indemnified Taxes", include any L/C Issuer and any Swing Line Lender.

Section 3.02 Illegality.

If any Lender reasonably determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Eurocurrency Rate Loans, or to determine or charge interest

rates based upon the Eurocurrency Rate, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, (i) any obligation of such Lender to make or continue Eurocurrency Rate Loans or to convert Base Rate Loans to Eurocurrency Rate Loans shall be suspended, and (ii) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Eurocurrency Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all applicable Eurocurrency Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate component of the Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Rate Loans to such day, or promptly, if such Lender may not lawfully continue to maintain such Eurocurrency Rate Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Eurocurrency Rate component of the Base Rate with respect to any Base Rate Loans, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Eurocurrency Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Eurocurrency Rate. Each Lender agrees to designate a different Lending Office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Lender, otherwise be materially disadvantageous to such Lender. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted and all amounts due, if any, in connection with such prepayment and conversion.

Section 3.03 Inability to Determine Rates.

(a) If the ~~Required Lenders~~ (i) Administrative Agent reasonably ~~determines~~ determines that for any reason in connection with any request for a Eurocurrency Rate Loan or a conversion to or continuation thereof that ~~(a)~~ deposits are not being offered to banks in the London interbank eurodollar market for the applicable amount, currency and Interest Period of such Eurocurrency Rate Loan, ~~or (b), (x)~~ adequate and reasonable means do not exist for determining the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan or in connection with an existing or proposed Base Rate Loan, ~~or (c) and (y) the circumstances described in Section 3.03(c)(i) do not apply (in each case with respect to this clause (i), "Impacted Loans"), or (ii) the Administrative Agent or the Required Lenders determine for any reason~~ the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurocurrency Rate Loans shall be suspended (to the extent of the affected Eurocurrency Rate Loans or Interest Periods), and (y) in the event of a determination described in the preceding sentence with respect to the Eurocurrency Rate component of the Base Rate, the utilization of the Eurocurrency Rate

component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (or, in the case of a determination by the Required Lenders described in clause (ii) of Section 3.03(a), until the Administrative Agent upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans (to the extent of the affected Eurocurrency Rate Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein.

(b) Notwithstanding the foregoing but subject to the last sentence of this Section 3.03, if the Administrative Agent has made the determination described in clause (i) of Section 3.03(a), the Administrative Agent with the consent of the Borrower (such consent not to be unreasonably withheld or delayed), may establish an alternative interest rate for the Impacted Loans, in which case, such alternative rate of interest shall apply with respect to the Impacted Loans until (i) the Administrative Agent revokes the notice delivered with respect to the Impacted Loans under clause (i) of the first sentence of Section 3.03(a), (ii) the Administrative Agent or the Required Lenders notify the Administrative Agent and the Borrower that such alternative interest rate does not adequately and fairly reflect the cost to such Lenders of funding the Impacted Loans, or (iii) any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to such alternative rate of interest or to determine or charge interest rates based upon such rate or any Governmental Authority has imposed material restrictions on the authority of such Lender to do any of the foregoing and provides the Administrative Agent and the Borrower written notice thereof.

(c) Notwithstanding anything to the contrary in this Agreement or any other Loan Documents but subject to the last sentence of this Section 3.03, if the Administrative Agent determines (which determination shall be conclusive absent manifest error), or the Borrower or Required Lenders notify the Administrative Agent (with, in the case of the Required Lenders, a copy to the Borrower) that the Borrower or Required Lenders (as applicable) have determined, that:

(i) adequate and reasonable means do not exist for ascertaining LIBOR for any requested Interest Period, including, without limitation, because the LIBOR Screen Rate is not available or published on a current basis and such circumstances are unlikely to be temporary; or

(ii) the administrator of the LIBOR Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which LIBOR or the LIBOR Screen Rate shall no longer be made available, or used for determining the interest rate of loans, provided that, at the time of such statement, there is no successor administrator that is satisfactory to the Administrative Agent, that will continue to provide LIBOR after such specific date (such specific date, the "Scheduled Unavailability Date"); or

(iii) syndicated loans currently being executed, or that include language similar to that contained in this Section 3.03, are being executed or amended (as applicable) to incorporate or adopt a new benchmark interest rate to replace LIBOR,

then, reasonably promptly after such determination by the Administrative Agent or receipt by the Administrative Agent of such notice, as applicable, the Administrative Agent and the Borrower may amend this Agreement solely for the purpose of replacing LIBOR in accordance with this Section 3.03 with (x) one or more SOFR-Based Rates or (y) another alternate benchmark rate giving due consideration to any evolving or then existing convention for similar U.S. dollar denominated syndicated credit facilities for such alternative benchmarks and, in each case, including any mathematical or other adjustments to such benchmark giving due consideration to any evolving or then existing convention for similar U.S. dollar denominated syndicated credit facilities for such benchmarks, which adjustment or method for calculating such adjustment shall be published on an information service as selected by the Administrative Agent from time to time in its reasonable discretion with the consent of the Borrower and may be periodically updated (the "Adjustment;" and any such proposed rate, a "LIBOR Successor Rate"), and any such amendment shall become effective at 5:00 p.m. on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders (A) in the case of an amendment to replace LIBOR with a rate described in clause (x), object to the Adjustment; or (B) in the case of an amendment to replace LIBOR with a rate described in clause (y), object to such amendment; provided that for the avoidance of doubt, in the case of clause (A), the Required Lenders shall not be entitled to object to any SOFR-Based Rate contained in any such amendment. Such LIBOR Successor Rate shall be applied in a manner consistent with market practice; provided that to the extent such market practice is not administratively feasible for the Administrative Agent, such LIBOR Successor Rate shall be applied in a manner as otherwise reasonably determined by the Administrative Agent with the consent of the Borrower (such consent not to be unreasonably withheld or delayed).

If no LIBOR Successor Rate has been determined and the circumstances under clause (i) above exist or the Scheduled Unavailability Date has occurred (as applicable), the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurocurrency Rate Loans shall be suspended, (to the extent of the affected Eurocurrency Rate Loans or Interest Periods), and (y) the Eurocurrency Rate component shall no longer be utilized in determining the Base Rate. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans (to the extent of the affected Eurocurrency Rate Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans (subject to the foregoing clause (y)) in the amount specified therein.

Notwithstanding anything else herein, any definition of LIBOR Successor Rate shall provide that in no event shall such LIBOR Successor Rate be less than zero for purposes of this Agreement (provided further that in no event shall such LIBOR Successor Rate be less than 1.00% per annum as applicable to the Term B-3 Loans).

In connection with the implementation of a LIBOR Successor Rate, the Administrative Agent will have the right with the consent of the Borrower (such consent not to be unreasonably withheld or delayed) to make LIBOR Successor Rate Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such LIBOR Successor Rate Conforming Changes will become effective without any further action or consent of any other party to this Agreement; provided that, with respect to any such amendment effected, the Administrative Agent shall post each such amendment implementing such LIBOR Successor Conforming Changes to the Lenders reasonably promptly after such amendment becomes effective.

For the avoidance of doubt, in the event that no alternative index rate or LIBOR Successor Rate is agreed in accordance with Section 3.03(b) or 3.03(c), as the case may be, then the last two sentences of Section 3.03(a) shall apply.

Section 3.04 Increased Cost and Reduced Return; Capital Adequacy; Eurocurrency Rate Loan Reserves.

(a) If any Lender reasonably determines that as a result of a Change in Law, there shall be any increase in the cost to such Lender of agreeing to make or making, funding or maintaining Eurocurrency Rate Loans or (as the case may be) issuing or participating in Letters of Credit, or a reduction in the amount received or receivable by such Lender in connection with any of the foregoing (including any Taxes (other than (i) Indemnified Taxes or Other Taxes or (ii) Taxes excluded from the definition of Indemnified Taxes (other than Taxes excluded solely under clause (ii) thereof)), including by imposing, modifying or holding applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto, and excluding for purposes of this Section 3.04(a) any such increased costs or reduction in amount resulting from reserve requirements contemplated by Section 3.04(b) or the definition of Eurocurrency Rate), then from time to time within fifteen (15) days after demand by such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent given in accordance with Section 3.06), the Borrower shall pay to such Lender such additional amounts as will compensate such Lender for such increased cost or reduction.

(b) If any Lender reasonably determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by it, or participations in or issuance of Letters of Credit by such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy and liquidity and such Lender's desired return on capital), then from time to time upon demand of such Lender (with a copy of such demand to the Administrative Agent), the Borrower will pay to such Lender, as the case may be, within fifteen (15) days after demand by such Lender, such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) The Borrower shall pay to each Lender, (i) as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency funds or deposits, additional interest on the unpaid principal amount of each applicable Eurocurrency Rate Loan of the Borrower equal to the actual costs of such reserves allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive in the absence of manifest error), and (ii) as long as such Lender shall be required to comply with any reserve ratio requirement or analogous requirement of any other central banking or financing regulatory authority imposed in respect of the maintenance of the Commitments or the funding of any Eurocurrency Rate Loans of the Borrower, such additional costs (expressed as a percentage per annum and rounded upwards, if necessary, to the nearest five decimal places) equal to the actual costs allocated to such Commitment or Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent manifest error) which in each case shall be due and payable on each date on which interest is payable on such Loan, *provided* the Borrower shall have received at least fifteen (15) days' prior notice (with a copy to the Administrative Agent) of such additional interest or cost from such Lender. If a Lender fails to give notice fifteen (15) days prior to the relevant Interest Payment Date, such additional interest or cost shall be due and payable fifteen (15) days from receipt of such notice.

Section 3.05 Funding Losses.

Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, which demand shall set forth in reasonable detail the basis for requesting such amount, the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense actually incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Eurocurrency Rate Loan of the Borrower on a day other than the last day of the Interest Period for such Loan; or

(b) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Eurocurrency Rate Loan of the Borrower on the date or in the amount notified by the Borrower;

including any loss or expense (excluding loss of anticipated profits or margin) arising from the liquidation or reemployment of funds obtained by it to maintain such Eurocurrency Rate Loan or from fees payable to terminate the deposits from which such funds were obtained.

Section 3.06 Matters Applicable to All Requests for Compensation.

(a) If any Lender requests compensation under Section 3.04, or the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or issuing Letters of Credit hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate

the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material economic, legal or regulatory respect; *provided* nothing in this Section 3.06(a) shall affect or postpone any Obligations of the Borrower or the rights of the Lenders under this Article III.

(b) If any Lender requests compensation by the Borrower under Section 3.04, the Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue Eurocurrency Rate Loans from one Interest Period to another Interest Period, or to convert Base Rate Loans into Eurocurrency Rate Loans, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.06(d) shall be applicable); *provided* that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(c) Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of Section ~~3.01~~, 3.02, 3.03 or 3.04 shall not constitute a waiver of such Lender's right to demand such compensation, *provided* that the Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of Section ~~3.01~~, 3.02, 3.03 or 3.04 for any increased costs incurred or reductions suffered more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the event giving rise to such claim and of such Lender's intention to claim compensation therefor (except that, if the circumstance giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof).

(d) If the obligation of any Lender to make or continue any Eurocurrency Rate Loan or to convert Base Rate Loans into Eurocurrency Rate Loans shall be suspended pursuant to Section 3.06(b) hereof, such Lender's applicable Eurocurrency Rate Loans shall be automatically converted into Base Rate Loans on the last day(s) of the then current Interest Period(s) for such Eurocurrency Rate Loans (or, in the case of any immediate conversion required by Section 3.02, on such earlier date as required by Law) and, unless and until such Lender gives notice as provided below that the circumstances specified in Section 3.02, 3.03 or 3.04 hereof that gave rise to such conversion no longer exist:

(i) to the extent that such Lender's Eurocurrency Rate Loans have been so converted, all payments and prepayments of principal that would otherwise be applied to such Lender's applicable Eurocurrency Rate Loans shall be applied instead to its Base Rate Loans; and

(ii) all Loans that would otherwise be made or continued from one Interest Period to another by such Lender as Eurocurrency Rate Loans shall be made or continued instead as Base Rate Loans (if possible), and all Base Rate Loans of such Lender that would otherwise be converted into Eurocurrency Rate Loans shall remain as Base Rate Loans.

(e) If any Lender gives notice to the Borrower (with a copy to the Administrative Agent) that the circumstances specified in Section 3.02, 3.03 or 3.04 hereof that gave rise to the conversion of any of such Lender's Eurocurrency Rate Loans pursuant to this Section 3.06 no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurocurrency Rate Loans made by other Lenders under the applicable Facility are

outstanding, if applicable, such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurocurrency Rate Loans, to the extent necessary so that, after giving effect thereto, all Loans held by the Lenders holding Eurocurrency Rate Loans under such Facility and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Commitments for the applicable Facility.

(f) Any Agent or Lender claiming compensation under this Article III shall deliver a certificate to the Borrower setting forth in reasonable detail the additional amount or amounts to be paid to it hereunder, which shall be conclusive on the absence of manifest error. In determining such amounts, such Agent or Lender may use any reasonable averaging and attribution methods. Any Agent or Lender claiming compensation under Section 3.04 shall do so only to the extent such Agent or Lender requires similarly situated borrowers under comparable credit facilities to pay such amounts.

Section 3.07 Replacement of Lenders under Certain Circumstances. If (i) any Lender ceases to make Eurocurrency Rate Loans as a result of any condition described in Section 3.02 or Section 3.04, (ii) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01 or 3.04, (iii) any Lender is a Non-Consenting Lender, (iv) any Lender becomes a Defaulting Lender, or (v) any other circumstance exists hereunder that gives the Borrower the right to replace a Lender as a party hereto, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.07), all of its interests, rights and obligations under this Agreement (or, with respect to clause (iii) above, all of its interests, rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, waiver and amendment) and the related Loan Documents to one or more Eligible Assignees (provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender or other such Person) that shall assume such obligations (any of which assignee may be another Lender, if a Lender accepts such assignment), *provided that*:

(a) the Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 10.07(b)(ii)(B);

(b) such Lender shall have received payment of an amount equal to the applicable outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower;

(c) such Lender being replaced pursuant to this Section 3.07 shall (1) execute and deliver an Assignment and Assumption with respect to all, or a portion as applicable, of such Lender's Commitment and outstanding Loans and participations in L/C Obligations and Swing Line Loans, and (2) deliver any Notes evidencing such Loans to the Borrower or Administrative Agent (or a lost or destroyed note indemnity in lieu thereof); *provided that* the failure of any such Lender to execute an Assignment and Assumption or deliver such Notes shall not render such sale and purchase (and the corresponding assignment) invalid and such assignment may be recorded in the Register and the Notes shall be deemed to be canceled upon such failure;

(d) the Eligible Assignee shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender;

(e) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;

(f) such assignment shall not conflict with applicable Laws;

(g) any Lender that acts as an L/C Issuer may not be replaced hereunder at any time when it has any Letter of Credit outstanding hereunder unless arrangements reasonably satisfactory to such L/C Issuer (including the furnishing of a back-up standby letter of credit in form and substance, and issued by an issuer, reasonably satisfactory to such L/C Issuer or the depositing of cash collateral into a cash collateral account in amounts and pursuant to arrangements reasonably satisfactory to such L/C Issuer) have been made with respect to each such outstanding Letter of Credit; and

(h) the Lender that acts as the Administrative Agent cannot be replaced in its capacity as Administrative Agent other than in accordance with Section 9.06,

In the event that (i) the Borrower or the Administrative Agent has requested that the Lenders consent to a departure or waiver of any provisions of the Loan Documents or agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of each affected Lender or all the Lenders with respect to a certain Class or Classes of the Loans and/or Commitments and (iii) the Required Lenders (or, in the case of a consent, waiver or amendment involving all affected Lenders of a certain Class, the Required Class Lenders) have agreed (but solely to the extent required by Section 10.01) to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a **“Non-Consenting Lender.”**

In connection with any such replacement, (i) if the Lender to be replaced is a Non-Consenting Lender, the Borrower shall pay to each Non-Consenting Lender, concurrently with the effectiveness of the respective assignment, the fee set forth in Section 2.05(a)(vi) to the extent applicable and (ii) if any such Non-Consenting Lender or Defaulting Lender does not execute and deliver to the Administrative Agent a duly executed Assignment and Assumption reflecting such replacement within five (5) Business Days of the date on which the assignee Lender executes and delivers such Assignment and Assumption Agreement to such Non-Consenting Lender or Defaulting Lender, then such Non-Consenting Lender or Defaulting Lender shall be deemed to have executed and delivered such Assignment and Assumption without any action on the part of the Non-Consenting Lender or Defaulting Lender.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

Section 3.08 Survival.

All of the Borrower's obligations under this Article III shall survive termination of the Aggregate Commitments, repayment of all other Obligations hereunder, resignation of the Administrative Agent and any assignment of rights by, or replacement of, any Lender.

**ARTICLE IV.
CONDITIONS PRECEDENT TO CREDIT EXTENSIONS**

Section 4.01 Conditions to Initial Credit Extension.

The obligation of each Lender to make a Credit Extension hereunder on the Closing Date is subject to satisfaction of the following conditions precedent, except as otherwise agreed between the Borrower and the Administrative Agent:

(a) The Administrative Agent's receipt of the following, each of which shall be originals or pdf copies or other facsimiles (followed promptly by originals) unless otherwise specified, each properly executed by a Responsible Officer of the signing Loan Party:

(i) a Committed Loan Notice in accordance with the requirements hereof;

(ii) executed counterparts of this Agreement;

(iii) a Note executed by the Borrower in favor of each Lender that has requested a Note at least two (2) Business Days in advance of the Closing Date;

(iv) the Security Agreement, Perfection Certificate, Intellectual Property Security Agreement and each other Collateral Document required to be executed on the Closing Date, duly executed by each Loan Party thereto, together with:

(A) certificates, if any, representing the Pledged Equity referred to therein accompanied by undated stock powers executed in blank and instruments evidencing the Pledged Debt indorsed in blank; and

(B) evidence that all other actions, recordings and filings required by the Collateral Documents (other than the filing or recording of any Mortgages) that the Administrative Agent may deem reasonably necessary to satisfy the Collateral and Guarantee Requirement shall have been taken, completed or otherwise provided for;

(v) such certificates of good standing (to the extent such concept exists) from the applicable secretary of state of the state of organization of each Loan Party, certificates of resolutions or other action, incumbency certificates and/or other certificates of Responsible Officers of each Loan Party as the Administrative Agent may reasonably require evidencing the identity, authority and capacity of each Responsible Officer thereof authorized to act as a Responsible Officer in connection with this Agreement and the other Loan Documents to which such Loan Party is a party or is to be a party on the Closing Date;

(vi) an opinion from Weil, Gotshal & Manges LLP, counsel to the Loan Parties, in customary form;

(ix) a copy of the Second Lien Intercreditor Agreement, duly executed and delivered by each party thereto;

provided, however, that, each of the requirements set forth in clauses (iv) and (ix) above, including the delivery of documents and instruments necessary to satisfy the Collateral and Guarantee Requirement (except for the execution and delivery of the Security Agreement and to the extent that a Lien on the Collateral may be perfected (x) by the filing of a financing statement under the Uniform Commercial Code or (y) by the delivery of stock certificates of the Borrower and the Subsidiary Guarantors with respect to which a Lien may be perfected upon closing by the delivery of a stock certificate), shall not constitute conditions precedent to any Credit Extension on the Closing Date after the Borrower's use of commercially reasonable efforts to satisfy such requirement on or prior to the Closing Date without undue burden or expense (1) if the Borrower agrees to deliver, or cause to be delivered, such evidence of insurance, documents and instruments, or take or cause to be taken such other actions as may be required to confirm such insurance or perfect such security interests within ninety (90) days after the Closing Date (subject to extensions approved by the Administrative Agent in its reasonable discretion) or (2) other than with respect to the Borrower and Holdings, if the delivery of such documents and instruments cannot be provided as a condition precedent solely because the Board of Directors of the applicable entities (each such entity, a "**Deferred Loan Party**") have not authorized such documents or instruments (such documents and instruments, the "**Duly Authorized Documents**") and the elections of new directors or managers, as the case may be, of the applicable Deferred Loan Party's Board of Directors, to authorize such documents or instruments has not taken place.

(b) Payment of all fees and expenses due to the Administrative Agent and the Arrangers, to the extent invoiced at least three (3) Business Days prior to the Closing Date (except as otherwise reasonably agreed by the Borrower), required to be paid on the Closing Date.

(d) There shall not have occurred a Material Adverse Change (as defined in, and interpreted pursuant to, the Merger Agreement) since the date of the Merger Agreement.

(e) The Specified Representations shall be true and correct in all material respects and a Responsible Officer of the Borrower shall have certified as to the same.

(g) The Administrative Agent shall have received, at least two (2) days prior to the Closing Date, all documentation and other information about the Borrower and the Guarantors required under applicable "know your customer" and anti-money laundering rules and regulations, including the PATRIOT Act, that has been requested by the Administrative Agent in writing at least ten (10) days prior to the Closing Date.

(h) The Specified Merger Agreement Representations shall be true and correct in all material respects, but only to the extent the failure of the Specified Merger Agreement Representations to be true and correct in all material respects gives the Merger Sub (or its applicable Affiliate) the right to terminate its obligation to consummate (or gives the Merger Sub (or its applicable Affiliate) the right not to consummate) the Acquisition under the Merger Agreement.

Without limiting the generality of the provisions of Section 9.03, for purposes of determining compliance with the conditions specified in this Section 4.01, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objection thereto.

Section 4.02 Conditions to All Credit Extensions after the Closing Date.

The obligation of each Lender to honor any Request for Credit Extension (other than a Committed Loan Notice requesting only a conversion of Loans to the other Type, or a continuation of Eurocurrency Rate Loans) after the Closing Date is subject to the following conditions precedent:

(i) The representations and warranties of each Loan Party set forth in Article V and in each other Loan Document shall be true and correct in all material respects on and as of the date of such Credit Extension with the same effect as though made on and as of such date, except to the extent such representations and warranties expressly relate to an earlier date, in which case they shall be true and correct in all material respects as of such earlier date.

(ii) No Default shall exist or would result from such proposed Credit Extension or from the application of the proceeds therefrom.

(iii) The Administrative Agent and, if applicable, the relevant L/C Issuer or the Swing Line Lender shall have received a Request for Credit Extension in accordance with the requirements hereof.

Each Request for Credit Extension (other than a Committed Loan Notice requesting only a conversion of Loans to the other Type or a continuation of Eurocurrency Rate Loans) submitted by the Borrower after the Closing Date shall be deemed to be a representation and warranty that the conditions specified in Sections 4.02(i) and (ii) have been satisfied on and as of the date of the applicable Credit Extension.

**ARTICLE V.

(f) *Insolvency Proceedings, Etc.* Any Loan Party or any Restricted Subsidiary that is a Material Subsidiary institutes or consents to the institution of any proceeding under any Debtor Relief Law, or makes an assignment for the benefit of creditors; or applies for or consents to the appointment of any receiver, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar officer for it or for all or any material part of its property; or any receiver, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar officer is appointed without the application or consent of such Person and the appointment continues undischarged or unstayed for sixty (60) calendar days; or any proceeding under any Debtor Relief Law relating to any such Person or to all or any material part of its property is instituted without the consent of such Person and continues undismissed or unstayed for sixty (60) calendar days, or an order for relief is entered in any such proceeding; or

(g) *Attachment.* Any writ or warrant of attachment or execution or similar process is issued or levied against all or any material part of the property of the Borrower and the Restricted Subsidiaries, taken as a whole, and is not released, vacated or fully bonded within sixty (60) days after its issue or levy; or

(h) *Judgments.* There is entered against any Loan Party or any Restricted Subsidiary a final judgment and order for the payment of money in an aggregate amount exceeding the Threshold Amount (to the extent not covered by independent third-party insurance as to which

the insurer has been notified of such judgment or order and has not denied coverage) and such judgment or order shall not have been satisfied, vacated, discharged or stayed or bonded pending an appeal for a period of sixty (60) consecutive days; or

(i) *Invalidity of Loan Documents.* Any material provision of any Loan Document, at any time after its execution and delivery and for any reason other than as expressly permitted hereunder or thereunder (including as a result of a transaction permitted under Section 7.04 or 7.05) or as a result of acts or omissions by the Administrative Agent or any Lender or the satisfaction in full of all the Obligations, ceases to be in full force and effect; or any Loan Party contests in writing the validity or enforceability of any provision of any Loan Document or the validity or priority of a Lien as required by the Collateral Documents on a material portion of the Collateral; or any Loan Party denies in writing that it has any or further liability or obligation under any Loan Document (other than as a result of repayment in full of the Obligations and termination of the Aggregate Commitments), or purports in writing to revoke or rescind any Loan Document; or

(j) *Change of Control.* There occurs any Change of Control; or

(k) *Collateral Documents.* (i) Any Collateral Document after delivery thereof pursuant to Section 4.01, 6.11 or 6.13 shall for any reason (other than pursuant to the terms hereof or thereof including as a result of a transaction not prohibited under this Agreement) cease to create a valid and perfected Lien, with the priority required by the Collateral Documents on and security interest in any material portion of the Collateral purported to be covered thereby, subject to Liens permitted under Section 7.01, (x) except to the extent that any such perfection or priority is not required pursuant to the Collateral and Guarantee Requirement or results from the failure of the Administrative Agent to maintain possession of certificates actually delivered to it representing securities pledged under the Collateral Documents or to file Uniform Commercial Code continuation statements and (y) except as to Collateral consisting of Real Property to the extent that such losses are covered by a lender's title insurance policy and such insurer has not denied coverage or (ii) any Lien created or purported to be created by the Collateral Documents shall cease to have the lien priority established or purported to be established by the applicable Intercreditor Agreement; or

(l) *Duly Authorized Documents.* Any Deferred Loan Party fails to deliver any Duly Authorized Documents by 5:00 p.m. on the Closing Date; or

(m) *ERISA.* (i) An ERISA Event occurs with respect to a Pension Plan or Multiemployer Plan which has resulted or could reasonably be expected to result in liability of a Loan Party or an ERISA Affiliate in an aggregate amount which could reasonably be expected to result in a Material Adverse Effect, or (ii) a Loan Party or any ERISA Affiliate fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its withdrawal liability under Section 4201 of ERISA in an aggregate amount which could reasonably be expected to result in a Material Adverse Effect.

Section 8.02 Remedies Upon Event of Default.

If any Event of Default occurs and is continuing, the Administrative Agent may and, at the request of the Required Lenders, shall take any or all of the following actions:

- (i) declare the commitment of each Lender to make Loans and any obligation of the L/C Issuers to make L/C Credit Extensions to be terminated, whereupon such commitments and obligation shall be terminated;
- (ii) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower;
- (iii) require that the Borrower Cash Collateralize the L/C Obligations (in an amount equal to the then Outstanding Amount thereof); and
- (iv) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents or applicable Law;

provided that upon the occurrence of an actual or deemed entry of an order for relief with respect to Borrower under the Bankruptcy Code of the United States or any Debtor Relief Laws, the obligation of each Lender to make Loans and any obligation of the L/C Issuers to make L/C Credit Extensions shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable and the obligation of the Borrower to Cash Collateralize the L/C Obligations as aforesaid shall automatically become effective, in each case without further act of the Administrative Agent or any Lender.

Notwithstanding anything to the contrary, if the only Events of Default then having occurred and continuing are pursuant to a failure to observe the Financial Covenant, the Administrative Agent shall only take the actions set forth in this Section 8.02 at the request of the Required Revolving Credit Lenders (as opposed to Required Lenders).

Section 8.03 Application of Funds.

Except as may be otherwise provided in any applicable Incremental Amendment with respect to Obligations under the applicable Incremental Loans or in any applicable Refinancing Amendment with respect to Obligations under the applicable Refinancing Loans (in each case, which shall not be more favorable to the holders of such Loans than the allocation described below), after the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable and the L/C Obligations have automatically been required to be Cash Collateralized as set forth in the proviso to Section 8.02), subject to the Second Lien Intercreditor Agreement, any amounts received on account of the Obligations shall be applied by the Administrative Agent in the following order (to the fullest extent permitted by mandatory provisions of applicable Law):

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest, but including Attorney Costs payable under Section 10.04 and amounts payable under Article III) payable to the Administrative Agent in its capacity as such;

Second, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal and interest) payable to the Lenders (including Attorney Costs payable under Section 10.04 and amounts payable under Article III), ratably among them in proportion to the amounts described in this clause *Second* payable to them;

Third, to payment of that portion of the Obligations constituting accrued and unpaid interest on the Loans and L/C Borrowings, and any fees, premiums and scheduled periodic payments due under Treasury Services Agreements or Secured Hedge Agreements, ratably among the Secured Parties in proportion to the respective amounts described in this clause *Third* payable to them;

Fourth, to payment of that portion of the Obligations constituting unpaid principal of the Loans and L/C Borrowings (including to Cash Collateralize that portion of L/C Obligations comprised of the aggregate undrawn amount of Letters of Credit), and any breakage, termination or other payments under Treasury Services Agreements or Secured Hedge Agreements, ratably among the Secured Parties in proportion to the respective amounts described in this clause *Fourth* held by them;

Fifth, to the payment of all other Obligations of the Loan Parties that are due and payable to the Administrative Agent and the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Obligations owing to the Administrative Agent and the other Secured Parties on such date; and

Last, the balance, if any, after all of the Obligations have been paid in full, to the Borrower or as otherwise required by Law.

Notwithstanding the foregoing, no amount received from any Guarantor shall be applied to any Excluded Swap Obligation of such Guarantor.

Subject to Section 2.03(c), amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause *Fourth* above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above and, if no Obligations remain outstanding, to the Borrower.

Section 8.04 Borrower's Right to Cure.

Notwithstanding anything to the contrary contained in Section 8.01 or Section 8.02:

(a) For the purpose of determining whether an Event of Default under the Financial Covenant has occurred, the Borrower may on one or more occasions designate any portion of the net cash proceeds from a sale or issuance of Qualified Equity Interests of the Borrower or any contribution to the common capital of the Borrower (or from any other contribution to capital or sale or issuance of any other Equity Interests on terms reasonably satisfactory to the

Administrative Agent) (the “**Cure Amount**”) as an increase to Consolidated EBITDA for the applicable fiscal quarter; *provided* that (i) such amounts to be designated are actually received by the Borrower on or after the first day of such applicable fiscal quarter and on or prior to the tenth Business Day after the date on which financial statements are required to be delivered with respect to such applicable fiscal quarter (the “**Cure Expiration Date**”), (ii) such amounts do not exceed the aggregate amount necessary to cure any Event of Default under the Financial Covenant as of such date and (iii) the Borrower shall have provided notice to the Administrative Agent on the date such amounts are designated as a “Cure Amount” (it being understood that to the extent any such notice is provided in advance of delivery of a Compliance Certificate for the applicable period, the amount of such net cash proceeds that is designated as the Cure Amount may be different than the amount necessary to cure any Event of Default under the Financial Covenant and may be modified, as necessary, in a subsequent corrected notice delivered on or before the Cure Expiration Date (it being understood that in any event the final designation of the Cure Amount shall continue to be subject to the requirements set forth in clauses (i) and (ii) above)). The Cure Amount used to calculate Consolidated EBITDA for one (1) fiscal quarter shall be used and included when calculating Consolidated EBITDA for each Test Period that includes such fiscal quarter.

(b) The parties hereby acknowledge that this Section 8.04 may not be relied on for purposes of calculating any financial ratios other than for determining actual compliance with Section 7.11 and shall not result in any adjustment to any amounts (including the amount of Indebtedness) or increase in cash (and shall not be included for purposes of determining pricing, mandatory prepayments and the availability or amount permitted pursuant to any covenant under Article VII) with respect to the quarter with respect to which such Cure Amount was made other than the amount of the Consolidated EBITDA referred to in the immediately preceding sentence.

(c) In furtherance of clause (a) above, (A) upon actual receipt and designation of the Cure Amount by the Borrower, the Financial Covenant shall be deemed satisfied and complied with as of the end of the relevant fiscal quarter with the same effect as though there had been no failure to comply with the Financial Covenant and any Event of Default under the Financial Covenant (and any other Default arising solely as a result thereof) shall be deemed not to have occurred for purposes of the Loan Documents, and (B) upon delivery to the Administrative Agent prior to the Cure Expiration Date of a notice from the Borrower stating its good faith intention to exercise its right set forth in this Section 8.04, neither the Administrative Agent on or after the last day of the applicable quarter nor any Lender may exercise any rights or remedies under Section 8.02 (or under any other Loan Document) on the basis of any actual or purported Event of Default under the Financial Covenant (and any other Default as a result thereof) until and unless the Cure Expiration Date has occurred without the Cure Amount having been received and designated; *provided* that, until such actual receipt and designation of such Cure Amount by the Borrower, no Revolving Credit Loan, Swing Line Loan or L/C Credit Extension shall be required to be made.

(d) (i) In each period of four consecutive fiscal quarters, there shall be at least two (2) fiscal quarters in which no cure right set forth in this Section 8.04 is exercised and (ii) there shall be no *pro forma* reduction in Indebtedness with the Cure Amount for determining compliance with the Financial Covenant for the fiscal quarter with respect to which such Cure Amount was made.

(e) There can be no more than five (5) fiscal quarters in which the cure rights set forth in this Section 8.04 are exercised during the term of the Initial Revolving Credit Commitments and any Extended Revolving Credit Commitments in respect thereof.

ARTICLE IX.
ADMINISTRATIVE AGENT AND OTHER AGENTS

Section 9.01 Appointment and Authority.

(a) Each of the Lenders and L/C Issuers hereby irrevocably appoints UBS to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article IX (other than Sections 9.06 (solely with respect to the removal and consent rights of the Borrower set forth therein) and Section 9.10 (solely with respect to the requirement for execution, filing and other actions with respect to the Collateral Documents and other collateral documentation set forth therein) and 9.10) are solely for the benefit of the Administrative Agent, the Lenders and each L/C Issuer, and no Loan Party shall have rights as a third party beneficiary of any of such provisions.

(b) The Administrative Agent shall also act as the “collateral agent” under the Loan Documents, and each of the Lenders (including in its capacities as a potential Hedge Bank) and the L/C Issuer hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of such Lender and the L/C Issuer for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “collateral agent” and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent, shall be entitled to the benefits of all provisions of this Article IX and Article X (including the second paragraph of Section 10.05), as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Loan Documents as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

Section 9.02 Rights as a Lender.

The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the

Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

Section 9.03 Exculpatory Provisions.

The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, the Administrative Agent:

- (a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;
- (b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), *provided* that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law; and
- (c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity.
- (d) The Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 10.01 and 8.02) or (ii) in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Borrower, a Lender or the L/C Issuer.
- (e) The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

Section 9.04 Reliance by Administrative Agent.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or the L/C Issuer, the Administrative Agent may presume that such condition is satisfactory to such Lender or the L/C Issuer unless the Administrative Agent shall have received notice to the contrary from such Lender or the L/C Issuer prior to the making of such Loan or the issuance of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 9.05 Delegation of Duties.

The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article IX shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

Section 9.06 Resignation of Administrative Agent.

The Administrative Agent may resign as the Administrative Agent upon ten (10) days' notice to the Lenders and the Borrower; *provided* that if no successor agent is appointed in accordance with the terms set forth below within such ten (10)-day period, the Administrative Agent shall not be permitted to resign until the earlier to occur of (x) the date of the appointment of the successor agent or (y) the date that is thirty (30) days after the last day of such ten (10)-day period. If the Administrative Agent is subject to an Agent-Related Distress Event, the Borrower may remove the Administrative Agent upon ten (10) days' notice. Upon the resignation or removal of the Administrative Agent under this Agreement, the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which such appointment shall be subject to the consent of the Borrower (which consent of the Borrower shall not be unreasonably withheld or delayed if such successor is a commercial bank with a combined capital and surplus of at least \$5,000,000,000 that is a "U.S. person" and a "financial institution" within the meaning of Treasury Regulation Section 1.1441-1, and otherwise may be withheld at the Borrower's sole

discretion) at all times other than during the existence of an Event of Default under Section 8.01(a) or (f); *provided*, that in no event shall a Disqualified Institution be a successor agent. If no successor agent is appointed by the Required Lenders prior to the effective date of the resignation or removal of the Administrative Agent, the retiring or removed Administrative Agent may appoint, after consulting with the Lenders and subject to the Borrower's consent right set forth above, a successor agent from among the Lenders; *provided* that if the Administrative Agent shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders or the L/C Issuer under any of the Loan Documents, the retiring or removed Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and (b) all payments and communications provided to be made to or through the Administrative Agent shall instead be made to each Lender and the L/C Issuer directly and all determinations provided to be made by the Administrative Agent shall instead be made by the Required Lenders, in each case until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section 9.06. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent. Upon resignation or removal, the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section 9.06). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Administrative Agent's resignation or the removed Administrative Agent's removal hereunder and under the other Loan Documents, hereunder and under the other Loan Documents, the provisions of this Article and Sections 10.04 and 10.05 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Administrative Agent was acting as Administrative Agent.

Any resignation by or removal of UBS as Administrative Agent pursuant to this Section 9.06 shall also constitute its resignation as L/C Issuer and Swing Line Lender. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer and Swing Line Lender, (ii) the retiring L/C Issuer and Swing Line Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents, and (iii) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring L/C Issuer to effectively assume the obligations of the retiring L/C Issuer with respect to such Letters of Credit.

Section 9.07 Non-Reliance on Administrative Agent and Other Lenders.

Each Lender and the L/C Issuer acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and

based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and the L/C Issuer also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

Section 9.08 No Other Duties, Etc.

Anything herein to the contrary notwithstanding, none of the Administrative Agent, Bookrunners, Arrangers or Syndication Agents listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent, a Lender or the L/C Issuer hereunder.

Section 9.09 Administrative Agent May File Proofs of Claim.

In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the L/C Issuer and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the L/C Issuer and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the L/C Issuer and the Administrative Agent under Sections 2.03(h) and (i), 2.09, 10.04 and 10.05) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and the L/C Issuer to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders and the L/C Issuer, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 2.09, 10.04 and 10.05.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or the L/C Issuer any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or the L/C Issuer to authorize the Administrative Agent to vote in respect of the claim of any Lender or the L/C Issuer or in any such proceeding.

Section 9.10 Collateral and Guaranty Matters.

Each of the Lenders (including in its capacities as a potential Hedge Bank) and the L/C Issuer irrevocably authorize the Administrative Agent,

(a) to automatically release any Lien on any property granted to or held by the Administrative Agent under any Loan Document (i) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted and (B) obligations and liabilities under Treasury Services Agreements and Secured Hedge Agreements not due and payable) and the expiration or termination of all Letters of Credit (other than Letters of Credit that are Cash Collateralized or back-stopped by a letter of credit in form, amount and substance reasonably satisfactory to the Administrative Agent or a deemed reissuance under another facility as to which other arrangements satisfactory to the Administrative Agent and the L/C Issuer shall have been made), (ii) at the time the property subject to such Lien is Disposed or to be Disposed as part of or in connection with any Disposition permitted (other than a lease and other than to a Person that is a Loan Party) hereunder or under any other Loan Document, (iii) subject to Section 10.01, if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders, (iv) if the property subject to such Lien is owned by a Guarantor, upon release of such Guarantor from its obligations under its Guaranty pursuant to clause (c) below or (v) if such property becomes an Excluded Asset;

(b) to release or subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 7.01(u) to the extent required by the holder of, or pursuant to the terms of any agreement governing, the obligations secured by such Liens; and

(c) to release any Subsidiary Guarantor from its obligations under the Guaranty, if in the case of any such Subsidiary, such Person ceases to be a Material Domestic Subsidiary or becomes an Excluded Subsidiary as a result of a transaction or designation permitted hereunder; *provided* that no such release shall occur if such Guarantor continues to be a guarantor or obligor in respect of any Junior Financing, any Refinancing Equivalent Debt or any Incremental Equivalent Debt or any Permitted Refinancing in respect thereof; *provided further*, that notwithstanding the foregoing, if any Subsidiary Guarantor becomes an Excluded Subsidiary pursuant to clause (a) of the definition of Excluded Subsidiary, such Guarantor shall not be released from its obligations under the Guaranty or any other Loan Document unless (x) such Subsidiary Guarantor would no longer be a direct or indirect Subsidiary of the Borrower or (y) after giving pro forma effect to such release and the consummation of the relevant transaction, the Borrower would be permitted to make an Investment in such Person to be so released pursuant to clause (1) of the definition of "Permitted Investments" (and, if this clause (y) shall be applicable, Borrower shall be deemed to have made such an Investment in such Person pursuant to such clause (1)).

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.10. In each case as specified in this Section 9.10, the Administrative Agent will (and each Lender irrevocably authorizes the Administrative Agent to), at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Collateral Documents or to subordinate its interest in such item, or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.10.

Section 9.11 Secured Cash Management Agreements and Secured Hedge Agreements.

Except as otherwise expressly set forth herein or in any Guaranty or any Collateral Document, no Hedge Bank that obtains the benefits of Section 8.03, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article IX to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Treasury Services Agreements and Secured Hedge Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Hedge Bank.

The Lenders hereby authorize the Administrative Agent to enter into any First Lien Intercreditor Agreement, the Second Lien Intercreditor Agreement, any Subordination Agreement or other intercreditor agreement or arrangement permitted under this Agreement and the Lenders acknowledge that any such intercreditor agreement is binding upon the Lenders.

Section 9.12 Withholding Tax Indemnity.

To the extent required by any applicable Laws (as determined in good faith by the Administrative Agent), the Administrative Agent may withhold from any payment to any Lender under any Loan Document an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 3.01, each Lender shall indemnify and hold harmless the Administrative Agent against, and shall make payable in respect thereof within ten (10) days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the IRS or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold Tax from amounts paid to or for the account of such Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered

the exemption from, or reduction of withholding Tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 9.12. The agreements in this Section 9.12 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other Obligations. For the avoidance of doubt, the term "Lender" shall, for purposes of this Section 9.12, include any L/C Issuer and any Swing Line Lender.

**ARTICLE X.
MISCELLANEOUS**

Section 10.01 Amendments, Etc.

Except as otherwise set forth in this Agreement, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by any Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders (other than with respect to any amendment or waiver contemplated in Sections 10.01(a) through

(i) below, which shall only require the consent of the Lenders expressly set forth therein and not the Required Lenders) (or by the Administrative Agent with the consent of the Required Lenders) and the applicable Loan Party, as the case may be, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; *provided that*, no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender without the written consent of such Lender (it being understood that a waiver of any condition precedent set forth in Section 4.02 or of any Default, mandatory prepayment or mandatory reduction of any Commitments shall not constitute an extension or increase of any Commitment of any Lender);

(b) postpone any date scheduled for, or reduce the amount of, any payment of principal or interest under Section 2.07(a)(B) or 2.08 (other than pursuant to Section 2.08(b)), without the written consent of each Lender directly and adversely affected thereby, it being understood that the waiver of (or amendment to the terms of) any mandatory prepayment of the Loans shall not constitute a postponement of any date scheduled for the payment of principal or interest and it further being understood that any change to the definition of "Consolidated First Lien Net Leverage Ratio," "Consolidated Cash Interest Coverage Ratio", "Total Net Leverage Ratio" or "Secured Net Leverage Ratio" or, in each case, in the component definitions thereof shall not constitute a reduction in any amount of interest;

(c) reduce or forgive the principal of, or the rate of interest specified herein on, any Loan or L/C Borrowing, or (subject to clause (iii) of the second proviso to this Section 10.01) any fees or other amounts payable hereunder or under any other Loan Document (or extend the timing of payments of such fees or other amounts) without the written consent of each Lender directly and adversely affected thereby, it being understood that any change to the definition of "Consolidated First Lien Net Leverage Ratio," "Consolidated Cash Interest Coverage Ratio",

“Total Net Leverage Ratio” or “Secured Net Leverage Ratio” or, in each case, in the component definitions thereof shall not constitute a reduction in any rate of interest; *provided* that, for the avoidance of doubt, only the consent of the Required Lenders shall be necessary to amend the definition of “Default Rate” or to waive any obligation of the Borrower to pay interest at the Default Rate;

(d) change any provision of this Section 10.01 or the definition of “Required Revolving Credit Lenders,” “Required Lenders,” “Required Class Lenders,” or any other provision specifying the number of Lenders or portion of the Loans or Commitments required to take any action under the Loan Documents, without the written consent of each Lender directly affected thereby (it being understood that each Lender shall be directly and adversely affected by a change to the “Required Lenders” or “Pro Rata Share” definitions);

(e) other than in connection with a transaction permitted under Section 7.04 or Section 7.05, release all or substantially all of the Collateral in any transaction or series of related transactions, without the written consent of each Lender;

(f) other than in connection with a transaction permitted under Section 7.04 or Section 7.05, release all or substantially all of the aggregate value of the Guarantees, without the written consent of each Lender;

(g) (1) waive any condition set forth in Section 4.02 as to any Credit Extension under one or more Class of Revolving Credit Commitments or (2) amend, waive or otherwise modify any term or provision which directly affects Lenders under one or more Class of Revolving Credit Commitments and does not directly affect Lenders under any other Class, in each case, without the written consent of the Required Class Lenders under such applicable Class or Classes of Revolving Credit Commitments (and in the case of multiple Classes which are affected, such Required Class Lenders shall consent together as one Class) (it being understood that any amendment to the conditions of effectiveness of Incremental Commitments set forth in Section 2.14 shall be subject to clause (h) below); *provided, however*, that the waivers described in this clause (g) shall not require the consent of any Lenders other than (x) the Required Class Lenders under such Class or Classes and (y) in the case of any waiver that otherwise would be subject to clause (a), (b), (c), (d) or (e) above, each Lender, each directly affected Lender or each directly and adversely affected Lender (as specified in clause (a), (b), (c), (d) or (e) above) under the applicable Class or Classes of Revolving Credit Commitments;

(h) amend, waive or otherwise modify any term or provision (including the availability and conditions to funding under Section 2.14 with respect to Incremental Term Loans and Incremental Revolving Credit Commitments and the rate of interest applicable thereto) which directly affects Lenders of one or more Incremental Term Loans or Incremental Revolving Credit Commitments (including Loans extended under such Commitments) and does not directly affect Lenders under any other Class, in each case, without the written consent of the Required Class Lenders under such applicable Incremental Term Loans or Incremental Revolving Credit Commitments (and in the case of multiple Classes which are affected, such Required Class Lenders shall consent together as one Class); *provided, however*, that the waivers described in this clause (h) shall not require the consent of any Lenders other than (x) the Required Class Lenders under such applicable Incremental Term Loans or Incremental Revolving Credit

Commitments and (y) in the case of any waiver that otherwise would be subject to clause (a), (b), (c), (d) or (e) above, each Lender, each directly affected Lender or each directly and adversely affected Lender (as specified in clause (a), (b), (c), (d) or (e) above) under the applicable Class or Classes of Incremental Term Loans or Incremental Revolving Credit Commitments (including Loans extended under such Commitments); *provided further however*, that the aggregate amount of Incremental Term Loans and Incremental Revolving Credit Commitments permitted under Section 2.14(d)(iii) shall not be permitted to be increased without the consent of the Required Lenders;

(i) amend or otherwise modify: (a) the Financial Covenant, (b) the exception set forth in Section 6.01(a)(ii) (or in the comparable provision in the paragraph immediately succeeding Section 6.01(d)) and (c) Section 8.04, and in each case any definition related thereto (as any such definition is used therein but not as otherwise used in this Agreement or any other Loan Document) or waive any Default or Event of Default resulting from a failure to perform or observe the Financial Covenant (including any related Default or Event of Default under Section 6.01) or Section 8.04 without the written consent of the Required Revolving Credit Lenders; *provided, that*, the waivers described in this clause (i) shall not require the consent of any Lenders other than the Required Revolving Credit Lenders; or

(j) amend, modify or waive any term or provision of Section 2.13 or 8.03 that would alter the pro rata sharing of payments or priority of payments specified thereby, as applicable, without the consent of each Lender directly and adversely affected thereby;

and *provided, further*, that (i) no amendment, waiver or consent shall, unless in writing and signed by each L/C Issuer in addition to the Lenders required above, affect the rights or duties of such L/C Issuer under this Agreement or any Letter of Credit Application relating to any Letter of Credit issued or to be issued by it; *provided, however*, that this Agreement may be amended to adjust the mechanics related to the issuance of Letters of Credit, including mechanical changes relating to the existence of multiple L/C Issuers, with only the written consent of the Administrative Agent, the applicable L/C Issuer and the Borrower so long as the obligations of the Revolving Credit Lenders, if any, who have not executed such amendment, and if applicable the other L/C Issuers, if any who have not executed such amendment, are not adversely affected thereby; (ii) no amendment, waiver or consent shall, unless in writing and signed by the Swing Line Lender in addition to the Lenders required above, affect the rights or duties of the Swing Line Lender under this Agreement; *provided, however*, that this Agreement may be amended to adjust the borrowing mechanics related to Swing Line Loans with only the written consent of the Administrative Agent, the Swing Line Lenders and the Borrower so long as the obligations of the Revolving Credit Lenders, if any, who have not executed such amendment are not adversely affected thereby; (iii) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document; and (iv) Section 10.07(h) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification; *provided further however* that if at any time there is more than one Revolving Credit Lender but there are not at least three Revolving Credit Lenders, each of which Lenders is not an Affiliate of another Revolving Credit Lender, then the Required Class Lenders (if applicable to the Revolving Credit Commitments) and the Required Revolving Credit Lenders shall in any event constitute at least two Revolving Credit Lenders that are not Affiliates of one another.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any such Defaulting Lender may not be increased or extended without the consent of such Lender, (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms materially and adversely affects any Defaulting Lender to a greater extent than other affected Lenders shall require the consent of such Defaulting Lender and (x) the consent of any Defaulting Lender shall be required in respect of any amendments referred to in Section 10.01(b).

Notwithstanding the foregoing, no Lender consent is required to effect any amendment or supplement to any First Lien Intercreditor Agreement, the Second Lien Intercreditor Agreement, any Subordination Agreement or other intercreditor agreement or arrangement permitted under this Agreement (i) that is for the purpose of adding the holders of Permitted Pari Passu Secured Refinancing Debt, Permitted Junior Secured Refinancing Debt, subordinated Permitted Unsecured Refinancing Debt, Incremental Equivalent Debt (or, in each case, a Senior Representative with respect thereto), Second Lien Incremental Equivalent Debt or Second Lien Refinancing Equivalent Debt as parties thereto, as expressly contemplated by the terms of such First Lien Intercreditor Agreement, such Second Lien Intercreditor Agreement, such Subordination Agreement or such other intercreditor agreement or arrangement permitted under this Agreement, as applicable (it being understood that any such amendment or supplement may make such other changes to the applicable intercreditor agreement as, in the good faith determination of the Administrative Agent, are required to effectuate the foregoing and *provided* that such other changes are not adverse, in any material respect, to the interests of the Lenders) or (ii) that is expressly contemplated by any First Lien Intercreditor Agreement, the Second Lien Intercreditor Agreement, any Subordination Agreement or other intercreditor agreement or arrangement permitted under this Agreement; *provided, further*, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent hereunder or under any other Loan Document without the prior written consent of the Administrative Agent.

Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans, Revolving Credit Loans, Swing Line Loans and L/C Obligations and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders.

In addition, notwithstanding the foregoing, this Agreement may be amended with the written consent of the Administrative Agent, the Borrower and the Lenders providing the Replacement Term Loans (as defined below) to permit the refinancing of all outstanding Term Loans of any Class ("**Replaced Term Loans**") with replacement term loans ("**Replacement**

Term Loans”) hereunder; *provided* that (a) the aggregate principal amount of such Replacement Term Loans shall not exceed the aggregate principal amount of such Replaced Term Loans, plus accrued interest, fees, premiums (if any) and penalties thereon and reasonable fees and expenses associated with such Replacement Term Loans, (b) the All-In Yield with respect to such Replacement Term Loans (or similar interest rate spread applicable to such Replacement Term Loans) shall not be higher than the All-In Yield for such Replaced Term Loans (or similar interest rate spread applicable to such Replaced Term Loans) immediately prior to such refinancing unless the maturity of the Replacement Term Loans is at least one (1) year later than the maturity of the Replaced Term Loans, (c) the Weighted Average Life to Maturity of such Replacement Term Loans shall not be shorter than the Weighted Average Life to Maturity of such Replaced Term Loans at the time of such refinancing (except by virtue of amortization or prepayment of the Replaced Term Loans prior to the time of such incurrence) and (d) all other terms applicable to such Replacement Term Loans shall be substantially identical to, or less favorable to the Lenders providing such Replacement Term Loans than, those applicable to such Replaced Term Loans, except to the extent necessary to provide for covenants and other terms applicable to any period after the Latest Maturity Date of the Term Loans in effect immediately prior to such refinancing. Each amendment to this Agreement providing for Replacement Term Loans may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent and the Borrower to effect the provisions of this paragraph, and for the avoidance of doubt, this paragraph shall supersede any other provisions in this Section 10.01 to the contrary.

Notwithstanding anything to the contrary contained in this Section 10.01, guarantees, collateral security documents and related documents executed by Subsidiaries in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i)(A) to comply with local Law or advice of local counsel and/or (B) effectuate the provisions of clause (3)(Y) of the definition of “Permitted Investments”, (ii) to cure ambiguities or defects or (iii) to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Loan Documents.

If the Administrative Agent and the Borrower shall have jointly identified an obvious error (including, but not limited to, an incorrect cross-reference) or any error or omission of a technical or immaterial nature, in each case, in any provision of this Agreement or any other Loan Document (including, for the avoidance of doubt, any exhibit, schedule or other attachment to any Loan Document), then the Administrative Agent (acting in its sole discretion) and the Borrower or any other relevant Loan Party shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Loan Document. Notification of such amendment shall be made by the Administrative Agent to the Lenders promptly upon such amendment becoming effective.

Section 10.02 Notices and Other Communications; Facsimile Copies.

- (a) Notices; Effectiveness; Electronic Communications.

(i) Notices Generally. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (C) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(A) if to the Borrower, the Administrative Agent, the L/C Issuer or the Swing Line Lender, to the address, telecopier number, electronic mail address or telephone number specified for such Person on Schedule 10.02 or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the other parties; and

(B) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its Administrative Questionnaire or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the Borrower, the Administrative Agent, the L/C Issuers and the Swing Line Lender.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (C) below shall be effective as provided in such subsection (C).

(C) Electronic Communications. Notices and other communications to the Lenders and the L/C Issuer hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, *provided* that the foregoing shall not apply to notices to any Lender or the L/C Issuer pursuant to Article II if such Lender or the L/C Issuer, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, *provided* that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), *provided* that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or

intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(b) The Platform. THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE.” THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the “**Agent Parties**”) have any liability to the Loan Parties, any Lender, the L/C Issuer or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower’s or the Administrative Agent’s transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Agent Party; *provided, however*, that in no event shall any Agent Party have any liability to the Loan Parties, any Lender, the L/C Issuer or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(c) Change of Address, Etc. Each of the Borrower, the Administrative Agent, the L/C Issuer and the Swing Line Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the Borrower, the Administrative Agent, the L/C Issuer and the Swing Line Lender. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the “Private Side Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable Law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the “Public Side Information” portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state securities laws.

(d) Reliance by Administrative Agent, L/C Issuer and Lenders. The Administrative Agent, the L/C Issuer and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices and Swing Line Loan Notices) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were

incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Administrative Agent, the L/C Issuer, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower in the absence of gross negligence, willful misconduct or bad faith of such Person, as determined by a final non-appealable judgment of a court of competent jurisdiction. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

Section 10.03 No Waiver; Cumulative Remedies.

No failure by any Lender, the L/C Issuer or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 8.02 for the benefit of all the Lenders and the L/C Issuer; *provided, however*, that the foregoing shall not prohibit (a) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) the L/C Issuer or the Swing Line Lender from exercising the rights and remedies that inure to its benefit (solely in its capacity as L/C Issuer or Swing Line Lender, as the case may be) hereunder and under the other Loan Documents, (c) any Lender from exercising setoff rights in accordance with Section 10.09 (subject to the terms of Section 2.13), or (d) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and *provided, further*, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (b), (c) and (d) of the preceding proviso and subject to Section 2.13, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

Section 10.04 Attorney Costs and Expenses.

The Borrower agrees (a) if the Closing Date occurs, to pay or reimburse the Administrative Agent and the other Agents for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the preparation, negotiation, syndication and execution of this Agreement and the other Loan Documents, and any amendment, waiver,

consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby, including all Attorney Costs, which shall be limited to Cahill Gordon & Reindel LLP and one local counsel as reasonably necessary in any relevant jurisdiction material to the interests of the Lenders taken as a whole (and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to the affected Indemnitees similarly situated) and (b) after the Closing Date, to pay or reimburse the Administrative Agent for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and including all respective Attorney Costs, which shall be limited to Attorney Costs of one counsel to the Administrative Agent and the Lenders taken as a whole and one local counsel as reasonably necessary in any relevant jurisdiction material to the interests of the Lenders taken as a whole and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to the affected Indemnitees similarly situated). The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. All amounts due under this Section 10.04 shall be paid within thirty (30) days after written demand therefor (together with backup documentation supporting such reimbursement request); *provided* that, with respect to the Closing Date, all amounts due under this Section 10.04 shall be paid on the Closing Date solely to the extent invoiced to the Borrower within three (3) Business Days prior to the Closing Date. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent in its discretion. For the avoidance of doubt, this Section 10.04 shall not apply to Taxes, except any Taxes that represent costs and expenses arising from any non-Tax claim.

Section 10.05 Indemnification by the Borrower.

The Borrower shall indemnify and hold harmless each Agent, Agent-Related Person, Lender, Arranger and Bookrunner and their Affiliates, and their respective officers, directors, employees, partners, agents, advisors and other representatives of the foregoing (collectively the “**Indemnitees**”) from and against any and all liabilities, losses, damages, claims, or out-of-pocket expenses (including Attorney Costs but limited in the case of legal fees and expenses to the reasonable and documented out-of-pocket fees, disbursements and other charges of one counsel to all Indemnitees taken as a whole and, if reasonably necessary, one local counsel for all Indemnitees taken as a whole in each relevant jurisdiction, and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to the affected Indemnitees similarly situated) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against any such Indemnitee in any way relating to or arising out of or in connection with (a) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby, (b) any Commitment, Loan or Letter of Credit or the use or proposed use of the proceeds therefrom including any refusal by an L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit, or (c) any actual or alleged Environmental Liability of the

Loan Parties or any Subsidiary, or (d) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) (a "**Proceeding**") and regardless of whether any Indemnitee is a party thereto or whether or not such Proceeding is brought by the Borrower or any other Person and, in each case, whether or not caused by or arising, in whole or in part, out of the negligence of the Indemnitee (all of the foregoing, collectively, the "**Indemnified Liabilities**"); *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such liabilities, losses, damages, claims or out-of-pocket expenses resulted from (x) the gross negligence, bad faith or willful misconduct of such Indemnitee or of any of its Related Indemnified Persons, as determined by a final non-appealable judgment of a court of competent jurisdiction, (y) a material breach of any obligations under any Loan Document by such Indemnitee or of any of its Related Indemnified Persons, as determined by a final non-appealable judgment of a court of competent jurisdiction or (z) any dispute solely among Indemnitees other than any claims against an Indemnitee in its capacity or in fulfilling its role as an administrative agent or arranger or any similar role under any Facility and other than any claims arising out of any act or omission of the Borrower or any of its Affiliates (as determined in a final and non-appealable judgment of a court of competent jurisdiction). No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement (except for direct (as opposed to indirect, special, punitive or consequential) damages resulting from the gross negligence, bad faith or willful misconduct, as determined by a court of competent jurisdiction in a final and non-appealable judgment, of any such Indemnitee), nor shall any Indemnitee, Related Indemnified Person, Loan Party or any Subsidiary have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date) (other than, in the case of any Loan Party, in respect of any such damages incurred or paid by an Indemnitee to a third party, or which are included in a third-party claim, and for any out-of-pocket expenses related thereto). In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, any Subsidiary of any Loan Party, its directors, stockholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents are consummated. All amounts due under this Section 10.05 shall be paid within thirty (30) days after written demand therefor (together with backup documentation supporting such reimbursement request); *provided, however*, that such Indemnitee shall promptly refund such amount to the extent that there is a final judicial or arbitral determination that such Indemnitee was not entitled to indemnification rights with respect to such payment pursuant to the express terms of this Section 10.05. The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. For the avoidance of doubt, this Section 10.05 shall not apply to Taxes, except any Taxes that represent liabilities, obligations, losses, damages, penalties, claims, demands, actions, prepayments, suits, costs, expenses and disbursements arising from any non-Tax claims.

To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under this Section 10.05 or Section 10.04 to be paid by it to the Administrative Agent (or any sub-agent thereof), the L/C Issuer or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent), the L/C Issuer or such Related Party, as the case may be, such Lender's Pro Rata Share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent) or the L/C Issuer in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent) or L/C Issuer in connection with such capacity. The obligations of the Lenders under this paragraph are subject to the provisions of Section 2.12(e).

Section 10.06 Payments Set Aside.

To the extent that any payment by or on behalf of the Borrower is made to the Administrative Agent, the L/C Issuer or any Lender, or the Administrative Agent, the L/C Issuer or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent, the L/C Issuer or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender and the L/C Issuer severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders and the L/C Issuer under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

Section 10.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (except as permitted by Section 7.04) and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Assignee pursuant to an assignment made in accordance with the provisions of Section 10.07(b) (such an assignee, an "**Eligible Assignee**") and (A) in the case of any Assignee that, immediately prior to or upon giving effect to such assignment, is an Affiliated Lender, Section 10.07(k), (B) in the case of any Assignee that is Holdings or any of its Subsidiaries, Section 10.07(l), or (C) in the case of any Assignee that, immediately prior to or upon giving effect to such assignment, is a Debt Fund Affiliate, Section 10.07(o), (ii) by way of participation in accordance with the provisions of Section 10.07(e), (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.07(g) or (i) or (iv) to an SPC in accordance with the provisions of

Section 10.07(h) (and any other attempted assignment or transfer by any party hereto shall be null and void); *provided, however*, that notwithstanding the foregoing, no Lender may assign or transfer by participation any of its rights or obligations hereunder to (i) any Person that is a Defaulting Lender, (ii) a natural Person or a Disqualified Institution or (iii) to Holdings, the Borrower or any of their respective Subsidiaries (except pursuant to Section 2.05(a)(v) or Section 10.07(l)). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(e) and, to the extent expressly contemplated hereby, the Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement. The Administrative Agent shall promptly give notice to the Borrower of any request by a Lender to assign any of its rights or obligations hereunder to any Person that is on the Disqualified Institutions List or, to the extent it has knowledge, any Person that is an Affiliate of a Person on the Disqualified Institutions List.

(b) (i) Subject to the limitations set forth in paragraph (a) above and the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees (“**Assignees**”) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans (including for purposes of this Section 10.07(b), participations in L/C Obligations and in Swing Line Loans) at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld, conditioned or delayed, except in connection with a proposed assignment to any Disqualified Institution) of:

(A) the Borrower, *provided* that no consent of the Borrower shall be required for (i) an assignment of all or a portion of the Term Loans to a Lender, an Affiliate of a Lender or an Approved Fund, (ii) other than with respect to any proposed assignment to any Person that is a Disqualified Institution, if an Event of Default under Section 8.01(a) or, solely with respect to the Borrower, Section 8.01(f) has occurred and is continuing, to any Assignee or (iii) an assignment of all or a portion of the Loans pursuant to Section 10.07(k), Section 10.07(l) or Section 10.07(o); *provided* that, other than with respect to any proposed assignment to any Person that is a Disqualified Institution, the Borrower shall be deemed to have consented to any such assignment of the Term Loans unless it shall have objected thereto by written notice to the Administrative Agent within fifteen (15) Business Days after having received notice thereof;

(B) the Administrative Agent; *provided* that no consent of the Administrative Agent shall be required for an assignment of all or a portion of the Loans pursuant to Section 10.07(k), Section 10.07(l) or Section 10.07(o);

(C) each applicable L/C Issuer at the time of such assignment; *provided* that no consent of the applicable L/C Issuers shall be required for any assignment of a Term Loan or any assignment to an Agent or an Affiliate of an Agent; *provided* that the consent of the Existing L/C Issuer shall not be so required unless any Existing Letters of Credit are outstanding at such time; and

(D) the Swing Line Lender; *provided* that no consent of the Swing Line Lender shall be required for any assignment of a Term Loan or any assignment to an Agent or an Affiliate of an Agent.

Notwithstanding the foregoing or anything to the contrary set forth herein, to the extent any Lender is required to assign any portion of its Commitments, Loans and other rights, duties and obligations hereunder in order to comply with applicable Laws, such assignment may be made by such Lender without the consent of the Borrower, the Administrative Agent, any applicable L/C Issuer, the Swing Line Lender or any other party hereto so long as such Lender complies with the requirements of Section 10.07(b)(ii).

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than an amount of \$5,000,000 (in the case of each Revolving Credit Loan) or \$1,000,000 (in the case of a Term Loan), and shall be in increments of an amount of \$5,000,000 (in the case of each Revolving Credit Loan) or \$1,000,000 (in the case of Term Loans), in excess thereof unless each of the Borrower and the Administrative Agent otherwise consent; *provided* that such assignments shall be aggregated in respect of each Lender and its Affiliates or Approved Funds, if any;

(B) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500 (unless waived or reduced by the Administrative Agent in its sole discretion); and

(C) other than in the case of assignments pursuant to Section 10.07(l), the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

This paragraph (b) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis among such Facilities.

In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full Pro Rata Share of all Loans and participations in Letters of Credit and Swing Line Loans in accordance with its Pro Rata Share. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(c) Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 10.07(d), from and after the effective date specified in each Assignment and Assumption, (1) other than in connection with an assignment pursuant to Section 10.07(l), the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and (2) the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment). Upon request, and the surrender by the assigning Lender of its Note, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this clause (c) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(e).

(d) The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption, each Affiliated Lender Assignment and Assumption delivered to it, and each notice of cancellation of any Loans delivered by the Borrower pursuant to Section 10.07(k) or Section 10.07(l) and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans, L/C Obligations (specifying the Unreimbursed Amounts), L/C Borrowings and the amounts due under Section 2.03, owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Agent and any Lender (but in the case of any Lender, such inspection shall be limited to reviewing such Lender's own entry in the Register only), at any reasonable time and from time to time upon reasonable prior notice. This Section 10.07(d) and Section 2.11 shall be construed so that all Loans are at all times maintained in "registered form" within the meaning of Section 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations). Notwithstanding the foregoing, in no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any Lender is an Affiliated Lender nor shall the Administrative Agent be obligated to monitor the aggregate amount of Term Loans or Incremental Term Loans held by Affiliated Lenders.

(e) Any Lender may at any time sell participations to any Person (other than a natural person, a Disqualified Institution or a Defaulting Lender) (each, a "**Participant**") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans (including such Lender's participations in L/C

Obligations and/or Swing Line Loans) owing to it); *provided* that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or the other Loan Documents; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in clauses (a) through (f) of the first proviso to Section 10.01 that requires the affirmative vote of such Lender. Subject to Section 10.07(f), the Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 to the same extent as if it were a Lender (subject, for the avoidance of doubt, to the limitations and requirements of those Sections (including Section 3.01(d) and Sections 3.06 and 3.07) applying to each Participant as if it were a Lender, and it being understood that the documentation required under Section 3.01(d) shall be delivered solely to the participating Lender) and had acquired its interest by assignment pursuant to Section 10.07(c). To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of Section 10.09 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.13 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "**Participant Register**"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. No Lender shall have the obligation to disclose all or a portion of the Participant Register (including the identity of the Participant or any information relating to a Participant's interest in any Loans or other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that any loans are in registered form for U.S. federal income tax purposes.

(f) A Participant shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent (not to be unreasonably withheld or delayed; for the avoidance of doubt, the Borrower shall have a reasonable basis for withholding consent if such Participant would result in a materially increased indemnification obligation to the Borrower at such time).

(g) Any Lender may, without the consent of the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(h) Notwithstanding anything to the contrary contained herein, any Lender (a “**Granting Lender**”) may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an “**SPC**”) the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided that* (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof and (iii) such SPC and the applicable Loan or any applicable part thereof, shall be appropriately reflected in the Participant Register. Each party hereto hereby agrees that (i) an SPC shall be entitled to the benefit of Sections 3.01, 3.04 and 3.05 (subject to the requirements and the limitations of such Sections and Sections 3.06 and 3.07 and it being understood that the documentation required under Section 3.01(d) shall be delivered solely to the Granting Lender), but neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement except, in the case of Section 3.01, to the extent that the grant to the SPC was made with the prior written consent of the Borrower which may be withheld in the Borrower’s sole and absolute discretion, (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (iii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the Lender hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrower and the Administrative Agent and with the payment of a processing fee of \$3,500, assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(i) Notwithstanding anything to the contrary contained herein, without the consent of the Borrower or the Administrative Agent, (1) any Lender may in accordance with applicable Law create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it and (2) any Lender that is a Fund may create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; *provided that* unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 10.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(j) Notwithstanding anything to the contrary contained herein, any L/C Issuer or Swing Line Lender may, upon thirty (30) days’ notice to the Borrower and the Lenders, resign as an L/C Issuer or Swing Line Lender, respectively; *provided that* on or prior to the expiration of such thirty (30)-day period with respect to such resignation, the relevant L/C Issuer or Swing Line Lender shall have identified a successor L/C Issuer or Swing Line Lender reasonably acceptable to the Borrower willing to accept its appointment as successor L/C Issuer or Swing

Line Lender, as applicable. In the event of any such resignation of an L/C Issuer or Swing Line Lender, the Borrower shall be entitled to appoint from among the Lenders willing to accept such appointment a successor L/C Issuer or Swing Line Lender hereunder; *provided* that no failure by the Borrower to appoint any such successor shall affect the resignation of the relevant L/C Issuer or the Swing Line Lender, as the case may be, except as expressly provided above. If an L/C Issuer resigns as an L/C Issuer, it shall retain all the rights and obligations of an L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as an L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(c)). If the Swing Line Lender resigns as Swing Line Lender, it shall retain all the rights of the Swing Line Lender provided for hereunder with respect to Swing Line Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Base Rate Loans or fund risk participations in outstanding Swing Line Loans pursuant to Section 2.04(c).

(k) Any Lender may at any time, assign all or a portion of its rights and obligations with respect to Term Loans under this Agreement to a Person who is or will become, after such assignment, an Affiliated Lender through (x) Dutch auctions or other offers to purchase open to all Lenders on a pro rata basis consistent with the procedures set forth in Section 2.05(a)(v) or (y) open market purchase on a non-pro rata basis, in each case subject to the following limitations:

(i) the assigning Lender and the Affiliated Lender purchasing such Lender's Term Loans shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit K hereto (an "**Affiliated Lender Assignment and Assumption**");

(ii) Affiliated Lenders will not receive information provided solely to Lenders by the Administrative Agent or any Lender and will not be permitted to attend or participate in conference calls or meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article II;

(iii) (A) each Affiliated Lender that purchases any Term Loans pursuant to clause (x) above shall represent and warrant to the selling Lender and the Administrative Agent (other than any other Affiliated Lender), or shall make a statement that such representation cannot be made, that it does not possess material non-public information with respect to Holdings and its Subsidiaries or the securities of any of them that has not been disclosed to the Term Lenders generally (other than Term Lenders who elect not to receive such information) and (B) each Lender (other than any other Affiliated Lender) that assigns any Term Loans to an Affiliated Lender pursuant to clause (k)(y) above shall deliver to the Administrative Agent and the applicable Affiliated Lender a customary Big Boy Letter;

(iv) the aggregate principal amount of Term Loans held at any one time by Affiliated Lenders shall not exceed 25% of the original principal amount of all Term Loans at such time outstanding; (such percentage, the "**Affiliated Lender Cap**"); *provided* that to the extent any assignment to an Affiliated Lender would result in the aggregate principal amount of all Loans held by Affiliated Lenders exceeding the Affiliated Lender Cap, the assignment of such excess amount will be void *ab initio*; and

(v) as a condition to each assignment pursuant to this clause (k), the Administrative Agent and the Borrower shall have been provided a notice in the form of Exhibit E-2 to this Agreement in connection with each assignment to an Affiliated Lender or a Person that upon effectiveness of such assignment would constitute an Affiliated Lender pursuant to which such Affiliated Lender shall waive any right to bring any action in connection with such Term Loans against the Administrative Agent, in its capacity as such.

Each Affiliated Lender agrees to notify the Administrative Agent promptly (and in any event within ten (10) Business Days) if it acquires any Person who is also a Lender, and each Lender agrees to notify the Administrative Agent promptly (and in any event within ten (10) Business Days) if it becomes an Affiliated Lender. Such notice shall contain the type of information required and be delivered to the same addressee as set forth in Exhibit E-2.

Notwithstanding anything to the contrary contained herein, any Affiliated Lender that has purchased Term Loans pursuant to this subsection (k) and any Debt Fund Affiliate that has purchased Term Loans may, in their sole discretion, contribute, directly or indirectly, principal amount of such Term Loans, plus all accrued and unpaid interest thereon, to the Borrower for the purpose of cancelling and extinguished such Term Loans. Upon the date of such contribution, assignment or transfer, (x) the aggregate outstanding principal amount of Term Loans shall reflect such cancellation and extinguishing of the Term Loans then held by the Borrower and (y) the Borrower shall promptly provide notice to the Administrative Agent of such contribution of such Term Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of the applicable Term Loans in the Register.

(l) Any Lender may, so long as no Default or Event of Default has occurred and is continuing, at any time, assign all or a portion of its rights and obligations with respect to Term Loans under this Agreement to Holdings or the Borrower through (x) Dutch auctions or other offers to purchase open to all Lenders on a pro rata basis consistent with the procedures set forth in Section 2.05(a)(v) or (y) notwithstanding Sections 2.12 and 2.13 or any other provision in this Agreement, open market purchase on a non-pro rata basis; *provided that*:

(i) if Holdings is the assignee, upon such assignment, transfer or contribution, Holdings shall automatically be deemed to have contributed the principal amount of such Term Loans, plus all accrued and unpaid interest thereon, to the Borrower;

(ii) (a) the principal amount of such Term Loans, along with all accrued and unpaid interest thereon, so contributed, assigned or transferred to the Borrower shall be deemed automatically cancelled and extinguished on the date of such contribution, assignment or transfer, (b) the aggregate outstanding principal amount of Term Loans of the remaining Lenders shall reflect such cancellation and extinguishing of the Term Loans then held by the Borrower and (c) the Borrower shall promptly provide notice to the Administrative Agent of such contribution, assignment or transfer of such Term Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of the applicable Term Loans in the Register; and

(iii) purchases of Term Loans shall not be funded with the proceeds of Revolving Credit Loans or Swing Line Loans.

(m) Notwithstanding anything in Section 10.01 or the definition of “Required Lenders” or “Required Class Lenders” to the contrary, for purposes of determining whether the Required Lenders and Required Class Lenders (in respect of a Class of Term Loans) have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, or subject to Section 10.07(n), any plan of reorganization pursuant to the U.S. Bankruptcy Code, (ii) otherwise acted on any matter related to any Loan Document, or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, no Affiliated Lender shall have any right to consent (or not consent), otherwise act or direct or require the Administrative Agent or any Lender to take (or refrain from taking) any such action, and all Term Loans held by any Affiliated Lenders shall be disregarded for all purposes of calculating whether the Required Lenders, Required Class Lenders (in respect of a Class of Term Loans) or all Lenders have taken any actions (and shall be deemed to have voted pro rata with other lenders that are not Affiliated Lenders), except that no amendment, modification or waiver of any Loan Document shall, without the consent of the applicable Affiliated Lender, deprive any Affiliated Lender of its Pro Rata Share of any payment to which all Lenders of the applicable Class of Term Loans are entitled or affect an Affiliated Lender in a manner that is disproportionate to the effect on any Lender of the same Class of Term Loans.

(n) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, each Affiliated Lender hereby agrees that (and each Affiliated Lender Assignment and Assumption shall provide a confirmation that) if a proceeding under any Debtor Relief Law shall be commenced by or against the Borrower or any other Loan Party at a time when such Lender is an Affiliated Lender, such Affiliated Lender irrevocably authorizes and empowers the Administrative Agent to vote on behalf of such Affiliated Lender with respect to the Term Loans held by such Affiliated Lender in a manner such that all Affiliated Lenders will be deemed to vote in the same proportion as Lenders that are not Affiliated Lenders, unless the Administrative Agent instructs such Affiliated Lender to vote, in which case such Affiliated Lender shall vote with respect to the Term Loans held by it in order to provide that all Affiliated Lenders will be deemed to vote in the same proportion as Lenders that are not Affiliated Lenders; *provided* that such Affiliated Lender shall be entitled to vote in accordance with its sole discretion (and not in accordance with the direction of the Administrative Agent) in connection with any plan of reorganization to the extent any such plan of reorganization proposes to treat any Obligations held by such Affiliated Lender in a manner that has a disproportionate effect on such Affiliated Lender as compared to the proposed treatment of similar Obligations held by Term Lenders that are not Affiliated Lenders.

(o) Although Debt Fund Affiliates shall be Eligible Assignees and shall not be subject to the provisions of Section 10.07(m) or (n), any Lender may, at any time, assign all or a portion of its rights and obligations with respect to Term Loans under this Agreement to a Person who is or will become, after such assignment, a Debt Fund Affiliate only through (x) Dutch auctions or other offers to purchase open to all Lenders on a pro rata basis consistent with the procedures set forth in Section 2.05(a)(v) (for the avoidance of doubt, without requiring any representation as to

the possession of material non-public information by such Affiliate and without regard to whether a Default or an Event of Default has occurred and is continuing) or (y) open market purchase on a non-pro rata basis. Notwithstanding anything in Section 10.01 or the definition of "Required Lenders" to the contrary, for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, (ii) otherwise acted on any matter related to any Loan Document or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, all Term Loans, Revolving Credit Commitments and Revolving Credit Loans held by Debt Fund Affiliates, in the aggregate, may not account for more than 49.9% of the Term Loans, Revolving Credit Commitments and Revolving Credit Loans of Lenders included in determining whether the Required Lenders have consented to any action pursuant to Section 10.01.

(p) The aggregate outstanding principal amount of the Term Loans of the applicable Class shall be deemed reduced by the full par value of the aggregate principal amount of the Term Loans purchased by, or contributed to (in each case, and subsequently cancelled hereunder), the Borrower pursuant to Section 10.07(k) or (l) and the principal repayment installments with respect to the Term Loans of such Class pursuant to Section 2.07(a)(i) shall be reduced pro rata by the par value of the aggregate principal amount of Term Loans so purchased or contributed (and subsequently cancelled), with such reduction being applied solely to the Term Loans of the Lenders which sold such Term Loans.

Section 10.08 Confidentiality.

Each of the Agents and the Lenders agrees to maintain the confidentiality of the Information, except that Information may be disclosed (a) to its Affiliates and its and its Affiliates' managers, administrators, directors, officers, employees, trustees, partners, investors, investment advisors and agents, including accountants, legal counsel, service providers and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential); (b) to the extent requested by any Governmental Authority or self-regulatory authority having or asserting jurisdiction over such Person (including any Governmental Authority regulating any Lender or its Affiliates), *provided* that the Administrative Agent or such Lender, as applicable, agrees that it will notify the Borrower prior to any such disclosure by such Person to the extent practicable (other than at the request of a regulatory authority or any self-regulatory authority having or asserting jurisdiction over such Person) unless such notification is prohibited by law, rule or regulation; (c) to the extent required by applicable Laws or regulations or by any subpoena or similar legal process, *provided* that the Administrative Agent or such Lender, as applicable, agrees that it will notify the Borrower as soon as practicable in the event of any such disclosure by such Person (other than at the request of a regulatory authority or any self-regulatory authority having or asserting jurisdiction over such Person) unless such notification is prohibited by law, rule or regulation; (d) to any other party to this Agreement; (e) subject to an agreement containing provisions at least as restrictive as those of this Section 10.08 (or as may otherwise be reasonably acceptable to the Borrower), to any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or any Eligible Assignee invited to be an Additional Lender,

any pledgee referred to in Section 10.07(g), or any actual or prospective direct or indirect counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations; (f) with the written consent of the Borrower; (g) to the extent such Information becomes publicly available other than as a result of a breach of this Section 10.08 or becomes available to the Administrative Agent, any Arranger, any Lender, the L/C Issuer or any of their respective Affiliates on a nonconfidential basis from a source other than a Loan Party or any Sponsor or their respective related parties (so long as such source is not known to the Administrative Agent, such Arranger, such Lender, the L/C Issuer or any of their respective Affiliates to be bound by confidentiality obligations to any Loan Party); (h) to any rating agency when required by it on a customary basis and after consultation with the Borrower (it being understood that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Information relating to Loan Parties and their Subsidiaries received by it from such Lender); (i) in connection with the exercise of any remedies hereunder, under any other Loan Document or the enforcement of its rights hereunder or thereunder; or (j) to the extent such Information is independently developed by such Person or its Affiliates so long as not based on Information obtained in a manner that would otherwise violate this Section 10.08.

For purposes of this Section 10.08, “**Information**” means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary thereof or their respective businesses, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by any Loan Party or any Subsidiary thereof other than as a result of a breach of this Section 10.08; *provided* that all information received after the Closing Date from Holdings, the Borrower or any of its Subsidiaries shall be deemed confidential unless such information is clearly identified at the time of delivery as not being confidential.

Each of the Administrative Agent and the Lenders acknowledges that (a) the Information may include material non-public information concerning the Borrower or any of its Subsidiaries, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with applicable Law, including United States Federal and state securities Laws.

Section 10.09 Setoff.

In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Lender and its Affiliates (and the Administrative Agent, in respect of any unpaid fees, costs and expenses payable hereunder) is authorized at any time and from time to time, without prior notice to the Borrower, any such notice being waived by the Borrower (on its own behalf and on behalf of each Loan Party and each of its Subsidiaries) to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by, and other Indebtedness at any time owing by, such Lender and its Affiliates or the Administrative Agent to or for the credit or the account of the respective Loan Parties and their Subsidiaries against any and all Obligations (other than, with respect to any Guarantor, Excluded Swap Obligations of such Guarantor) owing to such Lender and its Affiliates or the Administrative Agent hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not such Agent or such Lender or Affiliate shall have made demand

under this Agreement or any other Loan Document and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness; *provided* that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.17 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the L/C Issuers, and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such set off and application made by such Lender; *provided* that the failure to give such notice shall not affect the validity of such setoff and application. The rights of the Administrative Agent and each Lender under this Section 10.09 are in addition to other rights and remedies (including other rights of setoff) that the Administrative Agent and such Lender may have at Law.

Section 10.10 Interest Rate Limitation.

Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "**Maximum Rate**"). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 10.11 Counterparts; Electronic Execution of Assignments and Certain Other Documents.

This Agreement and each other Loan Document may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopier, .pdf or other electronic imaging means of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document. The Agents may also require that any such documents and signatures delivered by telecopier, .pdf or other electronic imaging means be confirmed by a manually signed original thereof; provided that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopier, .pdf or other electronic imaging means.

The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records

in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 10.12 Integration; Termination.

This Agreement, together with the other Loan Documents, comprises the complete and integrated agreement of the parties on the subject matter hereof and thereof and supersedes all prior agreements (other than the Fee Letter) written or oral, on such subject matter. In the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control; *provided* that the inclusion of supplemental rights or remedies in favor of the Agents or the Lenders in any other Loan Document shall not be deemed a conflict with this Agreement. Each Loan Document was drafted with the joint participation of the respective parties thereto and shall be construed neither against nor in favor of any party, but rather in accordance with the fair meaning thereof. Notwithstanding anything contained herein or in any Loan Document or any other agreement among the parties or anything else to the contrary, the Fee Letter and all obligations thereunder shall survive the execution, delivery and performance of the Loan Documents and the occurrence of the Closing Date.

Section 10.13 Survival of Representations and Warranties.

All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied (other than Obligations under Secured Hedge Agreements, Treasury Services Agreements or contingent indemnification obligations, in any such case, not then due and payable) or any Letter of Credit shall remain outstanding (unless the Outstanding Amount of the L/C Obligations related thereto has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the applicable L/C Issuer or such Letter of Credit has been deemed reissued under another agreement reasonably acceptable to the applicable L/C Issuer).

Section 10.14 Severability.

If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any

other jurisdiction. Without limiting the foregoing provisions of this Section 10.14, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent, the L/C Issuer or the Swing Line Lender, as applicable, then such provisions shall be deemed to be in effect only to the extent not so limited.

Section 10.15 GOVERNING LAW.

(a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) ANY LEGAL ACTION OR PROCEEDING ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, SHALL BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY (BOROUGH OF MANHATTAN) OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH LOAN PARTY, EACH AGENT AND EACH LENDER CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THOSE COURTS AND AGREES THAT IT WILL NOT COMMENCE OR SUPPORT ANY SUCH ACTION OR PROCEEDING IN ANOTHER JURISDICTION. NOTWITHSTANDING THE FOREGOING, NOTHING CONTAINED HEREIN OR IN ANY OTHER LOAN DOCUMENT WILL PREVENT ANY LENDER OR THE ADMINISTRATIVE AGENT FROM BRINGING ANY ACTION TO ENFORCE ANY AWARD OR JUDGMENT OR EXERCISE ANY RIGHT UNDER THE SECURITY DOCUMENTS OR AGAINST ANY COLLATERAL OR ANY OTHER PROPERTY OF ANY LOAN PARTY IN ANY OTHER FORUM IN WHICH JURISDICTION CAN BE ESTABLISHED. EACH LOAN PARTY, EACH AGENT AND EACH LENDER IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY LOAN DOCUMENT OR OTHER DOCUMENT RELATED THERETO. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENTS IN THE MANNER PROVIDED FOR NOTICES (OTHER THAN TELECOPIER) IN SECTION 10.02. NOTHING IN THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

Section 10.16 WAIVER OF RIGHT TO TRIAL BY JURY.

EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF

OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.16.

Section 10.17 Binding Effect.

This Agreement shall become effective when (i) it shall have been executed by the Loan Parties and the Administrative Agent and (ii) the Administrative Agent shall have been notified by each Lender, Swing Line Lender and L/C Issuer that each such Lender, Swing Line Lender and L/C Issuer has executed it and thereafter shall be binding upon and inure to the benefit of the Loan Parties, each Agent and each Lender and their respective successors and assigns, in each case in accordance with Section 10.07 (if applicable) and except that no Loan Party shall have the right to assign its rights hereunder or any interest herein without the prior written consent of the Lenders except as permitted by Section 7.04.

Section 10.18 USA Patriot Act.

Each Lender that is subject to the USA Patriot Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name, address and tax identification number of such Loan Party and other information regarding such Loan Party that will allow such Lender or the Administrative Agent, as applicable, to identify such Loan Party in accordance with the USA Patriot Act. This notice is given in accordance with the requirements of the USA Patriot Act and is effective as to the Lenders and the Administrative Agent. The Borrower shall, promptly following a written request by the Administrative Agent (or the Administrative Agent on behalf of any Lender), provide all documentation, including a Beneficial Ownership Certification, and other information that the Administrative Agent reasonably requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the USA Patriot Act and the Beneficial Ownership Regulation.

Section 10.19 No Advisory or Fiduciary Responsibility.

In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each Loan Party acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent and the other Arrangers are arm's-length commercial transactions between the Loan Parties and their respective Affiliates, on the one hand, and the Administrative

Agent, the other Arrangers and the Lenders, on the other hand, (B) each Loan Party has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) each Loan Party is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Administrative Agent, each other Arranger and each Lenders each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for each Loan Party or any of their respective Affiliates, or any other Person and (B) neither the Administrative Agent, any other Arranger nor any Lender has any obligation to the Loan Parties or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, the other Arrangers, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Loan Parties and their respective Affiliates, and neither the Administrative Agent nor any other Arranger nor any Lender has any obligation to disclose any of such interests to the Loan Parties or any of their respective Affiliates. To the fullest extent permitted by law, each Loan Party hereby waives and releases any claims that it may have against the Administrative Agent, the other Arrangers and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 10.20 INTERCREDITOR AGREEMENTS.

(a) PURSUANT TO THE EXPRESS TERMS OF EACH INTERCREDITOR AGREEMENT, IN THE EVENT OF ANY CONFLICT OR INCONSISTENCY BETWEEN THE TERMS OF THE RELEVANT INTERCREDITOR AGREEMENT AND ANY OF THE LOAN DOCUMENTS, THE PROVISIONS OF THE RELEVANT INTERCREDITOR AGREEMENT SHALL GOVERN AND CONTROL.

(b) EACH LENDER AUTHORIZES AND INSTRUCTS THE ADMINISTRATIVE AGENT TO ENTER INTO THE RELEVANT INTERCREDITOR AGREEMENT ON BEHALF OF SUCH LENDER, AND TO TAKE ALL ACTIONS (AND EXECUTE ALL DOCUMENTS) REQUIRED (OR DEEMED ADVISABLE) BY IT IN ACCORDANCE WITH THE TERMS OF SUCH INTERCREDITOR AGREEMENT(S). EACH LENDER AGREES TO BE BOUND BY AND WILL TAKE NO ACTIONS CONTRARY TO THE PROVISIONS OF THE RELEVANT INTERCREDITOR AGREEMENT.

(c) THE PROVISIONS OF THIS SECTION 10.20 ARE NOT INTENDED TO SUMMARIZE ALL RELEVANT PROVISIONS OF THE RELEVANT INTERCREDITOR AGREEMENT. REFERENCE MUST BE MADE TO THE RELEVANT INTERCREDITOR AGREEMENT ITSELF TO UNDERSTAND ALL TERMS AND CONDITIONS THEREOF. EACH LENDER IS RESPONSIBLE FOR MAKING ITS OWN ANALYSIS AND REVIEW OF THE RELEVANT INTERCREDITOR AGREEMENT AND THE TERMS AND PROVISIONS THEREOF, AND NO AGENT (AND NONE OF ITS AFFILIATES) MAKES ANY REPRESENTATION TO ANY LENDER AS TO THE SUFFICIENCY OR ADVISABILITY OF THE PROVISIONS CONTAINED IN THE RELEVANT INTERCREDITOR AGREEMENT.

(d) THE PROVISIONS OF THIS SECTION 10.20 SHALL APPLY WITH EQUAL FORCE, MUTATIS MUTANDIS, TO THE FIRST LIEN INTERCREDITOR AGREEMENT, THE SECOND LIEN INTERCREDITOR AGREEMENT, THE SUBORDINATION AGREEMENT AND ANY OTHER INTERCREDITOR AGREEMENT OR ARRANGEMENT PERMITTED BY THIS AGREEMENT.

Section 10.21 Acknowledgement and Consent to Bail-In of EEA Financial Institutions.

Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

Section 10.22 Acknowledgement Regarding Any Supported QFCs.

To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any Swap Contract or any other agreement or instrument that is a QFC (such support, "**QFC Credit Support**", and each such QFC, a "**Supported QFC**"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "**U.S. Special Resolution Regimes**") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a "**Covered Party**") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support

(and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 10.22, the following terms have the following meanings:

“**BHC Act Affiliate**” of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

“**Covered Entity**” means any of the following: (i) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b); (ii) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (iii) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

“**Default Right**” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

“**QFC**” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

ARTICLE XI. GUARANTEE

Section 11.01 The Guarantee.

Each Guarantor hereby jointly and severally with the other Guarantors guarantees, as a primary obligor and not as a surety, to each Secured Party and their respective successors and assigns, the prompt payment in full when due (whether at stated maturity, by required prepayment, declaration, demand, by acceleration or otherwise) of the principal of and interest

(including any interest, fees, costs or charges that would accrue but for the provisions of (i) the Title 11 of the United States Code after any bankruptcy or insolvency petition under Title 11 of the United States Code and (ii) any other Debtor Relief Laws) on the Loans made by the Lenders to, and the Notes held by each Lender of, the Borrower, and all other Obligations (excluding, with respect to any Guarantor, any Excluded Swap Obligations of such Guarantor) from time to time owing to the Secured Parties by any Loan Party under any Loan Document or any Secured Hedge Agreement or any Treasury Services Agreement, in each case strictly in accordance with the terms thereof (such obligations being herein collectively called the “**Guaranteed Obligations**”). The Guarantors hereby jointly and severally agree that if the Borrower or other Guarantor(s) shall fail to pay in full when due (whether at stated maturity, by acceleration or otherwise) any of the Guaranteed Obligations, the Guarantors will promptly pay the same in cash, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Guaranteed Obligations, the same will be promptly paid in full when due (whether at extended maturity, by acceleration or otherwise) in accordance with the terms of such extension or renewal.

Section 11.02 Obligations Unconditional.

The obligations of the Guarantors under Section 11.01 shall constitute a guaranty of payment and to the fullest extent permitted by applicable Law, are absolute, irrevocable and unconditional, joint and several, irrespective of the value, genuineness, validity, regularity or enforceability of the Guaranteed Obligations of the Borrower under this Agreement, the Notes, if any, or any other agreement or instrument referred to herein or therein, or any substitution, release or exchange of any other guarantee of or security for any of the Guaranteed Obligations, and, irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or Guarantor (except for payment in full). Without limiting the generality of the foregoing, it is agreed that the occurrence of any one or more of the following shall not alter or impair the liability of the Guarantors hereunder which shall remain absolute, irrevocable and unconditional under any and all circumstances as described above:

(i) at any time or from time to time, without notice to the Guarantors, to the extent permitted by Law, the time for any performance of or compliance with any of the Guaranteed Obligations shall be extended, or such performance or compliance shall be waived;

(ii) any of the acts mentioned in any of the provisions of this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein shall be done or omitted;

(iii) the maturity of any of the Guaranteed Obligations shall be accelerated, or any of the Guaranteed Obligations shall be amended in any respect, or any right under the Loan Documents or any other agreement or instrument referred to herein or therein shall be amended or waived in any respect or any other guarantee of any of the Guaranteed Obligations or except as permitted pursuant to Section 11.09, any security therefor shall be released or exchanged in whole or in part or otherwise dealt with;

(iv) any Lien or security interest granted to, or in favor of, an L/C Issuer or any Lender or Agent as security for any of the Guaranteed Obligations shall fail to be perfected; or

(v) the release of any other Guarantor pursuant to Section 11.09.

The Guarantors hereby expressly waive diligence, presentment, demand of payment, protest and, to the extent permitted by Law, all notices whatsoever, and any requirement that any Secured Party exhaust any right, power or remedy or proceed against the Borrower under this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein, or against any other Person under any other guarantee of, or security for, any of the Guaranteed Obligations. The Guarantors waive, to the extent permitted by Law, any and all notice of the creation, renewal, extension, waiver, termination or accrual of any of the Guaranteed Obligations and notice of or proof of reliance by any Secured Party upon this Guarantee or acceptance of this Guarantee, and the Guaranteed Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred in reliance upon this Guarantee, and all dealings between the Borrower and the Secured Parties shall likewise be conclusively presumed to have been had or consummated in reliance upon this Guarantee. This Guarantee shall be construed as a continuing, absolute, irrevocable and unconditional guarantee of payment without regard to any right of offset with respect to the Guaranteed Obligations at any time or from time to time held by Secured Parties, and the obligations and liabilities of the Guarantors hereunder shall not be conditioned or contingent upon the pursuit by the Secured Parties or any other Person at any time of any right or remedy against the Borrower or against any other Person which may be or become liable in respect of all or any part of the Guaranteed Obligations or against any collateral security or guarantee therefor or right of offset with respect thereto. This Guarantee shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon the Guarantors and the successors and assigns thereof, and shall inure to the benefit of the Lenders, and their respective successors and assigns, notwithstanding that from time to time during the term of this Agreement there may be no Guaranteed Obligations outstanding.

Section 11.03 Reinstatement.

The obligations of the Guarantors under this Article XI shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of the Borrower or other Loan Party in respect of the Guaranteed Obligations is rescinded or must be otherwise restored by any holder of any of the Guaranteed Obligations, whether as a result of any proceedings in bankruptcy or reorganization or otherwise.

Section 11.04 Subrogation; Subordination.

Each Guarantor hereby agrees that until the payment and satisfaction in full in cash of all Guaranteed Obligations and the expiration and termination of the Commitments of the Lenders under this Agreement it shall waive any claim and shall not exercise any right or remedy, direct or indirect, arising by reason of any performance by it of its guarantee in Section 11.01, whether by subrogation or otherwise, against the Borrower or any other Guarantor of any of the Guaranteed Obligations or any security for any of the Guaranteed Obligations. Any Indebtedness of any Loan Party to any Non-Loan Party permitted pursuant to Section 7.03(b)(ii) or 7.03(d) shall be subordinated to such Loan Party's Obligations in the manner set forth in the Intercompany Note evidencing such Indebtedness.

Section 11.05 Remedies.

The Guarantors jointly and severally agree that, as between the Guarantors and the Lenders, the obligations of the Borrower under this Agreement and the Notes, if any, may be declared to be forthwith due and payable as provided in Section 8.02 (and shall be deemed to have become automatically due and payable in the circumstances provided in Section 8.02) for purposes of Section 11.01, notwithstanding any stay, injunction or other prohibition preventing such declaration (or such obligations from becoming automatically due and payable) as against the Borrower and that, in the event of such declaration (or such obligations being deemed to have become automatically due and payable), such obligations (whether or not due and payable by the Borrower) shall forthwith become due and payable by the Guarantors for purposes of Section 11.01.

Section 11.06 Instrument for the Payment of Money.

Each Guarantor hereby acknowledges that the guarantee in this Article XI constitutes an instrument for the payment of money, and consents and agrees that any Lender or Agent, at its sole option, in the event of a dispute by such Guarantor in the payment of any moneys due hereunder, shall have the right to bring a motion-action under New York CPLR Section 3213.

Section 11.07 Continuing Guarantee.

The guarantee in this Article XI is a continuing guarantee of payment, and shall apply to all Guaranteed Obligations whenever arising.

Section 11.08 General Limitation on Guarantee Obligations.

In any action or proceeding involving any state corporate limited partnership or limited liability company law, or any applicable state, federal or foreign bankruptcy, insolvency, reorganization or other Law affecting the rights of creditors generally, if the obligations of any Subsidiary Guarantor under Section 11.01 would otherwise be held or determined to be void, voidable, invalid or unenforceable, or subordinated to the claims of any other creditors, on account of the amount of its liability under Section 11.01, then, notwithstanding any other provision to the contrary, the amount of such liability shall, without any further action by such Subsidiary Guarantor, any Loan Party or any other Person, be automatically limited and reduced to the highest amount (after giving effect to the right of contribution established in Section 11.10) that is valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding.

Section 11.09 Release of Guarantors.

If, in compliance with the terms and provisions of the Loan Documents, (i) all or substantially all of the Equity Interests or property of any Subsidiary Guarantor are sold or otherwise transferred to a Person or Persons none of which is a Loan Party or (ii) any Subsidiary Guarantor becomes an Excluded Subsidiary (any such Subsidiary Guarantor, and any Subsidiary Guarantor referred to in clause (i), a “**Transferred Guarantor**”), such Transferred Guarantor shall, upon the consummation of such sale or transfer or other transaction, be automatically released from its obligations under this Agreement (including under Section 10.05 hereof) and its

obligations to pledge and grant any Collateral owned by it pursuant to any Collateral Document and, in the case of a sale of all or substantially all of the Equity Interests of the Transferred Guarantor, the pledge of such Equity Interests to the Administrative Agent pursuant to the Collateral Documents shall be automatically released, and, so long as the Borrower shall have provided the Agents such certifications or documents as any Agent shall reasonably request, the Administrative Agent shall take such actions as are necessary to effect each release described in this Section 11.09 in accordance with the relevant provisions of the Collateral Documents; *provided further*, that notwithstanding the foregoing, if any Subsidiary Guarantor becomes an Excluded Subsidiary pursuant to clause (a) of the definition of Excluded Subsidiary, such Guarantor shall not be released from its obligations under the Guaranty or any other Loan Document unless (x) such Subsidiary Guarantor would no longer be a direct or indirect Subsidiary of the Borrower or (y) after giving pro forma effect to such release and the consummation of the relevant transaction, the Borrower would be permitted to make an Investment in such Person to be so released pursuant to clause (1) of the definition of "Permitted Investments" (and, if this clause (y) shall be applicable, Borrower shall be deemed to have made such an Investment in such Person pursuant to such clause (1)).

Subject to the immediately preceding paragraph of this Section 11.09, the Guarantees made herein shall remain in full force and effect so long as any Lender shall have any Commitment hereunder, any Loan or other Obligation (other than (i) contingent indemnification obligations as to which no claim has been asserted and (ii) obligations under Treasury Services Agreements or obligations under Secured Hedge Agreements as to which arrangements reasonably satisfactory to the applicable Hedge Bank have been made) hereunder which is accrued and payable shall remain unpaid or unsatisfied, or any Letter of Credit shall remain outstanding (unless the Outstanding Amount of the L/C Obligations related thereto has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the applicable L/C Issuer or such Letter of Credit has been deemed reissued under another agreement reasonably acceptable to the applicable L/C Issuer).

Section 11.10 Right of Contribution.

Each Guarantor hereby agrees that to the extent that a Subsidiary Guarantor shall have paid more than its proportionate share of any payment made hereunder, such Subsidiary Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder which has not paid its proportionate share of such payment. Each Subsidiary Guarantor's right of contribution shall be subject to the terms and conditions of Section 11.04. The provisions of this Section 11.10 shall in no respect limit the obligations and liabilities of any Subsidiary Guarantor to the Administrative Agent, the L/C Issuer, the Swing Line Lender and the Lenders, and each Subsidiary Guarantor shall remain liable to the Administrative Agent, the L/C Issuer, the Swing Line Lender and the Lenders for the full amount guaranteed by such Subsidiary Guarantor hereunder.

Section 11.11 Keepwell.

Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally, and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Loan Party to honor all of its obligations under this Guaranty in respect of any

Swap Obligation (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 11.11 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 11.11, or otherwise under this Guaranty, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section 11.11 shall remain in full force and effect until the payment in full and discharge of the Guaranteed Obligations. Each Qualified ECP Guarantor intends that this Section 11.11 constitute, and this Section 11.11 shall be deemed to constitute, a “keepwell, support, or other agreement” for the benefit of each other Guarantor for all purposes of section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

In addition, whenever a financial ratio or test is to be calculated on a *pro forma* basis, the reference to the “Test Period” for purposes of calculating such financial ratio or test shall be deemed to be a reference to, and shall be based on, the most recently ended Test Period for which internal financial statements of the Borrower are available (as determined in good faith by the Borrower). For the avoidance of doubt, the provisions of the foregoing sentence shall not apply for purposes of calculating any financial ratio or test for purposes of the definition of “Applicable ECF Percentage” which shall be based on the financial statements delivered pursuant to Section 6.01(a) or (b), as applicable, for the relevant Test Period.

(b) For purposes of calculating any financial ratio or test or compliance with any covenant determined by reference to Consolidated EBITDA or Total Assets, Specified Transactions (with any incurrence or repayment of any Indebtedness in connection therewith to be subject to clause (d) of this Section 1.09) that have been made (i) during the applicable Test Period or (ii) if applicable as described in clause (a) above, subsequent to such Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made shall be calculated on a *pro forma* basis assuming that all such Specified Transactions (and any increase or decrease in Consolidated EBITDA, Total Assets and the component financial definitions used therein attributable to any Specified Transaction) had occurred on the first day of the applicable Test Period (or, in the case of Total Assets, on the last day of the applicable Test Period). If since the beginning of any applicable Test Period any Person that subsequently became a Restricted Subsidiary or was merged, amalgamated or consolidated with or into the Borrower or any of its Restricted Subsidiaries since the beginning of such Test Period shall have made any Specified Transaction that would have required adjustment pursuant to this Section 1.09, then such financial ratio or test (or Total Assets) shall be calculated to give *pro forma* effect thereto in accordance with this Section 1.09.

(c) Whenever *pro forma* effect is to be given to a Specified Transaction, the *pro forma* calculations shall be made in good faith by a responsible financial or accounting officer of the Borrower and may include, for the avoidance of doubt, the amount of “run-rate” cost savings, operating expense reductions and synergies resulting from or relating to any Specified Transaction (including the Transactions) which is being given *pro forma* effect that have been realized or are expected to be realized and for which the actions necessary to realize such cost savings, operating expense reductions and synergies are taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken (in the good faith determination of the Borrower) (calculated on a *pro forma* basis as though such cost savings, operating expense reductions and synergies had been realized on the first day of such period and as if such cost savings, operating expense reductions and synergies were realized during the entirety of such period and “run-rate” means the full recurring benefit for a period that is associated with any action taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken (including any savings expected to result from the elimination of a public target’s Public Company Costs) net of the amount of actual benefits realized during such period from such actions, and any such adjustments shall be included in the initial *pro forma* calculations of any financial ratios or tests (and in respect of any subsequent *pro forma* calculations in which such Specified Transaction is given *pro forma* effect) and during any applicable subsequent Test Period in which the effects thereof are expected to be realized) relating to such Specified Transaction; *provided* that (A) such amounts are reasonably identifiable and factually supportable in the good faith judgment of the Borrower, (B) such actions are taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken no later than twenty four (24) months after the date of such Specified Transaction, and (C) no amounts shall be added pursuant to this clause (c) to the extent duplicative of any amounts that are otherwise added back in computing Consolidated EBITDA (or any other components thereof), whether through a *pro forma* adjustment or otherwise, with respect to such period.

(d) In the event that the Borrower or any Restricted Subsidiary incurs (including by assumption or guarantees) or repays (including by redemption, repayment, retirement or extinguishment) any Indebtedness (other than Indebtedness incurred or repaid under any revolving credit facility unless such Indebtedness has been permanently repaid and not replaced), (i) during the applicable Test Period or (ii) subject to paragraph (a), subsequent to the end of the applicable Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, then such financial ratio or test shall be calculated giving *pro forma* effect to such incurrence or repayment of Indebtedness, in each case to the extent required, as if the same had occurred on the last day of the applicable Test Period (except in the case of the Consolidated Cash Interest Coverage Ratio (or similar ratio), in which case such incurrence, assumption, guarantee, redemption, repayment, retirement or extinguishment of Indebtedness will be given effect as if the same had occurred on the first day of the applicable Test Period).

(e) In connection with any action being taken solely in connection with a Limited Condition Transaction, for purposes of:

(i) determining compliance with any provision of this Agreement which requires the calculation of any financial ratio or test, including the Consolidated First Lien Net Leverage Ratio, Secured Net Leverage Ratio, Total Net Leverage Ratio and Consolidated Cash Interest Coverage Ratio (and, for the avoidance of doubt, any financial ratio set forth in Section 2.14(d)(iii)); or

(ii) testing availability under baskets set forth in this Agreement (including baskets measured as a percentage of Total Assets);

in each case, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "**LCT Election**"), the date of determination of whether any such action is permitted hereunder shall be deemed to be the date the definitive agreements for such Limited Condition Transaction are entered into (the "**LCT Test Date**"), and if, after giving Pro Forma Effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) as if they had occurred at the beginning of the most recent Test Period ending prior to the LCT Test Date, the Borrower would have been permitted to take such action on the relevant LCT Test Date in compliance with such ratio, test or basket, such ratio, test or basket shall be deemed to have been complied with. For the avoidance of doubt, if the Borrower has made an LCT Election and any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in Consolidated EBITDA or Total Assets of the Borrower or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets, tests or ratios will not be deemed to have been exceeded as a result of such fluctuations. If the Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any calculation of any ratio, test or basket availability with respect to the incurrence of Indebtedness or Liens, the making of Restricted Payments, the making of any Permitted Investment, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Borrower, the prepayment, redemption, purchase, defeasance or other satisfaction of Indebtedness, or the designation of an Unrestricted Subsidiary (a "**Subsequent Transaction**") following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement or irrevocable notice for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, for purposes of determining whether such Subsequent Transaction is permitted under this Agreement, any such ratio, test or basket shall be required to be satisfied on a Pro Forma Basis (i) assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated and (ii) assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have not been consummated.

(f) If any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date of the event for which the calculation of the Consolidated Cash Interest Coverage Ratio is made had been the applicable rate for the entire period (taking into account any interest hedging arrangements applicable to such Indebtedness); *provided*, in the case of repayment of any Indebtedness, to the extent actual interest related thereto was included during all or any portion of the applicable Test Period, the actual interest may be used for the applicable portion of such Test Period. Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a Responsible Officer of the Borrower to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a London interbank offered rate, or other rate, shall be determined to have been based upon the rate actually chosen, or if none, then based upon such optional rate chosen as the Borrower or Restricted Subsidiary may designate.

Section 1.10 Currency Generally.

For purposes of determining compliance with Sections 7.01, 7.03 and 7.06 and the definition of Permitted Investments with respect to any amount of Indebtedness or Investment in a currency other than Dollars, no Default shall be deemed to have occurred solely as a result of changes in rates of currency exchange occurring after the time such Indebtedness or Investment is incurred (so long as such Indebtedness or Investment, at the time incurred, made or acquired, was permitted hereunder).

For purposes of determining the Secured Net Leverage Ratio, the Consolidated First Lien Net Leverage Ratio, the Total Net Leverage Ratio or any other leverage-based ratio or test under this Agreement, the amount of Indebtedness shall reflect the currency translation effects, determined in accordance with GAAP, of Swap Contracts permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Dollar equivalent of such Indebtedness.

ARTICLE II.

Each telephonic notice by the Borrower pursuant to this Section 2.02(a) must be confirmed promptly by delivery to the Administrative Agent of a written Committed Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower. Except as provided in Section 2.14, each Borrowing of, conversion to or continuation of Eurocurrency Rate Loans shall be in a minimum principal amount of \$1,000,000, or a whole multiple of \$100,000 in excess thereof. Except as provided in Section 2.14, each Borrowing of or conversion to Base Rate Loans shall be in a minimum principal amount of \$500,000 or a whole multiple of \$100,000 in excess thereof. Each Committed Loan Notice (whether telephonic or written) shall specify (i) whether the Borrower is requesting a Borrowing, a conversion of Loans from one Type to the other or a continuation of Eurocurrency Rate Loans, (ii) the requested date of the Borrowing, conversion or continuation, as the case may be (which shall be a Business Day), (iii) the principal amount of Loans to be borrowed, converted or continued, (iv) the Type of Loans to be borrowed or to which existing Loans are to be converted, (v) if applicable, the duration of the Interest Period with respect thereto and (vi) wire instructions of the account(s) to which funds are to be disbursed (it being understood, for the avoidance of doubt, that the amount to be disbursed to any particular account may be less than the minimum or multiple limitations set forth above so long as the aggregate amount to be disbursed to all such accounts pursuant to such Borrowing meets such minimums and multiples). If the Borrower fails to specify a Type of Loan in a Committed Loan Notice or fails to give a timely notice requesting a conversion or continuation, then the applicable Loans shall be made as, or converted to, Base Rate Loans. Any such automatic conversion to Base Rate Loans shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurocurrency Rate Loans. If the Borrower requests a Borrowing of, conversion to, or continuation of Eurocurrency Rate Loans in any such Committed Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one (1) month.

(b) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each Lender of the amount of its Pro Rata Share or other applicable share provided for under this Agreement of the applicable Class of Loans, and if no timely notice of a conversion or continuation is provided by the Borrower, the Administrative Agent shall notify each Lender of the details of any automatic conversion to Base Rate Loans or continuation described in Section 2.02(a). In the case of each Borrowing, each Appropriate Lender shall make the amount of its Loan available to the Administrative Agent in Same Day Funds at the Administrative Agent's Office not later than the later of (i) in the case of Eurocurrency Rate Loans, 12:00 noon (New York, New York) on the Business Day specified in the applicable Committed Loan Notice and (ii) in the case of Base Rate Loans, one hour (or in the case of Borrowing of Base Rate Loans after the Closing Date where the Committed Loan Notice has been delivered on the date of the requested Borrowing, two hours) after written notice of such Borrowing is delivered by the Administrative Agent to such Lender; *provided, that*, on the Closing Date (or with respect to any Incremental Facilities, on the relevant Incremental Amendment Date), such funds may be made available at such earlier time as may be agreed among the relevant Lenders, the Borrower and the Administrative Agent for the purpose of consummating the Transactions (or, in the case of any Incremental Facilities, the relevant transactions). The Administrative Agent shall make all funds so received available to the Borrower in like funds as received by the Administrative Agent either by (i) crediting the account(s) of the Borrower on the books of the Administrative Agent with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided by the Borrower to (and reasonably acceptable to) the Administrative Agent.

(c) Except as otherwise provided herein, a Eurocurrency Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurocurrency Rate Loan unless the Borrower pays the amount due, if any, under Section 3.05 in connection therewith. During the occurrence and continuation of an Event of Default, the Administrative Agent or the Required Lenders may require by notice to the Borrower that no Loans may be converted to or continued as Eurocurrency Rate Loans.

(d) The Administrative Agent shall promptly notify the Borrower and the Lenders of the interest rate applicable to any Interest Period for Eurocurrency Rate Loans upon determination of such interest rate. The determination of the Eurocurrency Rate by the Administrative Agent shall be conclusive in the absence of manifest error. At any time that Base Rate Loans are outstanding, the Administrative Agent shall notify the Borrower and the Lenders of any change in the Administrative Agent's prime rate used in determining the Base Rate promptly following the public announcement of such change.

(e) After giving effect to all Borrowings, all conversions of Loans from one Type to the other, and all continuations of Loans as the same Type, there shall not be more than fifteen (15) Interest Periods in effect unless otherwise agreed between the Borrower and the Administrative Agent; *provided* that after the establishment of any new Class of Loans pursuant to an Incremental Amendment, Refinancing Amendment or Extension Amendment, the number of Interest Periods otherwise permitted by this Section 2.02(e) shall increase by three (3) Interest Periods for each applicable Class so established.

(f) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing.

(g) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's Pro Rata Share or other applicable share provided for under this Agreement of such Borrowing, the Administrative Agent may assume that such Lender has made such Pro Rata Share or other applicable share provided for under this Agreement available to the Administrative Agent on the date of such Borrowing in accordance with paragraph (b) above, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available, then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, each of such Lender and the Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (i) in the case of the Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (ii) in the case of such Lender, the Overnight Rate plus any administrative, processing, or similar fees customarily charged by the Administrative Agent in accordance with the foregoing. A certificate of the

Administrative Agent submitted to any Lender with respect to any amounts owing under this Section 2.02(g) shall be conclusive in the absence of manifest error. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

Section 2.03 [Reserved].

Section 2.04 [Reserved].

Section 2.05 Prepayments.

(a) *Optional*. (i) The Borrower may, upon notice to the Administrative Agent by the Borrower, at any time or from time to time voluntarily prepay any Class or Classes of Loans in whole or in part without premium or penalty, except as set forth in Section 2.05(a)(vi); *provided* that (1) such notice must be received by the Administrative Agent not later than 11:30 a.m. (New York City time) (A) two (2) Business Days prior to any date of prepayment of Eurocurrency Rate Loans (unless otherwise agreed by the Administrative Agent) and (B) on the date of prepayment of Base Rate Loans; (2) any prepayment of Eurocurrency Rate Loans shall be in a minimum principal amount of \$1,000,000, or a whole multiple of \$100,000 in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding; and (3) any prepayment of Base Rate Loans shall be in a minimum principal amount of \$500,000 or a whole multiple of \$100,000 in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment and the Class(es) and Type(s) of Loans to be prepaid. The Administrative Agent will promptly notify each Appropriate Lender of its receipt of each such notice, and of the amount of such Lender's Pro Rata Share or other applicable share provided for under this Agreement of such prepayment. If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Eurocurrency Rate Loan shall be, as set forth in Section 2.05(c), accompanied by all accrued interest thereon, together with any additional amounts required pursuant to Section 3.05. In the case of each prepayment of the Loans pursuant to this Section 2.05(a), the Borrower may in its sole discretion select the Borrowing or Borrowings (and the order of maturity of principal payments) to be repaid, and such payment shall be paid to the Appropriate Lenders in accordance with their respective Pro Rata Shares or other applicable share provided for under this Agreement.

(ii) [Reserved].

(iii) Notwithstanding anything to the contrary contained in this Agreement, the Borrower may rescind any notice of prepayment under Section 2.05(a)(i) if such prepayment would have resulted from a refinancing of all or a portion of the applicable Facility, which refinancing shall not be consummated or shall otherwise be delayed.

(iv) [Reserved].

(v) Notwithstanding anything in any Loan Document to the contrary, so long as no Default or Event of Default has occurred and is continuing, any Company Party may prepay the outstanding Loans (which shall, for the avoidance of doubt, be automatically and permanently canceled immediately upon such prepayment) on the following basis:

(A) Any Company Party shall have the right to make a voluntary prepayment of Loans at a discount to par pursuant to a Borrower Offer of Specified Discount Prepayment, Borrower Solicitation of Discount Range Prepayment Offers or Borrower Solicitation of Discounted Prepayment Offers (any such prepayment, the “**Discounted Loan Prepayment**”), in each case made in accordance with this Section 2.05(a)(v).

(B) (1) Any Company Party may from time to time offer to make a Discounted Loan Prepayment by providing the Auction Agent with five (5) Business Days’ notice in the form of a Specified Discount Prepayment Notice; *provided* that (I) any such offer shall be made available, at the sole discretion of the Company Party, to (x) each Lender and/or (y) each Lender with respect to any Class of Loans on an individual Class basis, (II) any such offer shall specify the aggregate principal amount offered to be prepaid (the “**Specified Discount Prepayment Amount**”) with respect to each applicable Class, the Class or Classes of Loans subject to such offer and the specific percentage discount to par (the “**Specified Discount**”) of such Loans to be prepaid (it being understood that different Specified Discounts and/or Specified Discount Prepayment Amounts may be offered with respect to different Classes of Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(a)(v)(B)), (III) the Specified Discount Prepayment Amount shall be in an aggregate amount not less than \$10,000,000 and whole increments of \$1,000,000 in excess thereof and (IV) each such offer shall remain outstanding through the Specified Discount Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Specified Discount Prepayment Notice and a form of the Specified Discount Prepayment Response to be completed and returned by each such Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., on the third Business Day after the date of delivery of such notice to such Lenders (which date may be extended for a period not exceeding three (3) Business Days upon notice by the Company Party to, and with the consent of, the Auction Agent) (the “**Specified Discount Prepayment Response Date**”).

(2) Each Lender receiving such offer shall notify the Auction Agent (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its applicable then outstanding Loans at the Specified Discount and, if so (such accepting Lender, a “**Discount Prepayment Accepting Lender**”), the amount and the Classes of such Lender’s Loans to be prepaid at such

offered discount. Each acceptance of a Discounted Loan Prepayment by a Discount Prepayment Accepting Lender shall be irrevocable. Any Lender whose Specified Discount Prepayment Response is not received by the Auction Agent by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept the applicable Borrower Offer of Specified Discount Prepayment.

(3) If there is at least one (1) Discount Prepayment Accepting Lender, the relevant Company Party will make a prepayment of outstanding Loans pursuant to this paragraph (B) to each Discount Prepayment Accepting Lender on the Discounted Prepayment Effective Date in accordance with the respective outstanding amount and Classes of Loans specified in such Lender's Specified Discount Prepayment Response given pursuant to subsection (2) above; *provided* that, if the aggregate principal amount of Loans accepted for prepayment by all Discount Prepayment Accepting Lenders exceeds the Specified Discount Prepayment Amount, such prepayment shall be made pro rata among the Discount Prepayment Accepting Lenders in accordance with the respective principal amounts accepted to be prepaid by each such Discount Prepayment Accepting Lender and the Auction Agent (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its reasonable discretion) will calculate such proration (the "**Specified Discount Proration**"). The Auction Agent shall promptly, and in any case within three (3) Business Days following the Specified Discount Prepayment Response Date, notify (I) the relevant Company Party of the respective Lenders' responses to such offer, the Discounted Prepayment Effective Date and the aggregate principal amount of the Discounted Loan Prepayment and the Classes to be prepaid, (II) each Lender of the Discounted Prepayment Effective Date, and the aggregate principal amount and the Classes of Loans to be prepaid at the Specified Discount on such date and (III) each Discount Prepayment Accepting Lender of the Specified Discount Proration, if any, and confirmation of the principal amount, Class and Type of Loans of such Lender to be prepaid at the Specified Discount on such date. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Company Party and such Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Company Party shall be due and payable by such Company Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(C) (1) Any Company Party may from time to time solicit Discount Range Prepayment Offers by providing the Auction Agent with five (5) Business Days' notice in the form of a Discount Range Prepayment Notice; *provided* that (I) any such solicitation shall be extended, at the sole discretion of such Company Party, to (x) each Lender and/or (y) each Lender with respect to any Class of Loans on an individual Class basis, (II) any such notice shall specify the

maximum aggregate principal amount of the relevant Loans (the “**Discount Range Prepayment Amount**”), the Class or Classes of Loans subject to such offer and the maximum and minimum percentage discounts to par (the “**Discount Range**”) of the principal amount of such Loans with respect to each relevant Class of Loans willing to be prepaid by such Company Party (it being understood that different Discount Ranges and/or Discount Range Prepayment Amounts may be offered with respect to different Classes of Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(a)(v)(C)), (III) the Discount Range Prepayment Amount shall be in an aggregate amount not less than \$5,000,000 and whole increments of \$1,000,000 in excess thereof and (IV) each such solicitation by a Company Party shall remain outstanding through the Discount Range Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., on the third Business Day after the date of delivery of such notice to such Lenders (which date may be extended for a period not exceeding three (3) Business Days upon notice by the Company Party to, and with the consent of, the Auction Agent) (the “**Discount Range Prepayment Response Date**”). Each Lender’s Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the “**Submitted Discount**”) at which such Lender is willing to allow prepayment of any or all of its then outstanding Loans of the applicable Class or Classes and the maximum aggregate principal amount and Classes of such Lender’s Loans (the “**Submitted Amount**”) such Lender is willing to have prepaid at the Submitted Discount. Any Lender whose Discount Range Prepayment Offer is not received by the Auction Agent by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Loan Prepayment of any of its Loans at any discount to their par value within the Discount Range.

(2) The Auction Agent shall review all Discount Range Prepayment Offers received on or before the applicable Discount Range Prepayment Response Date and shall determine (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the Applicable Discount and Loans to be prepaid at such Applicable Discount in accordance with this subsection (C). The relevant Company Party agrees to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by the Auction Agent within the Discount Range by the Discount Range Prepayment Response Date, in the order from the Submitted Discount that is the largest discount to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par within the Discount Range being referred to as the “**Applicable Discount**”) which yields a Discounted Loan Prepayment in an aggregate principal amount equal to the lower of (I) the Discount

Range Prepayment Amount and (II) the sum of all Submitted Amounts. Each Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Loans equal to its Submitted Amount (subject to any required proration pursuant to the following subsection (3)) at the Applicable Discount (each such Lender, a “**Participating Lender**”).

(3) If there is at least one (1) Participating Lender, the relevant Company Party will prepay the respective outstanding Loans of each Participating Lender on the Discounted Prepayment Effective Date in the aggregate principal amount and of the Classes specified in such Lender’s Discount Range Prepayment Offer at the Applicable Discount; *provided* that if the Submitted Amount by all Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount, prepayment of the principal amount of the relevant Loans for those Participating Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the “**Identified Participating Lenders**”) shall be made pro rata among the Identified Participating Lenders in accordance with the Submitted Amount of each such Identified Participating Lender and the Auction Agent (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “**Discount Range Proration**”). The Auction Agent shall promptly, and in any case within five (5) Business Days following the Discount Range Prepayment Response Date, notify (I) the relevant Company Party of the respective Lenders’ responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount of the Discounted Loan Prepayment and the Classes to be prepaid, (II) each Lender of the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount and Classes of Loans to be prepaid at the Applicable Discount on such date, (III) each Participating Lender of the aggregate principal amount and Classes of such Lender to be prepaid at the Applicable Discount on such date, and (IV) if applicable, each Identified Participating Lender of the Discount Range Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the relevant Company Party and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Company Party shall be due and payable by such Company Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(D) (1) Any Company Party may from time to time solicit Solicited Discounted Prepayment Offers by providing the Auction Agent with five (5) Business Days' notice in the form of a Solicited Discounted Prepayment Notice; *provided* that (I) any such solicitation shall be extended, at the sole discretion of such Company Party, to (x) each Lender and/or (y) each Lender with respect to any Class of Loans on an individual Class basis, (II) any such notice shall specify the maximum aggregate amount of the Loans (the "**Solicited Discounted Prepayment Amount**") and the Class or Classes of Loans the applicable Company Party is willing to prepay at a discount (it being understood that different Solicited Discounted Prepayment Amounts may be offered with respect to different Classes of Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(a)(v)(D)), (III) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than \$5,000,000 and whole increments of \$1,000,000 in excess thereof and (IV) each such solicitation by a Company Party shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., on the third Business Day after the date of delivery of such notice to such Lenders (which date may be extended for a period not exceeding three (3) Business Days upon notice by the Company Party to the Auction Agent) (the "**Solicited Discounted Prepayment Response Date**"). Each Lender's Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date, and (z) specify both a discount to par (the "**Offered Discount**") at which such Lender is willing to allow prepayment of its then outstanding Loan and the maximum aggregate principal amount and Classes of such Loans (the "**Offered Amount**") such Lender is willing to have prepaid at the Offered Discount. Any Lender whose Solicited Discounted Prepayment Offer is not received by the Auction Agent by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Loans at any discount.

(2) The Auction Agent shall promptly provide the relevant Company Party with a copy of all Solicited Discounted Prepayment Offers received on or before the Solicited Discounted Prepayment Response Date. Such Company Party shall review all such Solicited Discounted Prepayment Offers and select the smallest of the Offered Discounts specified by the relevant responding Lenders in the Solicited Discounted Prepayment Offers that is acceptable to the Company Party in its sole discretion (the "**Acceptable Discount**"), if any. If the Company Party elects, in its sole discretion, to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the third Business Day after the date of receipt by such Company Party from the Auction Agent of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this subsection (2) (the "**Acceptance Date**"), the Company Party shall submit an Acceptance and Prepayment Notice to the Auction Agent setting forth the Acceptable Discount. If the Auction Agent shall fail to receive an Acceptance and Prepayment Notice from the Company Party by the Acceptance Date, such Company Party shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(3) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, within three (3) Business Days after receipt of an Acceptance and Prepayment Notice (the “**Discounted Prepayment Determination Date**”), the Auction Agent will determine (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the aggregate principal amount and the Classes of Loans (the “**Acceptable Prepayment Amount**”) to be prepaid by the relevant Company Party at the Acceptable Discount in accordance with this Section 2.05(a)(v)(D). If the Company Party elects to accept any Acceptable Discount, then the Company Party agrees to accept all Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Lender that has submitted a Solicited Discounted Prepayment Offer with an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Loans equal to its Offered Amount (subject to any required pro-rata reduction pursuant to the following sentence) at the Acceptable Discount (each such Lender, a “**Qualifying Lender**”). The Company Party will prepay outstanding Loans pursuant to this subsection (D) to each Qualifying Lender in the aggregate principal amount and of the Classes specified in such Lender’s Solicited Discounted Prepayment Offer at the Acceptable Discount; *provided* that if the aggregate Offered Amount by all Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the principal amount of the Loans for those Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the “**Identified Qualifying Lenders**”) shall be made pro rata among the Identified Qualifying Lenders in accordance with the Offered Amount of each such Identified Qualifying Lender and the Auction Agent (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “**Solicited Discount Proration**”). On or prior to the Discounted Prepayment Determination Date, the Auction Agent shall promptly notify (I) the relevant Company Party of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Loan Prepayment and the Classes to be prepaid, (II) each Lender of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Loans and the Classes to be prepaid at the Applicable Discount on such date, (III) each Qualifying Lender of the aggregate principal amount and the Classes of such Lender to be prepaid at the

Acceptable Discount on such date, and (IV) if applicable, each Identified Qualifying Lender of the Solicited Discount Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to such Company Party and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to such Company Party shall be due and payable by such Company Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(E) In connection with any Discounted Loan Prepayment, the Company Parties and the Lenders acknowledge and agree that the Auction Agent may require as a condition to any Discounted Loan Prepayment, the payment of customary and documented fees and out-of-pocket expenses from a Company Party in connection therewith.

(F) If any Loan is prepaid in accordance with paragraphs (B) through (D) above, a Company Party shall prepay such Loans on the Discounted Prepayment Effective Date without premium or penalty, except as set forth in Section 2.05(a)(vi). The relevant Company Party shall make such prepayment to the Administrative Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, at the Administrative Agent's Office in immediately available funds not later than 1:00 p.m. on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the principal amount due at maturity of the relevant Class of Loans pursuant to Section 2.07. The Loans so prepaid shall be, as set forth in Section 2.05(c), accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Loans pursuant to this Section 2.05(a)(v) shall be paid to the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, and shall be applied to the relevant Loans of such Lenders in accordance with their respective Pro Rata Share or other applicable share hereunder. The aggregate principal amount of the Classes and installments of the relevant Loans outstanding shall be deemed reduced by the full par value of the aggregate principal amount of the Classes of Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Loan Prepayment. In connection with each prepayment pursuant to this Section 2.05(a)(v), the relevant Company Party shall waive any right to bring any action against the Administrative Agent, in its capacity as such, in connection with any such Discounted Loan Prepayment. In connection with each prepayment pursuant to this Section 2.05(a)(v), the relevant Company Party shall (a) make a representation to the Lenders and the Administrative Agent that it does not possess material non-public information with respect to Holdings and its Subsidiaries or the securities of any of them that has not been disclosed to the Lenders generally (other than Lenders who elect not to receive such information) or shall make a statement that such representation cannot be made and (b) waive any right to bring any action against the Administrative Agent, in its capacity as such, in connection with any such Discounted Loan Prepayment.

(G) To the extent not expressly provided for herein, each Discounted Loan Prepayment shall be consummated pursuant to procedures consistent with the provisions in this Section 2.05(a)(v), established by the Auction Agent acting in its reasonable discretion and as reasonably agreed by the applicable Company Party.

(H) Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 2.05(a)(v), each notice or other communication required to be delivered or otherwise provided to the Auction Agent (or its delegate) shall be deemed to have been given upon the Auction Agent's (or its delegate's) actual receipt during normal business hours of such notice or communication; *provided that* any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next Business Day.

(I) Each of the Company Parties and the Lenders acknowledge and agree that the Auction Agent may perform any and all of its duties under this Section 2.05(a)(v) by itself or through any Affiliate of the Auction Agent and expressly consents to any such delegation of duties by the Auction Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions pursuant to this Agreement shall apply to each Affiliate of the Auction Agent and its respective activities in connection with any Discounted Loan Prepayment provided for in this Section 2.05(a)(v) as well as activities of the Auction Agent.

(J) Each Company Party shall have the right, by written notice to the Auction Agent, to revoke or modify its offer to make a Discounted Loan Prepayment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount Prepayment Response Date (and if such offer is revoked pursuant to the preceding clauses, any failure by such Company Party to make any prepayment to a Lender, as applicable, pursuant to this Section 2.05(a)(v) shall not constitute a Default or Event of Default under Section 8.01 or otherwise).

(vi) If any Initial Loans are voluntarily prepaid pursuant to Section 2.05(a)(i) or mandatorily prepaid pursuant to Section 2.05(b)(iii) or (iv), such prepayments shall be made at (x) 102% of the aggregate principal amount of Initial Loans prepaid if such prepayment occurs prior to the first anniversary of the Closing Date and (y) 101% of the aggregate principal amount of Initial Loans prepaid if such prepayment occurs on or after the first anniversary of the Closing Date but prior to the second anniversary of the Closing Date. If, prior to the second anniversary of the Closing Date, any Lender that is a Non-Consenting Lender is replaced pursuant to Section 3.07 in connection with any amendment, amendment and restatement or other modification of this Agreement, the primary purpose of which is to reduce the All-In Yield applicable to the Loans (other than any amendment, amendment and restatement or other modification effecting a reduction of the All-In Yield applicable to the Loans in connection with any Qualified

IPO, Permitted Acquisition or transaction that would result in a Change of Control), such Lender (and not any Person who replaces such Lender pursuant to Section 3.07) shall receive its portion (as determined immediately prior to it being so replaced) of the prepayment premium or fee described in the preceding sentence as if the Loans held by such Lender were voluntarily prepaid. Any amounts due to any Lender pursuant to this clause (vi) shall be due and payable on the date of such voluntary prepayment or effectiveness of such amendment for which such Lender was a Non-Consenting Lender, as applicable.

(b) *Mandatory.* (i) Subject to clause (ix) of this Section 2.05(b), within five (5) Business Days after financial statements have been delivered pursuant to Section 6.01(a) (commencing with the fiscal year ended December 31, 2015) and the related Compliance Certificate has been delivered pursuant to Section 6.02(a), the Borrower shall, subject to clause (b)(vii) of this Section 2.05, cause to be prepaid an aggregate principal amount of Loans in an amount equal to (A) the Applicable ECF Percentage of Excess Cash Flow, if any, for the Excess Cash Flow Period then ended minus (B) the sum of (1) all voluntary prepayments of (x) First Lien Term Loans, First Lien Incremental Equivalent Debt and First Lien Refinancing Equivalent Debt secured on a *pari passu* or senior basis with the Initial Loans, (y) Initial Loans and (z) Loans, Incremental Equivalent Debt and Refinancing Equivalent Debt, in each case in this clause (z), required to be secured by the Collateral on a *pari passu* basis with the Initial Loans, during such Excess Cash Flow Period or after the end of such Excess Cash Flow Period and prior to when such Excess Cash Flow prepayment is due (limited in the case of any voluntary prepayments made pursuant to Section 2.05(a)(v) and Section 2.05(a)(v) of the First Lien Credit Agreement to the discounted amount actually paid in respect of the principal amount of such Loans and First Lien Term Loans (as opposed to the face amount so prepaid)) and (2) all voluntary prepayments of First Lien Revolving Credit Loans or First Lien Incremental Revolving Loans during such Excess Cash Flow Period or after the end of such Excess Cash Flow Period and prior to when such Excess Cash Flow prepayment is due, to the extent the First Lien Revolving Credit Commitments or First Lien Incremental Revolving Commitments, as applicable, are permanently reduced by the amount of such payments and in the case of each of the immediately preceding clauses (1) and (2) to the extent such prepayments are funded with Internally Generated Cash.

(ii) Subject to clause (ix) of this Section 2.05(b), if (1) the Borrower or any Restricted Subsidiary of the Borrower Disposes of any property or assets (other than any Disposition of any property or assets permitted by Section 7.05(a), (b), (c), (d), (e), (g), (h), (i), (k), (l), (m), (n), (o), (p), (q), (s) or (t); *provided*, that, in the case of Section 7.05(t), immediately after giving effect to such Sale Leaseback and the application of the proceeds (if any) therefrom, (A) no Event of Default shall have occurred and be continuing and (B) the Total Net Leverage Ratio on a Pro Forma Basis is not greater than 6.50:1.00) or (2) any Casualty Event occurs, which results in the realization or receipt by the Borrower or Restricted Subsidiary of Net Proceeds, the Borrower shall cause to be prepaid on or prior to the date which is ten (10) Business Days after the date of the realization or receipt by the Borrower or any Restricted Subsidiary of such Net Proceeds, subject to clause (b)(vii) of this Section 2.05, an aggregate principal amount of Loans in an amount equal to 100% of all such Net Proceeds received; *provided* that if at the time that any such prepayment would be required, the Borrower (or any Restricted Subsidiary)

is required to offer to repurchase Permitted Pari Passu Secured Refinancing Debt (or any Permitted Refinancing thereof that is secured on a pari passu basis with the Obligations under Initial Loans and other Loans required to be secured on a *pari passu* basis with the Initial Loans) pursuant to the terms of the documentation governing such Indebtedness with the net proceeds of such Disposition or Casualty Event (such Permitted Pari Passu Secured Refinancing Debt (or Permitted Refinancing thereof) required to be offered to be so repurchased, “**Other Applicable Indebtedness**”), then the Borrower may apply such Net Proceeds on a pro rata basis (determined on the basis of the aggregate outstanding principal amount of the Loans and Other Applicable Indebtedness at such time; *provided* that the portion of such net proceeds allocated to the Other Applicable Indebtedness shall not exceed the amount of such net proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of such net proceeds shall be allocated to the Loans in accordance with the terms hereof) to the prepayment of the Loans and to the repurchase or prepayment of Other Applicable Indebtedness, and the amount of prepayment of the Loans that would have otherwise been required pursuant to this Section 2.05(b)(i) shall be reduced accordingly; *provided, further*, that to the extent the holders of Other Applicable Indebtedness decline to have such indebtedness repurchased or prepaid, the declined amount shall promptly (and in any event within ten (10) Business Days after the date of such rejection) be applied to prepay the Loans in accordance with the terms hereof.

(iii) Subject to clause (ix) of this Section 2.05(b), if the Borrower or any Restricted Subsidiary incurs or issues any Indebtedness after the Closing Date not permitted to be incurred or issued pursuant to Section 7.03, the Borrower shall cause to be prepaid an aggregate principal amount of Loans in an amount equal to 100% of all Net Proceeds received therefrom on or prior to the date which is five (5) Business Days after the receipt by the Borrower or such Restricted Subsidiary of such Net Proceeds.

(iv) If the Borrower incurs or issues any Refinancing Loans (or Refinancing Equivalent Debt) resulting in Net Proceeds (as opposed to such Refinancing Loans or Refinancing Equivalent Debt arising out of an exchange of existing Loans for such Refinancing Loans or Refinancing Equivalent Debt), the Borrower shall cause to be prepaid an aggregate principal amount of Loans in an amount equal to 100% of all Net Proceeds received therefrom on or prior to the date which is five (5) Business Days after the receipt by the Borrower of such Net Proceeds.

(v) [Reserved].

(vi) Each prepayment of Loans pursuant to Section 2.05(b) (A) shall be applied either (x) ratably to each Class of Loans then outstanding or (y) as requested by the Borrower in the notice delivered pursuant to clause (vii) below, to any Class or Classes of Loans with a Maturity Date preceding the Maturity Date of the remaining Classes of Loans then outstanding, (B) [reserved] and (C) shall be paid to the Appropriate Lenders in accordance with their respective Pro Rata Share (or other applicable share provided by this Agreement) of each such Class of Loans, subject to clause (vii) of this Section 2.05(b). Notwithstanding clause (A) above, (1) in the case of prepayments pursuant to Section 2.05(b)(iv), such prepayment shall be applied in accordance with this

clause (vi) solely to those applicable Classes of Loans selected by the Borrower and specified in the applicable Refinancing Amendment or notice (i.e., the applicable Refinanced Debt or Refinanced Loans) and (2) any Incremental Amendment, Refinancing Amendment or Extension Amendment may provide (including on an optional basis as elected by the Borrower) for a less than ratable application of prepayments to any Class of Loans established thereunder.

(vii) The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Loans required to be made by the Borrower pursuant to clauses (i) through (iv) of this Section 2.05(b) at least two (2) Business Days prior to the date of such prepayment (unless otherwise agreed by the Administrative Agent). Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the aggregate amount of such prepayment to be made by the Borrower. The Administrative Agent will promptly notify each Appropriate Lender of the contents of the Borrower's prepayment notice and of such Appropriate Lender's Pro Rata Share of the prepayment. Each Lender may reject all or a portion of its Pro Rata Share of any mandatory prepayment (such declined amounts, the "**Declined Proceeds**") of Loans required to be made pursuant to clauses (i), (ii) and (iii) of this Section 2.05(b) by providing written notice (each, a "**Rejection Notice**") to the Administrative Agent and the Borrower no later than 5:00 p.m. one (1) Business Day after the date of such Lender's receipt of notice from the Administrative Agent regarding such prepayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Loans to be rejected by such Lender. If a Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Loans. Any Declined Proceeds shall be offered to the Lenders not so declining such prepayment on a pro rata basis in accordance with the amounts of the Loans of such Lender (with such non-declining Lenders having the right to decline any prepayment with Declined Proceeds at the time and in the manner specified by the Administrative Agent). To the extent such non-declining Lenders elect to decline their Pro Rata Share of such Declined Proceeds, any Declined Proceeds remaining thereafter shall be retained by the Borrower (such remaining Declined Proceeds, the "**Borrower Retained Prepayment Amounts**").

(viii) Notwithstanding any other provisions of this Section 2.05, (i) to the extent that any of or all the Net Proceeds of any Disposition by a Foreign Subsidiary ("**Foreign Disposition**"), the Net Proceeds of any Casualty Event from a Foreign Subsidiary (a "**Foreign Casualty Event**") or Excess Cash Flow attributable to Foreign Subsidiaries are prohibited or delayed by applicable local law from being repatriated to the United States, the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Loans at the times provided in this Section 2.05(b) but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Borrower hereby agreeing to use commercially reasonable efforts to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Proceeds or Excess

Cash Flow is permitted under the applicable local law, such repatriation will be promptly effected and an amount equal to such repatriated Net Proceeds or Excess Cash Flow will be promptly (and in any event not later than five (5) Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Loans pursuant to this Section 2.05(b) to the extent provided herein and (ii) to the extent that the Borrower has determined in good faith that repatriation of any of or all the Net Proceeds of any Foreign Disposition or any Foreign Casualty Event or Excess Cash Flow attributable to Foreign Subsidiaries would have material adverse tax consequences (as determined in good faith by the Borrower) with respect to such Net Proceeds or Excess Cash Flow, such Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Loans at the times provided in this Section 2.05(b) but may be retained by the applicable Foreign Subsidiary.

(ix) Notwithstanding anything in this Section 2.05 to the contrary, the Borrower shall not be required to make any mandatory prepayment pursuant to this Section 2.05(b) (other than pursuant to Section 2.05 (b)(iv)) (i) if such prepayment is prohibited by the Second Lien Intercreditor Agreement or (ii) prior to the First Lien Termination Date, except to the extent of, and not to exceed, the amount of Net Proceeds or Excess Cash Flow, as the case may be, consisting of amounts declined by (A) the First Lien Lenders pursuant to Section 2.05(b)(vii) of the First Lien Credit Agreement, (B) the holders of any First Lien Incremental Equivalent Debt or First Lien Refinancing Equivalent Debt, in each case, constituting First Lien Obligations, or pursuant to equivalent provisions of the credit documentation governing such First Lien Incremental Equivalent Debt or First Lien Refinancing Equivalent Debt or (C) the holders of any Permitted Refinancing of Indebtedness described under the foregoing clause (A) or (B), in each case, constituting First Lien Obligations pursuant to equivalent provisions of the credit documentation governing such Permitted Refinancing, which shall in each case be required to be applied as a mandatory prepayment hereunder (to the extent otherwise required herein) in an amount equal to the amounts so declined.

(c) *Interest Funding Losses, Etc.* (i) Except to the extent otherwise agreed by each Lender so being prepaid, all prepayments of Loans shall be accompanied by all accrued and unpaid interest thereon through but not including the date of such prepayment (which, in the case of prepayments pursuant to Section 2.05(a)(v)(F) shall be the accrued and unpaid interest on the principal amount so prepaid up to, but not including, the applicable Discounted Prepayment Effective Date), together with, in the case of any such prepayment of a Eurocurrency Rate Loan on a date prior to the last day of an Interest Period therefor, any amounts owing in respect of such Eurocurrency Rate Loan pursuant to Section 3.05.

(ii) So long as no Event of Default shall have occurred and be continuing, if any prepayment of Eurocurrency Rate Loans is required to be made under this Section 2.05 (but excluding prepayments required under Section 2.05(b)(iv)), prior to the last day of the Interest Period therefor, in lieu of making any payment pursuant to this Section 2.05 in respect of any such Eurocurrency Rate Loan prior to the last day of the Interest Period therefor, the Borrower may, in its sole discretion, deposit an amount sufficient to make any such prepayment otherwise required to be made thereunder together with accrued interest to the last day of such Interest Period into a Cash Collateral Account

until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.05. Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with the relevant provisions of this Section 2.05. Such deposit shall be deemed to be a prepayment of such Loans by the Borrower for all purposes under this Agreement.

Section 2.06 Termination of Commitments.

The Initial Commitment of each Lender shall be automatically and permanently reduced to \$0 upon the funding of Initial Loans to be made by it on the Closing Date. The Commitment of each Lender under an Incremental Facility, Refinancing Facility or Extension Series shall be automatically and permanently reduced to \$0 upon the funding of Loans to be made by it on the date set forth in the corresponding Incremental Amendment, Refinancing Amendment or Extension Amendment.

Section 2.07 Repayment of Loans.

The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders on the Maturity Date for any Class of Loans the aggregate principal amount of all Loans of such Class outstanding on such date.

Section 2.08 Interest.

(a) Subject to the provisions of Section 2.08(b), (i) each Eurocurrency Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Eurocurrency Rate for such Interest Period plus the Applicable Rate; and (ii) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate.

(b) During the continuance of a Default under Section 8.01(a), the Borrower shall pay interest on past due amounts owing by it hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws; *provided* that no interest at the Default Rate shall accrue or be payable to a Defaulting Lender so long as such Lender shall be a Defaulting Lender. Accrued and unpaid interest on such amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

Section 2.09 Fees.

(a) *Other Fees*. The Borrower shall pay to the Agents such fees as shall have been separately agreed upon in writing (including without limitation pursuant to the Fee Letter) in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrower and the applicable Agent).

(b) *Closing Fees*. The Borrower agrees to pay on the Closing Date to each Lender party to this Agreement on the Closing Date, as fee compensation for the funding of such Lender's Initial Loan, a closing fee (the "**Closing Fee**") in an amount equal to 0.50% of the stated principal amount of such Lender's Initial Loan made on the Closing Date. Such Closing Fee will be in all respects fully earned, due and payable on the Closing Date and non-refundable and non-creditable thereafter and such Closing Fee shall be netted against Loans made by such Lender on the Closing Date.

Section 2.10 Computation of Interest and Fees.

All computations of interest for Base Rate Loans (including Base Rate Loans determined by reference to the Eurocurrency Rate or the prime rate) shall be made on the basis of a year of three hundred and sixty-five (365) days, or three hundred and sixty-six (366) days, as applicable, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a three hundred and sixty (360) day year and actual days elapsed. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; *provided* that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one (1) day. In computing interest on any Loan, the day such Loan is made or converted to a Loan of a different Type shall be included and the date such Loan is repaid or converted to a Loan of a different type, as the case may be, shall be excluded. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 2.11 Evidence of Indebtedness.

(a) The Loans made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulation Section 5f.103-1(c), as agent for the Borrower, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be prima facie evidence absent manifest error of the amount of the Loans made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) Entries made in good faith by the Administrative Agent in the Register pursuant to Section 2.11(a), and by each Lender in its account or accounts pursuant to Section 2.11(a), shall be *prima facie* evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement and the other Loan Documents, absent manifest error; *provided* that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrower under this Agreement and the other Loan Documents.

Section 2.12 Payments Generally.

(a) All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office in Dollars and in Same Day Funds not later than 2:00 p.m. on the date specified herein. The Administrative Agent will promptly distribute to each Appropriate Lender its Pro Rata Share (or other applicable share provided for under this Agreement) of such payment in like funds as received by wire transfer to such Lender's applicable Lending Office. All payments received by the Administrative Agent after 2:00 p.m. shall in each case be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue.

(b) If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be; *provided* that, if such extension would cause payment of interest on or principal of Eurocurrency Rate Loans to be made in the next succeeding calendar month, such payment shall be made on the immediately preceding Business Day.

(c) Unless the Borrower or any Lender has notified the Administrative Agent, prior to the date any payment is required to be made by it to the Administrative Agent hereunder, that the Borrower or such Lender, as the case may be, will not make such payment, the Administrative Agent may assume that the Borrower or such Lender, as the case may be, has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to the Person entitled thereto. If and to the extent that such payment was not in fact made to the Administrative Agent in Same Day Funds, then:

(i) if the Borrower failed to make such payment, each Lender shall forthwith on demand repay to the Administrative Agent the portion of such assumed payment that was made available to such Lender in Same Day Funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender to the date such amount is repaid to the Administrative Agent in Same Day Funds at the Overnight Rate from time to time in effect; and

(ii) if any Lender failed to make such payment, such Lender shall forthwith on demand pay to the Administrative Agent the amount thereof in Same Day Funds, together with interest thereon for the period from the date such amount was made available by the Administrative Agent to the Borrower to the date such amount is recovered by the Administrative Agent (the "**Compensation Period**") at a rate per annum equal to the Overnight Rate from time to time in effect. When such Lender makes payment to the Administrative Agent (together with all accrued interest thereon), then such payment amount (excluding the amount of any interest which may have accrued and been paid in respect of such late payment) shall constitute such Lender's Loan included in the applicable Borrowing. If such Lender does not pay such amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent may make a demand therefor upon the Borrower, and the Borrower shall pay such amount to the Administrative Agent, together with interest thereon for the Compensation Period at a rate per annum equal to the rate of interest applicable to the applicable Borrowing. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrower may have against any Lender as a result of any default by such Lender hereunder.

A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this Section 2.12(c) shall be conclusive, absent manifest error.

(d) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Borrowing set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(e) The obligations of the Lenders hereunder to make Loans are several and not joint. The failure of any Lender to make any Loan or to fund any such participation on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or purchase its participation.

(f) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(g) Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and the Lenders under or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the order of priority set forth in Section 8.03. If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may (to the fullest extent permitted by mandatory provisions of applicable Law), but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the Outstanding Amount of all Loans outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

Section 2.13 Sharing of Payments.

If, other than as expressly provided elsewhere herein or required by court order, any Lender shall obtain payment in respect of any principal or interest on account of the Loans made by it, any payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (a) notify the Administrative Agent of such fact, and (b) purchase from the other Lenders such participations in the Loans made by them as shall be necessary to cause such purchasing Lender to share the excess payment in respect of any principal or interest on such Loans or such participations, as the case may be, pro rata with each of them; provided that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. For the avoidance of doubt, the provisions of this paragraph shall not be construed to apply to (A) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement as in effect from time to time (including the application of funds arising from the existence of a Defaulting Lender) or (B) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant permitted hereunder. The Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by applicable Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.09) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.13 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased. For purposes of subclause (v)(a) of the definition of Indemnified Taxes, a Lender that acquires a participation pursuant to this Section 2.13 shall be treated as having acquired such participation on the earlier date(s) on which such Lender acquired the applicable interest(s) in the Commitment(s) and/or Loan(s) to which such participation relates.

Section 2.14 Incremental Loans.

(a) *Incremental Commitments*. The Borrower may at any time or from time to time after the Closing Date, by notice to the Administrative Agent (an “**Incremental Loan Request**”), request one or more new commitments which may be of the same Class as any outstanding Loans (a “**Loan Increase**”) or a new Class of term loans (collectively with any Loan Increase, the “**Incremental Commitments**”), whereupon the Administrative Agent shall promptly deliver a copy to each of the Lenders.

(b) *Incremental Loans*. On the applicable date (each, an “**Incremental Facility Closing Date**”) specified in any Incremental Amendment (including through any Loan Increase), subject to the satisfaction of the terms and conditions in this Section 2.14, (i) each Incremental Lender of such Class shall make a Loan to the Borrower (an “**Incremental Loan**”) in an amount equal to its Incremental Commitment of such Class and (ii) each Incremental Lender of such Class shall become a Lender hereunder with respect to the Incremental Commitment of such Class and the Incremental Loans of such Class made pursuant thereto.

(c) *Incremental Loan Request*. Each Incremental Loan Request from the Borrower pursuant to this Section 2.14 shall set forth the requested amount and proposed terms of the relevant Incremental Loans. Incremental Loans may be made by any existing Lender (but no existing Lender will have an obligation to make any Incremental Commitment, nor will the Borrower have any obligation to approach any existing Lender to provide any Incremental Commitment) or by any Additional Lender (each such existing Lender or Additional Lender providing such Commitment or Loan, an “**Incremental Lender**” and, collectively, the “**Incremental Lenders**”); *provided* that (i) the Administrative Agent shall have consented (not to be unreasonably withheld or delayed) to such Additional Lender’s making such Incremental Loans to the extent such consent, if any, would be required under Section 10.07(b) for an assignment of Loans to such Lender or Additional Lender and (ii) any Affiliated Lender providing an Incremental Commitment shall be subject to the same restrictions set forth in Section 10.07(k) as they would otherwise be subject to with respect to any purchase by or assignment to such Affiliated Lender of Loans.

(d) *Effectiveness of Incremental Amendment*. The effectiveness of any Incremental Amendment, and the Incremental Commitments thereunder, shall be subject to the satisfaction on the applicable date (which shall be no earlier than the date of such Incremental Amendment) specified therein (the “**Incremental Amendment Date**”) of each of the following conditions, together with any other conditions set forth in the Incremental Amendment:

(i) after giving effect to such Incremental Commitments, the conditions of Section 4.02 shall be satisfied (it being understood that all references to “the date of such Borrowing” or similar language in such Section 4.02 shall be deemed to refer to the Incremental Amendment Date); *provided, that* such Incremental Amendment may include a waiver by the Incremental Lenders party thereto of the condition set forth in Section 4.02(iii) and, in connection with any Incremental Commitment, the primary purpose of which is to finance a Permitted Acquisition, a waiver in full or in part of the conditions set forth in clauses (i) and (ii) (other than with respect to any Event of Default under Section 8.01(a) or (f)) of Section 4.02;

(ii) each Incremental Commitment shall be in an aggregate principal amount that is not less than \$10,000,000 and shall be in an increment of \$1,000,000 (*provided* that such amount may be less than \$10,000,000 if such amount represents all remaining availability under the limit set forth in Section 2.14(d)(iii));

(iii) (A) after giving Pro Forma Effect to both (x) the making of Incremental Loans (assuming a borrowing of the maximum amount of Loans available thereunder) under such Incremental Amendment and (y) any Specified Transactions consummated in connection therewith, (1) if such Incremental Loans are secured, the Secured Net Leverage Ratio does not exceed 6.25:1.00 or (2) if such Incremental Loans are unsecured, the Total Net Leverage Ratio does not exceed 6.25:1.00 or (B) together with the Incremental Loans made under such Incremental Amendment, the aggregate principal amount of Incremental Loans made under this clause (B) (*plus* the First Lien Incremental Usage Amount and Incremental Equivalent Debt incurred in reliance on clause (i)(B) of Section 2.14(h)) does not exceed (i) \$85,000,000 plus (ii) the principal amount of any voluntary prepayments of Loans (to the extent not made with the proceeds of Indebtedness (other than the incurrence of First Lien Revolving Credit Loans or extensions of credit under any other revolving credit or similar facility) plus (iii) in the case of any Incremental Commitment that effectively extends the Maturity Date or any other maturity date with respect to any Class of Loans or Commitments hereunder, an amount equal to the portion of the relevant Class of Loans or Commitments that will be replaced by such Incremental Commitments *provided, that*, it is understood that Incremental Loans may be incurred under either clause (A) or clause (B) as selected by the Borrower in its sole discretion, including by designating any portion of Incremental Commitments in excess of an amount permitted to be incurred under clause (A) at the time of such incurrence as incurred under clause (B)); and

(iv) to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of (A) customary legal opinions, board resolutions and officers' certificates consistent with those delivered on the Closing Date (conformed as appropriate) other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Administrative Agent and (B) reaffirmation agreements and/or such amendments to the Collateral Documents as may be reasonably requested by the Administrative Agent in order to ensure that such Incremental Lenders are provided with the benefit of the applicable Loan Documents.

(e) *Required Terms.* The terms, provisions and documentation of the Incremental Loans of any Class shall be as agreed between the Borrower and the applicable Incremental Lenders providing such Incremental Commitments, and except as otherwise set forth herein, to the extent not identical to any Class of Loans, each existing on the Incremental Facility Closing Date, shall be consistent with clauses (i) through (iii) below, as applicable, and otherwise reasonably satisfactory to the Administrative Agent; *provided* that in the case of a Loan Increase, the terms, provisions and documentation of such Loan Increase shall be identical (other than with respect to upfront fees, OID or similar fees) to the applicable Class of Loans being increased, in each case, as existing on the Incremental Facility Closing Date. In any event:

(i) the Incremental Loans:

(A) (I) shall rank *pari passu* or junior in right of payment with the Obligations under Loans that are senior in right of payment and (II) shall be secured by the Collateral and shall rank *pari passu* or junior in right of security with the Obligations under Initial Loans and other Loans required to be secured on a *pari passu* basis with the Initial Loans (and, if applicable, subject to a Subordination Agreement (if subject to payment subordination) and/or a Third Lien Intercreditor Agreement (if subject to lien subordination) (or, alternatively, terms in the Incremental Amendment substantially similar to those in such applicable agreement, as agreed by the Borrower and Administrative Agent) or other lien subordination and intercreditor arrangement satisfactory to the Borrower and the Administrative Agent) or unsecured,

(B) as of the Incremental Amendment Date, shall not have a final scheduled maturity date earlier than the Maturity Date of the Initial Loans or any Extended Term Loans as to which the Initial Loans were the Existing Term Loan Tranche,

(C) as of the Incremental Amendment Date, shall have a Weighted Average Life to Maturity not shorter than the remaining Weighted Average Life to Maturity of the Initial Loans,

(D) shall have an Applicable Rate, and subject to clauses (e)(i)(B) and (e)(i)(C) above, amortization determined by the Borrower and the applicable Incremental Lenders; *provided* the Applicable Rate and amortization for a Loan Increase shall be the Applicable Rate and amortization for the Class being increased,

(E) shall have fees determined by the Borrower and the applicable Incremental Loan arranger(s), and

(F) may participate on a pro rata basis or less than pro rata basis (but not on a greater than pro rata basis (except for prepayments pursuant to Section 2.05(b)(iv) and Section 2.05(b)(vi)(A)(y) or any voluntary prepayments of any Class of Loans with an earlier Maturity Date than any other Classes of Loans)) in any voluntary or mandatory prepayments of Loans hereunder;

(ii) [Reserved]; and

(iii) the All-In Yield applicable to the Incremental Loans of each Class shall be determined by the Borrower and the applicable Incremental Lenders and shall be set forth in each applicable Incremental Amendment; *provided, however*, that with respect to any Loans made under Incremental Commitments (to the extent *pari passu* in right of payment and security with the Initial Loans), the All-In Yield applicable to such Incremental Loans shall not be greater than the applicable All-In Yield payable pursuant to the terms of this Agreement as amended through the date of such calculation with respect to Initial Loans plus 50 basis points per annum unless the interest rate (together with, as provided in the proviso below, the Eurocurrency Rate or Base Rate floor) with respect to the Initial Loans is increased so as to cause the then applicable All-In Yield under this Agreement on the Initial Loans to equal the All-In Yield then applicable to the Incremental Loans minus 50 basis points; *provided, further*, that any increase in All-In Yield to any Initial Loan due to the application or imposition of a Eurocurrency Rate or Base Rate floor on any Incremental Loan shall be effected solely through an increase in (or implementation of, as applicable) any Eurocurrency or Base Rate floor applicable to such Initial Loan.

(f) *Incremental Amendment*. Commitments in respect of Incremental Loans shall become additional Commitments pursuant to an amendment (an “**Incremental Amendment**”) to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Incremental Lender providing such Commitments and the Administrative Agent. The Incremental Amendment may, without the consent of any other Loan Party, Agent or Lender, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.14, including amendments as deemed necessary by the Administrative Agent in its reasonable judgment to effect any lien or payment subordination and associated rights of the applicable Lenders to the extent any Incremental Loans are to rank junior in right of security or payment or to address technical issues relating to funding and payments. The Borrower will use the proceeds of the Incremental Loans for any purpose not prohibited by this Agreement.

(g) [Reserved].

(h) *Incremental Equivalent Debt*. The Borrower may, upon notice to the Administrative Agent, at any time or from time to time after the Closing Date, issue, incur or otherwise obtain Indebtedness of the Borrower (and any Permitted Refinancing thereof) in respect of one or more series of senior or subordinated notes or loans (which may be unsecured or secured on a junior lien basis or, in the case of notes only, a *pari passu* basis with the Initial Loans and other Loans required to be secured on a *pari passu* basis with the Initial Loans), in each case issued in a public offering, Rule 144A or other private placement or bridge in lieu of the foregoing, or senior or subordinated mezzanine Indebtedness (which may be in the form of loans or notes and limited to being unsecured or secured solely on a junior lien basis), in each case, that are issued or made in lieu of Incremental Commitments (the “**Incremental Equivalent Debt**”); *provided* that (i) (A) after giving Pro Forma Effect to both (x) the issuance or incurrence of such Incremental Equivalent Debt (assuming a borrowing of the maximum credit thereunder) and (y) any Specified Transactions consummated in connection therewith, (1) if such Incremental Equivalent Debt is secured, the Secured Net Leverage Ratio does not exceed 6.25:1.00 and (2) if such Incremental Equivalent Debt is unsecured, the Total Net Leverage Ratio does not exceed 6.25:1.00 or (B) together with such Incremental Equivalent Debt, the aggregate principal amount of Incremental Equivalent Debt incurred or issued under this clause (B) and Incremental Loans made under Section 2.14(d)(iii)(B) (plus the First Lien Incremental

Usage Amount) does not exceed \$85,000,000 plus the principal amount of any voluntary prepayments of Loans (to the extent not made with the proceeds of Indebtedness (other than the incurrence of First Lien Revolving Credit Loans or extensions of credit under any other revolving credit or similar facility)) plus in the case of any Incremental Equivalent Debt that effectively extends the Maturity Date or any other maturity date with respect to any Class of Loans or Commitments hereunder, an amount equal to the portion of the relevant Class of Loans or Commitments that will be replaced by such Incremental Commitments (ii) such Incremental Equivalent Debt shall not be subject to any Guarantee by any Person other than a Loan Party, (iii) if such Incremental Equivalent Debt is secured, the obligations in respect thereof shall not be secured by any Lien on any asset of Holdings, the Borrower or any Restricted Subsidiary other than any asset constituting Collateral, (iv) no Default or Event of Default shall have occurred and be continuing or would exist immediately after giving effect to such incurrence, (v) if such Incremental Equivalent Debt is secured, the security agreements and other collateral documents relating to such Incremental Equivalent Debt shall be substantially similar to the Collateral Documents (with such differences as are reasonably satisfactory to the Administrative Agent), (vi) if such Incremental Equivalent Debt is (a) secured on a *pari passu* basis with the Obligations under Initial Loans and other Loans required to be secured on a *pari passu* basis with the Initial Loans then such Incremental Equivalent Debt shall be subject to the Second Lien Intercreditor Agreement, if applicable, or a Junior Lien Intercreditor Agreement, (b) secured on a junior basis with the Obligations under Initial Loans and other Loans required to be secured on a *pari passu* basis with the Initial Loans then such Incremental Equivalent Debt shall be subject to a Third Lien Intercreditor Agreement or other lien subordination and intercreditor arrangement satisfactory to the Borrower and Administrative Agent or (c) unsecured and subordinated to the Obligations, then such Incremental Equivalent Debt shall be subject to a Subordination Agreement (or, alternatively, terms in the definitive documentation for such Incremental Equivalent Debt substantially similar to those in such applicable agreement, as agreed by the Borrower and Administrative Agent), (vii) such Incremental Equivalent Debt shall have a final maturity date which is no earlier than the then Maturity Date and a Weighted Average Life to Maturity which is equal to or greater than the Weighted Average Life to Maturity of the Initial Loans, (viii) such Incremental Equivalent Debt shall not be subject to any mandatory redemption or prepayment provisions or rights (except to the extent any such mandatory redemption or prepayment is required to be applied pro rata to the Loans required to be secured on a first lien basis and except with respect to customary "AHYDO catch-up payments", offers to repurchase and prepayment events upon a change of control, asset sale or event of loss and a customary acceleration right after an event of default) and (ix) except as otherwise set forth in this clause (h), such Incremental Equivalent Debt shall have terms and conditions (other than with respect to pricing, fees, rate floors and optional prepayment or redemption terms) substantially similar to, or (taken as a whole) no more favorable (as reasonably determined by the Borrower) to the lenders or holders providing such Incremental Equivalent Debt, than those applicable to the Initial Loans (except for covenants or other provisions (a) conformed (or added) in the Loan Documents, for the benefit of the Lenders holding Initial Loans, pursuant to an amendment thereto subject solely to the reasonable satisfaction of the Administrative Agent or (b) applicable only to periods after the Latest Maturity Date at the time of the issuance or incurrence of such Incremental Equivalent Debt) or such terms and conditions shall be current market terms for such type of Incremental Equivalent Debt (as reasonably determined in good faith by the Borrower). It is understood that Incremental Equivalent Debt may be incurred under either clause (i)(A) or clause (i)(B) of the immediately preceding sentence as selected by the Borrower in its sole discretion, including by designating any portion of Incremental Equivalent Debt in excess of an amount permitted to be incurred under such clause (i)(A) at the time of such incurrence as incurred under such clause (i)(B).

(i) This Section 2.14 shall supersede any provisions in Section 2.13 or 10.01 to the contrary.

Section 2.15 Refinancing Amendments.

(a) *Refinancing Commitments*. The Borrower may at any time or from time to time after the Closing Date, by notice to the Administrative Agent (a "**Refinancing Loan Request**"), request a new Class of term loans (any such new Class, "**Refinancing Commitments**"), in each case, established in exchange for, or to extend, renew, replace, repurchase, retire or refinance, in whole or in part, existing Loans or Commitments (with respect to a particular Refinancing Commitment or Refinancing Loan, such existing Loans or Commitments, "**Refinanced Debt**"), whereupon the Administrative Agent shall promptly deliver a copy to each of the Lenders.

(b) *Refinancing Loans*. On any Refinancing Facility Closing Date on which any Refinancing Commitments of any Class are effected, subject to the satisfaction of the terms and conditions in this Section 2.15, (i) each Refinancing Lender of such Class shall make a Loan to the Borrower (a "**Refinancing Loan**") in an amount equal to its Refinancing Commitment of such Class and (ii) each Refinancing Lender of such Class shall become a Lender hereunder with respect to the Refinancing Commitment of such Class and the Refinancing Loans of such Class made pursuant thereto.

(c) *Refinancing Loan Request*. Each Refinancing Loan Request from the Borrower pursuant to this Section 2.15 shall set forth the requested amount and proposed terms of the relevant Refinancing Loans. Refinancing Loans may be made, by any existing Lender (but no existing Lender will have an obligation to make any Refinancing Commitment, nor will the Borrower have any obligation to approach any existing Lender to provide any Refinancing Commitment) or by any Additional Lender (each such existing Lender or Additional Lender providing such Commitment or Loan, a "**Refinancing Lender**," and, collectively, "**Refinancing Lenders**"); *provided* that (i) the Administrative Agent, shall have consented (not to be unreasonably withheld or delayed) to such Additional Lender's making such Refinancing Loans to the extent such consent, if any, would be required under Section 10.07(b) for an assignment of Loans to such Lender or Additional Lender and (ii) with respect to Refinancing Commitments, any Affiliated Lender providing a Refinancing Commitment shall be subject to the same restrictions set forth in Section 10.07(k) as they would otherwise be subject to with respect to any purchase by or assignment to such Affiliated Lender of Loans.

(d) *Effectiveness of Refinancing Amendment*. The effectiveness of any Refinancing Amendment, and the Refinancing Commitments thereunder, shall be subject to the satisfaction on the date thereof (a "**Refinancing Facility Closing Date**") of each of the following conditions, together with any other conditions set forth in the Refinancing Amendment:

(i) after giving effect to such Refinancing Commitments, the conditions of Sections 4.02(i) and (ii) shall be satisfied (it being understood that all references to “the date of such Borrowing” or similar language in such Section 4.02 shall be deemed to refer to the effective date of such Refinancing Amendment);

(ii) each Refinancing Commitment shall be in an aggregate principal amount that is not less than \$10,000,000 and shall be in an increment of \$1,000,000 (*provided* that such amount may be less than \$10,000,000 and not in an increment of \$1,000,000 if such amount is equal to the entire outstanding principal amount of Refinanced Debt); and

(iii) to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of (i) customary legal opinions, board resolutions and officers’ certificates consistent with those delivered on the Closing Date (conformed as appropriate) other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel’s form of opinion reasonably satisfactory to the Administrative Agent and (ii) reaffirmation agreements and/or such amendments to the Collateral Documents as may be reasonably requested by the Administrative Agent in order to ensure that such Refinancing Lenders are provided with the benefit of the applicable Loan Documents.

(e) *Required Terms.* The terms, provisions and documentation of the Refinancing Loans of any Class shall be as agreed between the Borrower and the applicable Refinancing Lenders providing such Refinancing Commitments, and except as otherwise set forth herein, to the extent not identical to any Class of Loans each existing on the Refinancing Facility Closing Date, shall be consistent with clauses (i) and (ii) below, as applicable, and otherwise reasonably satisfactory to the Administrative Agent. In any event:

(i) the Refinancing Loans:

(A) as of the Refinancing Facility Closing Date, shall not have a final scheduled maturity date earlier than the Maturity Date of the Refinanced Debt,

(B) as of the Refinancing Facility Closing Date, shall not have a Weighted Average Life to Maturity shorter than the remaining Weighted Average Life to Maturity of the Refinanced Debt,

(C) shall have an Applicable Rate and Eurocurrency Rate or Base Rate floor (if any), and subject to clauses (e)(i)(A) and (e)(i)(B) above, amortization determined by the Borrower and the applicable Refinancing Lenders,

(D) shall have fees determined by the Borrower and the applicable Refinancing Loan arranger(s),

(E) may participate on a pro rata basis or less than pro rata basis (but not on a greater than pro rata basis (except for prepayments pursuant to Section 2.05(b)(iv) and Section 2.05(b)(vi)(A)(y) or any voluntary prepayments of any Class of Loans with an earlier Maturity Date than any other Classes of Loans)) in any voluntary or mandatory prepayments of Loans hereunder, or if junior in right of security, shall be on a junior basis with respect thereto,

(F) shall not have a greater principal amount than the principal amount of the Refinanced Debt plus accrued interest, fees, premiums (if any) and penalties thereon and reasonable fees, expenses, OID and upfront fees associated with the refinancing, and

(G) (I) shall rank *pari passu* or junior in right of payment with the Obligations under Loans that are senior in right of payment and (II) shall be secured by the Collateral and shall rank *pari passu* or junior in right of security with the Obligations under the Initial Loans and other Loans that are required to be secured on a *pari passu* basis with the Initial Loans (and, if applicable, subject to a Subordination Agreement and/or a Third Lien Intercreditor Agreement (or, alternatively, terms in the Refinancing Amendment substantially similar to those in such applicable agreement, as agreed by the Borrower and Administrative Agent) or other lien subordination and intercreditor arrangement satisfactory to the Borrower and the Administrative Agent); and

(ii) [Reserved].

(f) *Refinancing Amendment*. Commitments in respect of Refinancing Loans shall become additional Commitments pursuant to an amendment (a "**Refinancing Amendment**") to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Refinancing Lender providing such Commitments, and the Administrative Agent. The Refinancing Amendment may, without the consent of any other Loan Party, Agent or Lender, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.15, including amendments as deemed necessary by the Administrative Agent in its reasonable judgment to effect any lien or payment subordination and associated rights of the applicable Lenders to the extent any Refinancing Loans are to rank junior in right of security or payment or to address technical issues relating to funding and payments. The Borrower will use the proceeds of the Refinancing Loans to extend, renew, replace, repurchase, retire or refinance, substantially concurrently, the applicable Refinanced Debt.

(g) [Reserved.]

(h) *Refinancing Equivalent Debt*.

(i) In lieu of incurring any Refinancing Loans, the Borrower may, upon notice to the Administrative Agent, at any time or from time to time after the Closing Date issue, incur or otherwise obtain (A) secured Indebtedness (including any Registered Equivalent Notes) in the form of one or more series of senior secured notes secured on a *pari passu* basis with the Initial Loans (such notes, "**Permitted Pari Passu Secured Refinancing Debt**"), (B) secured Indebtedness (including any Registered Equivalent Notes) in the form of one or more series of junior lien secured notes or junior lien secured term loans (such notes or term loans, "**Permitted Junior Secured Refinancing Debt**")

and (C) unsecured or subordinated Indebtedness (including any Registered Equivalent Notes) in the form of one or more series of unsecured or subordinated notes or term loans (such notes or term loans, “**Permitted Unsecured Refinancing Debt**” and together with Permitted Pari Passu Secured Refinancing Debt and Permitted Junior Secured Refinancing Debt, and, in each case, any Permitted Refinancing thereof, “**Refinancing Equivalent Debt**”), in each case, in exchange for, or to extend, renew, replace, repurchase, retire or refinance, in whole or in part, any existing Class of Loans (such Loans, “**Refinanced Loans**”).

(ii) Any Refinancing Equivalent Debt:

(A) (1) shall not have a Maturity Date prior to the date that is on or after the Maturity Date of the Refinanced Loans, (2) if in the form of term loans, shall not have a Weighted Average Life to Maturity shorter than the remaining Weighted Average Life to Maturity of the Refinanced Loans, (3) if in the form of notes, shall not have scheduled amortization or payments of principal and not be subject to mandatory redemption, repurchase, prepayment or sinking fund obligations (other than customary “AHYDO catch-up payments”, offers to repurchase and prepayment events upon a change of control, asset sale or event of loss and a customary acceleration right after an event of default), in each case prior to the Maturity Date of the Refinanced Loans, (4) shall not be guaranteed by Persons other than Guarantors, (5) if in the form of subordinated Permitted Unsecured Refinancing Debt, shall be subject to a Subordination Agreement to which a Senior Representative acting on behalf of the holders of such Permitted Unsecured Refinancing Debt shall have become a party or otherwise subject (or, alternatively, terms in the definitive documentation for such Refinancing Equivalent Debt substantially similar to those in such applicable agreement, as agreed by the Borrower and Administrative Agent); *provided* that if such Permitted Unsecured Refinancing Debt is the initial subordinated Permitted Unsecured Refinancing Debt incurred by the Borrower, then Holdings, the Borrower, the Subsidiary Guarantors, the Administrative Agent and the Senior Representative for such Permitted Unsecured Refinancing Debt shall have executed and delivered a Subordination Agreement, (6) shall not have a greater principal amount than the principal amount of the Refinanced Loans plus accrued interest, fees, premiums (if any) and penalties thereon and reasonable fees, expenses, OID and upfront fees associated with the refinancing and (7) except as otherwise set forth in this clause (h)(ii), shall have terms and conditions (other than with respect to pricing, fees, rate floors and optional prepayment or redemption terms) substantially similar to, or (taken as a whole) no more favorable (as reasonably determined by the Borrower) to the lenders or holders providing such Refinancing Equivalent Debt, than those applicable to the Refinanced Loans (except for covenants or other provisions (a) conformed (or added) in the Loan Documents, for the benefit of the Lenders holding Initial Loans, pursuant to an amendment thereto subject solely to the reasonable satisfaction of the Administrative Agent or (b) applicable only to periods after the Latest Maturity Date at the time of the issuance or incurrence of such Refinancing Equivalent Debt) or such terms and conditions shall be current market terms for such type of Refinancing Equivalent Debt (as reasonably determined in good faith by the Borrower),

(B) (1) if either Permitted Pari Passu Secured Refinancing Debt or Permitted Junior Secured Refinancing Debt, shall be subject to security agreements relating to such Refinancing Equivalent Debt that are substantially the same as or more favorable to the Loan Parties than the Collateral Documents (with such differences as are reasonably satisfactory to the Administrative Agent), (2) if Permitted Pari Passu Secured Refinancing Debt, (x) shall be secured by the Collateral on a *pari passu* basis with the Obligations under Initial Loans and other Loans required to be secured on a *pari passu* basis with the Initial Loans and shall not be secured by any property or assets of Holdings, the Borrower or any Restricted Subsidiary other than the Collateral, and (y) shall be subject to the Second Lien Intercreditor Agreement, if applicable, or a Junior Lien Intercreditor Agreement to which a Senior Representative acting on behalf of the holders of such Permitted Pari Passu Secured Refinancing Debt shall have become a party or otherwise subject and (3) if Permitted Junior Secured Refinancing Debt, (x) shall be secured by the Collateral on a junior priority basis to the Liens securing the Initial Loans and other Loans required to be secured on a *pari passu* basis with the Initial Loans and shall not be secured by any property or assets of Holdings, the Borrower or any Restricted Subsidiary other than the Collateral, and (y) shall be subject to a Third Lien Intercreditor Agreement to which a Senior Representative acting on behalf of the holders of such Permitted Junior Secured Refinancing Debt shall have become a party or otherwise subject or other lien subordination or intercreditor arrangement satisfactory to the Borrower and the Administrative Agent, and

(C) shall be incurred solely to repay, repurchase, retire or refinance substantially concurrently the Refinanced Loans.

(iii) This Section 2.15 shall supersede any provisions in Section 2.13 or 10.01 to the contrary.

Section 2.16 Extension of Loans.

(a) *Extension of Loans.* The Borrower may at any time and from time to time request that all or a portion of the Loans of a given Class (an “**Existing Tranche**”) be amended to extend the scheduled Maturity Date(s) with respect to the Loans of such Existing Tranche (any such Loans which have been so amended, “**Extended Loans**”) and to provide for other terms consistent with this Section 2.16. In order to establish any Extended Loans, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Loan Tranche) (each, an “**Extension Request**”) setting forth the proposed terms of the Extended Loans to be established, which shall (x) be identical as offered to each Lender under such Existing Tranche (including as to the proposed interest rates and fees payable, but excluding any arrangement, structuring or other similar fees payable in connection therewith that are not generally shared with all relevant Lenders) and offered pro rata to each Lender under such Existing Tranche and (y) be identical to the Loans under the Existing

Tranche from which such Extended Loans are intended to be amended, except that: (i) all or any of the scheduled amortization payments of principal of the Extended Loans may be delayed to later dates than the scheduled amortization payments of principal of the Loans of such Existing Tranche, to the extent provided in the applicable Extension Amendment; *provided, however*, that at no time shall there be Classes of Extended Loans and Refinancing Loans hereunder which have more than five (5) different Maturity Dates; (ii) the All-In Yield with respect to the Extended Loans (whether in the form of interest rate margin, upfront fees, original issue discount or otherwise) may be different than the All-In Yield for the Loans of such Existing Tranche, in each case, to the extent provided in the applicable Extension Amendment; (iii) the Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the Extension Amendment (immediately prior to the establishment of such Extended Loans); and (iv) Extended Loans may have call protection as may be agreed by the Borrower and the Lenders thereof; *provided*, that no Extended Loans may be optionally prepaid prior to the Maturity Date of the Initial Loans, unless such optional prepayment is accompanied by a pro rata optional prepayment of the Initial Loans; *provided, however*, that (A) no Event of Default shall have occurred and be continuing at the time an Extension Request is delivered to Lenders, (B) in no event shall the Maturity Date of any Extended Loans of a given Extension Series at the time of establishment thereof be earlier than the Maturity Date of the Existing Tranche, (C) the Weighted Average Life to Maturity of any Extended Loans of a given Loan Extension Series at the time of establishment thereof shall be no shorter than the remaining Weighted Average Life to Maturity of the Existing Tranche, (D) all documentation in respect of such Extension Amendment shall be consistent with the foregoing and (E) any Extended Loans may participate on a pro rata basis or less than or greater than a pro rata basis in any voluntary repayments or prepayments of principal of Loans hereunder and on a pro rata basis or less than a pro rata basis (but not greater than a pro rata basis except in the case of a prepayment under Section 2.05(b)(iv) and Section 2.05(b)(vi)(A)(y)), in any mandatory repayments or prepayments of Loans hereunder, in each case as specified in the respective Extension Request. Any Extended Loans amended pursuant to any Extension Request shall be designated a series (each, an “**Extension Series**”) of Extended Loans for all purposes of this Agreement; *provided* that any Extended Loans amended from an Existing Tranche may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Extension Series with respect to such Existing Tranche (in which case scheduled amortization with respect thereto shall be proportionately increased). Each request for an Extension Series of Extended Loans proposed to be incurred under this Section 2.16 shall be in an aggregate principal amount that is not less than \$10,000,000 (it being understood that the actual principal amount thereof provided by the applicable Lenders may be lower than such minimum amount) and the Borrower may impose an Extension Minimum Condition with respect to any Extension Request, which may be waived by the Borrower in its sole discretion.

(b) [Reserved].

(c) *Extension Request.* The Borrower shall provide the applicable Extension Request at least five (5) Business Days (or such shorter period as may be agreed by the Administrative Agent) prior to the date on which Lenders under the Existing Tranche are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.16. No Lender shall have any obligation to agree to have any of its Loans of any Existing

Tranche amended into Extended Loans pursuant to any Extension Request. Any Lender holding a Loan under an Existing Tranche (each, an “**Extending Lender**”) wishing to have all or a portion of its Loans under the Existing Tranche subject to such Extension Request amended into Extended Loans shall notify the Administrative Agent (each, an “**Extension Election**”) on or prior to the date specified in such Extension Request of the amount of its Loans under the Existing Tranche which it has elected to request be amended into Extended Loans (subject to any minimum denomination requirements imposed by the Administrative Agent). In the event that the aggregate principal amount of Loans under the Existing Tranche in respect of which applicable Lenders shall have accepted the relevant Extension Request exceeds the amount of Extended Loans requested to be extended pursuant to the Extension Request, Loans subject to Extension Elections shall be amended to Extended Loans on a pro rata basis (subject to rounding by the Administrative Agent, which shall be conclusive) based on the aggregate principal amount of Loans included in each such Extension Election.

(d) *Extension Amendment.* Extended Loans shall be established pursuant to an amendment (each, a “**Extension Amendment**”) to this Agreement among the Borrower, the Administrative Agent and each Extending Lender providing an Extended Loan thereunder, which shall be consistent with the provisions set forth in Section 2.16(a) above (but which shall not require the consent of any other Lender). The effectiveness of any Extension Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth in Section 4.02 and, to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of (i) legal opinions, board resolutions and officers’ certificates consistent with those delivered on the Closing Date (conformed as appropriate) other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel’s form of opinion reasonably satisfactory to the Administrative Agent and (ii) reaffirmation agreements and/or such amendments to the Collateral Documents as may be reasonably requested by the Administrative Agent in order to ensure that the Extended Loans are provided with the benefit of the applicable Loan Documents. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Extension Amendment. Each of the parties hereto hereby agrees that this Agreement and the other Loan Documents may be amended pursuant to an Extension Amendment, without the consent of any other Lenders, to the extent (but only to the extent) necessary to (i) reflect the existence and terms of the Extended Loans incurred pursuant thereto, (ii) modify the scheduled repayments set forth in Section 2.07 with respect to any Existing Tranche subject to an Extension Election to reflect a reduction in the principal amount of the Loans required to be paid thereunder in an amount equal to the aggregate principal amount of the Extended Loans amended pursuant to the applicable Extension (with such amount to be applied to reduce scheduled repayment of such Loans on the Maturity Date as required pursuant to Section 2.07), (iii) modify the prepayments set forth in Section 2.05 to reflect the existence of the Extended Loans and the application of prepayments with respect thereto, (iv) address technical issues relating to funding and payments and (v) effect such other amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.16, and the Required Lenders hereby expressly authorize the Administrative Agent to enter into any such Extension Amendment.

(e) No conversion of Loans pursuant to any Extension in accordance with this Section 2.16 shall constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

Section 2.17 Defaulting Lenders.

(a) *Adjustments*. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) Waivers and Amendments. That Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 10.01.

(ii) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise), shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; *second*, as the Borrower may request (so long as no Default or Event of Default has occurred and is continuing), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *third*, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; *fourth*, to the payment of any amounts owing to the Lenders, as a result of any judgment of a court of competent jurisdiction obtained by any Lender, against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; *fifth*, so long as no Default or Event of Default has occurred and is continuing, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and *sixth*, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided* that if (x) such payment is a payment of the principal amount of any Loans in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Loans were made at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.17(a)(ii) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(b) *Defaulting Lender Cure*. If the Borrower and the Administrative Agent agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon that Lender will cease to be a Defaulting Lender; *provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and *provided, further*, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

ARTICLE III.
TAXES, INCREASED COSTS PROTECTION AND ILLEGALITY

Section 3.01 Taxes.

(a) Except as provided in this Section 3.01, any and all payments made by or on account of the Borrower or Guarantor under any Loan Document shall be made free and clear of and without deduction for any Taxes, except as required by any Law. If the Borrower, any Guarantor or other applicable withholding agent shall be required by any Laws to deduct any Taxes from or in respect of any sum payable under any Loan Document to any Agent or any Lender, (i) if the Tax in question is an Indemnified Tax or Other Tax, the sum payable by the Borrower or any Guarantor shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 3.01), each Lender (or, in the case of a payment made to an Agent for its own account, such Agent) receives an amount equal to the sum it would have received had no such deductions been made, (ii) the applicable withholding agent shall make such deductions, (iii) the applicable withholding agent shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable Laws, and (iv) within thirty (30) days after the date of such payment (or, if receipts or evidence are not available within thirty (30) days, as soon as possible thereafter), if the Borrower or any Guarantor is the applicable withholding agent, it shall furnish to such Agent or Lender (as the case may be) the original or a copy of a receipt evidencing payment thereof or other evidence acceptable to such Agent or Lender.

(b) In addition, the Borrower agrees to pay any and all present or future stamp, court or documentary Taxes and any other excise, property, intangible or mortgage recording Taxes, imposed by any Governmental Authority, which arise from any payment made under any Loan Document or from the execution, delivery, performance, enforcement or registration of, or otherwise with respect to, any Loan Document excluding, in each case, any such Tax imposed as a result of a Lender's Assignment and Assumption, grant of a participation, transfer or assignment to or designation of a new applicable Lending Office or other office for receiving payments under any Loan Document (collectively, "**Assignment Taxes**"), except for Assignment Taxes resulting from assignment or participation that is requested or required in writing by the Borrower (all such non-excluded Taxes described in this Section 3.01(b) being hereinafter referred to as "**Other Taxes**").

(c) Borrower and each Guarantor agrees to indemnify each Agent and each Lender for (i) the full amount of Indemnified Taxes and Other Taxes payable by such Agent or such Lender (including Indemnified Taxes and Other Taxes imposed on or attributable to amounts payable under this Section 3.01) and (ii) any expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the Governmental Authority. A certificate as to the amount of such payment or liability prepared in good faith and delivered by such Agent or Lender (or by an Agent on behalf of such Lender), accompanied by a written statement thereof setting forth in reasonable detail the basis and calculation of such amounts shall be conclusive absent manifest error.

(d) Each Lender shall, at such times as are reasonably requested by the Borrower or the Administrative Agent, provide the Borrower and the Administrative Agent with any documentation prescribed by Law or reasonably requested by the Borrower or the Administrative Agent certifying as to any entitlement of such Lender to an exemption from, or reduction in, any applicable withholding Tax with respect to any payments to be made to such Lender under the Loan Documents. Each such Lender shall, whenever a lapse in time or change in circumstances renders such documentation obsolete or inaccurate in any material respect, deliver promptly and on or before the date such documentation expires, becomes obsolete or inaccurate to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrower or the Administrative Agent) or promptly notify the Borrower and the Administrative Agent in writing of its legal ineligibility to do so. Unless the applicable withholding agent has received forms or other documents satisfactory to it indicating that payments under any Loan Document to or for a Lender are not subject to withholding Tax or are subject to such Tax at a rate reduced by an applicable tax treaty, the applicable withholding agent shall withhold amounts required to be withheld by applicable Law from such payments at the applicable statutory rate. Notwithstanding any other provision of this clause (d), a Lender shall not be required to deliver any form pursuant to this clause (d) that such Lender is not legally eligible to deliver. Without limiting the foregoing:

(i) Each Lender that is a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement two properly completed and duly signed original copies of Internal Revenue Service Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding.

(ii) Each Lender that is not a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent) whichever of the following is applicable:

(A) two properly completed and duly signed original copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable (or any successor forms) claiming eligibility for the benefits of an income tax treaty to which the United States is a party,

(B) two properly completed and duly signed original copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(C) in the case of a Lender claiming the benefits of the exemption for portfolio interest under Sections 871(h) or 881(c) of the Code, (A) a certificate substantially in the form of Exhibit H hereto (any such certificate a “**United States Tax Compliance Certificate**”) and (B) two properly completed and duly signed original copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable (or any successor forms),

(D) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership, or is a Participant holding a participation granted by a participating Lender), Internal Revenue Service Form W-8IMY (or any successor forms) of the Lender, accompanied by a Form W-8ECI, W-8BEN, W-8BEN-E United States Tax Compliance Certificate, Form W-9, Form W-8IMY or any other required information from each beneficial owner, as applicable (*provided* that, if the Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate may be provided by such Lender on behalf of such partner(s)), or

(E) two properly completed and duly signed original copies of any other form prescribed by applicable U.S. federal income tax laws (including the Treasury Regulations) as a basis for claiming a complete exemption from, or a reduction in, U.S. federal withholding tax on any payments to such Lender under the Loan Documents.

(iii) Each Agent that is a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower and the Administrative Agent two properly completed and duly signed original copies of Internal Revenue Service Form W-9 with respect to fees received for its own account, certifying that such Agent is exempt from U.S. federal backup withholding. Each Agent that is not a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower and the Administrative Agent two properly completed and duly signed original copies of (A) Internal Revenue Service Form W-8ECI with respect to fees received for its own account and (B) Internal Revenue Service Form W-8IMY (together with all required accompanying documentation) with respect to payments received by it on behalf of the Lenders. Notwithstanding anything to the contrary in this Section 3.01(d)(iii), no Agent shall be required to deliver any documentation that such Agent is not legally eligible to deliver as a result of a Change in Law after the Closing Date.

(e) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by Laws and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable Laws and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has or has not complied with such Lender’s obligations under FATCA and, if necessary, to determine the amount to deduct and withhold from such payment. For purposes of this clause (e), the term “FATCA” shall include any amendments made to FATCA after the date of this Agreement.

(f) Any Lender or Agent claiming any additional amounts payable pursuant to this Section 3.01 shall use its reasonable efforts to mitigate or reduce the additional amounts payable, which reasonable efforts may include a change in the jurisdiction of its Lending Office (or any other measures reasonably requested by the Borrower) if such a change or other measures would reduce any such additional amounts (or any similar amount that may thereafter accrue) and would not, in the sole determination of such Lender, result in any unreimbursed cost or expense or be otherwise disadvantageous to such Lender.

(g) If any Lender or Agent determines, in its sole discretion, that it has received a refund in respect of any Indemnified Taxes or Other Taxes as to which indemnification or additional amounts have been paid to it by a Loan Party pursuant to this Section 3.01, it shall promptly remit such refund to such Loan Party (but only to the extent of indemnification or additional amounts paid by the Loan Party under this Section 3.01(g) with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses (including any Taxes) of the Lender or Agent, as the case may be, and without interest (other than any interest paid by the relevant taxing authority with respect to such refund net of any Taxes payable by any Agent or Lender on such interest); *provided* that the Loan Parties, upon the request of the Lender or Agent, as the case may be, agree promptly to return such refund (plus any penalties, interest or other charges imposed by the relevant taxing authority) to such party in the event such party is required to repay such refund to the relevant taxing authority. This Section 3.01(g) shall not be construed to require any Agent or any Lender to make available its tax returns (or any other information relating to Taxes that it deems confidential) to the Borrower or any other Person.

Section 3.02 Illegality.

If any Lender reasonably determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Eurocurrency Rate Loans, or to determine or charge interest rates based upon the Eurocurrency Rate, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, (i) any obligation of such Lender to make or continue Eurocurrency Rate Loans or to convert Base Rate Loans to Eurocurrency Rate Loans shall be suspended, and (ii) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Eurocurrency Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all applicable Eurocurrency Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate component of the Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to

maintain such Eurocurrency Rate Loans to such day, or promptly, if such Lender may not lawfully continue to maintain such Eurocurrency Rate Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Eurocurrency Rate component of the Base Rate with respect to any Base Rate Loans, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Eurocurrency Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Eurocurrency Rate. Each Lender agrees to designate a different Lending Office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Lender, otherwise be materially disadvantageous to such Lender. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted and all amounts due, if any, in connection with such prepayment and conversion.

Section 3.03 Inability to Determine Rates.

If the Required Lenders reasonably determine that for any reason in connection with any request for a Eurocurrency Rate Loan or a conversion to or continuation thereof that (a) deposits are not being offered to banks in the London interbank eurodollar market for the applicable amount, currency and Interest Period of such Eurocurrency Rate Loan, (b) adequate and reasonable means do not exist for determining the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan or in connection with an existing or proposed Base Rate Loan, or (c) the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurocurrency Rate Loans shall be suspended, and (y) in the event of a determination described in the preceding sentence with respect to the Eurocurrency Rate component of the Base Rate, the utilization of the Eurocurrency Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein.

Section 3.04 Increased Cost and Reduced Return; Capital Adequacy; Eurocurrency Rate Loan Reserves.

(a) If any Lender reasonably determines that as a result of a Change in Law, there shall be any increase in the cost to such Lender of agreeing to make or making, funding or maintaining Eurocurrency Rate Loans or (as the case may be) issuing or participating in Letters of Credit, or a reduction in the amount received or receivable by such Lender in connection with any of the foregoing (including any Taxes (other than (i) Indemnified Taxes or Other Taxes or (ii) Taxes excluded from the definition of Indemnified Taxes (other than Taxes excluded solely under clause (ii) thereof)), including by imposing, modifying or holding applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other

liabilities or capital attributable thereto, and excluding for purposes of this Section 3.04(a) any such increased costs or reduction in amount resulting from reserve requirements contemplated by Section 3.04(b) or the definition of Eurocurrency Rate), then from time to time within fifteen (15) days after demand by such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent given in accordance with Section 3.06), the Borrower shall pay to such Lender such additional amounts as will compensate such Lender for such increased cost or reduction.

(b) If any Lender reasonably determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by it, or participations in or issuance of Letters of Credit by such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy and liquidity and such Lender's desired return on capital), then from time to time upon demand of such Lender (with a copy of such demand to the Administrative Agent), the Borrower will pay to such Lender, as the case may be, within fifteen (15) days after demand by such Lender, such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) The Borrower shall pay to each Lender, (i) as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency funds or deposits, additional interest on the unpaid principal amount of each applicable Eurocurrency Rate Loan of the Borrower equal to the actual costs of such reserves allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive in the absence of manifest error), and (ii) as long as such Lender shall be required to comply with any reserve ratio requirement or analogous requirement of any other central banking or financing regulatory authority imposed in respect of the maintenance of the Commitments or the funding of any Eurocurrency Rate Loans of the Borrower, such additional costs (expressed as a percentage per annum and rounded upwards, if necessary, to the nearest five decimal places) equal to the actual costs allocated to such Commitment or Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent manifest error) which in each case shall be due and payable on each date on which interest is payable on such Loan, *provided* the Borrower shall have received at least fifteen (15) days' prior notice (with a copy to the Administrative Agent) of such additional interest or cost from such Lender. If a Lender fails to give notice fifteen (15) days prior to the relevant Interest Payment Date, such additional interest or cost shall be due and payable fifteen (15) days from receipt of such notice.

Section 3.05 Funding Losses.

Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, which demand shall set forth in reasonable detail the basis for requesting such amount, the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense actually incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Eurocurrency Rate Loan of the Borrower on a day other than the last day of the Interest Period for such Loan; or

(b) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Eurocurrency Rate Loan of the Borrower on the date or in the amount notified by the Borrower; including any loss or expense (excluding loss of anticipated profits or margin) arising from the liquidation or reemployment of funds obtained by it to maintain such Eurocurrency Rate Loan or from fees payable to terminate the deposits from which such funds were obtained.

Section 3.06 Matters Applicable to All Requests for Compensation.

(a) If any Lender requests compensation under Section 3.04, or the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material economic, legal or regulatory respect; *provided* nothing in this Section 3.06(a) shall affect or postpone any Obligations of the Borrower or the rights of the Lenders under this Article III.

(b) If any Lender requests compensation by the Borrower under Section 3.04, the Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue Eurocurrency Rate Loans from one Interest Period to another Interest Period, or to convert Base Rate Loans into Eurocurrency Rate Loans, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.06(d) shall be applicable); *provided* that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(c) Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of Section 3.01, 3.02, 3.03 or 3.04 shall not constitute a waiver of such Lender's right to demand such compensation, *provided* that the Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of Section 3.01, 3.02, 3.03 or 3.04 for any increased costs incurred or reductions suffered more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the event giving rise to such claim and of such Lender's intention to claim compensation therefor (except that, if the circumstance giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof).

(d) If the obligation of any Lender to make or continue any Eurocurrency Rate Loan or to convert Base Rate Loans into Eurocurrency Rate Loans shall be suspended pursuant to Section 3.06(b) hereof, such Lender's applicable Eurocurrency Rate Loans shall be automatically converted into Base Rate Loans on the last day(s) of the then current Interest Period(s) for such Eurocurrency Rate Loans (or, in the case of any immediate conversion required by Section 3.02, on such earlier date as required by Law) and, unless and until such Lender gives notice as provided below that the circumstances specified in Section 3.02, 3.03 or 3.04 hereof that gave rise to such conversion no longer exist:

(i) to the extent that such Lender's Eurocurrency Rate Loans have been so converted, all payments and prepayments of principal that would otherwise be applied to such Lender's applicable Eurocurrency Rate Loans shall be applied instead to its Base Rate Loans; and

(ii) all Loans that would otherwise be made or continued from one Interest Period to another by such Lender as Eurocurrency Rate Loans shall be made or continued instead as Base Rate Loans (if possible), and all Base Rate Loans of such Lender that would otherwise be converted into Eurocurrency Rate Loans shall remain as Base Rate Loans.

(e) If any Lender gives notice to the Borrower (with a copy to the Administrative Agent) that the circumstances specified in Section 3.02, 3.03 or 3.04 hereof that gave rise to the conversion of any of such Lender's Eurocurrency Rate Loans pursuant to this Section 3.06 no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurocurrency Rate Loans made by other Lenders under the applicable Facility are outstanding, if applicable, such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurocurrency Rate Loans, to the extent necessary so that, after giving effect thereto, all Loans held by the Lenders holding Eurocurrency Rate Loans under such Facility and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Commitments for the applicable Facility.

(f) Any Agent or Lender claiming compensation under this Article III shall deliver a certificate to the Borrower setting forth in reasonable detail the additional amount or amounts to be paid to it hereunder, which shall be conclusive on the absence of manifest error. In determining such amounts, such Agent or Lender may use any reasonable averaging and attribution methods. Any Agent or Lender claiming compensation under Section 3.04 shall do so only to the extent such Agent or Lender requires similarly situated borrowers under comparable credit facilities to pay such amounts.

Section 3.07 Replacement of Lenders under Certain Circumstances.

If (i) any Lender ceases to make Eurocurrency Rate Loans as a result of any condition described in Section 3.02 or Section 3.04, (ii) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01 or 3.04, (iii) any Lender is a Non-Consenting Lender, (iv) any Lender becomes a Defaulting Lender, or (v) any other circumstance exists hereunder that gives the Borrower the right to replace a Lender as a party hereto, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and

delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.07), all of its interests, rights and obligations under this Agreement (or, with respect to clause (iii) above, all of its interests, rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, waiver and amendment) and the related Loan Documents to one or more Eligible Assignees (provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender or other such Person) that shall assume such obligations (any of which assignee may be another Lender, if a Lender accepts such assignment), *provided* that:

(a) the Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 10.07(b)(ii)(B);

(b) such Lender shall have received payment of an amount equal to the applicable outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower;

(c) such Lender being replaced pursuant to this Section 3.07 shall (1) execute and deliver an Assignment and Assumption with respect to all, or a portion as applicable, of such Lender's Commitment and outstanding Loans, and (2) deliver any Notes evidencing such Loans to the Borrower or Administrative Agent (or a lost or destroyed note indemnity in lieu thereof); *provided* that the failure of any such Lender to execute an Assignment and Assumption or deliver such Notes shall not render such sale and purchase (and the corresponding assignment) invalid and such assignment may be recorded in the Register and the Notes shall be deemed to be canceled upon such failure;

(d) the Eligible Assignee shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender;

(e) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;

(f) such assignment shall not conflict with applicable Laws; and

(g) the Lender that acts as the Administrative Agent cannot be replaced in its capacity as Administrative Agent other than in accordance with Section 9.06,

In the event that (i) the Borrower or the Administrative Agent has requested that the Lenders consent to a departure or waiver of any provisions of the Loan Documents or agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of each affected Lender or all the Lenders with respect to a certain Class or Classes of the Loans and/or Commitments and (iii) the Required Lenders (or, in the case of a consent, waiver or amendment involving all affected Lenders of a certain Class, the Required Class Lenders) have agreed (but solely to the extent required by Section 10.01) to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a "**Non-Consenting Lender.**"

In connection with any such replacement, (i) if the Lender to be replaced is a Non-Consenting Lender, the Borrower shall pay to each Non-Consenting Lender, concurrently with the effectiveness of the respective assignment, the fee set forth in Section 2.05(a)(vi) to the extent applicable and (ii) if any such Non-Consenting Lender or Defaulting Lender does not execute and deliver to the Administrative Agent a duly executed Assignment and Assumption reflecting such replacement within five (5) Business Days of the date on which the assignee Lender executes and delivers such Assignment and Assumption Agreement to such Non-Consenting Lender or Defaulting Lender, then such Non-Consenting Lender or Defaulting Lender shall be deemed to have executed and delivered such Assignment and Assumption without any action on the part of the Non-Consenting Lender or Defaulting Lender.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

Section 3.08 Survival.

All of the Borrower's obligations under this Article III shall survive termination of the Aggregate Commitments, repayment of all other Obligations hereunder, resignation of the Administrative Agent and any assignment of rights by, or replacement of, any Lender.

ARTICLE IV.

(b) Payment of all fees and expenses due to the Administrative Agent and the Arrangers, to the extent invoiced at least three (3) Business Days prior to the Closing Date (except as otherwise reasonably agreed by the Borrower), required to be paid on the Closing Date.

(h) The Specified Merger Agreement Representations shall be true and correct in all material respects, but only to the extent the failure of the Specified Merger Agreement Representations to be true and correct in all material respects gives the Merger Sub (or its applicable Affiliate) the right to terminate its obligation to consummate (or gives the Merger Sub (or its applicable Affiliate) the right not to consummate) the Acquisition under the Merger Agreement.

The accrual of interest, the accretion of accreted value and the payment of interest in the form of additional Indebtedness shall not be deemed to be an incurrence of Indebtedness for purposes of this Section 7.03. The principal amount of any non-interest bearing Indebtedness or

other discount security constituting Indebtedness at any date shall be the principal amount thereof that would be shown on a balance sheet of the Borrower dated such date prepared in accordance with GAAP. Notwithstanding the foregoing, no Non-Loan Party shall guarantee Indebtedness for borrowed money of any Loan Party.

If any Event of Default occurs and is continuing, the Administrative Agent may and, at the request of the Required Lenders, shall take any or all of the following actions:

- (i) declare the commitment of each Lender to make Loans to be terminated, whereupon such commitments and obligation shall be terminated;
- (ii) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower; and
- (iii) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents or applicable Law;

provided that upon the occurrence of an actual or deemed entry of an order for relief with respect to Borrower under the Bankruptcy Code of the United States or any Debtor Relief Laws, the obligation of each Lender to make Loans shall automatically terminate and the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, in each case without further act of the Administrative Agent or any Lender.

Section 8.03 Application of Funds.

Except as may be otherwise provided in any applicable Incremental Amendment with respect to Obligations under the applicable Incremental Loans or in any applicable Refinancing Amendment with respect to Obligations under the applicable Refinancing Loans (in each case, which shall not be more favorable to the holders of such Loans than the allocation described below), after the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable), subject to the Second Lien Intercreditor Agreement, any amounts received on account of the Obligations shall be applied by the Administrative Agent in the following order (to the fullest extent permitted by mandatory provisions of applicable Law):

Fourth, to payment of that portion of the Obligations constituting unpaid principal of the Loans, and any breakage, termination or other payments under Treasury Services Agreements or Secured Hedge Agreements, ratably among the Secured Parties in proportion to the respective amounts described in this clause *Fourth* held by them;

Fifth, to the payment of all other Obligations of the Loan Parties that are due and payable to the Administrative Agent and the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Obligations owing to the Administrative Agent and the other Secured Parties on such date; and

Last, the balance, if any, after all of the Obligations have been paid in full, to the Borrower or as otherwise required by Law.

Notwithstanding the foregoing, no amount received from any Guarantor shall be applied to any Excluded Swap Obligation of such Guarantor.

Section 8.04 [Reserved].

ARTICLE IX.
ADMINISTRATIVE AGENT AND OTHER AGENTS

Section 9.01 Appointment and Authority.

(a) Each of the Lenders hereby irrevocably appoints UBS to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article IX (other than Sections 9.06 (solely with respect to the removal and consent rights of the Borrower set forth therein) and Section 9.10 (solely with respect to the requirement for execution, filing and other actions with respect to the Collateral Documents and other collateral documentation set forth therein)) are solely for the benefit of the Administrative Agent and the Lenders, and no Loan Party shall have rights as a third party beneficiary of any of such provisions.

(b) The Administrative Agent shall also act as the “collateral agent” under the Loan Documents, and each of the Lenders (including in its capacities as a potential Hedge Bank) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “collateral agent” and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising

any rights and remedies thereunder at the direction of the Administrative Agent, shall be entitled to the benefits of all provisions of this Article IX and Article X (including the second paragraph of Section 10.05), as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Loan Documents as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

Section 9.02 Rights as a Lender.

The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

Section 9.03 Exculpatory Provisions.

(a) The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, the Administrative Agent:

(i) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), *provided* that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law; and

(iii) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity.

(b) The Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 10.01 and 8.02) or (ii) in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Borrower or a Lender.

(c) The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

Section 9.04 Reliance by Administrative Agent.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 9.05 Delegation of Duties.

The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article IX shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

Section 9.06 Resignation of Administrative Agent.

The Administrative Agent may resign as the Administrative Agent upon ten (10) days' notice to the Lenders and the Borrower; *provided* that if no successor agent is appointed in accordance with the terms set forth below within such ten (10)-day period, the Administrative Agent shall not be permitted to resign until the earlier to occur of (x) the date of the appointment of the successor agent or (y) the date that is thirty (30) days after the last day of such ten (10)-day period. If the Administrative Agent is subject to an Agent-Related Distress Event, the Borrower may remove the Administrative Agent upon ten (10) days' notice. Upon the resignation or removal of the Administrative Agent under this Agreement, the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which such appointment shall be subject to the consent of the Borrower (which consent of the Borrower shall not be unreasonably withheld or delayed if such successor is a commercial bank with a combined capital and surplus of at least \$5,000,000,000 that is a "U.S. person" and a "financial institution" within the meaning of Treasury Regulation Section 1.1441-1, and otherwise may be withheld at the Borrower's sole discretion) at all times other than during the existence of an Event of Default under Section 8.01(a) or (f); *provided*, that in no event shall a Disqualified Institution be a successor agent. If no successor agent is appointed by the Required Lenders prior to the effective date of the resignation or removal of the Administrative Agent, the retiring or removed Administrative Agent may appoint, after consulting with the Lenders and subject to the Borrower's consent right set forth above, a successor agent from among the Lenders; *provided* that if the Administrative Agent shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders under any of the Loan Documents, the retiring or removed Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and (b) all payments and communications provided to be made to or through the Administrative Agent shall instead be made to each Lender directly and all determinations provided to be made by the Administrative Agent shall instead be made by the Required Lenders, in each case until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section 9.06. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent. Upon resignation or removal, the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section 9.06). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Administrative Agent's resignation or the removed Administrative Agent's removal hereunder and under the other Loan Documents, hereunder and under the other Loan Documents, the provisions of this Article and Sections 10.04 and 10.05 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Administrative Agent was acting as Administrative Agent.

Section 9.07 Non-Reliance on Administrative Agent and Other Lenders.

Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

Section 9.08 No Other Duties, Etc.

Anything herein to the contrary notwithstanding, none of the Administrative Agent, Bookrunners, Arrangers or Syndication Agents listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent or a Lender.

Section 9.09 Administrative Agent May File Proofs of Claim; Credit Bidding.

In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 2.09, 10.04 and 10.05) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 2.09, 10.04 and 10.05.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender to authorize the Administrative Agent to vote in respect of the claim of any Lender or in any such proceeding.

Section 9.10 Collateral and Guaranty Matters.

Each of the Lenders (including in its capacities as a potential Hedge Bank) irrevocably authorize the Administrative Agent:

(a) to automatically release any Lien on any property granted to or held by the Administrative Agent under any Loan Document (i) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted and (B) obligations and liabilities under Treasury Services Agreements and Secured Hedge Agreements not due and payable), (ii) at the time the property subject to such Lien is Disposed or to be Disposed as part of or in connection with any Disposition permitted (other than a lease and other than to a Person that is a Loan Party) hereunder or under any other Loan Document, (iii) subject to Section 10.01, if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders, (iv) if the property subject to such Lien is owned by a Guarantor, upon release of such Guarantor from its obligations under its Guaranty pursuant to clause (c) below, (v) if such property becomes an Excluded Asset or (vi) to the extent such release is required pursuant to the terms of the Second Lien Intercreditor Agreement;

(b) to release or subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 7.01(u) to the extent required by the holder of, or pursuant to the terms of any agreement governing, the obligations secured by such Liens; and

(c) to release any Subsidiary Guarantor from its obligations under the Guaranty, if in the case of any such Subsidiary, such Person ceases to be a Material Domestic Subsidiary or becomes an Excluded Subsidiary as a result of a transaction or designation permitted hereunder; *provided* that no such release shall occur if such Guarantor continues to be a guarantor or obligor in respect of any Junior Financing, any Refinancing Equivalent Debt or any Incremental Equivalent Debt or any Permitted Refinancing in respect thereof or any First Lien Obligations.

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.10. In each case as specified in this Section 9.10, the Administrative Agent will (and each Lender irrevocably authorizes the Administrative Agent to), at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Collateral Documents or to subordinate its interest in such item, or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.10.

Section 9.11 Secured Cash Management Agreements and Secured Hedge Agreements.

Except as otherwise expressly set forth herein or in any Guaranty or any Collateral Document, no Hedge Bank that obtains the benefits of Section 8.03, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article IX to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Treasury Services Agreements and Secured Hedge Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Hedge Bank.

The Lenders hereby authorize the Administrative Agent to enter into the Second Lien Intercreditor Agreement, any Third Lien Intercreditor Agreement, any Subordination Agreement or other intercreditor agreement or arrangement permitted under this Agreement and the Lenders acknowledge that any such intercreditor agreement is binding upon the Lenders.

Section 9.12 Withholding Tax Indemnity.

To the extent required by any applicable Laws (as determined in good faith by the Administrative Agent), the Administrative Agent may withhold from any payment to any Lender under any Loan Document an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 3.01, each Lender shall indemnify and hold harmless the Administrative Agent against, and shall make payable in respect thereof within ten (10) days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the IRS or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold Tax from amounts paid to or for the account of such Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 9.12. The agreements in this Section 9.12 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other Obligations.

ARTICLE X.
MISCELLANEOUS

Section 10.01 Amendments, Etc.

Except as otherwise set forth in this Agreement, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by any Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders (other than with respect to any amendment or waiver contemplated in Sections 10.01(a) through (h) below, which shall only require the consent of the Lenders expressly set forth therein and not the Required Lenders) (or by the Administrative Agent with the consent of the Required Lenders) and the applicable Loan Party, as the case may be, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; *provided* that, no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender without the written consent of such Lender (it being understood that a waiver of any condition precedent set forth in Section 4.02 or of any Default, mandatory prepayment or mandatory reduction of any Commitments shall not constitute an extension or increase of any Commitment of any Lender);

(b) postpone any date scheduled for, or reduce the amount of, any payment of principal or interest under Section 2.07 or 2.08 (other than pursuant to Section 2.08(b)), without the written consent of each Lender directly and adversely affected thereby, it being understood that the waiver of (or amendment to the terms of) any mandatory prepayment of the Loans shall not constitute a postponement of any date scheduled for the payment of principal or interest;

(c) reduce or forgive the principal of, or the rate of interest specified herein on, any Loan, or (subject to clause (iii) of the second proviso to this Section 10.01) any fees or other amounts payable hereunder or under any other Loan Document (or extend the timing of payments of such fees or other amounts) without the written consent of each Lender directly and adversely affected thereby; *provided* that, for the avoidance of doubt, only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate" or to waive any obligation of the Borrower to pay interest at the Default Rate;

(d) change any provision of this Section 10.01 or the definition of "Required Lenders," "Required Class Lenders," or any other provision specifying the number of Lenders or portion of the Loans or Commitments required to take any action under the Loan Documents, without the written consent of each Lender directly affected thereby (it being understood that each Lender shall be directly and adversely affected by a change to the "Required Lenders" or "Pro Rata Share" definitions);

(e) other than in connection with a transaction permitted under Section 7.04 or Section 7.05, release all or substantially all of the Collateral in any transaction or series of related transactions, without the written consent of each Lender (except as otherwise required pursuant to the Second Lien Intercreditor Agreement);

(f) other than in connection with a transaction permitted under Section 7.04 or Section 7.05, release all or substantially all of the aggregate value of the Guarantees, without the written consent of each Lender (except as otherwise required pursuant to the Second Lien Intercreditor Agreement);

(g) [Reserved]; or

(h) amend, waive or otherwise modify any term or provision (including the availability and conditions to funding under Section 2.14 with respect to Incremental Loans and the rate of interest applicable thereto) which directly affects Lenders of one or more Incremental Loans (including Loans extended under such Commitments) and does not directly affect Lenders under any other Class, in each case, without the written consent of the Required Class Lenders under such applicable Incremental Loans (and in the case of multiple Classes which are affected, such Required Class Lenders shall consent together as one Class); *provided, however*, that the waivers described in this clause (h) shall not require the consent of any Lenders other than (x) the Required Class Lenders under such applicable Incremental Loans and (y) in the case of any waiver that otherwise would be subject to clause (a), (b), (c), (d) or (e) above, each Lender, each directly affected Lender or each directly and adversely affected Lender (as specified in clause (a), (b), (c), (d) or (e) above) under the applicable Class or Classes of Incremental Loans (including Loans extended under such Commitments);

and *provided, further*, that (i) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document; and (ii) Section 10.07(h) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any such Defaulting Lender may not be increased or extended without the consent of such Lender, (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms materially and adversely affects any Defaulting Lender to a greater extent than other affected Lenders shall require the consent of such Defaulting Lender and (z) the consent of any Defaulting Lender shall be required in respect of any amendments referred to in Section 10.01(b).

Notwithstanding the foregoing, no Lender consent is required to effect any amendment or supplement to any Junior Lien Intercreditor Agreement, the Second Lien Intercreditor Agreement, any Third Lien Intercreditor Agreement, any Subordination Agreement or any other intercreditor agreement or arrangement permitted under this Agreement (i) that is for the purpose of adding the holders of Permitted Pari Passu Secured Refinancing Debt, Permitted Junior Secured Refinancing Debt, subordinated Permitted Unsecured Refinancing Debt, Incremental Equivalent Debt (or, in each case, a Senior Representative with respect thereto), First Lien Incremental Equivalent Debt or First Lien Refinancing Equivalent Debt as parties thereto, as expressly contemplated by the terms of such Second Lien Intercreditor Agreement, such Third Lien Intercreditor Agreement, such Subordination Agreement or such other intercreditor

agreement or arrangement permitted under this Agreement, as applicable (it being understood that any such amendment or supplement may make such other changes to the applicable intercreditor agreement as, in the good faith determination of the Administrative Agent, are required to effectuate the foregoing and *provided* that such other changes are not adverse, in any material respect, to the interests of the Lenders) or (ii) that is expressly contemplated by the Second Lien Intercreditor Agreement, any Third Lien Intercreditor Agreement, any Subordination Agreement or any other intercreditor agreement or arrangement permitted under this Agreement; *provided, further*, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent hereunder or under any other Loan Document without the prior written consent of the Administrative Agent.

Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Loans, and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders.

In addition, notwithstanding the foregoing, this Agreement may be amended with the written consent of the Administrative Agent, the Borrower and the Lenders providing the Replacement Loans (as defined below) to permit the refinancing of all outstanding Loans of any Class ("**Replaced Loans**") with replacement term loans ("**Replacement Loans**") hereunder; *provided* that (a) the aggregate principal amount of such Replacement Loans shall not exceed the aggregate principal amount of such Replaced Loans, plus accrued interest, fees, premiums (if any) and penalties thereon and reasonable fees and expenses associated with such Replacement Loans, (b) the All-In Yield with respect to such Replacement Loans (or similar interest rate spread applicable to such Replacement Loans) shall not be higher than the All-In Yield for such Replaced Loans (or similar interest rate spread applicable to such Replaced Loans) immediately prior to such refinancing unless the maturity of the Replacement Loans is at least one (1) year later than the maturity of the Replaced Loans, (c) the Weighted Average Life to Maturity of such Replacement Loans shall not be shorter than the Weighted Average Life to Maturity of such Replaced Loans at the time of such refinancing (except by virtue of amortization or prepayment of the Replaced Loans prior to the time of such incurrence) and (d) all other terms applicable to such Replacement Loans shall be substantially identical to, or less favorable to the Lenders providing such Replacement Loans than, those applicable to such Replaced Loans, except to the extent necessary to provide for covenants and other terms applicable to any period after the Latest Maturity Date of the Loans in effect immediately prior to such refinancing. Each amendment to this Agreement providing for Replacement Loans may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent and the Borrower to effect the provisions of this paragraph, and for the avoidance of doubt, this paragraph shall supersede any other provisions in this Section 10.01 to the contrary.

Notwithstanding anything to the contrary contained in this Section 10.01, guarantees, collateral security documents and related documents executed by Subsidiaries in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i) to comply with local Law or advice of local counsel, (ii) to cure ambiguities or defects or (iii) to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Loan Documents.

If the Administrative Agent and the Borrower shall have jointly identified an obvious error (including, but not limited to, an incorrect cross-reference) or any error or omission of a technical or immaterial nature, in each case, in any provision of this Agreement or any other Loan Document (including, for the avoidance of doubt, any exhibit, schedule or other attachment to any Loan Document), then the Administrative Agent (acting in its sole discretion) and the Borrower or any other relevant Loan Party shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Loan Document. Notification of such amendment shall be made by the Administrative Agent to the Lenders promptly upon such amendment becoming effective.

Section 10.02 Notices and Other Communications; Facsimile Copies.

(a) Notices; Effectiveness; Electronic Communications.

(i) Notices Generally. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (C) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(A) if to the Borrower, the Administrative Agent, to the address, telecopier number, electronic mail address or telephone number specified for such Person on Schedule 10.02 or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the other parties; and

(B) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its Administrative Questionnaire or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the Borrower and the Administrative Agent.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (C) below shall be effective as provided in such subsection (C).

(C) Electronic Communications. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, *provided* that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender or has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, *provided* that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), *provided* that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(b) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "**Agent Parties**") have any liability to the Loan Parties, any Lender, or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Agent Party; *provided, however*, that in no event shall any Agent Party have any liability to the Loan Parties, any Lender, or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(c) Change of Address, Etc. Each of the Borrower and the Administrative Agent, may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the Borrower and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable Law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state securities laws.

(d) Reliance by Administrative Agent and Lenders. The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Administrative Agent, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower in the absence of gross negligence, willful misconduct or bad faith of such Person, as determined by a final non-appealable judgment of a court of competent jurisdiction. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

Section 10.03 No Waiver; Cumulative Remedies.

No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 8.02 for the benefit of all the Lenders; *provided, however*, that the foregoing shall not prohibit (a) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) any Lender from exercising setoff rights in accordance with Section 10.09 (subject to the terms of Section 2.13), or (c) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and *provided, further*, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (b) and (c) of the preceding proviso and subject to Section 2.13, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

Section 10.04 Attorney Costs and Expenses.

The Borrower agrees (a) if the Closing Date occurs, to pay or reimburse the Administrative Agent and the other Agents for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the preparation, negotiation, syndication and execution of this Agreement and the other Loan Documents, and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby, including all Attorney Costs, which shall be limited to Cahill Gordon & Reindel LLP and one local counsel as reasonably necessary in any relevant jurisdiction material to the interests of the Lenders taken as a whole (and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to the affected Indemnitees similarly situated) and (b) after the Closing Date, to pay or reimburse the Administrative Agent for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and including all respective Attorney Costs, which shall be limited to Attorney Costs of one counsel to the Administrative Agent and the Lenders taken as a whole and one local counsel as reasonably necessary in any relevant jurisdiction material to the interests of the Lenders taken as a whole and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to the affected Indemnitees similarly situated). The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. All amounts due under this Section 10.04 shall be paid within thirty (30) days after written demand therefor (together with backup documentation supporting such reimbursement request); *provided* that, with respect to the Closing Date, all amounts due under this Section 10.04 shall be paid on the Closing Date solely to the extent invoiced to the Borrower within three (3) Business Days prior to the Closing Date. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent in its discretion. For the avoidance of doubt, this Section 10.04 shall not apply to Taxes, except any Taxes that represent costs and expenses arising from any non-Tax claim.

Section 10.05 Indemnification by the Borrower.

The Borrower shall indemnify and hold harmless each Agent, Agent-Related Person, Lender, Arranger and Bookrunner and their Affiliates, and their respective officers, directors, employees, partners, agents, advisors and other representatives of the foregoing (collectively the “**Indemnitees**”) from and against any and all liabilities, losses, damages, claims, or out-of-pocket expenses (including Attorney Costs but limited in the case of legal fees and expenses to the reasonable and documented out-of-pocket fees, disbursements and other charges of one counsel to all Indemnitees taken as a whole and, if reasonably necessary, one local counsel for all Indemnitees taken as a whole in each relevant jurisdiction, and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to the affected Indemnitees similarly situated) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against any such Indemnitee in any way relating to or arising out of or in connection with (a) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby, (b) any Commitment or Loan or the use or proposed use of the proceeds therefrom, (c) any actual or alleged Environmental Liability of the Loan Parties or any Subsidiary or (d) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) (a “**Proceeding**”) and regardless of whether any Indemnitee is a party thereto or whether or not such Proceeding is brought by the Borrower or any other Person and, in each case, whether or not caused by or arising, in whole or in part, out of the negligence of the Indemnitee (all of the foregoing, collectively, the “**Indemnified Liabilities**”); *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such liabilities, losses, damages, claims or out-of-pocket expenses resulted from (x) the gross negligence, bad faith or willful misconduct of such Indemnitee or of any of its Related Indemnified Persons, as determined by a final non-appealable judgment of a court of competent jurisdiction, (y) a material breach of any obligations under any Loan Document by such Indemnitee or of any of its Related Indemnified Persons, as determined by a final non-appealable judgment of a court of competent jurisdiction or (z) any dispute solely among Indemnitees other than any claims against an Indemnitee in its capacity or in fulfilling its role as an administrative agent or arranger or any similar role under any Facility and other than any claims arising out of any act or omission of the Borrower or any of its Affiliates (as determined in a final and non-appealable judgment of a court of competent jurisdiction). No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement (except for direct (as opposed to indirect, special, punitive or consequential) damages resulting from the gross negligence, bad faith or willful misconduct, as determined by a court of competent jurisdiction in a final and non-appealable judgment, of any such Indemnitee), nor shall any Indemnitee, Related Indemnified Person, Loan Party or any Subsidiary have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date) (other than, in the case of any Loan Party, in respect of any such damages incurred or paid by an Indemnitee to a third party, or which are included in a third-party claim, and for any out-of-pocket expenses related thereto). In the case of an investigation, litigation or other

proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, any Subsidiary of any Loan Party, its directors, stockholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents are consummated. All amounts due under this Section 10.05 shall be paid within thirty (30) days after written demand therefor (together with backup documentation supporting such reimbursement request); *provided, however*, that such Indemnitee shall promptly refund such amount to the extent that there is a final judicial or arbitral determination that such Indemnitee was not entitled to indemnification rights with respect to such payment pursuant to the express terms of this Section 10.05. The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. For the avoidance of doubt, this Section 10.05 shall not apply to Taxes, except any Taxes that represent liabilities, obligations, losses, damages, penalties, claims, demands, actions, prepayments, suits, costs, expenses and disbursements arising from any non-Tax claims.

To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under this Section 10.05 or Section 10.04 to be paid by it to the Administrative Agent (or any sub-agent thereof), or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender's Pro Rata Share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent) in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent) in connection with such capacity. The obligations of the Lenders under this paragraph are subject to the provisions of Section 2.12(e).

Section 10.06 Payments Set Aside.

To the extent that any payment by or on behalf of the Borrower is made to the Administrative Agent, or any Lender, or the Administrative Agent, or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

Section 10.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (except as permitted by Section 7.04) and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Assignee pursuant to an assignment made in accordance with the provisions of Section 10.07(b) (such an assignee, an “**Eligible Assignee**”) and (A) in the case of any Assignee that, immediately prior to or upon giving effect to such assignment, is an Affiliated Lender, Section 10.07(k), (B) in the case of any Assignee that is Holdings or any of its Subsidiaries, Section 10.07(l), or (C) in the case of any Assignee that, immediately prior to or upon giving effect to such assignment, is a Debt Fund Affiliate, Section 10.07(o), (ii) by way of participation in accordance with the provisions of Section 10.07(e), (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.07(g) or (i) or (iv) to an SPC in accordance with the provisions of Section 10.07(h) (and any other attempted assignment or transfer by any party hereto shall be null and void); *provided, however*, that notwithstanding the foregoing, no Lender may assign or transfer by participation any of its rights or obligations hereunder to (i) any Person that is a Defaulting Lender, (ii) a natural Person or a Disqualified Institution or (iii) to Holdings, the Borrower or any of their respective Subsidiaries (except pursuant to Section 2.05(a)(v) or Section 10.07(l)). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(e) and, to the extent expressly contemplated hereby, the Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement. The Administrative Agent shall promptly give notice to the Borrower of any request by a Lender to assign any of its rights or obligations hereunder to any Person that is on the Disqualified Institutions List or, to the extent it has knowledge, any Person that is an Affiliate of a Person on the Disqualified Institutions List.

(b) (i) Subject to the limitations set forth in paragraph (a) above and the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees (“**Assignees**”) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld, conditioned or delayed, except in connection with a proposed assignment to any Disqualified Institution) of:

(A) the Borrower, *provided* that no consent of the Borrower shall be required for (i) an assignment of all or a portion of the Loans to a Lender, an Affiliate of a Lender or an Approved Fund, (ii) other than with respect to any proposed assignment to any Person that is a Disqualified Institution, if an Event of Default under Section 8.01(a) or, solely with respect to the Borrower, Section 8.01(f) has occurred and is continuing, to any Assignee or (iii) an assignment of all or a portion of the Loans pursuant to Section 10.07(k), Section 10.07(l) or Section 10.07(o); *provided* that, other than with respect to any proposed assignment to any Person that is a Disqualified Institution, the Borrower shall be deemed to have consented to any such assignment of the Loans unless it shall have objected thereto by written notice to the Administrative Agent within fifteen (15) Business Days after having received notice thereof; and

(B) the Administrative Agent; *provided* that no consent of the Administrative Agent shall be required for an assignment of all or a portion of the Loans pursuant to Section 10.07(k), Section 10.07(l) or Section 10.07(o);

Notwithstanding the foregoing or anything to the contrary set forth herein, to the extent any Lender is required to assign any portion of its Commitments, Loans and other rights, duties and obligations hereunder in order to comply with applicable Laws, such assignment may be made by such Lender without the consent of the Borrower, the Administrative Agent, or any other party hereto so long as such Lender complies with the requirements of Section 10.07(b)(ii).

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than an amount of \$1,000,000, and shall be in increments of an amount of \$1,000,000, in excess thereof unless each of the Borrower and the Administrative Agent otherwise consent; *provided* that such assignments shall be aggregated in respect of each Lender and its Affiliates or Approved Funds, if any;

(B) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500 (unless waived or reduced by the Administrative Agent in its sole discretion); and

(C) other than in the case of assignments pursuant to Section 10.07(l), the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

This paragraph (b) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis among such Facilities.

In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full Pro

Rata Share of all Loans in accordance with its Pro Rata Share. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(c) Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 10.07(d), from and after the effective date specified in each Assignment and Assumption, (1) other than in connection with an assignment pursuant to Section 10.07(l), the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and (2) the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment). Upon request, and the surrender by the assigning Lender of its Note, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this clause (c) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(e).

(d) The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption, each Affiliated Lender Assignment and Assumption delivered to it, and each notice of cancellation of any Loans delivered by the Borrower pursuant to Section 10.07(k) or Section 10.07(l) and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Agent and any Lender (but in the case of any Lender, such inspection shall be limited to reviewing such Lender's own entry in the Register only), at any reasonable time and from time to time upon reasonable prior notice. This Section 10.07(d) and Section 2.11 shall be construed so that all Loans are at all times maintained in "registered form" within the meaning of Section 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations). Notwithstanding the foregoing, in no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any Lender is an Affiliated Lender nor shall the Administrative Agent be obligated to monitor the aggregate amount of Loans or Incremental Loans held by Affiliated Lenders.

(e) Any Lender may at any time sell participations to any Person (other than a natural person, a Disqualified Institution or a Defaulting Lender) (each, a "**Participant**") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); *provided* that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or the other Loan Documents; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in clauses (a) through (f) of the first proviso to Section 10.01 that requires the affirmative vote of such Lender. Subject to Section 10.07(f), the Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 to the same extent as if it were a Lender (subject, for the avoidance of doubt, to the limitations and requirements of those Sections (including Sections 3.01(d) and Sections 3.06 and 3.07) applying to each Participant as if it were a Lender), and it being understood that documentation required under Section 3.01(d) shall be delivered solely to the participating Lender) and had acquired its interest by assignment pursuant to Section 10.07(c). To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of Section 10.09 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.13 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "**Participant Register**"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. No Lender shall have the obligation to disclose all or a portion of the Participant Register (including the identity of the Participant or any information relating to a Participant's interest in any Loans or other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that any loans are in registered form for U.S. federal income tax purposes.

(f) A Participant shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent (not to be unreasonably withheld or delayed; for the avoidance of doubt, the Borrower shall have a reasonable basis for withholding consent if such Participant would result in a materially increased indemnification obligation to the Borrower at such time).

(g) Any Lender may, without the consent of the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(h) Notwithstanding anything to the contrary contained herein, any Lender (a “**Granting Lender**”) may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an “**SPC**”) the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof and (iii) such SPC and the applicable Loan or any applicable part thereof, shall be appropriately reflected in the Participant Register. Each party hereto hereby agrees that (i) an SPC shall be entitled to the benefit of Sections 3.01, 3.04 and 3.05 (subject to the requirements and the limitations of such Sections and Sections 3.06 and 3.07 and it being understood that the documentation required under Section 3.01(d) shall be delivered solely to the Granting Lenders) but neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement except, in the case of Section 3.01, to the extent that the grant to the SPC was made with the prior written consent of the Borrower which may be withheld in the Borrower’s sole and absolute discretion, (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (iii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the Lender hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrower and the Administrative Agent and with the payment of a processing fee of \$3,500, assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(i) Notwithstanding anything to the contrary contained herein, without the consent of the Borrower or the Administrative Agent, (1) any Lender may in accordance with applicable Law create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it and (2) any Lender that is a Fund may create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; *provided* that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 10.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(j) [Reserved].

(k) Any Lender may at any time, assign all or a portion of its rights and obligations with respect to Loans under this Agreement to a Person who is or will become, after such assignment, an Affiliated Lender through (x) Dutch auctions or other offers to purchase open to all Lenders on a pro rata basis consistent with the procedures set forth in Section 2.05(a)(v) or (y) open market purchase on a non-pro rata basis, in each case subject to the following limitations:

(i) the assigning Lender and the Affiliated Lender purchasing such Lender's Loans shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit J hereto (an "**Affiliated Lender Assignment and Assumption**");

(ii) Affiliated Lenders will not receive information provided solely to Lenders by the Administrative Agent or any Lender and will not be permitted to attend or participate in conference calls or meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article II;

(iii) (A) each Affiliated Lender that purchases any Loans pursuant to clause (x) above shall represent and warrant to the selling Lender and the Administrative Agent (other than any other Affiliated Lender), or shall make a statement that such representation cannot be made, that it does not possess material non-public information with respect to Holdings and its Subsidiaries or the securities of any of them that has not been disclosed to the Lenders generally (other than Lenders who elect not to receive such information) and (B) each Lender (other than any other Affiliated Lender) that assigns any Loans to an Affiliated Lender pursuant to clause (k)(y) above shall deliver to the Administrative Agent and the applicable Affiliated Lender a customary Big Boy Letter;

(iv) the aggregate principal amount of Loans held at any one time by Affiliated Lenders shall not exceed 25% of the original principal amount of all Loans at such time outstanding; (such percentage, the "**Affiliated Lender Cap**"); *provided* that to the extent any assignment to an Affiliated Lender would result in the aggregate principal amount of all Loans held by Affiliated Lenders exceeding the Affiliated Lender Cap, the assignment of such excess amount will be void *ab initio*; and

(v) as a condition to each assignment pursuant to this clause (k), the Administrative Agent and the Borrower shall have been provided a notice in the form of Exhibit E-2 to this Agreement in connection with each assignment to an Affiliated Lender or a Person that upon effectiveness of such assignment would constitute an Affiliated Lender pursuant to which such Affiliated Lender shall waive any right to bring any action in connection with such Loans against the Administrative Agent, in its capacity as such.

Each Affiliated Lender agrees to notify the Administrative Agent promptly (and in any event within ten (10) Business Days) if it acquires any Person who is also a Lender, and each Lender agrees to notify the Administrative Agent promptly (and in any event within ten (10) Business Days) if it becomes an Affiliated Lender. Such notice shall contain the type of information required and be delivered to the same addressee as set forth in Exhibit E-2.

Notwithstanding anything to the contrary contained herein, any Affiliated Lender that has purchased Loans pursuant to this subsection (k) and any Debt Fund Affiliate that has purchased Loans may, in their sole discretion, contribute, directly or indirectly, principal amount of such Loans, plus all accrued and unpaid interest thereon, to the Borrower for the purpose of cancelling and extinguished such Loans. Upon the date of such contribution, assignment or transfer, (x) the aggregate outstanding principal amount of Loans shall reflect such cancellation and extinguishing of the Loans then held by the Borrower and (y) the Borrower shall promptly provide notice to the Administrative Agent of such contribution of such Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of the applicable Loans in the Register.

(l) Any Lender may, so long as no Default or Event of Default has occurred and is continuing, at any time, assign all or a portion of its rights and obligations with respect to Loans under this Agreement to Holdings or the Borrower through (x) Dutch auctions or other offers to purchase open to all Lenders on a pro rata basis consistent with the procedures set forth in Section 2.05(a)(v) or (y) notwithstanding Sections 2.12 and 2.13 or any other provision in this Agreement, open market purchase on a non-pro rata basis; *provided that*:

(i) if Holdings is the assignee, upon such assignment, transfer or contribution, Holdings shall automatically be deemed to have contributed the principal amount of such Loans, plus all accrued and unpaid interest thereon, to the Borrower; and

(ii) (a) the principal amount of such Loans, along with all accrued and unpaid interest thereon, so contributed, assigned or transferred to the Borrower shall be deemed automatically cancelled and extinguished on the date of such contribution, assignment or transfer, (b) the aggregate outstanding principal amount of Loans of the remaining Lenders shall reflect such cancellation and extinguishing of the Loans then held by the Borrower and (c) the Borrower shall promptly provide notice to the Administrative Agent of such contribution, assignment or transfer of such Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of the applicable Loans in the Register.

(m) Notwithstanding anything in Section 10.01 or the definition of "Required Lenders" or "Required Class Lenders" to the contrary, for purposes of determining whether the Required Lenders and Required Class Lenders (in respect of a Class of Loans) have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, or subject to Section 10.07(n), any plan of reorganization pursuant to the U.S. Bankruptcy Code, (ii) otherwise acted on any matter related to any Loan Document, or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, no Affiliated Lender shall have any right to consent (or not consent), otherwise act or direct or require the Administrative Agent or any Lender to take (or refrain from taking) any such action, and all Loans held by any Affiliated Lenders shall be disregarded for all purposes of calculating whether the Required Lenders, Required Class Lenders (in respect of a Class of Loans) or all Lenders have taken any actions (and shall be deemed to have voted pro rata with other lenders that are not Affiliated Lenders), except that no amendment, modification or waiver of any Loan Document shall, without the consent of the applicable Affiliated Lender, deprive any Affiliated Lender of its Pro Rata Share of any payment to which all Lenders of the applicable Class of Loans are entitled or affect an Affiliated Lender in a manner that is disproportionate to the effect on any Lender of the same Class of Loans.

(n) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, each Affiliated Lender hereby agrees that (and each Affiliated Lender Assignment and Assumption shall provide a confirmation that) if a proceeding under any Debtor Relief Law shall be commenced by or against the Borrower or any other Loan Party at a time when such Lender is an Affiliated Lender, such Affiliated Lender irrevocably authorizes and empowers the Administrative Agent to vote on behalf of such Affiliated Lender with respect to the Loans held by such Affiliated Lender in a manner such that all Affiliated Lenders will be deemed to vote in the same proportion as Lenders that are not Affiliated Lenders, unless the Administrative Agent instructs such Affiliated Lender to vote, in which case such Affiliated Lender shall vote with respect to the Loans held by it in order to provide that all Affiliated Lenders will be deemed to vote in the same proportion as Lenders that are not Affiliated Lenders; *provided* that such Affiliated Lender shall be entitled to vote in accordance with its sole discretion (and not in accordance with the direction of the Administrative Agent) in connection with any plan of reorganization to the extent any such plan of reorganization proposes to treat any Obligations held by such Affiliated Lender in a manner that has a disproportionate effect on such Affiliated Lender as compared to the proposed treatment of similar Obligations held by Lenders that are not Affiliated Lenders.

(o) Although Debt Fund Affiliates shall be Eligible Assignees and shall not be subject to the provisions of Section 10.07(m) or (n), any Lender may, at any time, assign all or a portion of its rights and obligations with respect to Loans under this Agreement to a Person who is or will become, after such assignment, a Debt Fund Affiliate only through (x) Dutch auctions or other offers to purchase open to all Lenders on a pro rata basis consistent with the procedures set forth in Section 2.05(a)(v) (for the avoidance of doubt, without requiring any representation as to the possession of material non-public information by such Affiliate and without regard to whether a Default or an Event of Default has occurred and is continuing) or (y) open market purchase on a non-pro rata basis. Notwithstanding anything in Section 10.01 or the definition of "Required Lenders" to the contrary, for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, (ii) otherwise acted on any matter related to any Loan Document or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, all Loans held by Debt Fund Affiliates, in the aggregate, may not account for more than 49.9% of the Loans of Lenders included in determining whether the Required Lenders have consented to any action pursuant to Section 10.01.

(p) The aggregate outstanding principal amount of the Loans of the applicable Class shall be deemed reduced by the full par value of the aggregate principal amount of the Loans purchased by, or contributed to (in each case, and subsequently cancelled hereunder), the Borrower pursuant to Section 10.07(k) or (l) and the principal repayment on the Maturity Date with respect to the Loans of such Class pursuant to Section 2.07 shall be reduced by the par value of the aggregate principal amount of Loans so purchased or contributed (and subsequently cancelled), with such reduction being applied solely to the Loans of the Lenders which sold such Loans.

Section 10.08 Confidentiality.

Each of the Agents and the Lenders agrees to maintain the confidentiality of the Information, except that Information may be disclosed (a) to its Affiliates and its and its Affiliates' managers, administrators, directors, officers, employees, trustees, partners, investors, investment advisors and agents, including accountants, legal counsel, service providers and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential); (b) to the extent requested by any Governmental Authority or self-regulatory authority having or asserting jurisdiction over such Person (including any Governmental Authority regulating any Lender or its Affiliates), *provided* that the Administrative Agent or such Lender, as applicable, agrees that it will notify the Borrower prior to any such disclosure by such Person to the extent practicable (other than at the request of a regulatory authority or any self-regulatory authority having or asserting jurisdiction over such Person) unless such notification is prohibited by law, rule or regulation; (c) to the extent required by applicable Laws or regulations or by any subpoena or similar legal process, *provided* that the Administrative Agent or such Lender, as applicable, agrees that it will notify the Borrower as soon as practicable in the event of any such disclosure by such Person (other than at the request of a regulatory authority or any self-regulatory authority having or asserting jurisdiction over such Person) unless such notification is prohibited by law, rule or regulation; (d) to any other party to this Agreement; (e) subject to an agreement containing provisions at least as restrictive as those of this Section 10.08 (or as may otherwise be reasonably acceptable to the Borrower), to any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or any Eligible Assignee invited to be an Additional Lender, any pledgee referred to in Section 10.07(g), or any actual or prospective direct or indirect counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations; (f) with the written consent of the Borrower; (g) to the extent such Information becomes publicly available other than as a result of a breach of this Section 10.08 or becomes available to the Administrative Agent, any Arranger, any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than a Loan Party or any Sponsor or their respective related parties (so long as such source is not known to the Administrative Agent, such Arranger, such Lender or any of their respective Affiliates to be bound by confidentiality obligations to any Loan Party); (h) to any rating agency when required by it on a customary basis and after consultation with the Borrower (it being understood that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Information relating to Loan Parties and their Subsidiaries received by it from such Lender); (i) in connection with the exercise of any remedies hereunder, under any other Loan Document or the enforcement of its rights hereunder or thereunder; or (j) to the extent such Information is independently developed by such Person or its Affiliates so long as not based on Information obtained in a manner that would otherwise violate this Section 10.08.

For purposes of this Section 10.08, “**Information**” means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary thereof or their respective businesses, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by any Loan Party or any Subsidiary thereof other than as a result of a breach of this Section 10.08; *provided* that all information received after the Closing Date from Holdings, the Borrower or any of its Subsidiaries shall be deemed confidential unless such information is clearly identified at the time of delivery as not being confidential.

Each of the Administrative Agent and the Lenders acknowledges that (a) the Information may include material non-public information concerning the Borrower or any of its Subsidiaries, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with applicable Law, including United States Federal and state securities Laws.

Section 10.09 Setoff.

In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Lender and its Affiliates (and the Administrative Agent, in respect of any unpaid fees, costs and expenses payable hereunder) is authorized at any time and from time to time, without prior notice to the Borrower, any such notice being waived by the Borrower (on its own behalf and on behalf of each Loan Party and each of its Subsidiaries) to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by, and other Indebtedness at any time owing by, such Lender and its Affiliates or the Administrative Agent to or for the credit or the account of the respective Loan Parties and their Subsidiaries against any and all Obligations (other than, with respect to any Guarantor, Excluded Swap Obligations of such Guarantor) owing to such Lender and its Affiliates or the Administrative Agent hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not such Agent or such Lender or Affiliate shall have made demand under this Agreement or any other Loan Document and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness; *provided* that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.17 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such set off and application made by such Lender; *provided* that the failure to give such notice shall not affect the validity of such setoff and application. The rights of the Administrative Agent and each Lender under this Section 10.09 are in addition to other rights and remedies (including other rights of setoff) that the Administrative Agent and such Lender may have at Law.

Section 10.10 Interest Rate Limitation.

Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “**Maximum Rate**”). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 10.11 Counterparts; Electronic Execution of Assignments and Certain Other Documents.

This Agreement and each other Loan Document may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopier, .pdf or other electronic imaging means of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document. The Agents may also require that any such documents and signatures delivered by telecopier, .pdf or other electronic imaging means be confirmed by a manually signed original thereof; provided that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopier, .pdf or other electronic imaging means.

The words “execution,” “signed,” “signature,” and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 10.12 Integration; Termination.

This Agreement, together with the other Loan Documents, comprises the complete and integrated agreement of the parties on the subject matter hereof and thereof and supersedes all prior agreements (other than the Fee Letter) written or oral, on such subject matter. In the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control; *provided* that the inclusion of supplemental rights or remedies in favor of the Agents or the Lenders in any other Loan Document shall not be deemed a conflict with this Agreement. Each Loan Document was drafted with the joint participation of the respective parties thereto and shall be construed neither against nor in favor

of any party, but rather in accordance with the fair meaning thereof. Notwithstanding anything contained herein or in any Loan Document or any other agreement among the parties or anything else to the contrary, the Fee Letter and all obligations thereunder shall survive the execution, delivery and performance of the Loan Documents and the occurrence of the Closing Date.

Section 10.13 Survival of Representations and Warranties.

All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Borrowing, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied (other than Obligations under Secured Hedge Agreements, Treasury Services Agreements or contingent indemnification obligations, in any such case, not then due and payable).

Section 10.14 Severability.

If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 10.14, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent, then such provisions shall be deemed to be in effect only to the extent not so limited.

Section 10.15 GOVERNING LAW.

(a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) ANY LEGAL ACTION OR PROCEEDING ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, SHALL BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY (BOROUGH OF MANHATTAN) OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH LOAN PARTY, EACH AGENT AND EACH LENDER CONSENTS,

FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THOSE COURTS AND AGREES THAT IT WILL NOT COMMENCE OR SUPPORT ANY SUCH ACTION OR PROCEEDING IN ANOTHER JURISDICTION. NOTWITHSTANDING THE FOREGOING, NOTHING CONTAINED HEREIN OR IN ANY OTHER LOAN DOCUMENT WILL PREVENT ANY LENDER OR THE ADMINISTRATIVE AGENT FROM BRINGING ANY ACTION TO ENFORCE ANY AWARD OR JUDGMENT OR EXERCISE ANY RIGHT UNDER THE SECURITY DOCUMENTS OR AGAINST ANY COLLATERAL OR ANY OTHER PROPERTY OF ANY LOAN PARTY IN ANY OTHER FORUM IN WHICH JURISDICTION CAN BE ESTABLISHED. EACH LOAN PARTY, EACH AGENT AND EACH LENDER IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY LOAN DOCUMENT OR OTHER DOCUMENT RELATED THERETO. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENTS IN THE MANNER PROVIDED FOR NOTICES (OTHER THAN TELECOPIER) IN SECTION 10.02. NOTHING IN THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

Section 10.16 WAIVER OF RIGHT TO TRIAL BY JURY.

EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.16.

Section 10.17 Binding Effect.

This Agreement shall become effective when (i) it shall have been executed by the Loan Parties and the Administrative Agent and (ii) the Administrative Agent shall have been notified by each Lender that each such Lender has executed it and thereafter shall be binding upon and inure to the benefit of the Loan Parties, each Agent and each Lender and their respective successors and assigns, in each case in accordance with Section 10.07 (if applicable) and except that no Loan Party shall have the right to assign its rights hereunder or any interest herein without the prior written consent of the Lenders except as permitted by Section 7.04.

Section 10.18 USA Patriot Act.

Each Lender that is subject to the USA Patriot Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name, address and tax identification number of such Loan Party and other information regarding such Loan Party that will allow such Lender or the Administrative Agent, as applicable, to identify such Loan Party in accordance with the USA Patriot Act. This notice is given in accordance with the requirements of the USA Patriot Act and is effective as to the Lenders and the Administrative Agent.

Section 10.19 No Advisory or Fiduciary Responsibility.

In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each Loan Party acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent and the other Arrangers are arm's-length commercial transactions between the Loan Parties and their respective Affiliates, on the one hand, and the Administrative Agent, the other Arrangers and the Lenders, on the other hand, (B) each Loan Party has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) each Loan Party is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Administrative Agent, each other Arranger and each Lenders each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for each Loan Party or any of their respective Affiliates, or any other Person and (B) neither the Administrative Agent, any other Arranger nor any Lender has any obligation to the Loan Parties or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, the other Arrangers, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Loan Parties and their respective Affiliates, and neither the Administrative Agent nor any other Arranger nor any Lender has any obligation to disclose any of such interests to the Loan Parties or any of their respective Affiliates. To the fullest extent permitted by law, each Loan Party hereby waives and releases any claims that it may have against the Administrative Agent, the other Arrangers and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 10.20 INTERCREDITOR AGREEMENTS.

(a) PURSUANT TO THE EXPRESS TERMS OF EACH INTERCREDITOR AGREEMENT, IN THE EVENT OF ANY CONFLICT OR INCONSISTENCY BETWEEN THE TERMS OF THE RELEVANT INTERCREDITOR AGREEMENT AND ANY OF THE LOAN DOCUMENTS, THE PROVISIONS OF THE RELEVANT INTERCREDITOR AGREEMENT SHALL GOVERN AND CONTROL.

(b) EACH LENDER AUTHORIZES AND INSTRUCTS THE ADMINISTRATIVE AGENT TO ENTER INTO THE RELEVANT INTERCREDITOR AGREEMENT ON BEHALF OF SUCH LENDER, AND TO TAKE ALL ACTIONS (AND EXECUTE ALL DOCUMENTS) REQUIRED (OR DEEMED ADVISABLE) BY IT IN ACCORDANCE WITH THE TERMS OF SUCH INTERCREDITOR AGREEMENT(S). EACH LENDER AGREES TO BE BOUND BY AND WILL TAKE NO ACTIONS CONTRARY TO THE PROVISIONS OF THE RELEVANT INTERCREDITOR AGREEMENT.

(c) THE PROVISIONS OF THIS SECTION 10.20 ARE NOT INTENDED TO SUMMARIZE ALL RELEVANT PROVISIONS OF THE RELEVANT INTERCREDITOR AGREEMENT. REFERENCE MUST BE MADE TO THE RELEVANT INTERCREDITOR AGREEMENT ITSELF TO UNDERSTAND ALL TERMS AND CONDITIONS THEREOF. EACH LENDER IS RESPONSIBLE FOR MAKING ITS OWN ANALYSIS AND REVIEW OF THE RELEVANT INTERCREDITOR AGREEMENT AND THE TERMS AND PROVISIONS THEREOF, AND NO AGENT (AND NONE OF ITS AFFILIATES) MAKES ANY REPRESENTATION TO ANY LENDER AS TO THE SUFFICIENCY OR ADVISABILITY OF THE PROVISIONS CONTAINED IN THE RELEVANT INTERCREDITOR AGREEMENT.

(d) THE PROVISIONS OF THIS SECTION 10.20 SHALL APPLY WITH EQUAL FORCE, MUTATIS MUTANDIS, TO THE SECOND LIEN INTERCREDITOR AGREEMENT, THE THIRD LIEN INTERCREDITOR AGREEMENT, THE SUBORDINATION AGREEMENT AND ANY OTHER INTERCREDITOR AGREEMENT OR ARRANGEMENT PERMITTED BY THIS AGREEMENT.

(e) EACH LENDER HEREUNDER (I) ACKNOWLEDGES THAT IT HAS RECEIVED A COPY OF THE SECOND LIEN INTERCREDITOR AGREEMENT AND (II) CONSENTS TO THE SUBORDINATION OF LIENS PROVIDED FOR IN THE SECOND LIEN INTERCREDITOR AGREEMENT.

(f) NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, (I) THE LIENS AND SECURITY INTERESTS GRANTED TO THE ADMINISTRATIVE AGENT PURSUANT TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT ARE EXPRESSLY SUBJECT AND SUBORDINATE TO THE LIENS AND SECURITY INTERESTS GRANTED IN FAVOR OF THE SENIOR SECURED PARTIES (AS DEFINED IN THE SECOND LIEN INTERCREDITOR AGREEMENT) TO THE EXTENT SET FORTH IN THE SECOND LIEN INTERCREDITOR AGREEMENT, INCLUDING LIENS AND SECURITY INTERESTS GRANTED TO FIRST LIEN ADMINISTRATIVE AGENT, PURSUANT TO OR IN CONNECTION WITH THE FIRST LIEN CREDIT AGREEMENT AND (II) THE EXERCISE OF ANY RIGHT OR REMEDY BY THE ADMINISTRATIVE AGENT HEREUNDER IS SUBJECT TO THE LIMITATIONS AND PROVISIONS OF THE SECOND LIEN INTERCREDITOR AGREEMENT. IN THE EVENT OF ANY CONFLICT BETWEEN THE TERMS OF THE SECOND LIEN INTERCREDITOR AGREEMENT AND THE TERMS OF THIS AGREEMENT, THE TERMS OF THE SECOND LIEN INTERCREDITOR AGREEMENT SHALL GOVERN.

ARTICLE XI.
GUARANTEE

Section 11.01 The Guarantee.

Each Guarantor hereby jointly and severally with the other Guarantors guarantees, as a primary obligor and not as a surety, to each Secured Party and their respective successors and assigns, the prompt payment in full when due (whether at stated maturity, by required prepayment, declaration, demand, by acceleration or otherwise) of the principal of and interest (including any interest, fees, costs or charges that would accrue but for the provisions of (i) the Title 11 of the United States Code after any bankruptcy or insolvency petition under Title 11 of the United States Code and (ii) any other Debtor Relief Laws) on the Loans made by the Lenders to, and the Notes held by each Lender of, the Borrower, and all other Obligations (excluding, with respect to any Guarantor, any Excluded Swap Obligations of such Guarantor) from time to time owing to the Secured Parties by any Loan Party under any Loan Document or any Secured Hedge Agreement or any Treasury Services Agreement, in each case strictly in accordance with the terms thereof (such obligations being herein collectively called the “**Guaranteed Obligations**”). The Guarantors hereby jointly and severally agree that if the Borrower or other Guarantor(s) shall fail to pay in full when due (whether at stated maturity, by acceleration or otherwise) any of the Guaranteed Obligations, the Guarantors will promptly pay the same in cash, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Guaranteed Obligations, the same will be promptly paid in full when due (whether at extended maturity, by acceleration or otherwise) in accordance with the terms of such extension or renewal.

Section 11.02 Obligations Unconditional.

The obligations of the Guarantors under Section 11.01 shall constitute a guaranty of payment and to the fullest extent permitted by applicable Law, are absolute, irrevocable and unconditional, joint and several, irrespective of the value, genuineness, validity, regularity or enforceability of the Guaranteed Obligations of the Borrower under this Agreement, the Notes, if any, or any other agreement or instrument referred to herein or therein, or any substitution, release or exchange of any other guarantee of or security for any of the Guaranteed Obligations, and, irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or Guarantor (except for payment in full). Without limiting the generality of the foregoing, it is agreed that the occurrence of any one or more of the following shall not alter or impair the liability of the Guarantors hereunder which shall remain absolute, irrevocable and unconditional under any and all circumstances as described above:

(i) at any time or from time to time, without notice to the Guarantors, to the extent permitted by Law, the time for any performance of or compliance with any of the Guaranteed Obligations shall be extended, or such performance or compliance shall be waived;

(ii) any of the acts mentioned in any of the provisions of this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein shall be done or omitted;

(iii) the maturity of any of the Guaranteed Obligations shall be accelerated, or any of the Guaranteed Obligations shall be amended in any respect, or any right under the Loan Documents or any other agreement or instrument referred to herein or therein shall be amended or waived in any respect or any other guarantee of any of the Guaranteed Obligations or except as permitted pursuant to Section 11.09, any security therefor shall be released or exchanged in whole or in part or otherwise dealt with;

(iv) any Lien or security interest granted to, or in favor of any Lender or Agent as security for any of the Guaranteed Obligations shall fail to be perfected; or

(v) the release of any other Guarantor pursuant to Section 11.09.

The Guarantors hereby expressly waive diligence, presentment, demand of payment, protest and, to the extent permitted by Law, all notices whatsoever, and any requirement that any Secured Party exhaust any right, power or remedy or proceed against the Borrower under this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein, or against any other Person under any other guarantee of, or security for, any of the Guaranteed Obligations. The Guarantors waive, to the extent permitted by Law, any and all notice of the creation, renewal, extension, waiver, termination or accrual of any of the Guaranteed Obligations and notice of or proof of reliance by any Secured Party upon this Guarantee or acceptance of this Guarantee, and the Guaranteed Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred in reliance upon this Guarantee, and all dealings between the Borrower and the Secured Parties shall likewise be conclusively presumed to have been had or consummated in reliance upon this Guarantee. This Guarantee shall be construed as a continuing, absolute, irrevocable and unconditional guarantee of payment without regard to any right of offset with respect to the Guaranteed Obligations at any time or from time to time held by Secured Parties, and the obligations and liabilities of the Guarantors hereunder shall not be conditioned or contingent upon the pursuit by the Secured Parties or any other Person at any time of any right or remedy against the Borrower or against any other Person which may be or become liable in respect of all or any part of the Guaranteed Obligations or against any collateral security or guarantee therefor or right of offset with respect thereto. This Guarantee shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon the Guarantors and the successors and assigns thereof, and shall inure to the benefit of the Lenders, and their respective successors and assigns, notwithstanding that from time to time during the term of this Agreement there may be no Guaranteed Obligations outstanding.

Section 11.03 Reinstatement.

The obligations of the Guarantors under this Article XI shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of the Borrower or other Loan Party in respect of the Guaranteed Obligations is rescinded or must be otherwise restored by any holder of any of the Guaranteed Obligations, whether as a result of any proceedings in bankruptcy or reorganization or otherwise.

Section 11.04 Subrogation; Subordination.

Each Guarantor hereby agrees that until the payment and satisfaction in full in cash of all Guaranteed Obligations and the expiration and termination of the Commitments of the Lenders under this Agreement it shall waive any claim and shall not exercise any right or remedy, direct or indirect, arising by reason of any performance by it of its guarantee in Section 11.01, whether by subrogation or otherwise, against the Borrower or any other Guarantor of any of the Guaranteed Obligations or any security for any of the Guaranteed Obligations. Any Indebtedness of any Loan Party to any Non-Loan Party permitted pursuant to Section 7.03(b)(ii) or 7.03(d) shall be subordinated to such Loan Party's Obligations in the manner set forth in the Intercompany Note evidencing such Indebtedness.

Section 11.05 Remedies.

The Guarantors jointly and severally agree that, as between the Guarantors and the Lenders, the obligations of the Borrower under this Agreement and the Notes, if any, may be declared to be forthwith due and payable as provided in Section 8.02 (and shall be deemed to have become automatically due and payable in the circumstances provided in Section 8.02) for purposes of Section 11.01, notwithstanding any stay, injunction or other prohibition preventing such declaration (or such obligations from becoming automatically due and payable) as against the Borrower and that, in the event of such declaration (or such obligations being deemed to have become automatically due and payable), such obligations (whether or not due and payable by the Borrower) shall forthwith become due and payable by the Guarantors for purposes of Section 11.01.

Section 11.06 Instrument for the Payment of Money.

Each Guarantor hereby acknowledges that the guarantee in this Article XI constitutes an instrument for the payment of money, and consents and agrees that any Lender or Agent, at its sole option, in the event of a dispute by such Guarantor in the payment of any moneys due hereunder, shall have the right to bring a motion-action under New York CPLR Section 3213.

Section 11.07 Continuing Guarantee.

The guarantee in this Article XI is a continuing guarantee of payment, and shall apply to all Guaranteed Obligations whenever arising.

Section 11.08 General Limitation on Guarantee Obligations.

In any action or proceeding involving any state corporate limited partnership or limited liability company law, or any applicable state, federal or foreign bankruptcy, insolvency, reorganization or other Law affecting the rights of creditors generally, if the obligations of any Subsidiary Guarantor under Section 11.01 would otherwise be held or determined to be void, voidable, invalid or unenforceable, or subordinated to the claims of any other creditors, on account of the amount of its liability under Section 11.01, then, notwithstanding any other provision to the contrary, the amount of such liability shall, without any further action by such Subsidiary Guarantor, any Loan Party or any other Person, be automatically limited and reduced to the highest amount (after giving effect to the right of contribution established in Section 11.10) that is valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding.

Section 11.09 Release of Guarantors.

If, in compliance with the terms and provisions of the Loan Documents, (i) all or substantially all of the Equity Interests or property of any Subsidiary Guarantor are sold or otherwise transferred to a Person or Persons none of which is a Loan Party or (ii) any Subsidiary Guarantor becomes an Excluded Subsidiary (any such Subsidiary Guarantor, and any Subsidiary Guarantor referred to in clause (i), a “**Transferred Guarantor**”), such Transferred Guarantor shall, upon the consummation of such sale or transfer or other transaction, be automatically released from its obligations under this Agreement (including under Section 10.05 hereof) and its obligations to pledge and grant any Collateral owned by it pursuant to any Collateral Document and, in the case of a sale of all or substantially all of the Equity Interests of the Transferred Guarantor, the pledge of such Equity Interests to the Administrative Agent pursuant to the Collateral Documents shall be automatically released, and, so long as the Borrower shall have provided the Agents such certifications or documents as any Agent shall reasonably request, the Administrative Agent shall take such actions as are necessary to effect each release described in this Section 11.09 in accordance with the relevant provisions of the Collateral Documents.

Subject to the immediately preceding paragraph of this Section 11.09, the Guarantees made herein shall remain in full force and effect so long as any Lender shall have any Commitment hereunder, any Loan or other Obligation (other than (i) contingent indemnification obligations as to which no claim has been asserted and (ii) obligations under Treasury Services Agreements or obligations under Secured Hedge Agreements) hereunder which is accrued and payable shall remain unpaid or unsatisfied.

Section 11.10 Right of Contribution.

Each Guarantor hereby agrees that to the extent that a Subsidiary Guarantor shall have paid more than its proportionate share of any payment made hereunder, such Subsidiary Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder which has not paid its proportionate share of such payment. Each Subsidiary Guarantor’s right of contribution shall be subject to the terms and conditions of Section 11.04. The provisions of this Section 11.10 shall in no respect limit the obligations and liabilities of any Subsidiary Guarantor to the Administrative Agent, and the Lenders, and each Subsidiary Guarantor shall remain liable to the Administrative Agent and the Lenders for the full amount guaranteed by such Subsidiary Guarantor hereunder.

Section 11.11 Keepwell.

Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally, and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Loan Party to honor all of its obligations under this Guaranty in respect of any Swap Obligation (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 11.11 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 11.11, or otherwise under this Guaranty,

voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section 11.11 shall remain in full force and effect until the payment in full and discharge of the Guaranteed Obligations. Each Qualified ECP Guarantor intends that this Section 11.11 constitute, and this Section 11.11 shall be deemed to constitute, a “keepwell, support, or other agreement” for the benefit of each other Guarantor for all purposes of section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the date first above written.

- (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and
 - (b) the effects of any Bail-In Action on any such liability, including, if applicable:
 - (i) a reduction in full or in part or cancellation of any such liability;

 - (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

2. **Term B-2 Loans.**

- (a) **Terms Generally.** Subject to the satisfaction of the conditions set forth in Section 3 of this Agreement, each Term B-2 Lender hereby acknowledges and agrees that it has a Term B-2 Commitment in the amount set forth on Schedule I to this Agreement and agrees to make Term B-2 Loans on the Effective Date in accordance with Section 2.14 of the Existing Credit Agreement. From and after the Effective Date, each Term B-2 Lender shall be a Lender for all purposes under the Credit Agreement and the other Loan Documents. The Initial Loans and the Term B-2 Loans shall be a single tranche of Loans for all purposes under the Credit Agreement and payments of the Initial Loans or Term B-2 Loans of interest, principal (whether optional or mandatory) and premiums shall be made on pro rata basis among the Initial Loans and Term B-2 Loans. The Term B-2 Loans shall have identical terms as the existing Initial Loans and shall rank *pari passu* in right of payment and security with the existing Loans, and in furtherance thereof and for the avoidance of doubt, each reference to the Initial Loans in the Loan Documents (other than in the preliminary statements to the Credit Agreement, the definitions of “Equity Contribution”, “Initial Commitment”, “Initial Loan” and “Transactions” in the Credit Agreement, and Sections 2.06, 2.09(b) and 4.01(c) of the Credit Agreement) shall be deemed to include the Term B-2 Loans.
- (b) **Administrative Matters.** Each of the parties hereto hereby agrees that the Administrative Agent may take any and all action as may be reasonably necessary to ensure that all such Term B-2 Loans, when originally made, are a single tranche (and Class) with the outstanding Initial Loans for all purposes under the Loans Documents and are included in each Borrowing of outstanding Initial Loans on a pro rata basis. This may be accomplished at the discretion of the Administrative Agent by allocating a portion of each such Term B-2 Loan to each outstanding Eurocurrency Rate Loan that is an Initial Loan of the same Type on a pro rata basis, even though as a result thereof such Term B-2 Loan may effectively have a shorter Interest Period than the Term B-2 Loans included in the Borrowing of which they are a part (and notwithstanding any other provision of the Credit Agreement that would prohibit such an initial Interest Period). This Section 2(b) is for administrative purposes only and shall, under no circumstances, result in any additional obligations, expenses or fees for the Borrower.

3. **Effective Date Conditions.** This Agreement will become effective on the date (the “Effective Date”) on which each of the following conditions have been satisfied (or waived) in accordance with the terms herein:

- (a) the Administrative Agent shall have received counterparts of this Agreement executed by (i) Term B-2 Lenders with Term B-2 Commitments representing 100% of the Term B-2 Commitments, (ii) the Required Lenders and (iii) the Borrower and each other Loan Party;
- (b) for the ratable benefit of each Term B-2 Lender providing a Term B-2 Loan as of the Effective Date, an upfront fee (the “Upfront Fee”) in an amount equal to 2.00% of the stated principal amount of such Term B-2 Lender’s Term B-2 Loan, earned and due and payable to such Term B-2 Lender on the Effective Date. The Term B-2 Loans may be net funded on the Effective Date to account for the Upfront Fee;
- (c) the Administrative Agent shall have received payment from or on behalf of the Borrower for the account of each Lender that shall have consented to this Agreement by delivering a counterpart signature page to this Agreement to the Administrative Agent prior to 5:00 p.m., New York City time, on October 17, 2016, of an amendment fee for each such Lender in an amount equal to 0.25% of the outstanding principal amount of the Initial Loans of such Lender;

- (d) the representations and warranties in Section 4 of this Agreement shall be true and correct in all material respects as of the Effective Date;
 - (e) no Default or Event of Default shall exist, or would result from the incurrence of the Term B-2 Loans and the consummation of the Transactions contemplated hereby, including from the application of the proceeds therefrom;
 - (f) the Administrative Agent shall have received a certificate, in form and substance reasonably satisfactory to the Administrative Agent, of the Borrower dated as of the Effective Date signed by a Responsible Officer of the Borrower (i) (A) certifying and attaching the resolutions or similar consents adopted by the Borrower approving or consenting to this Agreement and the Term B-2 Loans, (B) certifying that the certificate of formation and limited liability company agreement of the Borrower either (x) has not been amended since the Closing Date or (y) is attached as an exhibit to such certificate, and (C) certifying as to the incumbency and specimen signature of each officer executing this Agreement and any related documents on behalf of the Borrower and (ii) certifying as to the matters set forth in clauses (d) and (e) above;
 - (g) the Administrative Agent shall have received, on behalf of itself, the Term B-2 Lenders on the Effective Date, a favorable written opinion of Weil, Gotshal & Manges LLP, counsel for Holdings, the Borrower and each other Loan Party, (A) dated the Effective Date, (B) addressed to the Administrative Agent and the Term B-2 Lenders and (C) in form and substance reasonably satisfactory to the Administrative Agent and covering such matters relating to this Agreement as the Administrative Agent shall reasonably request;
 - (h) the Administrative Agent shall have received a Borrowing Request executed by the Borrower;
 - (i) all fees and out-of-pocket expenses for which invoices have been presented at least three business day prior to the Effective Date (including the reasonable fees and expenses of legal counsel) required to be paid or reimbursed by the Borrower pursuant to Section 10.04 of the Credit Agreement in connection with this Agreement shall have been paid or reimbursed by (or on behalf of) the Borrower; and
 - (j) The borrowing of the 2016 First Lien Incremental Loans under First Lien Credit Agreement Amendment No. 1 shall have been consummated.
4. **Representations and Warranties.** By its execution of this Agreement, each Loan Party hereby represents and warrants that:
- (a) the execution, delivery and performance of this Agreement is within such Loan Party's corporate or other organizational powers and has been duly authorized by all necessary corporate or other organizational action of such Loan Party;
 - (b) this Agreement has been duly executed and delivered by such Loan Party and is a legal, valid and binding obligation of such Loan Party, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency or similar laws affecting creditors' rights generally and to general principles of equity and principles of good faith and dealing; and

- (c) the execution and delivery of this Agreement by such Loan Party and the performance by such Loan Party hereof do not (i) contravene the terms of any of such Person's Organization Documents, (ii) conflict with or result in any breach or contravention of, or the creation of any Lien under (other than as permitted by Section 7.01 of the Credit Agreement), or require any payment to be made under (x) any Contractual Obligation to which such Person is a party or affecting such Person or the properties of such Person or any of its Subsidiaries or (y) any material order, injunction, writ or decree of any Governmental Authority or any arbitral award to which such Person or its property is subject or (iii) violate any Law; except with respect to any conflict, breach or contravention or payment (but not creation of Liens) (A) referred to in clauses (ii) and (iii), to the extent that such violation, conflict, breach, contravention or payment could not reasonably be expected to have a Material Adverse Effect.
5. **Reference to and Effect on Loan Documents; Reaffirmation of the Loan Parties.**
- (a) On and after the effectiveness of this Agreement, each reference in the Existing Credit Agreement and the other Loan Documents to any of the Loan Documents, "this Agreement", "hereunder", "hereof" or words of like import referring to any Loan Document shall mean and be a reference to the applicable Loan Document, as specifically amended by this Agreement.
- (b) Each Loan Party hereby consents to the amendment of the Existing Credit Agreement and the Loan Documents effected hereby and confirms and agrees that, notwithstanding the effectiveness of this Agreement, each Loan Document to which such Loan Party is a party is, and the obligations of such Loan Party contained in the Existing Credit Agreement, this Agreement or in any other Loan Document to which it is a party are, and shall continue to be, in full force and effect and are hereby ratified and confirmed in all respects, in each case as amended by this Agreement. For greater certainty and without limiting the foregoing, each Loan Party hereby confirms and reaffirms, as of the date hereof, (i) that the existing security interests granted by such Loan Party in favor of the Administrative Agent for the benefit of the Secured Parties (including without limitation the Term B-2 Lenders) pursuant to the Loan Documents in the Collateral described therein shall continue to secure the Obligations as and to the extent provided in the Loan Documents and (ii) its Guaranty of the Obligations and the covenants and agreements contained in each of the other Loan Documents to which it is a party, including, in each case, such security interest, covenants and agreements as in effect immediately after giving to this Agreement and the transactions contemplated hereby. Neither the modification of the Existing Credit Agreement effected pursuant to this Agreement nor the execution, delivery, performance or effectiveness of this Agreement (i) impairs the validity, effectiveness or priority of the Liens granted pursuant to any Loan Document, and such Liens continue unimpaired with the same priority to secure repayment of all Obligations, whether heretofore or hereafter incurred; or (ii) requires that any new filings be made or other action taken to perfect or to maintain the perfection of such Liens.
6. **Amendment, Modification and Waiver.** This Agreement may not be amended, modified or waived except as permitted by Section 10.01 of the Credit Agreement.

7. **Entire Agreement.** This Agreement, the engagement letter among certain of the parties hereto (or their respective affiliates) related to the transactions described herein, the Credit Agreement and the other Loan Documents constitute the entire agreement among the parties with respect to the subject matter hereof and thereof and supersede all other prior agreements and understandings, both written and verbal, among the parties or any of them with respect to the subject matter hereof. The parties hereto acknowledge and agree that the amendment of the Credit Agreement pursuant to this Agreement and all other Loan Documents amended and/or executed and delivered in connection herewith shall not constitute a novation of the Existing Credit Agreement and the other Loan Documents as in effect prior to the Effective Date.
8. **GOVERNING LAW.** THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.
9. **Severability.** If any provision of this Agreement is held to be illegal, invalid or unenforceable (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

AMENDMENT NO. 2 TO SECOND LIEN CREDIT AGREEMENT, dated as of December 6, 2019 (this "Amendment"), by and among Portillo's Holdings, LLC, a Delaware limited liability company (the "Borrower"), PHD Intermediate LLC, a Delaware limited liability company ("Holdings"), UBS AG, Stamford Branch, as administrative agent (in such capacity, the "Administrative Agent"), the Persons listed under the column "Additional Term B-3 Lender" on Schedule I hereto (in such capacity, the "Additional Term B-3 Lenders"), and each of the other Loan Parties party hereto and amendment to the SECOND LIEN SECURITY AGREEMENT dated as of August 1, 2014 (as amended, restated, supplemented or otherwise modified from time to time prior to the date hereof, the "Security Agreement") among the Borrower, the Grantors identified therein and the Administrative Agent.

RECITALS:

WHEREAS, reference is hereby made to the Second Lien Credit Agreement, dated as of August 1, 2014 (as amended, restated, supplemented or otherwise modified from time to time prior to the date hereof, the "Existing Credit Agreement" and, as amended by this Amendment, the "Credit Agreement"), among Holdings, the Borrower, the Subsidiaries of the Borrower from time to time party thereto, the lenders or other financial institutions or entities from time to time party thereto and the Administrative Agent (capitalized terms used but not defined herein having the meanings provided in the Existing Credit Agreement or the Credit Agreement, as the case may be);

WHEREAS, the Borrower has requested the Additional Term B-3 Lender to make the Additional Term B-3 Loans;

NOW, THEREFORE, in consideration of the premises and agreements, provisions and covenants herein contained, the parties hereto agree as follows:

- Amendments to Loan Documents.** The Existing Credit Agreement is, effective as of the Amendment No. 2 Effective Date (as defined below), hereby amended to delete the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~) and to add the double-underlined text (indicated textually in the same manner as the following example: double-underlined text) as set forth in the pages of the Existing Credit Agreement attached as Exhibit A hereto. Each Person party to this Amendment (other than UBS AG, Stamford Branch in its capacity as a Lender and any Loan Party) by its execution of a Consent, authorizes the Administrative Agent to approve the Agreement on its behalf and agrees that UBS AG, Stamford Branch's execution of this Amendment in its capacity as Administrative Agent constitutes such Person's irrevocable approval of this Amendment (or, if such Person was not a Lender immediately prior to the Amendment No. 2 Effective Date, constitutes such Person's irrevocable agreement to become a Lender as of the Amendment No. 2 Effective Date).
- Execution of Consents.** Each Lender with an Initial Loan or a Term B-2 Loan that has executed a consent to this Amendment in the form attached hereto (a "Consent") in its capacity as an Initial Lender or a Term B-2 Lender, as the case may be, and that has checked the box "Initial/Term B-2 Lender Conversion Option" on such Consent has agreed to consent to the Amendment and to have such Initial Lender's or Term B-2 Lender's, as the case may be, Allocated Amount of outstanding Initial Loans or Term B-2 Loans, as the case may be, converted in each case to Term B-3 Loans on the Amendment No. 2 Effective Date ("Allocated Amount", as to any Initial Lender or Term B-2 Lender, is the aggregate principal amount of such Initial Lender's Initial Loans or Term B-2 Lender's Term B-2 Loans, as the case may be, or such lesser principal amount allocated to such Initial Lender or Term B-2 Lender, as the case may be, by the Administrative Agent in the allocation of the Term B-3 Loans) (and, for the avoidance of doubt, the Allocated Amount of Initial Loans and Term B-2 Loans shall each be converted into Term B-3 Loans).

3. **Consent and Cash Out Lenders.** Each Lender with Initial Loans or Term B-2 Loans that has executed a Consent in its capacity as an Initial Lender or Term B-2 Lender, as the case may be, and checked the box “Initial/Term B-2 Lender Consent and Cash-Out Option” on such Consent has agreed to consent to the Amendment but has not agreed to have its outstanding Initial Loans or Term B-2 Loans, as the case may be, converted to Term B-3 Loans on the Amendment No. 2 Effective Date (and such Initial Loans or Term B-2 Loans, as the case may be, shall be repaid in cash upon the Amendment No. 2 Effective Date);
4. **Effective Date Conditions.** This Amendment will become effective on the date (the “Amendment No. 2 Effective Date”) on which each of the following conditions have been satisfied (or waived) in accordance with the terms herein:
- (a) the Administrative Agent shall have received executed signature pages to (or consents authorizing the relevant party’s consent to) this Amendment from (i) the Additional Term B-3 Lender and (ii) the Borrower and each other Loan Party;

 - (c) no Default or Event of Default shall exist, or would result from the incurrence of the Term B-3 Loans and the consummation of the transactions contemplated hereby, including from the application of the proceeds therefrom;
 - (d) the Administrative Agent shall have received a certificate, in form and substance reasonably satisfactory to the Administrative Agent, of the Borrower dated as of the Amendment No. 2 Effective Date signed by a Responsible Officer of the Borrower (i) (A) certifying and attaching the resolutions or similar consents adopted by the Borrower approving or consenting to this Amendment and the Term B-3 Loans, (B) certifying that the certificate of formation and limited liability company agreement of the Borrower either (x) has not been amended since the Closing Date or (y) is attached as an exhibit to such certificate, and (C) certifying as to the incumbency and specimen signature of each officer executing this Amendment and any related documents on behalf of the Borrower and (ii) certifying as to the matters set forth in clauses (b) and (c) above;
 - (e) the Administrative Agent shall have received, on behalf of itself and the Term B-3 Lenders, on the Amendment No. 2 Effective Date, a favorable written opinion of Weil, Gotshal & Manges LLP, counsel for Holdings, the Borrower and each other Loan Party, (A) dated the Amendment No. 2 Effective Date, (B) addressed to the Administrative Agent and the Term B-3 Lenders and (C) in form and substance reasonably satisfactory to the Administrative Agent and covering such matters relating to this Agreement as the Administrative Agent shall reasonably request;

The parties hereto acknowledge and agree that the amendment of the Existing Credit Agreement and the Security Agreement pursuant to this Amendment and all other Loan Documents amended and/or executed and delivered in connection herewith shall not constitute a novation of the Existing Credit Agreement, the Security Agreement or any other Loan Document as in effect prior to the Amendment No. 2 Effective Date.

The Initial Loans and Term B-2 Loans shall constitute “Refinanced Debt” under the Existing Credit Agreement. The Consent of each Initial Lender and Term B-2 Lender to convert into Term B-3 Loans and the Additional Term B-3 Commitment shall constitute “Refinancing Commitments” under the Existing Credit Agreement (and the Term B-3 Lenders with respect thereto shall constitute “Refinancing Lenders” under the Existing Credit Agreement), in each case to the extent that the Term B-3 Loans do not exceed the principal amount of such Refinanced Debt. The Loan Parties and all Lenders under the Credit Agreement immediately after giving effect to such 2019 Refinancing Amendment hereby approve all other amendments to the Existing Credit Agreement contained in this Amendment and the Credit Agreement and hereby approve the amount of the Additional Term B-3 Commitment and the Term B-3 Loans and hereby agree that any and all requirements of Section 2.15 of the Existing Credit Agreement and the Credit Agreement, solely as such Section 2.15 of either the Existing Credit Agreement or the Credit Agreement relate to the establishment and incurrence of the Term B-3 Loans on the Amendment No. 2 Effective Date, shall have been satisfied.

In addition, whenever a financial ratio or test is to be calculated on a *pro forma* basis, the reference to the "Test Period" for purposes of calculating such financial ratio or test shall be deemed to be a reference to, and shall be based on, the most recently ended Test Period for which internal financial statements of the Borrower are available (as determined in good faith by the Borrower). For the avoidance of doubt, the provisions of the foregoing sentence shall not apply for purposes of calculating any financial ratio or test for purposes of the definition of "Applicable ECF Percentage" which shall be based on the financial statements delivered pursuant to Section 6.01(a) or (b), as applicable, for the relevant Test Period.

prior to or simultaneously with the event for which the calculation of any such ratio is made shall be calculated on a *pro forma* basis assuming that all such Specified Transactions (and any increase or decrease in Consolidated EBITDA, Total Assets and the component financial definitions used therein attributable to any Specified Transaction) had occurred on the first day of the applicable Test Period (or, in the case of Total Assets, on the last day of the applicable Test Period). If since the beginning of any applicable Test Period any Person that subsequently became a Restricted Subsidiary or was merged, amalgamated or consolidated with or into the Borrower or any of its Restricted Subsidiaries since the beginning of such Test Period shall have made any Specified Transaction that would have required adjustment pursuant to this Section 1.09, then such financial ratio or test (or Total Assets) shall be calculated to give *pro forma* effect thereto in accordance with this Section 1.09.

(c) Whenever *pro forma* effect is to be given to a Specified Transaction, the *pro forma* calculations shall be made in good faith by a responsible financial or accounting officer of the Borrower and may include, for the avoidance of doubt, the amount of “run-rate” cost savings, operating expense reductions and synergies resulting from or relating to any Specified Transaction (including the Transactions) which is being given *pro forma* effect that have been realized or are expected to be realized and for which the actions necessary to realize such cost savings, operating expense reductions and synergies are taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken (in the good faith determination of the Borrower) (calculated on a *pro forma* basis as though such cost savings, operating expense reductions and synergies had been realized on the first day of such period and as if such cost savings, operating expense reductions and synergies were realized during the entirety of such period and “run-rate” means the full recurring benefit for a period that is associated with any action taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken (including any savings expected to result from the elimination of a public target’s Public Company Costs) net of the amount of actual benefits realized during such period from such actions, and any such adjustments shall be included in the initial *pro forma* calculations of any financial ratios or tests (and in respect of any subsequent *pro forma* calculations in which such Specified Transaction is given *pro forma* effect) and during any applicable subsequent Test Period in which the effects thereof are expected to be realized) relating to such Specified Transaction; *provided that* (A) such amounts are reasonably identifiable and factually supportable in the good faith judgment of the Borrower, (B) such actions are taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken no later than twenty four (24) months after the date of such Specified Transaction, and (C) no amounts shall be added pursuant to this clause (c) to the extent duplicative of any amounts that are otherwise added back in computing Consolidated EBITDA (or any other components thereof), whether through a *pro forma* adjustment or otherwise, with respect to such period.

(d) In the event that the Borrower or any Restricted Subsidiary incurs (including by assumption or guarantees) or repays (including by redemption, repayment, retirement or extinguishment) any Indebtedness (other than Indebtedness incurred or repaid under any revolving credit facility unless such Indebtedness has been permanently repaid and not replaced), (i) during the applicable Test Period or (ii) subject to paragraph (a), subsequent to the end of the applicable Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, then such financial ratio or test shall be calculated giving *pro forma* effect

to such incurrence or repayment of Indebtedness, in each case to the extent required, as if the same had occurred on the last day of the applicable Test Period (except in the case of the Consolidated Cash Interest Coverage Ratio (or similar ratio), in which case such incurrence, assumption, guarantee, redemption, repayment, retirement or extinguishment of Indebtedness will be given effect as if the same had occurred on the first day of the applicable Test Period).

(e) In connection with any action being taken solely in connection with a Limited Condition Transaction, for purposes of:

(i) determining compliance with any provision of this Agreement which requires the calculation of any financial ratio or test, including the Consolidated First Lien Net Leverage Ratio, Secured Net Leverage Ratio, Total Net Leverage Ratio and Consolidated Cash Interest Coverage Ratio (and, for the avoidance of doubt, any financial ratio set forth in Section 2.14(d)(iii)); or

(ii) testing availability under baskets set forth in this Agreement (including baskets measured as a percentage of Total Assets);

in each case, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "**LCT Election**"), the date of determination of whether any such action is permitted hereunder shall be deemed to be the date the definitive agreements for such Limited Condition Transaction are entered into (the "**LCT Test Date**"), and if, after giving Pro Forma Effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) as if they had occurred at the beginning of the most recent Test Period ending prior to the LCT Test Date, the Borrower would have been permitted to take such action on the relevant LCT Test Date in compliance with such ratio, test or basket, such ratio, test or basket shall be deemed to have been complied with. For the avoidance of doubt, if the Borrower has made an LCT Election and any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in Consolidated EBITDA or Total Assets of the Borrower or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets, tests or ratios will not be deemed to have been exceeded as a result of such fluctuations. If the Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any calculation of any ratio, test or basket availability with respect to the incurrence of Indebtedness or Liens, the making of Restricted Payments, the making of any Permitted Investment, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Borrower, the prepayment, redemption, purchase, defeasance or other satisfaction of Indebtedness, or the designation of an Unrestricted Subsidiary (a "**Subsequent Transaction**") following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement or irrevocable notice for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, for purposes of determining whether such Subsequent Transaction is permitted under this Agreement, any such ratio, test or basket shall be required to be satisfied on a Pro Forma Basis (i) assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated and (ii) assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have not been consummated.

(f) If any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date of the event for which the calculation of the Consolidated Cash Interest Coverage Ratio is made had been the applicable rate for the entire period (taking into account any interest hedging arrangements applicable to such Indebtedness); *provided*, in the case of repayment of any Indebtedness, to the extent actual interest related thereto was included during all or any portion of the applicable Test Period, the actual interest may be used for the applicable portion of such Test Period. Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a Responsible Officer of the Borrower to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a London interbank offered rate, or other rate, shall be determined to have been based upon the rate actually chosen, or if none, then based upon such optional rate chosen as the Borrower or Restricted Subsidiary may designate.

Section 1.10 Currency Generally.

For purposes of determining compliance with Sections 7.01, 7.03 and 7.06 and the definition of Permitted Investments with respect to any amount of Indebtedness or Investment in a currency other than Dollars, no Default shall be deemed to have occurred solely as a result of changes in rates of currency exchange occurring after the time such Indebtedness or Investment is incurred (so long as such Indebtedness or Investment, at the time incurred, made or acquired, was permitted hereunder).

For purposes of determining the Secured Net Leverage Ratio, the Consolidated First Lien Net Leverage Ratio, the Total Net Leverage Ratio or any other leverage-based ratio or test under this Agreement, the amount of Indebtedness shall reflect the currency translation effects, determined in accordance with GAAP, of Swap Contracts permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Dollar equivalent of such Indebtedness.

(a) Each Borrowing, each conversion of Loans from one Type to the other, and each continuation of Eurocurrency Rate Loans shall be made upon the Borrower's irrevocable notice, to the Administrative Agent (*provided* that the notices in respect of the initial Borrowings may be conditioned on the closing of the Merger), which may be given by telephone. Each such notice must be received by the Administrative Agent not later than (1) 1:00 p.m. (New York, New York time) three (3) Business Days prior to the requested date of any Borrowing or continuation of Eurocurrency Rate Loans or any conversion of Base Rate Loans to Eurocurrency Rate Loans, and (2) 12:00 noon on the requested date of any Borrowing of Base Rate Loans; *provided* that the

notice referred to in subclause (1) above may be delivered no later than one (1) Business Day prior to the Closing Date in the case of initial Borrowings. Each telephonic notice by the Borrower pursuant to this Section 2.02(a) must be confirmed promptly by delivery to the Administrative Agent of a written Committed Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower. Except as provided in Section ~~2.14~~2.14 or with respect to a Borrowing of Term B-3 Loans on the Amendment No. 2 Effective Date, each Borrowing of, conversion to or continuation of Eurocurrency Rate Loans shall be in a minimum principal amount of \$1,000,000, or a whole multiple of \$100,000 in excess thereof. Except as provided in Section 2.14, each Borrowing of or conversion to Base Rate Loans shall be in a minimum principal amount of \$500,000 or a whole multiple of \$100,000 in excess thereof. Each Committed Loan Notice (whether telephonic or written) shall specify (i) whether the Borrower is requesting a Borrowing, a conversion of Loans from one Type to the other or a continuation of Eurocurrency Rate Loans, (ii) the requested date of the Borrowing, conversion or continuation, as the case may be (which shall be a Business Day), (iii) the principal amount of Loans to be borrowed, converted or continued, (iv) the Type of Loans to be borrowed or to which existing Loans are to be converted, (v) if applicable, the duration of the Interest Period with respect thereto and (vi) wire instructions of the account(s) to which funds are to be disbursed (it being understood, for the avoidance of doubt, that the amount to be disbursed to any particular account may be less than the minimum or multiple limitations set forth above so long as the aggregate amount to be disbursed to all such accounts pursuant to such Borrowing meets such minimums and multiples). If the Borrower fails to specify a Type of Loan in a Committed Loan Notice or fails to give a timely notice requesting a conversion or continuation, then the applicable Loans shall be made as, or converted to, Base Rate Loans. Any such automatic conversion to Base Rate Loans shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurocurrency Rate Loans. If the Borrower requests a Borrowing of, conversion to, or continuation of Eurocurrency Rate Loans in any such Committed Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one (1) month.

(b) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each Lender of the amount of its Pro Rata Share or other applicable share provided for under this Agreement of the applicable Class of Loans, and if no timely notice of a conversion or continuation is provided by the Borrower, the Administrative Agent shall notify each Lender of the details of any automatic conversion to Base Rate Loans or continuation described in Section 2.02(a). In the case of each Borrowing, each Appropriate Lender shall make the amount of its Loan available to the Administrative Agent in Same Day Funds at the Administrative Agent's Office not later than the later of (i) in the case of Eurocurrency Rate Loans, 12:00 noon (New York, New York) on the Business Day specified in the applicable Committed Loan Notice and (ii) in the case of Base Rate Loans, one hour (or in the case of Borrowing of Base Rate Loans after the Closing Date where the Committed Loan Notice has been delivered on the date of the requested Borrowing, two hours) after written notice of such Borrowing is delivered by the Administrative Agent to such Lender; *provided, that*, on the Closing Date (or with respect to any Incremental Facilities, on the relevant Incremental Amendment Date), such funds may be made available at such earlier time as may be agreed among the relevant Lenders, the Borrower and the Administrative Agent for the purpose of consummating the Transactions (or, in the case of any Incremental Facilities, the relevant transactions). The Administrative Agent shall make all funds so received available to the

Borrower in like funds as received by the Administrative Agent either by (i) crediting the account(s) of the Borrower on the books of the Administrative Agent with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided by the Borrower to (and reasonably acceptable to) the Administrative Agent.

(c) Except as otherwise provided herein, a Eurocurrency Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurocurrency Rate Loan unless the Borrower pays the amount due, if any, under Section 3.05 in connection therewith. During the occurrence and continuation of an Event of Default, the Administrative Agent or the Required Lenders may require by notice to the Borrower that no Loans may be converted to or continued as Eurocurrency Rate Loans.

(d) The Administrative Agent shall promptly notify the Borrower and the Lenders of the interest rate applicable to any Interest Period for Eurocurrency Rate Loans upon determination of such interest rate. The determination of the Eurocurrency Rate by the Administrative Agent shall be conclusive in the absence of manifest error. At any time that Base Rate Loans are outstanding, the Administrative Agent shall notify the Borrower and the Lenders of any change in the Administrative Agent's prime rate used in determining the Base Rate promptly following the public announcement of such change.

(e) After giving effect to all Borrowings, all conversions of Loans from one Type to the other, and all continuations of Loans as the same Type, there shall not be more than fifteen (15) Interest Periods in effect unless otherwise agreed between the Borrower and the Administrative Agent; *provided* that after the establishment of any new Class of Loans pursuant to an Incremental Amendment, Refinancing Amendment or Extension Amendment, the number of Interest Periods otherwise permitted by this Section 2.02(e) shall increase by three (3) Interest Periods for each applicable Class so established.

(f) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing.

(g) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's Pro Rata Share or other applicable share provided for under this Agreement of such Borrowing, the Administrative Agent may assume that such Lender has made such Pro Rata Share or other applicable share provided for under this Agreement available to the Administrative Agent on the date of such Borrowing in accordance with paragraph (b) above, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available, then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, each of such Lender and the Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (i) in the case of the Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (ii) in the case of such

Lender, the Overnight Rate plus any administrative, processing, or similar fees customarily charged by the Administrative Agent in accordance with the foregoing. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this Section 2.02(g) shall be conclusive in the absence of manifest error. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

Section 2.03 [Reserved].

Section 2.04 [Reserved].

Section 2.05 Prepayments.

(a) *Optional*. (i) The Borrower may, upon notice to the Administrative Agent by the Borrower, (provided, no such notice shall be required in connection with the prepayment of the Initial Loans or Term B-2 Loans on the Amendment No. 2 Effective Date) at any time or from time to time voluntarily prepay any Class or Classes of Loans in whole or in part without premium or penalty, except as set forth in Section 2.05(a)(vi); *provided* that (1) such notice must be received by the Administrative Agent not later than 11:30 a.m. (New York City time) (A) two (2) Business Days prior to any date of prepayment of Eurocurrency Rate Loans (unless otherwise agreed by the Administrative Agent) and (B) on the date of prepayment of Base Rate Loans; (2) any prepayment of Eurocurrency Rate Loans shall be in a minimum principal amount of \$1,000,000, or a whole multiple of \$100,000 in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding; and (3) any prepayment of Base Rate Loans shall be in a minimum principal amount of \$500,000 or a whole multiple of \$100,000 in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment and the Class(es) and Type(s) of Loans to be prepaid. The Administrative Agent will promptly notify each Appropriate Lender of its receipt of each such notice, and of the amount of such Lender's Pro Rata Share or other applicable share provided for under this Agreement of such prepayment. If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Eurocurrency Rate Loan shall be, as set forth in Section 2.05(c), accompanied by all accrued interest thereon, together with any additional amounts required pursuant to Section 3.05. In the case of each prepayment of the Loans pursuant to this Section 2.05(a), the Borrower may in its sole discretion select the Borrowing or Borrowings (and the order of maturity of principal payments) to be repaid, and such payment shall be paid to the Appropriate Lenders in accordance with their respective Pro Rata Shares or other applicable share provided for under this Agreement.

(ii) [Reserved].

(iii) Notwithstanding anything to the contrary contained in this Agreement, the Borrower may rescind any notice of prepayment under Section 2.05(a)(i) if such prepayment would have resulted from a refinancing of all or a portion of the applicable Facility, which refinancing shall not be consummated or shall otherwise be delayed.

(iv) [Reserved].

(v) Notwithstanding anything in any Loan Document to the contrary, so long as no Default or Event of Default has occurred and is continuing, any Company Party may prepay the outstanding Loans (which shall, for the avoidance of doubt, be automatically and permanently canceled immediately upon such prepayment) on the following basis:

(A) Any Company Party shall have the right to make a voluntary prepayment of Loans at a discount to par pursuant to a Borrower Offer of Specified Discount Prepayment, Borrower Solicitation of Discount Range Prepayment Offers or Borrower Solicitation of Discounted Prepayment Offers (any such prepayment, the “**Discounted Loan Prepayment**”), in each case made in accordance with this Section 2.05(a)(v).

(B) (1) Any Company Party may from time to time offer to make a Discounted Loan Prepayment by providing the Auction Agent with five (5) Business Days’ notice in the form of a Specified Discount Prepayment Notice; *provided* that (I) any such offer shall be made available, at the sole discretion of the Company Party, to (x) each Lender and/or (y) each Lender with respect to any Class of Loans on an individual Class basis, (II) any such offer shall specify the aggregate principal amount offered to be prepaid (the “**Specified Discount Prepayment Amount**”) with respect to each applicable Class, the Class or Classes of Loans subject to such offer and the specific percentage discount to par (the “**Specified Discount**”) of such Loans to be prepaid (it being understood that different Specified Discounts and/or Specified Discount Prepayment Amounts may be offered with respect to different Classes of Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(a)(v)(B)), (III) the Specified Discount Prepayment Amount shall be in an aggregate amount not less than \$10,000,000 and whole increments of \$1,000,000 in excess thereof and (IV) each such offer shall remain outstanding through the Specified Discount Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Specified Discount Prepayment Notice and a form of the Specified Discount Prepayment Response to be completed and returned by each such Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., on the third Business Day after the date of delivery of such notice to such Lenders (which date may be extended for a period not exceeding three (3) Business Days upon notice by the Company Party to, and with the consent of, the Auction Agent) (the “**Specified Discount Prepayment Response Date**”).

(2) Each Lender receiving such offer shall notify the Auction Agent (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its applicable then outstanding Loans at the Specified Discount and, if so (such accepting Lender, a “**Discount Prepayment Accepting Lender**”), the amount and the Classes of such Lender’s Loans to be prepaid at such offered discount. Each acceptance of a Discounted Loan Prepayment by a Discount Prepayment Accepting Lender shall be irrevocable. Any Lender whose Specified Discount Prepayment Response is not received by the Auction Agent by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept the applicable Borrower Offer of Specified Discount Prepayment.

(3) If there is at least one (1) Discount Prepayment Accepting Lender, the relevant Company Party will make a prepayment of outstanding Loans pursuant to this paragraph (B) to each Discount Prepayment Accepting Lender on the Discounted Prepayment Effective Date in accordance with the respective outstanding amount and Classes of Loans specified in such Lender’s Specified Discount Prepayment Response given pursuant to subsection (2) above; *provided* that, if the aggregate principal amount of Loans accepted for prepayment by all Discount Prepayment Accepting Lenders exceeds the Specified Discount Prepayment Amount, such prepayment shall be made pro rata among the Discount Prepayment Accepting Lenders in accordance with the respective principal amounts accepted to be prepaid by each such Discount Prepayment Accepting Lender and the Auction Agent (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its reasonable discretion) will calculate such proration (the “**Specified Discount Proration**”). The Auction Agent shall promptly, and in any case within three (3) Business Days following the Specified Discount Prepayment Response Date, notify (I) the relevant Company Party of the respective Lenders’ responses to such offer, the Discounted Prepayment Effective Date and the aggregate principal amount of the Discounted Loan Prepayment and the Classes to be prepaid, (II) each Lender of the Discounted Prepayment Effective Date, and the aggregate principal amount and the Classes of Loans to be prepaid at the Specified Discount on such date and (III) each Discount Prepayment Accepting Lender of the Specified Discount Proration, if any, and confirmation of the principal amount, Class and Type of Loans of such Lender to be prepaid at the Specified Discount on such date. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Company Party and such Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Company Party shall be due and payable by such Company Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(C) (1) Any Company Party may from time to time solicit Discount Range Prepayment Offers by providing the Auction Agent with five (5) Business Days' notice in the form of a Discount Range Prepayment Notice; *provided* that (I) any such solicitation shall be extended, at the sole discretion of such Company Party, to (x) each Lender and/or (y) each Lender with respect to any Class of Loans on an individual Class basis, (II) any such notice shall specify the maximum aggregate principal amount of the relevant Loans (the "**Discount Range Prepayment Amount**"), the Class or Classes of Loans subject to such offer and the maximum and minimum percentage discounts to par (the "**Discount Range**") of the principal amount of such Loans with respect to each relevant Class of Loans willing to be prepaid by such Company Party (it being understood that different Discount Ranges and/or Discount Range Prepayment Amounts may be offered with respect to different Classes of Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(a)(v)(C)), (III) the Discount Range Prepayment Amount shall be in an aggregate amount not less than \$5,000,000 and whole increments of \$1,000,000 in excess thereof and (IV) each such solicitation by a Company Party shall remain outstanding through the Discount Range Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., on the third Business Day after the date of delivery of such notice to such Lenders (which date may be extended for a period not exceeding three (3) Business Days upon notice by the Company Party to, and with the consent of, the Auction Agent) (the "**Discount Range Prepayment Response Date**"). Each Lender's Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the "**Submitted Discount**") at which such Lender is willing to allow prepayment of any or all of its then outstanding Loans of the applicable Class or Classes and the maximum aggregate principal amount and Classes of such Lender's Loans (the "**Submitted Amount**") such Lender is willing to have prepaid at the Submitted Discount. Any Lender whose Discount Range Prepayment Offer is not received by the Auction Agent by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Loan Prepayment of any of its Loans at any discount to their par value within the Discount Range.

(2) The Auction Agent shall review all Discount Range Prepayment Offers received on or before the applicable Discount Range Prepayment Response Date and shall determine (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the Applicable Discount and Loans to be prepaid at such Applicable Discount in accordance with this subsection (C). The relevant Company Party agrees to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by the Auction Agent within the Discount Range by the Discount Range Prepayment Response Date, in the order

from the Submitted Discount that is the largest discount to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par within the Discount Range being referred to as the “**Applicable Discount**”) which yields a Discounted Loan Prepayment in an aggregate principal amount equal to the lower of (I) the Discount Range Prepayment Amount and (II) the sum of all Submitted Amounts. Each Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Loans equal to its Submitted Amount (subject to any required proration pursuant to the following subsection (3)) at the Applicable Discount (each such Lender, a “**Participating Lender**”).

(3) If there is at least one (1) Participating Lender, the relevant Company Party will prepay the respective outstanding Loans of each Participating Lender on the Discounted Prepayment Effective Date in the aggregate principal amount and of the Classes specified in such Lender’s Discount Range Prepayment Offer at the Applicable Discount; *provided* that if the Submitted Amount by all Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount, prepayment of the principal amount of the relevant Loans for those Participating Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the “**Identified Participating Lenders**”) shall be made pro rata among the Identified Participating Lenders in accordance with the Submitted Amount of each such Identified Participating Lender and the Auction Agent (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “**Discount Range Proration**”). The Auction Agent shall promptly, and in any case within five (5) Business Days following the Discount Range Prepayment Response Date, notify (I) the relevant Company Party of the respective Lenders’ responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount of the Discounted Loan Prepayment and the Classes to be prepaid, (II) each Lender of the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount and Classes of Loans to be prepaid at the Applicable Discount on such date, (III) each Participating Lender of the aggregate principal amount and Classes of such Lender to be prepaid at the Applicable Discount on such date, and (IV) if applicable, each Identified Participating Lender of the Discount Range Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the relevant Company Party and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Company Party shall be due and payable by such Company Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(D) (1) Any Company Party may from time to time solicit Solicited Discounted Prepayment Offers by providing the Auction Agent with five (5) Business Days' notice in the form of a Solicited Discounted Prepayment Notice; *provided* that (I) any such solicitation shall be extended, at the sole discretion of such Company Party, to (x) each Lender and/or (y) each Lender with respect to any Class of Loans on an individual Class basis, (II) any such notice shall specify the maximum aggregate amount of the Loans (the "**Solicited Discounted Prepayment Amount**") and the Class or Classes of Loans the applicable Company Party is willing to prepay at a discount (it being understood that different Solicited Discounted Prepayment Amounts may be offered with respect to different Classes of Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(a)(v)(D)), (III) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than \$5,000,000 and whole increments of \$1,000,000 in excess thereof and (IV) each such solicitation by a Company Party shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., on the third Business Day after the date of delivery of such notice to such Lenders (which date may be extended for a period not exceeding three (3) Business Days upon notice by the Company Party to the Auction Agent) (the "**Solicited Discounted Prepayment Response Date**"). Each Lender's Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date, and (z) specify both a discount to par (the "**Offered Discount**") at which such Lender is willing to allow prepayment of its then outstanding Loan and the maximum aggregate principal amount and Classes of such Loans (the "**Offered Amount**") such Lender is willing to have prepaid at the Offered Discount. Any Lender whose Solicited Discounted Prepayment Offer is not received by the Auction Agent by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Loans at any discount.

(2) The Auction Agent shall promptly provide the relevant Company Party with a copy of all Solicited Discounted Prepayment Offers received on or before the Solicited Discounted Prepayment Response Date. Such Company Party shall review all such Solicited Discounted Prepayment Offers and select the smallest of the Offered Discounts specified by the relevant responding Lenders in the Solicited Discounted Prepayment Offers that is acceptable to the Company Party in its sole discretion (the "**Acceptable Discount**"), if any. If the Company Party elects, in its sole discretion, to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of

the Acceptable Discount, but in no event later than by the third Business Day after the date of receipt by such Company Party from the Auction Agent of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this subsection (2) (the “**Acceptance Date**”), the Company Party shall submit an Acceptance and Prepayment Notice to the Auction Agent setting forth the Acceptable Discount. If the Auction Agent shall fail to receive an Acceptance and Prepayment Notice from the Company Party by the Acceptance Date, such Company Party shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(3) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, within three (3) Business Days after receipt of an Acceptance and Prepayment Notice (the “**Discounted Prepayment Determination Date**”), the Auction Agent will determine (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the aggregate principal amount and the Classes of Loans (the “**Acceptable Prepayment Amount**”) to be prepaid by the relevant Company Party at the Acceptable Discount in accordance with this Section 2.05(a)(v)(D). If the Company Party elects to accept any Acceptable Discount, then the Company Party agrees to accept all Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Lender that has submitted a Solicited Discounted Prepayment Offer with an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Loans equal to its Offered Amount (subject to any required pro-rata reduction pursuant to the following sentence) at the Acceptable Discount (each such Lender, a “**Qualifying Lender**”). The Company Party will prepay outstanding Loans pursuant to this subsection (D) to each Qualifying Lender in the aggregate principal amount and of the Classes specified in such Lender’s Solicited Discounted Prepayment Offer at the Acceptable Discount; *provided* that if the aggregate Offered Amount by all Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the principal amount of the Loans for those Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the “**Identified Qualifying Lenders**”) shall be made pro rata among the Identified Qualifying Lenders in accordance with the Offered Amount of each such Identified Qualifying Lender and the Auction Agent (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “**Solicited Discount Proration**”). On or prior to the Discounted Prepayment Determination

Date, the Auction Agent shall promptly notify (I) the relevant Company Party of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Loan Prepayment and the Classes to be prepaid, (II) each Lender of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Loans and the Classes to be prepaid at the Applicable Discount on such date, (III) each Qualifying Lender of the aggregate principal amount and the Classes of such Lender to be prepaid at the Acceptable Discount on such date, and (IV) if applicable, each Identified Qualifying Lender of the Solicited Discount Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to such Company Party and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to such Company Party shall be due and payable by such Company Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(E) In connection with any Discounted Loan Prepayment, the Company Parties and the Lenders acknowledge and agree that the Auction Agent may require as a condition to any Discounted Loan Prepayment, the payment of customary and documented fees and out-of-pocket expenses from a Company Party in connection therewith.

(F) If any Loan is prepaid in accordance with paragraphs (B) through (D) above, a Company Party shall prepay such Loans on the Discounted Prepayment Effective Date without premium or penalty, except as set forth in Section 2.05(a)(vi). The relevant Company Party shall make such prepayment to the Administrative Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, at the Administrative Agent's Office in immediately available funds not later than 1:00 p.m. on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the principal amount due at maturity of the relevant Class of Loans pursuant to Section 2.07. The Loans so prepaid shall be, as set forth in Section 2.05(c), accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Loans pursuant to this Section 2.05(a)(v) shall be paid to the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, and shall be applied to the relevant Loans of such Lenders in accordance with their respective Pro Rata Share or other applicable share hereunder. The aggregate principal amount of the Classes and installments of the relevant Loans outstanding shall be deemed reduced by the full par value of the aggregate principal amount of the Classes of Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Loan Prepayment. In connection with each prepayment pursuant to this Section 2.05(a)(v), the relevant Company Party shall waive any right to bring any action against the Administrative Agent, in its capacity as such, in connection with any such Discounted Loan Prepayment. In connection with each prepayment pursuant

to this Section 2.05(a)(v), the relevant Company Party shall (a) make a representation to the Lenders and the Administrative Agent that it does not possess material non-public information with respect to Holdings and its Subsidiaries or the securities of any of them that has not been disclosed to the Lenders generally (other than Lenders who elect not to receive such information) or shall make a statement that such representation cannot be made and (b) waive any right to bring any action against the Administrative Agent, in its capacity as such, in connection with any such Discounted Loan Prepayment.

(G) To the extent not expressly provided for herein, each Discounted Loan Prepayment shall be consummated pursuant to procedures consistent with the provisions in this Section 2.05(a)(v), established by the Auction Agent acting in its reasonable discretion and as reasonably agreed by the applicable Company Party.

(H) Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 2.05(a)(v), each notice or other communication required to be delivered or otherwise provided to the Auction Agent (or its delegate) shall be deemed to have been given upon the Auction Agent's (or its delegate's) actual receipt during normal business hours of such notice or communication; *provided* that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next Business Day.

(I) Each of the Company Parties and the Lenders acknowledge and agree that the Auction Agent may perform any and all of its duties under this Section 2.05(a)(v) by itself or through any Affiliate of the Auction Agent and expressly consents to any such delegation of duties by the Auction Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions pursuant to this Agreement shall apply to each Affiliate of the Auction Agent and its respective activities in connection with any Discounted Loan Prepayment provided for in this Section 2.05(a)(v) as well as activities of the Auction Agent.

(J) Each Company Party shall have the right, by written notice to the Auction Agent, to revoke or modify its offer to make a Discounted Loan Prepayment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount Prepayment Response Date (and if such offer is revoked pursuant to the preceding clauses, any failure by such Company Party to make any prepayment to a Lender, as applicable, pursuant to this Section 2.05(a)(v) shall not constitute a Default or Event of Default under Section 8.01 or otherwise).

(vi) If any ~~Initial Loans or~~ Term B-~~23~~ Loans are voluntarily prepaid pursuant to Section 2.05(a)(i) or mandatorily prepaid pursuant to Section 2.05(b)(iii) or (iv), such prepayments shall be made at (x) ~~101%~~ 100% of the principal amount thereof plus the Make Whole Premium if such prepayment occurs before the first anniversary of the Amendment No. 2 Effective Date, (y) 102% of the aggregate principal amount of ~~Initial Loans and~~ Term B-~~23~~ Loans prepaid if such prepayment occurs on or after the first anniversary of the Amendment No. 2 Effective Date but before the ~~first~~second anniversary of the Amendment No. ~~1~~ 2 Effective Date and (z) 101% of the aggregate principal amount of Term B-3 Loans prepaid if such prepayment occurs on or after the second anniversary of the Amendment No. 2 Effective Date but prior to the third anniversary of the Amendment No. 2 Effective Date. If, prior to the ~~first~~third anniversary of the Amendment No. ~~1~~ 2 Effective Date, any Lender that is a Non-Consenting Lender is replaced pursuant to Section 3.07 in connection with any amendment, amendment and restatement or other modification of this Agreement, ~~the primary purpose of which is to reduce the All-In Yield applicable to the Loans (other than any amendment, amendment and restatement or other modification effecting a reduction of the All-In Yield applicable to the Loans in connection with any Qualified IPO, Permitted Acquisition or transaction that would result in a Change of Control) that in any such case would lower or postpone the payment of the premium referred to in the immediately preceding sentence,~~ such Lender (and not any Person who replaces such Lender pursuant to Section 3.07) shall receive its portion (as determined immediately prior to it being so replaced) of the prepayment premium or fee described in the preceding sentence as if the Loans held by such Lender were voluntarily prepaid. Any amounts due to any Lender pursuant to this clause (vi) shall be due and payable on the date of such voluntary prepayment or effectiveness of such amendment for which such Lender was a Non-Consenting Lender, as applicable.

(b) *Mandatory.* (i) Subject to clause (ix) of this Section 2.05(b), within five (5) Business Days after financial statements have been delivered pursuant to Section 6.01(a) (commencing with the fiscal year ended December 31, 2015) and the related Compliance Certificate has been delivered pursuant to Section 6.02(a), the Borrower shall, subject to clause (b)(vii) of this Section 2.05, cause to be prepaid an aggregate principal amount of Loans in an amount equal to (A) the Applicable ECF Percentage of Excess Cash Flow, if any, for the Excess Cash Flow Period then ended minus (B) the sum of (1) all voluntary prepayments of (x) First Lien Term Loans, First Lien Incremental Equivalent Debt and First Lien Refinancing Equivalent Debt secured on a *pari passu* or senior basis with the ~~Initial~~Term B-3 Loans, (y) ~~Initial~~Term B-3 Loans and (z) Loans, Incremental Equivalent Debt and Refinancing Equivalent Debt, in each case in this clause (z), required to be secured by the Collateral on a *pari passu* basis with the ~~Initial~~Term B-3 Loans, during such Excess Cash Flow Period or after the end of such Excess Cash Flow Period and prior to when such Excess Cash Flow prepayment is due (limited in the case of any voluntary prepayments made pursuant to Section 2.05(a)(v) and Section 2.05(a)(v) of the First Lien Credit Agreement to the discounted amount actually paid in respect of the principal amount of such Loans and First Lien Term Loans (as opposed to the face amount so prepaid)) and (2) all voluntary prepayments of First Lien Revolving Credit Loans or First Lien Incremental Revolving Loans during such Excess Cash Flow Period or after the end of such Excess Cash Flow Period and prior to when such Excess Cash Flow prepayment is due, to the extent the First Lien Revolving Credit Commitments or First Lien Incremental Revolving Commitments, as applicable, are permanently reduced by the amount of such payments and in the case of each of the immediately preceding clauses (1) and (2) to the extent such prepayments are funded with Internally Generated Cash.

(ii) Subject to clause (ix) of this Section 2.05(b), if (1) the Borrower or any Restricted Subsidiary of the Borrower Disposes of any property or assets (other than any Disposition of any property or assets permitted by Section 7.05(a), (b), (c), (d), (e), (g), (h), (i), (k), (l), (m), (n), (o), (p), (q), (s) or (t); *provided*, that, in the case of Section 7.05(t), immediately after giving effect to such Sale Leaseback and the application of the proceeds (if any) therefrom, (A) no Event of Default shall have occurred and be continuing and (B) the Total Net Leverage Ratio on a Pro Forma Basis is not greater than 6.50:1.00) or (2) any Casualty Event occurs, which results in the realization or receipt by the Borrower or Restricted Subsidiary of Net Proceeds, the Borrower shall cause to be prepaid on or prior to the date which is ten (10) Business Days after the date of the realization or receipt by the Borrower or any Restricted Subsidiary of such Net Proceeds, subject to clause (b)(vii) of this Section 2.05, an aggregate principal amount of Loans in an amount equal to 100% of all such Net Proceeds received; *provided* that if at the time that any such prepayment would be required, the Borrower (or any Restricted Subsidiary) is required to offer to repurchase Permitted Pari Passu Secured Refinancing Debt (or any Permitted Refinancing thereof that is secured on a *pari passu* basis with the Obligations under Initial Loans and other Loans required to be secured on a *pari passu* basis with the Initial Loans) pursuant to the terms of the documentation governing such Indebtedness with the net proceeds of such Disposition or Casualty Event (such Permitted Pari Passu Secured Refinancing Debt (or Permitted Refinancing thereof) required to be offered to be so repurchased, “**Other Applicable Indebtedness**”), then the Borrower may apply such Net Proceeds on a pro rata basis (determined on the basis of the aggregate outstanding principal amount of the Loans and Other Applicable Indebtedness at such time; *provided* that the portion of such net proceeds allocated to the Other Applicable Indebtedness shall not exceed the amount of such net proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of such net proceeds shall be allocated to the Loans in accordance with the terms hereof) to the prepayment of the Loans and to the repurchase or prepayment of Other Applicable Indebtedness, and the amount of prepayment of the Loans that would have otherwise been required pursuant to this Section 2.05(b)(ii) shall be reduced accordingly; *provided, further*, that to the extent the holders of Other Applicable Indebtedness decline to have such indebtedness repurchased or prepaid, the declined amount shall promptly (and in any event within ten (10) Business Days after the date of such rejection) be applied to prepay the Loans in accordance with the terms hereof.

(iii) Subject to clause (ix) of this Section 2.05(b), if the Borrower or any Restricted Subsidiary incurs or issues any Indebtedness after the Closing Date not permitted to be incurred or issued pursuant to Section 7.03, the Borrower shall cause to be prepaid an aggregate principal amount of Loans in an amount equal to 100% of all Net Proceeds received therefrom on or prior to the date which is five (5) Business Days after the receipt by the Borrower or such Restricted Subsidiary of such Net Proceeds.

(iv) If the Borrower incurs or issues any Refinancing Loans (or Refinancing Equivalent Debt) resulting in Net Proceeds (as opposed to such Refinancing Loans or Refinancing Equivalent Debt arising out of an exchange of existing Loans for such Refinancing Loans or Refinancing Equivalent Debt), the Borrower shall cause to be prepaid an aggregate principal amount of Loans in an amount equal to 100% of all Net Proceeds received therefrom on or prior to the date which is five (5) Business Days after the receipt by the Borrower of such Net Proceeds.

(v) [Reserved].

(vi) Each prepayment of Loans pursuant to Section 2.05(b) (A) shall be applied either (x) ratably to each Class of Loans then outstanding or (y) as requested by the Borrower in the notice delivered pursuant to clause (vii) below, to any Class or Classes of Loans with a Maturity Date preceding the Maturity Date of the remaining Classes of Loans then outstanding, (B) [reserved] and (C) shall be paid to the Appropriate Lenders in accordance with their respective Pro Rata Share (or other applicable share provided by this Agreement) of each such Class of Loans, subject to clause (vii) of this Section 2.05(b). Notwithstanding clause (A) above, (1) in the case of prepayments pursuant to Section 2.05(b)(iv), such prepayment shall be applied in accordance with this clause (vi) solely to those applicable Classes of Loans selected by the Borrower and specified in the applicable Refinancing Amendment or notice (i.e., the applicable Refinanced Debt or Refinanced Loans) and (2) any Incremental Amendment, Refinancing Amendment or Extension Amendment may provide (including on an optional basis as elected by the Borrower) for a less than ratable application of prepayments to any Class of Loans established thereunder.

(vii) The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Loans required to be made by the Borrower pursuant to clauses (i) through (iv) of this Section 2.05(b) at least two (2) Business Days prior to the date of such prepayment (unless otherwise agreed by the Administrative Agent). Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the aggregate amount of such prepayment to be made by the Borrower. The Administrative Agent will promptly notify each Appropriate Lender of the contents of the Borrower's prepayment notice and of such Appropriate Lender's Pro Rata Share of the prepayment. Each Lender may reject all or a portion of its Pro Rata Share of any mandatory prepayment (such declined amounts, the "**Declined Proceeds**") of Loans required to be made pursuant to clauses (i), (ii) and (iii) of this Section 2.05(b) by providing written notice (each, a "**Rejection Notice**") to the Administrative Agent and the Borrower no later than 5:00 p.m. one (1) Business Day after the date of such Lender's receipt of notice from the Administrative Agent regarding such prepayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Loans to be rejected by such Lender. If a Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Loans. Any Declined Proceeds shall be offered to the Lenders not so declining such prepayment on a pro rata basis in accordance with the amounts of the Loans of such Lender (with such non-declining Lenders having the right to decline any prepayment with Declined Proceeds at the time and in the manner specified by the Administrative Agent). To the extent such non-declining Lenders elect to decline their Pro Rata Share of such Declined Proceeds, any Declined Proceeds remaining thereafter shall be retained by the Borrower (such remaining Declined Proceeds, the "**Borrower Retained Prepayment Amounts**").

(viii) Notwithstanding any other provisions of this Section 2.05, (i) to the extent that any of or all the Net Proceeds of any Disposition by a Foreign Subsidiary (“**Foreign Disposition**”), the Net Proceeds of any Casualty Event from a Foreign Subsidiary (a “**Foreign Casualty Event**”) or Excess Cash Flow attributable to Foreign Subsidiaries are prohibited or delayed by applicable local law from being repatriated to the United States, the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Loans at the times provided in this Section 2.05(b) but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Borrower hereby agreeing to use commercially reasonable efforts to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Proceeds or Excess Cash Flow is permitted under the applicable local law, such repatriation will be promptly effected and an amount equal to such repatriated Net Proceeds or Excess Cash Flow will be promptly (and in any event not later than five (5) Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Loans pursuant to this Section 2.05(b) to the extent provided herein and (ii) to the extent that the Borrower has determined in good faith that repatriation of any of or all the Net Proceeds of any Foreign Disposition or any Foreign Casualty Event or Excess Cash Flow attributable to Foreign Subsidiaries would have material adverse tax consequences (as determined in good faith by the Borrower) with respect to such Net Proceeds or Excess Cash Flow, such Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Loans at the times provided in this Section 2.05(b) but may be retained by the applicable Foreign Subsidiary.

(ix) Notwithstanding anything in this Section 2.05 to the contrary, the Borrower shall not be required to make any mandatory prepayment pursuant to this Section 2.05(b) (other than pursuant to Section 2.05 (b)(iv)) (i) if such prepayment is prohibited by the Second Lien Intercreditor Agreement or (ii) prior to the First Lien Termination Date, except to the extent of, and not to exceed, the amount of Net Proceeds or Excess Cash Flow, as the case may be, consisting of amounts declined by (A) the First Lien Lenders pursuant to Section 2.05(b)(vii) of the First Lien Credit Agreement, (B) the holders of any First Lien Incremental Equivalent Debt or First Lien Refinancing Equivalent Debt, in each case, constituting First Lien Obligations, or pursuant to equivalent provisions of the credit documentation governing such First Lien Incremental Equivalent Debt or First Lien Refinancing Equivalent Debt or (C) the holders of any Permitted Refinancing of Indebtedness described under the foregoing clause (A) or (B), in each case, constituting First Lien Obligations pursuant to equivalent provisions of the credit documentation governing such Permitted Refinancing, which shall in each case be required to be applied as a mandatory prepayment hereunder (to the extent otherwise required herein) in an amount equal to the amounts so declined.

(c) *Interest Funding Losses, Etc.* (i) Except to the extent otherwise agreed by each Lender so being prepaid, all prepayments of Loans shall be accompanied by all accrued and unpaid interest thereon through but not including the date of such prepayment (which, in the case of prepayments pursuant to Section 2.05(a)(v)(F) shall be the accrued and unpaid interest on the principal amount so prepaid up to, but not including, the applicable Discounted Prepayment Effective Date), together with, in the case of any such prepayment of a Eurocurrency Rate Loan on a date prior to the last day of an Interest Period therefor, any amounts owing in respect of such Eurocurrency Rate Loan pursuant to Section 3.05.

(ii) So long as no Event of Default shall have occurred and be continuing, if any prepayment of Eurocurrency Rate Loans is required to be made under this Section 2.05 (but excluding prepayments required under Section 2.05(b)(iv)), prior to the last day of the Interest Period therefor, in lieu of making any payment pursuant to this Section 2.05 in respect of any such Eurocurrency Rate Loan prior to the last day of the Interest Period therefor, the Borrower may, in its sole discretion, deposit an amount sufficient to make any such prepayment otherwise required to be made thereunder together with accrued interest to the last day of such Interest Period into a Cash Collateral Account until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.05. Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with the relevant provisions of this Section 2.05. Such deposit shall be deemed to be a prepayment of such Loans by the Borrower for all purposes under this Agreement.

Section 2.06 Termination of Commitments.

The ~~Initial Commitment of each~~commitment of the Additional Term B-3 Lender to make Term B-3 Loans shall be ~~automatically and permanently reduced to \$0~~terminated upon the funding making of ~~Initial Loans to be made by it on the Closing Date.~~ Term B-3 Loans pursuant to Section 2.01. The Commitment of each Lender under an Incremental Facility, Refinancing Facility or Extension Series shall be automatically and permanently reduced to \$0 upon the funding of Loans to be made by it on the date set forth in the corresponding Incremental Amendment, Refinancing Amendment or Extension Amendment.

Section 2.07 Repayment of Loans.

The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders on the Maturity Date for any Class of Loans the aggregate principal amount of all Loans of such Class outstanding on such date.

Section 2.08 Interest.

(a) Subject to the provisions of Section 2.08(b), (i) each Eurocurrency Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Eurocurrency Rate for such Interest Period plus the Applicable Rate; and (ii) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate.

(b) During the continuance of a Default under Section 8.01(a), the Borrower shall pay interest on past due amounts owing by it hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws; *provided* that no interest at the Default Rate shall accrue or be payable to a Defaulting Lender so long as such Lender shall be a Defaulting Lender. Accrued and unpaid interest on such amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

Section 2.09 Fees.

(a) *Other Fees.* The Borrower shall pay to the Agents such fees as shall have been separately agreed upon in writing (including without limitation pursuant to the Fee Letter) in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrower and the applicable Agent).

(b) Upfront and Closing Fees. The Borrower agrees to pay on the Closing Amendment No. 2 Effective Date to each Term B-3 Lender party to this Agreement on the Closing Amendment No. 2 Effective Date, as fee compensation for the funding of such Lender's Term B-3 Loan or conversion of such Lender's Initial Loan, a closing or Term B-2 Loan into a Term B-3 Loan an upfront fee (the "Closing Upfront Fee") in an amount equal to ~~0.50~~3.00 % of the stated principal amount of such Lender's Initial Term B-3 Loan made on the Closing Date. Such Closing Upfront Fee will be in all respects fully earned, due and payable on the Closing Amendment No. 2 Effective Date and be non-refundable and non-creditable thereafter and ~~such Closing, in the case of the Term B-3 Loans of the Additional Term B-3 Lender, such Upfront~~ Fee shall be netted against Term Loans made by such Additional Term B-3 Lender on the Closing Date Amendment No. 2 Effective Date. The Closing Fee (as defined herein immediately prior to the Amendment No. 2 Effective Date) shall continue to be non-refundable and non-creditable.

Section 2.10 Computation of Interest and Fees.

All computations of interest for Base Rate Loans (including Base Rate Loans determined by reference to the Eurocurrency Rate or the prime rate) shall be made on the basis of a year of three hundred and sixty-five (365) days, or three hundred and sixty-six (366) days, as applicable, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a three hundred and sixty (360) day year and actual days elapsed. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; *provided* that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one

(1) day. In computing interest on any Loan, the day such Loan is made or converted to a Loan of a different Type shall be included and the date such Loan is repaid or converted to a Loan of a different type, as the case may be, shall be excluded. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 2.11 Evidence of Indebtedness.

(a) The Loans made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulation Section 5f.103-1(c), as agent for the Borrower, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be prima facie evidence absent manifest error of the amount of the Loans made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) Entries made in good faith by the Administrative Agent in the Register pursuant to Section 2.11(a), and by each Lender in its account or accounts pursuant to Section 2.11(a), shall be *prima facie* evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement and the other Loan Documents, absent manifest error; *provided* that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrower under this Agreement and the other Loan Documents.

Section 2.12 Payments Generally.

(a) All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office in Dollars and in Same Day Funds not later than 2:00 p.m. on the date specified herein. The Administrative Agent will promptly distribute to each Appropriate Lender its Pro Rata Share (or other applicable share provided for under this Agreement) of such payment in like funds as received by wire transfer to such Lender's applicable Lending Office. All payments received by the Administrative Agent after 2:00 p.m. shall in each case be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue.

(b) If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be; *provided* that, if such extension would cause payment of interest on or principal of Eurocurrency Rate Loans to be made in the next succeeding calendar month, such payment shall be made on the immediately preceding Business Day.

(c) Unless the Borrower or any Lender has notified the Administrative Agent, prior to the date any payment is required to be made by it to the Administrative Agent hereunder, that the Borrower or such Lender, as the case may be, will not make such payment, the Administrative Agent may assume that the Borrower or such Lender, as the case may be, has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to the Person entitled thereto. If and to the extent that such payment was not in fact made to the Administrative Agent in Same Day Funds, then:

(i) if the Borrower failed to make such payment, each Lender shall forthwith on demand repay to the Administrative Agent the portion of such assumed payment that was made available to such Lender in Same Day Funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender to the date such amount is repaid to the Administrative Agent in Same Day Funds at the Overnight Rate from time to time in effect; and

(ii) if any Lender failed to make such payment, such Lender shall forthwith on demand pay to the Administrative Agent the amount thereof in Same Day Funds, together with interest thereon for the period from the date such amount was made available by the Administrative Agent to the Borrower to the date such amount is recovered by the Administrative Agent (the "**Compensation Period**") at a rate per annum equal to the Overnight Rate from time to time in effect. When such Lender makes payment to the Administrative Agent (together with all accrued interest thereon), then such payment amount (excluding the amount of any interest which may have accrued and been paid in respect of such late payment) shall constitute such Lender's Loan included in the applicable Borrowing. If such Lender does not pay such amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent may make a demand therefor upon the Borrower, and the Borrower shall pay such amount to the Administrative Agent, together with interest thereon for the Compensation Period at a rate per annum equal to the rate of interest applicable to the applicable Borrowing. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrower may have against any Lender as a result of any default by such Lender hereunder.

A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this Section 2.12(c) shall be conclusive, absent manifest error.

(d) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Borrowing set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(e) The obligations of the Lenders hereunder to make Loans are several and not joint. The failure of any Lender to make any Loan or to fund any such participation on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or purchase its participation.

(f) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(g) Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and the Lenders under or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the order of priority set forth in Section 8.03. If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may (to the fullest extent permitted by mandatory provisions of applicable Law), but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the Outstanding Amount of all Loans outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

Section 2.13 Sharing of Payments.

If, other than as expressly provided elsewhere herein or required by court order, any Lender shall obtain payment in respect of any principal or interest on account of the Loans made by it, any payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (a) notify the Administrative Agent of such fact, and (b) purchase from the other Lenders such participations in the Loans made by them as shall be necessary to cause such purchasing Lender to share the excess payment in respect of any principal or interest on such Loans or such participations, as the case may be, pro rata with each of them; provided that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount

so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. For the avoidance of doubt, the provisions of this paragraph shall not be construed to apply to (A) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement as in effect from time to time (including the application of funds arising from the existence of a Defaulting Lender) or (B) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant permitted hereunder. The Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by applicable Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.09) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.13 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased. For purposes of subclause (v)(a) of the definition of Indemnified Taxes, a Lender that acquires a participation pursuant to this Section 2.13 shall be treated as having acquired such participation on the earlier date(s) on which such Lender acquired the applicable interest(s) in the Commitment(s) and/or Loan(s) to which such participation relates.

Section 2.14 Incremental Loans.

(a) *Incremental Commitments.* The Borrower may at any time or from time to time after the Closing Date, by notice to the Administrative Agent (an “**Incremental Loan Request**”), request one or more new commitments which may be of the same Class as any outstanding Loans (a “**Loan Increase**”) or a new Class of term loans (collectively with any Loan Increase, the “**Incremental Commitments**”), whereupon the Administrative Agent shall promptly deliver a copy to each of the Lenders.

(b) *Incremental Loans.* On the applicable date (each, an “**Incremental Facility Closing Date**”) specified in any Incremental Amendment (including through any Loan Increase), subject to the satisfaction of the terms and conditions in this Section 2.14, (i) each Incremental Lender of such Class shall make a Loan to the Borrower (an “**Incremental Loan**”) in an amount equal to its Incremental Commitment of such Class and (ii) each Incremental Lender of such Class shall become a Lender hereunder with respect to the Incremental Commitment of such Class and the Incremental Loans of such Class made pursuant thereto.

(c) *Incremental Loan Request.* Each Incremental Loan Request from the Borrower pursuant to this Section 2.14 shall set forth the requested amount and proposed terms of the relevant Incremental Loans. Incremental Loans may be made by any existing Lender (but no existing Lender will have an obligation to make any Incremental Commitment, nor will the Borrower have any obligation to approach any existing Lender to provide any Incremental Commitment) or by any Additional Lender (each such existing Lender or Additional Lender providing such Commitment or Loan, an “**Incremental Lender**” and, collectively, the

“Incremental Lenders”); provided that (i) the Administrative Agent shall have consented (not to be unreasonably withheld or delayed) to such Additional Lender’s making such Incremental Loans to the extent such consent, if any, would be required under Section 10.07(b) for an assignment of Loans to such Lender or Additional Lender and (ii) any Affiliated Lender providing an Incremental Commitment shall be subject to the same restrictions set forth in Section 10.07(k) as they would otherwise be subject to with respect to any purchase by or assignment to such Affiliated Lender of Loans.

(d) *Effectiveness of Incremental Amendment.* The effectiveness of any Incremental Amendment, and the Incremental Commitments thereunder, shall be subject to the satisfaction on the applicable date (which shall be no earlier than the date of such Incremental Amendment) specified therein (the “Incremental Amendment Date”) of each of the following conditions, together with any other conditions set forth in the Incremental Amendment:

(i) after giving effect to such Incremental Commitments, the conditions of Section 4.02 shall be satisfied (it being understood that all references to “the date of such Borrowing” or similar language in such Section 4.02 shall be deemed to refer to the Incremental Amendment Date); provided, that such Incremental Amendment may include a waiver by the Incremental Lenders party thereto of the condition set forth in Section 4.02(iii) and, in connection with any Incremental Commitment, the primary purpose of which is to finance a Permitted Acquisition, a waiver in full or in part of the conditions set forth in clauses (i) and (ii) (other than with respect to any Event of Default under Section 8.01(a) or (f)) of Section 4.02;

(ii) each Incremental Commitment shall be in an aggregate principal amount that is not less than \$10,000,000 and shall be in an increment of \$1,000,000 (provided that such amount may be less than \$10,000,000 if such amount represents all remaining availability under the limit set forth in Section 2.14(d)(iii));

(iii) (A) after giving Pro Forma Effect to both (x) the making of Incremental Loans (assuming a borrowing of the maximum amount of Loans available thereunder) under such Incremental Amendment and (y) any Specified Transactions consummated in connection therewith, (1) if such Incremental Loans are secured, the Secured Net Leverage Ratio does not exceed ~~6.25~~4.20:1.00 or (2) if such Incremental Loans are unsecured, the Total Net Leverage Ratio does not exceed ~~6.25~~4.20:1.00 or (B) together with the Incremental Loans made under such Incremental Amendment, the aggregate principal amount of Incremental Loans made under this clause (B) (plus the First Lien Incremental Usage Amount and Incremental Equivalent Debt incurred in reliance on clause (i)(B) of Section 2.14(h)) does not exceed ~~(i) \$85,000,000 (provided, that such amount shall not be reduced by the Term B-2 Loans, Additional Commitments (as defined in First Lien Credit Agreement Amendment No. 1) or the 2016 First Lien Incremental Loan (as defined in Amendment No. 1)),~~ following the Amendment No. 2 Effective Date, (i) \$42,600,000 plus (ii) the principal amount of any voluntary prepayments of Loans following the Amendment No. 2 Effective Date (to the extent not made with the proceeds of Indebtedness (other than the incurrence of First Lien Revolving Credit Loans or extensions of credit under any other revolving credit or similar facility) plus (iii) in the case of any Incremental Commitment established after the

Amendment No. 2 Effective Date that effectively extends the Maturity Date or any other maturity date with respect to any Class of Loans or Commitments hereunder, an amount equal to the portion of the relevant Class of Loans or Commitments that will be replaced by such Incremental Commitments *provided, that*, it is understood that Incremental Loans may be incurred under either clause (A) or clause (B) as selected by the Borrower in its sole discretion, including by designating any portion of Incremental Commitments in excess of an amount permitted to be incurred under clause (A) at the time of such incurrence as incurred under clause (B)); and

(iv) to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of (A) customary legal opinions, board resolutions and officers' certificates consistent with those delivered on the Closing Date (conformed as appropriate) other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Administrative Agent and (B) reaffirmation agreements and/or such amendments to the Collateral Documents as may be reasonably requested by the Administrative Agent in order to ensure that such Incremental Lenders are provided with the benefit of the applicable Loan Documents.

(e) *Required Terms*. The terms, provisions and documentation of the Incremental Loans of any Class shall be as agreed between the Borrower and the applicable Incremental Lenders providing such Incremental Commitments, and except as otherwise set forth herein, to the extent not identical to any Class of Loans, each existing on the Incremental Facility Closing Date, shall be consistent with clauses (i) through (iii) below, as applicable, and otherwise reasonably satisfactory to the Administrative Agent; *provided* that in the case of a Loan Increase, the terms, provisions and documentation of such Loan Increase shall be identical (other than with respect to upfront fees, OID or similar fees) to the applicable Class of Loans being increased, in each case, as existing on the Incremental Facility Closing Date. In any event:

(i) the Incremental Loans:

(A) (I) shall rank *pari passu* or junior in right of payment with the Obligations under Loans that are senior in right of payment and (II) shall be secured by the Collateral and shall rank *pari passu* or junior in right of security with the Obligations under Initial Loans and other Loans required to be secured on a *pari passu* basis with the Initial Loans (and, if applicable, subject to a Subordination Agreement (if subject to payment subordination) and/or a Third Lien Intercreditor Agreement (if subject to lien subordination) (or, alternatively, terms in the Incremental Amendment substantially similar to those in such applicable agreement, as agreed by the Borrower and Administrative Agent) or other lien subordination and intercreditor arrangement satisfactory to the Borrower and the Administrative Agent) or unsecured,

(B) as of the Incremental Amendment Date, shall not have a final scheduled maturity date earlier than the Maturity Date of the ~~Initial~~ Term B-3 Loans or any Extended Term Loans as to which the ~~Initial~~ Term B-3 Loans were the Existing Term Loan Tranche,

(C) as of the Incremental Amendment Date, shall have a Weighted Average Life to Maturity not shorter than the remaining Weighted Average Life to Maturity of the ~~Initial~~Term B-3 Loans,

(D) shall have an Applicable Rate, and subject to clauses (e)(i)(B) and (e)(i)(C) above, amortization determined by the Borrower and the applicable Incremental Lenders; *provided* the Applicable Rate and amortization for a Loan Increase shall be the Applicable Rate and amortization for the Class being increased,

(E) shall have fees determined by the Borrower and the applicable Incremental Loan arranger(s), and

(F) may participate on a pro rata basis or less than pro rata basis (but not on a greater than pro rata basis (except for prepayments pursuant to Section 2.05(b)(iv) and Section 2.05(b)(vi)(A)(y) or any voluntary prepayments of any Class of Loans with an earlier Maturity Date than any other Classes of Loans)) in any voluntary or mandatory prepayments of Loans hereunder;

(ii) [Reserved]; and

(iii) the All-In Yield applicable to the Incremental Loans of each Class shall be determined by the Borrower and the applicable Incremental Lenders and shall be set forth in each applicable Incremental Amendment; *provided, however*, that with respect to any Loans made under Incremental Commitments (to the extent *pari passu* in right of payment and security with the ~~Initial~~Term B-3 Loans), the All-In Yield applicable to such Incremental Loans shall not be greater than the applicable All-In Yield payable pursuant to the terms of this Agreement as amended through the date of such calculation with respect to ~~Initial~~Term B-3 Loans plus 50 basis points per annum unless the interest rate (together with, as provided in the proviso below, the Eurocurrency Rate or Base Rate floor) with respect to the ~~Initial~~Term B-3 Loans is increased so as to cause the then applicable All-In Yield under this Agreement on the ~~Initial~~Term B-3 Loans to equal the All-In Yield then applicable to the Incremental Loans minus 50 basis points; *provided, further*, that any increase in All-In Yield to any ~~Initial~~Term B-3 Loan due to the application or imposition of a Eurocurrency Rate or Base Rate floor on any Incremental Loan shall be effected solely through an increase in (or implementation of, as applicable) any Eurocurrency or Base Rate floor applicable to such ~~Initial~~Term B-3 Loan.

(f) *Incremental Amendment.* Commitments in respect of Incremental Loans shall become additional Commitments pursuant to an amendment (an “**Incremental Amendment**”) to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Incremental Lender providing such Commitments and the Administrative Agent. The Incremental Amendment may, without the consent of any other Loan Party, Agent or Lender, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.14, including amendments as deemed necessary by the Administrative Agent in its reasonable judgment to effect any lien or payment subordination and associated rights of the applicable Lenders to the extent any Incremental Loans are to rank junior in right of security or payment or to address technical issues relating to funding and payments. The Borrower will use the proceeds of the Incremental Loans for any purpose not prohibited by this Agreement.

(g) [Reserved].

(h) *Incremental Equivalent Debt*. The Borrower may, upon notice to the Administrative Agent, at any time or from time to time after the Closing Date, issue, incur or otherwise obtain Indebtedness of the Borrower (and any Permitted Refinancing thereof) in respect of one or more series of senior or subordinated notes or loans (which may be unsecured or secured on a junior lien basis or, in the case of notes only, a *pari passu* basis with the ~~Initial~~Term B-3 Loans and other Loans required to be secured on a *pari passu* basis with the ~~Initial~~Term B-3 Loans), in each case issued in a public offering, Rule 144A or other private placement or bridge in lieu of the foregoing, or senior or subordinated mezzanine Indebtedness (which may be in the form of loans or notes and limited to being unsecured or secured solely on a junior lien basis), in each case, that are issued or made in lieu of Incremental Commitments (the “**Incremental Equivalent Debt**”); *provided* that (i) (A) after giving Pro Forma Effect to both (x) the issuance or incurrence of such Incremental Equivalent Debt (assuming a borrowing of the maximum credit thereunder) and (y) any Specified Transactions consummated in connection therewith, (1) if such Incremental Equivalent Debt is secured, the Secured Net Leverage Ratio does not exceed ~~6.25~~4.20 :1.00 and (2) if such Incremental Equivalent Debt is unsecured, the Total Net Leverage Ratio does not exceed ~~6.25~~4.20 :1.00 or (B) together with such Incremental Equivalent Debt, the aggregate principal amount of Incremental Equivalent Debt incurred or issued under this clause (B) and Incremental Loans made under Section 2.14(d)(iii)(B) (*plus* the First Lien Incremental Usage Amount) does not exceed ~~\$85,000,000 (provided, that such amount shall not be reduced by the Term B-2 Loans, Additional Commitments (as defined in the First Lien Credit Agreement Amendment No. 1) or the 2016 First Lien Incremental Loan (as defined in Amendment No. 1)), following the Amendment No. 2 Effective Date, \$42,600,000~~ plus the principal amount of any voluntary prepayments of Loans made after the Amendment No. 2 Effective Date (to the extent not made with the proceeds of Indebtedness (other than the incurrence of First Lien Revolving Credit Loans or extensions of credit under any other revolving credit or similar facility)) plus in the case of any Incremental Equivalent Debt incurred or established after the Amendment No. 2 Effective Date that effectively extends the Maturity Date or any other maturity date with respect to any Class of Loans or Commitments hereunder, an amount equal to the portion of the relevant Class of Loans or Commitments that will be replaced by such Incremental Commitments (ii) such Incremental Equivalent Debt shall not be subject to any Guarantee by any Person other than a Loan Party, (iii) if such Incremental Equivalent Debt is secured, the obligations in respect thereof shall not be secured by any Lien on any asset of Holdings, the Borrower or any Restricted Subsidiary other than any asset constituting Collateral, (iv) no Default or Event of Default shall have occurred and be continuing or would exist immediately after giving effect to such incurrence, (v) if such Incremental Equivalent Debt is secured, the security agreements and other collateral documents relating to such Incremental Equivalent Debt shall be substantially similar to the Collateral Documents (with such differences as are reasonably satisfactory to the Administrative Agent), (vi) if such Incremental Equivalent Debt is (a) secured on a *pari passu* basis with the Obligations under ~~Initial~~Term B-3 Loans and other Loans required to be secured on a *pari passu* basis with the ~~Initial~~Term B-3 Loans then

such Incremental Equivalent Debt shall be subject to the Second Lien Intercreditor Agreement, if applicable, or a Junior Lien Intercreditor Agreement, (b) secured on a junior basis with the Obligations under ~~Initial~~Term B-3 Loans and other Loans required to be secured on a *pari passu* basis with the ~~Initial~~Term B-3 Loans then such Incremental Equivalent Debt shall be subject to a Third Lien Intercreditor Agreement or other lien subordination and intercreditor arrangement satisfactory to the Borrower and Administrative Agent or (c) unsecured and subordinated to the Obligations, then such Incremental Equivalent Debt shall be subject to a Subordination Agreement (or, alternatively, terms in the definitive documentation for such Incremental Equivalent Debt substantially similar to those in such applicable agreement, as agreed by the Borrower and Administrative Agent), (vii) such Incremental Equivalent Debt shall have a final maturity date which is no earlier than the then Maturity Date and a Weighted Average Life to Maturity which is equal to or greater than the Weighted Average Life to Maturity of the ~~Initial~~Term B-3 Loans, (viii) such Incremental Equivalent Debt shall not be subject to any mandatory redemption or prepayment provisions or rights (except to the extent any such mandatory redemption or prepayment is required to be applied pro rata to the Loans required to be secured on a first lien basis and except with respect to customary "AHYDO catch-up payments", offers to repurchase and prepayment events upon a change of control, asset sale or event of loss and a customary acceleration right after an event of default) and (ix) except as otherwise set forth in this clause (h), such Incremental Equivalent Debt shall have terms and conditions (other than with respect to pricing, fees, rate floors and optional prepayment or redemption terms) substantially similar to, or (taken as a whole) no more favorable (as reasonably determined by the Borrower) to the lenders or holders providing such Incremental Equivalent Debt, than those applicable to the ~~Initial~~Term B-3 Loans (except for covenants or other provisions (a) conformed (or added) in the Loan Documents, for the benefit of the Lenders holding ~~Initial~~Term B-3 Loans, pursuant to an amendment thereto subject solely to the reasonable satisfaction of the Administrative Agent or (b) applicable only to periods after the Latest Maturity Date at the time of the issuance or incurrence of such Incremental Equivalent Debt) or such terms and conditions shall be current market terms for such type of Incremental Equivalent Debt (as reasonably determined in good faith by the Borrower). It is understood that Incremental Equivalent Debt may be incurred under either clause (i)(A) or clause (i)(B) of the immediately preceding sentence as selected by the Borrower in its sole discretion, including by designating any portion of Incremental Equivalent Debt in excess of an amount permitted to be incurred under such clause (i)(A) at the time of such incurrence as incurred under such clause (i)(B).

(i) This Section 2.14 shall supersede any provisions in Section 2.13 or 10.01 to the contrary.

Section 2.15 Refinancing Amendments.

(a) *Refinancing Commitments*. The Borrower may at any time or from time to time after the Closing Date, by notice to the Administrative Agent (a "**Refinancing Loan Request**"), request a new Class of term loans (any such new Class, "**Refinancing Commitments**"), in each case, established in exchange for, or to extend, renew, replace, repurchase, retire or refinance, in whole or in part, existing Loans or Commitments (with respect to a particular Refinancing Commitment or Refinancing Loan, such existing Loans or Commitments, "**Refinanced Debt**"), whereupon the Administrative Agent shall promptly deliver a copy to each of the Lenders.

(b) *Refinancing Loans.* On any Refinancing Facility Closing Date on which any Refinancing Commitments of any Class are effected, subject to the satisfaction of the terms and conditions in this Section 2.15, (i) each Refinancing Lender of such Class shall make a Loan to the Borrower (a “**Refinancing Loan**”) in an amount equal to its Refinancing Commitment of such Class and (ii) each Refinancing Lender of such Class shall become a Lender hereunder with respect to the Refinancing Commitment of such Class and the Refinancing Loans of such Class made pursuant thereto.

(c) *Refinancing Loan Request.* Each Refinancing Loan Request from the Borrower pursuant to this Section 2.15 shall set forth the requested amount and proposed terms of the relevant Refinancing Loans. Refinancing Loans may be made, by any existing Lender (but no existing Lender will have an obligation to make any Refinancing Commitment, nor will the Borrower have any obligation to approach any existing Lender to provide any Refinancing Commitment) or by any Additional Lender (each such existing Lender or Additional Lender providing such Commitment or Loan, a “**Refinancing Lender,**” and, collectively, “**Refinancing Lenders**”); *provided* that (i) the Administrative Agent, shall have consented (not to be unreasonably withheld or delayed) to such Additional Lender’s making such Refinancing Loans to the extent such consent, if any, would be required under Section 10.07(b) for an assignment of Loans to such Lender or Additional Lender and (ii) with respect to Refinancing Commitments, any Affiliated Lender providing a Refinancing Commitment shall be subject to the same restrictions set forth in Section 10.07(k) as they would otherwise be subject to with respect to any purchase by or assignment to such Affiliated Lender of Loans.

(d) *Effectiveness of Refinancing Amendment.* The effectiveness of any Refinancing Amendment, and the Refinancing Commitments thereunder, shall be subject to the satisfaction on the date thereof (a “**Refinancing Facility Closing Date**”) of each of the following conditions, together with any other conditions set forth in the Refinancing Amendment:

(i) after giving effect to such Refinancing Commitments, the conditions of Sections 4.02(i) and (ii) shall be satisfied (it being understood that all references to “the date of such Borrowing” or similar language in such Section 4.02 shall be deemed to refer to the effective date of such Refinancing Amendment);

(ii) each Refinancing Commitment shall be in an aggregate principal amount that is not less than \$10,000,000 and shall be in an increment of \$1,000,000 (*provided* that such amount may be less than \$10,000,000 and not in an increment of \$1,000,000 if such amount is equal to the entire outstanding principal amount of Refinanced Debt); and

(iii) to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of (i) customary legal opinions, board resolutions and officers’ certificates consistent with those delivered on the Closing Date (conformed as appropriate) other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel’s form of opinion reasonably satisfactory to the Administrative Agent and (ii) reaffirmation agreements and/or such amendments to the Collateral Documents as may be reasonably requested by the Administrative Agent in order to ensure that such Refinancing Lenders are provided with the benefit of the applicable Loan Documents.

(e) *Required Terms*. The terms, provisions and documentation of the Refinancing Loans of any Class shall be as agreed between the Borrower and the applicable Refinancing Lenders providing such Refinancing Commitments, and except as otherwise set forth herein, to the extent not identical to any Class of Loans each existing on the Refinancing Facility Closing Date, shall be consistent with clauses (i) and (ii) below, as applicable, and otherwise reasonably satisfactory to the Administrative Agent. In any event:

(i) the Refinancing Loans:

(A) as of the Refinancing Facility Closing Date, shall not have a final scheduled maturity date earlier than the Maturity Date of the Refinanced Debt,

(B) as of the Refinancing Facility Closing Date, shall not have a Weighted Average Life to Maturity shorter than the remaining Weighted Average Life to Maturity of the Refinanced Debt,

(C) shall have an Applicable Rate and Eurocurrency Rate or Base Rate floor (if any), and subject to clauses (e)(i)(A) and (e)(i)(B) above, amortization determined by the Borrower and the applicable Refinancing Lenders,

(D) shall have fees determined by the Borrower and the applicable Refinancing Loan arranger(s),

(E) may participate on a pro rata basis or less than pro rata basis (but not on a greater than pro rata basis (except for prepayments pursuant to Section 2.05(b)(iv) and Section 2.05(b)(vi)(A)(y) or any voluntary prepayments of any Class of Loans with an earlier Maturity Date than any other Classes of Loans)) in any voluntary or mandatory prepayments of Loans hereunder, or if junior in right of security, shall be on a junior basis with respect thereto,

(F) shall not have a greater principal amount than the principal amount of the Refinanced Debt plus accrued interest, fees, premiums (if any) and penalties thereon and reasonable fees, expenses, OID and upfront fees associated with the refinancing, and

(G) (I) shall rank *pari passu* or junior in right of payment with the Obligations under Loans that are senior in right of payment and (II) shall be secured by the Collateral and shall rank *pari passu* or junior in right of security with the Obligations under the Initial Loans and other Loans that are required to be secured on a *pari passu* basis with the Initial Loans (and, if applicable, subject to a Subordination Agreement and/or a Third Lien Intercreditor Agreement (or, alternatively, terms in the Refinancing Amendment substantially similar to those in such applicable agreement, as agreed by the Borrower and Administrative Agent) or other lien subordination and intercreditor arrangement satisfactory to the Borrower and the Administrative Agent); and

(ii) [Reserved].

(f) *Refinancing Amendment.* Commitments in respect of Refinancing Loans shall become additional Commitments pursuant to an amendment (a “**Refinancing Amendment**”) to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Refinancing Lender providing such Commitments, and the Administrative Agent. The Refinancing Amendment may, without the consent of any other Loan Party, Agent or Lender, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.15, including amendments as deemed necessary by the Administrative Agent in its reasonable judgment to effect any lien or payment subordination and associated rights of the applicable Lenders to the extent any Refinancing Loans are to rank junior in right of security or payment or to address technical issues relating to funding and payments. The Borrower will use the proceeds of the Refinancing Loans to extend, renew, replace, repurchase, retire or refinance, substantially concurrently, the applicable Refinanced Debt.

(g) *[Reserved.]*

(h) *Refinancing Equivalent Debt.*

(i) In lieu of incurring any Refinancing Loans, the Borrower may, upon notice to the Administrative Agent, at any time or from time to time after the Closing Date issue, incur or otherwise obtain (A) secured Indebtedness (including any Registered Equivalent Notes) in the form of one or more series of senior secured notes secured on a *pari passu* basis with the ~~Initial~~Term B-3 Loans (such notes, “**Permitted Pari Passu Secured Refinancing Debt**”), (B) secured Indebtedness (including any Registered Equivalent Notes) in the form of one or more series of junior lien secured notes or junior lien secured term loans (such notes or term loans, “**Permitted Junior Secured Refinancing Debt**”) and (C) unsecured or subordinated Indebtedness (including any Registered Equivalent Notes) in the form of one or more series of unsecured or subordinated notes or term loans (such notes or term loans, “**Permitted Unsecured Refinancing Debt**” and together with Permitted Pari Passu Secured Refinancing Debt and Permitted Junior Secured Refinancing Debt, and, in each case, any Permitted Refinancing thereof, “**Refinancing Equivalent Debt**”), in each case, in exchange for, or to extend, renew, replace, repurchase, retire or refinance, in whole or in part, any existing Class of Loans (such Loans, “**Refinanced Loans**”).

(ii) Any Refinancing Equivalent Debt:

(A) (1) shall not have a Maturity Date prior to the date that is on or after the Maturity Date of the Refinanced Loans, (2) if in the form of term loans, shall not have a Weighted Average Life to Maturity shorter than the remaining Weighted Average Life to Maturity of the Refinanced Loans, (3) if in the form of notes, shall not have scheduled amortization or payments of principal and not be subject to mandatory redemption, repurchase, prepayment or sinking fund obligations (other than customary “AHYDO catch-up payments”, offers to repurchase and prepayment events upon a change of control, asset sale or event of loss and a customary acceleration right after an event of default), in each case prior to the Maturity Date of the Refinanced Loans, (4) shall not be guaranteed by

Persons other than Guarantors, (5) if in the form of subordinated Permitted Unsecured Refinancing Debt, shall be subject to a Subordination Agreement to which a Senior Representative acting on behalf of the holders of such Permitted Unsecured Refinancing Debt shall have become a party or otherwise subject (or, alternatively, terms in the definitive documentation for such Refinancing Equivalent Debt substantially similar to those in such applicable agreement, as agreed by the Borrower and Administrative Agent); *provided* that if such Permitted Unsecured Refinancing Debt is the initial subordinated Permitted Unsecured Refinancing Debt incurred by the Borrower, then Holdings, the Borrower, the Subsidiary Guarantors, the Administrative Agent and the Senior Representative for such Permitted Unsecured Refinancing Debt shall have executed and delivered a Subordination Agreement, (6) shall not have a greater principal amount than the principal amount of the Refinanced Loans plus accrued interest, fees, premiums (if any) and penalties thereon and reasonable fees, expenses, OID and upfront fees associated with the refinancing and (7) except as otherwise set forth in this clause (h)(ii), shall have terms and conditions (other than with respect to pricing, fees, rate floors and optional prepayment or redemption terms) substantially similar to, or (taken as a whole) no more favorable (as reasonably determined by the Borrower) to the lenders or holders providing such Refinancing Equivalent Debt, than those applicable to the Refinanced Loans (except for covenants or other provisions (a) conformed (or added) in the Loan Documents, for the benefit of the Lenders holding ~~Initial~~Term B-3 Loans, pursuant to an amendment thereto subject solely to the reasonable satisfaction of the Administrative Agent or (b) applicable only to periods after the Latest Maturity Date at the time of the issuance or incurrence of such Refinancing Equivalent Debt) or such terms and conditions shall be current market terms for such type of Refinancing Equivalent Debt (as reasonably determined in good faith by the Borrower),

(B) (1) if either Permitted Pari Passu Secured Refinancing Debt or Permitted Junior Secured Refinancing Debt, shall be subject to security agreements relating to such Refinancing Equivalent Debt that are substantially the same as or more favorable to the Loan Parties than the Collateral Documents (with such differences as are reasonably satisfactory to the Administrative Agent), (2) if Permitted Pari Passu Secured Refinancing Debt, (x) shall be secured by the Collateral on a *pari passu* basis with the Obligations under Initial Loans and other Loans required to be secured on a *pari passu* basis with the Initial Loans and shall not be secured by any property or assets of Holdings, the Borrower or any Restricted Subsidiary other than the Collateral, and (y) shall be subject to the Second Lien Intercreditor Agreement, if applicable, or a Junior Lien Intercreditor Agreement to which a Senior Representative acting on behalf of the holders of such Permitted Pari Passu Secured Refinancing Debt shall have become a party or otherwise subject and (3) if Permitted Junior Secured Refinancing Debt, (x) shall be secured by the Collateral on a junior priority basis to the Liens securing the Initial Loans and other Loans required to be secured on a *pari passu* basis with the Initial Loans and shall not be secured by any property or assets of Holdings, the Borrower or any Restricted Subsidiary other than the Collateral, and (y) shall be

subject to a Third Lien Intercreditor Agreement to which a Senior Representative acting on behalf of the holders of such Permitted Junior Secured Refinancing Debt shall have become a party or otherwise subject or other lien subordination or intercreditor arrangement satisfactory to the Borrower and the Administrative Agent, and

(C) shall be incurred solely to repay, repurchase, retire or refinance substantially concurrently the Refinanced Loans.

(iii) This Section 2.15 shall supersede any provisions in Section 2.13 or 10.01 to the contrary.

Section 2.16 Extension of Loans.

(a) *Extension of Loans.* The Borrower may at any time and from time to time request that all or a portion of the Loans of a given Class (an “Existing Tranche”) be amended to extend the scheduled Maturity Date(s) with respect to the Loans of such Existing Tranche (any such Loans which have been so amended, “Extended Loans”) and to provide for other terms consistent with this Section 2.16. In order to establish any Extended Loans, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Loan Tranche) (each, an “Extension Request”) setting forth the proposed terms of the Extended Loans to be established, which shall (x) be identical as offered to each Lender under such Existing Tranche (including as to the proposed interest rates and fees payable, but excluding any arrangement, structuring or other similar fees payable in connection therewith that are not generally shared with all relevant Lenders) and offered pro rata to each Lender under such Existing Tranche and (y) be identical to the Loans under the Existing Tranche from which such Extended Loans are intended to be amended, except that: (i) all or any of the scheduled amortization payments of principal of the Extended Loans may be delayed to later dates than the scheduled amortization payments of principal of the Loans of such Existing Tranche, to the extent provided in the applicable Extension Amendment; *provided, however*, that at no time shall there be Classes of Extended Loans and Refinancing Loans hereunder which have more than five (5) different Maturity Dates; (ii) the All-In Yield with respect to the Extended Loans (whether in the form of interest rate margin, upfront fees, original issue discount or otherwise) may be different than the All-In Yield for the Loans of such Existing Tranche, in each case, to the extent provided in the applicable Extension Amendment; (iii) the Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the Extension Amendment (immediately prior to the establishment of such Extended Loans); and (iv) Extended Loans may have call protection as may be agreed by the Borrower and the Lenders thereof; *provided*, that no Extended Loans may be optionally prepaid prior to the Maturity Date of the ~~Initial~~ Term B-3 Loans, unless such optional prepayment is accompanied by a pro rata optional prepayment of the ~~Initial~~ Term B-3 Loans; *provided, however*, that (A) no Event of Default shall have occurred and be continuing at the time an Extension Request is delivered to Lenders, (B) in no event shall the Maturity Date of any Extended Loans of a given Extension Series at the time of establishment thereof be earlier than the Maturity Date of the Existing Tranche, (C) the Weighted Average Life to Maturity of any Extended Loans of a given Loan Extension Series at the time of establishment thereof shall be no shorter than the remaining Weighted Average Life to Maturity of the Existing

Tranche, (D) all documentation in respect of such Extension Amendment shall be consistent with the foregoing and (E) any Extended Loans may participate on a pro rata basis or less than or greater than a pro rata basis in any voluntary repayments or prepayments of principal of Loans hereunder and on a pro rata basis or less than a pro rata basis (but not greater than a pro rata basis except in the case of a prepayment under Section 2.05(b)(iv) and Section 2.05(b)(vi)(A)(y)), in any mandatory repayments or prepayments of Loans hereunder, in each case as specified in the respective Extension Request. Any Extended Loans amended pursuant to any Extension Request shall be designated a series (each, an “**Extension Series**”) of Extended Loans for all purposes of this Agreement; *provided* that any Extended Loans amended from an Existing Tranche may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Extension Series with respect to such Existing Tranche (in which case scheduled amortization with respect thereto shall be proportionately increased). Each request for an Extension Series of Extended Loans proposed to be incurred under this Section 2.16 shall be in an aggregate principal amount that is not less than \$10,000,000 (it being understood that the actual principal amount thereof provided by the applicable Lenders may be lower than such minimum amount) and the Borrower may impose an Extension Minimum Condition with respect to any Extension Request, which may be waived by the Borrower in its sole discretion.

(b) [Reserved].

(c) *Extension Request.* The Borrower shall provide the applicable Extension Request at least five (5) Business Days (or such shorter period as may be agreed by the Administrative Agent) prior to the date on which Lenders under the Existing Tranche are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.16. No Lender shall have any obligation to agree to have any of its Loans of any Existing Tranche amended into Extended Loans pursuant to any Extension Request. Any Lender holding a Loan under an Existing Tranche (each, an “**Extending Lender**”) wishing to have all or a portion of its Loans under the Existing Tranche subject to such Extension Request amended into Extended Loans shall notify the Administrative Agent (each, an “**Extension Election**”) on or prior to the date specified in such Extension Request of the amount of its Loans under the Existing Tranche which it has elected to request be amended into Extended Loans (subject to any minimum denomination requirements imposed by the Administrative Agent). In the event that the aggregate principal amount of Loans under the Existing Tranche in respect of which applicable Lenders shall have accepted the relevant Extension Request exceeds the amount of Extended Loans requested to be extended pursuant to the Extension Request, Loans subject to Extension Elections shall be amended to Extended Loans on a pro rata basis (subject to rounding by the Administrative Agent, which shall be conclusive) based on the aggregate principal amount of Loans included in each such Extension Election.

(d) *Extension Amendment.* Extended Loans shall be established pursuant to an amendment (each, a “**Extension Amendment**”) to this Agreement among the Borrower, the Administrative Agent and each Extending Lender providing an Extended Loan thereunder, which shall be consistent with the provisions set forth in Section 2.16(a) above (but which shall not require the consent of any other Lender). The effectiveness of any Extension Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth in Section 4.02 and, to the extent reasonably requested by the Administrative Agent, receipt by the

Administrative Agent of (i) legal opinions, board resolutions and officers' certificates consistent with those delivered on the Closing Date (conformed as appropriate) other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Administrative Agent and (ii) reaffirmation agreements and/or such amendments to the Collateral Documents as may be reasonably requested by the Administrative Agent in order to ensure that the Extended Loans are provided with the benefit of the applicable Loan Documents. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Extension Amendment. Each of the parties hereto hereby agrees that this Agreement and the other Loan Documents may be amended pursuant to an Extension Amendment, without the consent of any other Lenders, to the extent (but only to the extent) necessary to (i) reflect the existence and terms of the Extended Loans incurred pursuant thereto, (ii) modify the scheduled repayments set forth in Section 2.07 with respect to any Existing Tranche subject to an Extension Election to reflect a reduction in the principal amount of the Loans required to be paid thereunder in an amount equal to the aggregate principal amount of the Extended Loans amended pursuant to the applicable Extension (with such amount to be applied to reduce scheduled repayment of such Loans on the Maturity Date as required pursuant to Section 2.07), (iii) modify the prepayments set forth in Section 2.05 to reflect the existence of the Extended Loans and the application of prepayments with respect thereto, (iv) address technical issues relating to funding and payments and (v) effect such other amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.16, and the Required Lenders hereby expressly authorize the Administrative Agent to enter into any such Extension Amendment.

(e) No conversion of Loans pursuant to any Extension in accordance with this Section 2.16 shall constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

Section 2.17 Defaulting Lenders.

(a) *Adjustments*. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) Waivers and Amendments. That Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 10.01.

(ii) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise), shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; *second*, as the Borrower may request (so long as no Default or Event of Default has occurred and is continuing), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative

Agent; *third*, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; *fourth*, to the payment of any amounts owing to the Lenders, as a result of any judgment of a court of competent jurisdiction obtained by any Lender, against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; *fifth*, so long as no Default or Event of Default has occurred and is continuing, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and *sixth*, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided* that if (x) such payment is a payment of the principal amount of any Loans in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Loans were made at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.17(a)(ii) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(b) *Defaulting Lender Cure*. If the Borrower and the Administrative Agent agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon that Lender will cease to be a Defaulting Lender; *provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and *provided, further*, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

ARTICLE III. **TAXES, INCREASED COSTS PROTECTION AND ILLEGALITY**

Section 3.01 Taxes.

(a) Except as provided in this Section 3.01, any and all payments made by or on account of the Borrower or any Guarantor under any Loan Document shall be made free and clear of and without deduction for any Taxes, except as required by any Law. If the Borrower, any Guarantor or other applicable withholding agent shall be required by any Laws to deduct any Taxes from or in respect of any sum payable under any Loan Document to any Agent or any Lender, (i) if the Tax in question is an Indemnified Tax or Other Tax, the sum payable by the Borrower or any Guarantor shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 3.01), each Lender (or, in the case of a payment made to an Agent for its own account, such Agent) receives an amount equal to the sum it would have received had no such deductions been made, (ii) the applicable withholding agent shall make such deductions, (iii) the applicable withholding

agent shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable Laws, and (iv) within thirty (30) days after the date of such payment (or, if receipts or evidence are not available within thirty (30) days, as soon as possible thereafter), if the Borrower or any Guarantor is the applicable withholding agent, it shall furnish to such Agent or Lender (as the case may be) the original or a copy of a receipt evidencing payment thereof or other evidence acceptable to such Agent or Lender.

(b) In addition, the Borrower agrees to pay any and all present or future stamp, court or documentary Taxes and any other excise, property, intangible or mortgage recording Taxes, imposed by any Governmental Authority, which arise from any payment made under any Loan Document or from the execution, delivery, performance, enforcement or registration of, or otherwise with respect to, any Loan Document excluding, in each case, any such Tax imposed as a result of a Lender's Assignment and Assumption, grant of a participation, transfer or assignment to or designation of a new applicable Lending Office or other office for receiving payments under any Loan Document (collectively, "**Assignment Taxes**"), except for Assignment Taxes resulting from assignment or participation that is requested or required in writing by the Borrower (all such non-excluded Taxes described in this Section 3.01(b) being hereinafter referred to as "**Other Taxes**").

(c) Borrower and each Guarantor agrees to indemnify each Agent and each Lender for (i) the full amount of Indemnified Taxes and Other Taxes payable by such Agent or such Lender (including Indemnified Taxes and Other Taxes imposed on or attributable to amounts payable under this Section 3.01) and (ii) any expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the Governmental Authority. A certificate as to the amount of such payment or liability prepared in good faith and delivered by such Agent or Lender (or by an Agent on behalf of such Lender), accompanied by a written statement thereof setting forth in reasonable detail the basis and calculation of such amounts shall be conclusive absent manifest error. Notwithstanding anything to the contrary contained in this Section 3.01(c), neither Borrower nor any Guarantor shall be required to indemnify any Agent or Lender pursuant to this Section 3.01(c) for any amount to the extent such Agent or Lender fails to notify the Borrower of such possible indemnification claim within 180 days after such Agent or Lender receives written notice from the applicable taxing authority of the specific tax assessment giving rise to such indemnification claim.

(d) Each Lender shall, at such times as are reasonably requested by the Borrower or the Administrative Agent, provide the Borrower and the Administrative Agent with any documentation prescribed by Law or reasonably requested by the Borrower or the Administrative Agent certifying as to any entitlement of such Lender to an exemption from, or reduction in, any applicable withholding Tax with respect to any payments to be made to such Lender under the Loan Documents. Each such Lender shall, whenever a lapse in time or change in circumstances renders such documentation obsolete or inaccurate in any material respect, deliver promptly and on or before the date such documentation expires, becomes obsolete or inaccurate to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrower or the Administrative Agent) or promptly notify the Borrower and the Administrative Agent in writing of its legal ineligibility to do so. Unless the applicable withholding agent has received forms or other documents satisfactory to it indicating that payments under any Loan Document to or for a Lender are not

subject to withholding Tax or are subject to such Tax at a rate reduced by an applicable tax treaty, the applicable withholding agent shall withhold amounts required to be withheld by applicable Law from such payments at the applicable statutory rate. Notwithstanding any other provision of this clause (d), a Lender shall not be required to deliver any form pursuant to this clause (d) that such Lender is not legally eligible to deliver. Without limiting the foregoing:

(i) Each Lender that is a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement two properly completed and duly signed original copies of Internal Revenue Service Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding.

(ii) Each Lender that is not a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent) whichever of the following is applicable:

(A) two properly completed and duly signed original copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable (or any successor forms) claiming eligibility for the benefits of an income tax treaty to which the United States is a party,

(B) two properly completed and duly signed original copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(C) in the case of a Lender claiming the benefits of the exemption for portfolio interest under Sections 871(h) or 881(c) of the Code,

(A) a certificate substantially in the form of Exhibit H hereto (any such certificate a “**United States Tax Compliance Certificate**”) and

(B) two properly completed and duly signed original copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable (or any successor forms),

(D) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership, or is a Participant holding a participation granted by a participating Lender), Internal Revenue Service Form W-8IMY (or any successor forms) of the Lender, accompanied by a Form W-8ECI, W-8BEN, W-8BEN-E United States Tax Compliance Certificate, Form W-9, Form W-8IMY or any other required information from each beneficial owner, as applicable (*provided* that, if the Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate may be provided by such Lender on behalf of such partner(s)), or

(E) two properly completed and duly signed original copies of any other form prescribed by applicable U.S. federal income tax laws (including the Treasury Regulations) as a basis for claiming a complete exemption from, or a reduction in, U.S. federal withholding tax on any payments to such Lender under the Loan Documents.

(iii) Each Agent that is a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower and the Administrative Agent two properly completed and duly signed original copies of Internal Revenue Service Form W-9 with respect to fees received for its own account, certifying that such Agent is exempt from U.S. federal backup withholding. Each Agent that is not a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower and the Administrative Agent two properly completed and duly signed original copies of (A) Internal Revenue Service Form W-8ECI with respect to fees received for its own account and (B) Internal Revenue Service Form W-8IMY (together with all required accompanying documentation) with respect to payments received by it on behalf of the Lenders. Notwithstanding anything to the contrary in this Section 3.01(d)(iii), no Agent shall be required to deliver any documentation that such Agent is not legally eligible to deliver as a result of a Change in Law after the Closing Date.

(iv) Each Lender hereby authorizes the Administrative Agent to deliver to the Loan Parties and to any successor Administrative Agent any documentation provided by such Lender to the Administrative Agent pursuant to this Section 3.01(d).

(e) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by Laws and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable Laws and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has or has not complied with such Lender's obligations under FATCA and, if necessary, to determine the amount to deduct and withhold from such payment. For purposes of this clause (e), the term "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(f) Any Lender or Agent claiming any additional amounts payable pursuant to this Section 3.01 shall use its reasonable efforts to mitigate or reduce the additional amounts payable, which reasonable efforts may include a change in the jurisdiction of its Lending Office (or any other measures reasonably requested by the Borrower) if such a change or other measures would reduce any such additional amounts (or any similar amount that may thereafter accrue) and would not, in the sole determination of such Lender, result in any unreimbursed cost or expense or be otherwise disadvantageous to such Lender.

(g) If any Lender or Agent determines, in its sole discretion, that it has received a refund in respect of any Indemnified Taxes or Other Taxes as to which indemnification or additional amounts have been paid to it by a Loan Party pursuant to this Section 3.01, it shall promptly remit such refund to such Loan Party (but only to the extent of indemnification or

additional amounts paid by the Loan Party under this Section 3.01(g) with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses (including any Taxes) of the Lender or Agent, as the case may be, and without interest (other than any interest paid by the relevant taxing authority with respect to such refund net of any Taxes payable by any Agent or Lender on such interest); *provided* that the Loan Parties, upon the request of the Lender or Agent, as the case may be, agree promptly to return such refund (plus any penalties, interest or other charges imposed by the relevant taxing authority) to such party in the event such party is required to repay such refund to the relevant taxing authority. This Section 3.01(g) shall not be construed to require any Agent or any Lender to make available its tax returns (or any other information relating to Taxes that it deems confidential) to the Borrower or any other Person.

Section 3.02 Illegality.

If any Lender reasonably determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Eurocurrency Rate Loans, or to determine or charge interest rates based upon the Eurocurrency Rate, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, (i) any obligation of such Lender to make or continue Eurocurrency Rate Loans or to convert Base Rate Loans to Eurocurrency Rate Loans shall be suspended, and (ii) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Eurocurrency Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all applicable Eurocurrency Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate component of the Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Rate Loans to such day, or promptly, if such Lender may not lawfully continue to maintain such Eurocurrency Rate Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Eurocurrency Rate component of the Base Rate with respect to any Base Rate Loans, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Eurocurrency Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Eurocurrency Rate. Each Lender agrees to designate a different Lending Office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Lender, otherwise be materially disadvantageous to such Lender. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted and all amounts due, if any, in connection with such prepayment and conversion.

(a) If the Required Lenders (i) Administrative Agent reasonably determine/determines that for any reason in connection with any request for a Eurocurrency Rate Loan or a conversion to or continuation thereof that (A) deposits are not being offered to banks in the London interbank eurodollar market for the applicable amount, currency and Interest Period of such Eurocurrency Rate Loan, (B) adequate and reasonable means do not exist for determining the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan or in connection with an existing or proposed Base Rate Loan, or (C) and (y) the circumstances described in Section 3.03(c)(i) do not apply (in each case with respect to this clause (i), "Impacted Loans"), or (ii) the Administrative Agent or the Required Lenders determine for any reason the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurocurrency Rate Loans shall be suspended (to the extent of the affected Eurocurrency Rate Loans or Interest Periods), and (y) in the event of a determination described in the preceding sentence with respect to the Eurocurrency Rate component of the Base Rate, the utilization of the Eurocurrency Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (or, in the case of a determination by the Required Lenders described in clause (ii) of Section 3.03(a), until the Administrative Agent upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans (to the extent of the affected Eurocurrency Rate Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein.

(b) Notwithstanding the foregoing but subject to the last sentence of this Section 3.03, if the Administrative Agent has made the determination described in clause (i) of Section 3.03(a), the Administrative Agent with the consent of the Borrower (such consent not to be unreasonably withheld or delayed), may establish an alternative interest rate for the Impacted Loans, in which case, such alternative rate of interest shall apply with respect to the Impacted Loans until (i) the Administrative Agent revokes the notice delivered with respect to the Impacted Loans under clause (i) of the first sentence of Section 3.03(a), (ii) the Administrative Agent or the Required Lenders notify the Administrative Agent and the Borrower that such alternative interest rate does not adequately and fairly reflect the cost to such Lenders of funding the Impacted Loans, or (iii) any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to such alternative rate of interest or to determine or charge interest rates based upon such rate or any Governmental Authority has imposed material restrictions on the authority of such Lender to do any of the foregoing and provides the Administrative Agent and the Borrower written notice thereof.

(c) Notwithstanding anything to the contrary in this Agreement or any other Loan Documents but subject to the last sentence of this Section 3.03, if the Administrative Agent determines (which determination shall be conclusive absent manifest error), or the Borrower or Required Lenders notify the Administrative Agent (with, in the case of the Required Lenders, a copy to the Borrower) that the Borrower or Required Lenders (as applicable) have determined, that:

(i) adequate and reasonable means do not exist for ascertaining LIBOR for any requested Interest Period, including, without limitation, because the LIBOR Screen Rate is not available or published on a current basis and such circumstances are unlikely to be temporary; or

(ii) the administrator of the LIBOR Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which LIBOR or the LIBOR Screen Rate shall no longer be made available, or used for determining the interest rate of loans, provided that, at the time of such statement, there is no successor administrator that is satisfactory to the Administrative Agent, that will continue to provide LIBOR after such specific date (such specific date, the “Scheduled Unavailability Date”); or

(iii) syndicated loans currently being executed, or that include language similar to that contained in this Section 3.03, are being executed or amended (as applicable) to incorporate or adopt a new benchmark interest rate to replace LIBOR,

then, reasonably promptly after such determination by the Administrative Agent or receipt by the Administrative Agent of such notice, as applicable, the Administrative Agent and the Borrower may amend this Agreement solely for the purpose of replacing LIBOR in accordance with this Section 3.03 with (x) one or more SOFR-Based Rates or (y) another alternate benchmark rate giving due consideration to any evolving or then existing convention for similar U.S. dollar denominated syndicated credit facilities for such alternative benchmarks and, in each case, including any mathematical or other adjustments to such benchmark giving due consideration to any evolving or then existing convention for similar U.S. dollar denominated syndicated credit facilities for such benchmarks, which adjustment or method for calculating such adjustment shall be published on an information service as selected by the Administrative Agent from time to time in its reasonable discretion with the consent of the Borrower and may be periodically updated (the “Adjustment;” and any such proposed rate, a “LIBOR Successor Rate”), and any such amendment shall become effective at 5:00 p.m. on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders (A) in the case of an amendment to replace LIBOR with a rate described in clause (x), object to the Adjustment; or (B) in the case of an amendment to replace LIBOR with a rate described in clause (y), object to such amendment; provided that for the avoidance of doubt, in the case of clause (A), the Required Lenders shall not be entitled to object to any SOFR-Based Rate contained in any such amendment. Such LIBOR Successor Rate shall be applied in a manner consistent with market practice; provided that to the extent such market practice is not administratively feasible for the Administrative Agent, such LIBOR Successor Rate shall be applied in a manner as otherwise reasonably determined by the Administrative Agent with the consent of the Borrower (such consent not to be unreasonably withheld or delayed).

If no LIBOR Successor Rate has been determined and the circumstances under clause (i) above exist or the Scheduled Unavailability Date has occurred (as applicable), the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurocurrency Rate Loans shall be suspended, (to the extent of the affected Eurocurrency Rate Loans or Interest Periods), and (y) the Eurocurrency Rate component shall no longer be utilized in determining the Base Rate. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans (to the extent of the affected Eurocurrency Rate Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans (subject to the foregoing clause (y)) in the amount specified therein.

Notwithstanding anything else herein, any definition of LIBOR Successor Rate shall provide that in no event shall such LIBOR Successor Rate be less than zero for purposes of this Agreement (provided further that in no event shall such LIBOR Successor Rate be less than 1.25% per annum as applicable to the Term B-3 Loans).

In connection with the implementation of a LIBOR Successor Rate, the Administrative Agent will have the right with the consent of the Borrower (such consent not to be unreasonably withheld or delayed) to make LIBOR Successor Rate Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such LIBOR Successor Rate Conforming Changes will become effective without any further action or consent of any other party to this Agreement; provided that, with respect to any such amendment effected, the Administrative Agent shall post each such amendment implementing such LIBOR Successor Conforming Changes to the Lenders reasonably promptly after such amendment becomes effective.

For the avoidance of doubt, in the event that no alternative index rate or LIBOR Successor Rate is agreed in accordance with Section 3.03(b) or 3.03(c), as the case may be, then the last two sentences of Section 3.03(a) shall apply.

Section 3.04 Increased Cost and Reduced Return; Capital Adequacy; Eurocurrency Rate Loan Reserves.

(a) If any Lender reasonably determines that as a result of a Change in Law, there shall be any increase in the cost to such Lender of agreeing to make or making, funding or maintaining Eurocurrency Rate Loans or (as the case may be) issuing or participating in Letters of Credit, or a reduction in the amount received or receivable by such Lender in connection with any of the foregoing (including any Taxes (other than (i) Indemnified Taxes or Other Taxes or (ii) Taxes excluded from the definition of Indemnified Taxes (other than Taxes excluded solely under clause (ii) thereof)), including by imposing, modifying or holding applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto, and excluding for purposes of this Section 3.04(a) any such increased costs or reduction in amount resulting from reserve requirements contemplated by Section 3.04(b) or the definition of Eurocurrency Rate), then from time to time within fifteen (15) days after demand by such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent given in accordance with Section 3.06), the Borrower shall pay to such Lender such additional amounts as will compensate such Lender for such increased cost or reduction.

(b) If any Lender reasonably determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by it, or participations in or issuance of Letters of Credit by such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy and liquidity and such Lender's desired return on capital), then from time to time upon demand of such Lender (with a copy of such demand to the Administrative Agent), the Borrower will pay to such Lender, as the case may be, within fifteen (15) days after demand by such Lender, such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) The Borrower shall pay to each Lender, (i) as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency funds or deposits, additional interest on the unpaid principal amount of each applicable Eurocurrency Rate Loan of the Borrower equal to the actual costs of such reserves allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive in the absence of manifest error), and (ii) as long as such Lender shall be required to comply with any reserve ratio requirement or analogous requirement of any other central banking or financing regulatory authority imposed in respect of the maintenance of the Commitments or the funding of any Eurocurrency Rate Loans of the Borrower, such additional costs (expressed as a percentage per annum and rounded upwards, if necessary, to the nearest five decimal places) equal to the actual costs allocated to such Commitment or Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent manifest error) which in each case shall be due and payable on each date on which interest is payable on such Loan, *provided* the Borrower shall have received at least fifteen (15) days' prior notice (with a copy to the Administrative Agent) of such additional interest or cost from such Lender. If a Lender fails to give notice fifteen (15) days prior to the relevant Interest Payment Date, such additional interest or cost shall be due and payable fifteen (15) days from receipt of such notice.

Section 3.05 Funding Losses.

Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, which demand shall set forth in reasonable detail the basis for requesting such amount, the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense actually incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Eurocurrency Rate Loan of the Borrower on a day other than the last day of the Interest Period for such Loan; or

(b) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Eurocurrency Rate Loan of the Borrower on the date or in the amount notified by the Borrower;

including any loss or expense (excluding loss of anticipated profits or margin) arising from the liquidation or reemployment of funds obtained by it to maintain such Eurocurrency Rate Loan or from fees payable to terminate the deposits from which such funds were obtained.

Section 3.06 Matters Applicable to All Requests for Compensation.

(a) If any Lender requests compensation under Section 3.04, or the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material economic, legal or regulatory respect; *provided* nothing in this Section 3.06(a) shall affect or postpone any Obligations of the Borrower or the rights of the Lenders under this Article III.

(b) If any Lender requests compensation by the Borrower under Section 3.04, the Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue Eurocurrency Rate Loans from one Interest Period to another Interest Period, or to convert Base Rate Loans into Eurocurrency Rate Loans, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.06(d) shall be applicable); *provided* that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(c) Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of Section ~~3.01~~, 3.02, 3.03 or 3.04 shall not constitute a waiver of such Lender's right to demand such compensation, *provided* that the Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of Section ~~3.01~~, 3.02, 3.03 or 3.04 for any increased costs incurred or reductions suffered more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the event giving rise to such claim and of such Lender's intention to claim compensation therefor (except that, if the circumstance giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof).

(d) If the obligation of any Lender to make or continue any Eurocurrency Rate Loan or to convert Base Rate Loans into Eurocurrency Rate Loans shall be suspended pursuant to Section 3.06(b) hereof, such Lender's applicable Eurocurrency Rate Loans shall be automatically converted into Base Rate Loans on the last day(s) of the then current Interest Period(s) for such Eurocurrency Rate Loans (or, in the case of any immediate conversion required by Section 3.02,

on such earlier date as required by Law) and, unless and until such Lender gives notice as provided below that the circumstances specified in Section 3.02, 3.03 or 3.04 hereof that gave rise to such conversion no longer exist:

(i) to the extent that such Lender's Eurocurrency Rate Loans have been so converted, all payments and prepayments of principal that would otherwise be applied to such Lender's applicable Eurocurrency Rate Loans shall be applied instead to its Base Rate Loans; and

(ii) all Loans that would otherwise be made or continued from one Interest Period to another by such Lender as Eurocurrency Rate Loans shall be made or continued instead as Base Rate Loans (if possible), and all Base Rate Loans of such Lender that would otherwise be converted into Eurocurrency Rate Loans shall remain as Base Rate Loans.

(e) If any Lender gives notice to the Borrower (with a copy to the Administrative Agent) that the circumstances specified in Section 3.02, 3.03 or 3.04 hereof that gave rise to the conversion of any of such Lender's Eurocurrency Rate Loans pursuant to this Section 3.06 no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurocurrency Rate Loans made by other Lenders under the applicable Facility are outstanding, if applicable, such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurocurrency Rate Loans, to the extent necessary so that, after giving effect thereto, all Loans held by the Lenders holding Eurocurrency Rate Loans under such Facility and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Commitments for the applicable Facility.

(f) Any Agent or Lender claiming compensation under this Article III shall deliver a certificate to the Borrower setting forth in reasonable detail the additional amount or amounts to be paid to it hereunder, which shall be conclusive on the absence of manifest error. In determining such amounts, such Agent or Lender may use any reasonable averaging and attribution methods. Any Agent or Lender claiming compensation under Section 3.04 shall do so only to the extent such Agent or Lender requires similarly situated borrowers under comparable credit facilities to pay such amounts.

Section 3.07 Replacement of Lenders under Certain Circumstances.

If (i) any Lender ceases to make Eurocurrency Rate Loans as a result of any condition described in Section 3.02 or Section 3.04, (ii) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01 or 3.04, (iii) any Lender is a Non-Consenting Lender, (iv) any Lender becomes a Defaulting Lender, or (v) any other circumstance exists hereunder that gives the Borrower the right to replace a Lender as a party hereto, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.07), all of its interests, rights and obligations under this Agreement (or, with respect to clause (iii) above, all of its interests, rights and obligations with

respect to the Class of Loans or Commitments that is the subject of the related consent, waiver and amendment) and the related Loan Documents to one or more Eligible Assignees (provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender or other such Person) that shall assume such obligations (any of which assignee may be another Lender, if a Lender accepts such assignment), *provided that*:

(a) the Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 10.07(b)(ii)(B);

(b) such Lender shall have received payment of an amount equal to the applicable outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower;

(c) such Lender being replaced pursuant to this Section 3.07 shall (1) execute and deliver an Assignment and Assumption with respect to all, or a portion as applicable, of such Lender's Commitment and outstanding Loans, and (2) deliver any Notes evidencing such Loans to the Borrower or Administrative Agent (or a lost or destroyed note indemnity in lieu thereof); *provided that* the failure of any such Lender to execute an Assignment and Assumption or deliver such Notes shall not render such sale and purchase (and the corresponding assignment) invalid and such assignment may be recorded in the Register and the Notes shall be deemed to be canceled upon such failure;

(d) the Eligible Assignee shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender;

(e) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;

(f) such assignment shall not conflict with applicable Laws; and

(g) the Lender that acts as the Administrative Agent cannot be replaced in its capacity as Administrative Agent other than in accordance with Section 9.06,

In the event that (i) the Borrower or the Administrative Agent has requested that the Lenders consent to a departure or waiver of any provisions of the Loan Documents or agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of each affected Lender or all the Lenders with respect to a certain Class or Classes of the Loans and/or Commitments and (iii) the Required Lenders (or, in the case of a consent, waiver or amendment involving all affected Lenders of a certain Class, the Required Class Lenders) have agreed (but solely to the extent required by Section 10.01) to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a "**Non-Consenting Lender.**"

In connection with any such replacement, (i) if the Lender to be replaced is a Non-Consenting Lender, the Borrower shall pay to each Non-Consenting Lender, concurrently with the effectiveness of the respective assignment, the fee set forth in Section 2.05(a)(vi) to the extent applicable and (ii) if any such Non-Consenting Lender or Defaulting Lender does not execute and deliver to the Administrative Agent a duly executed Assignment and Assumption reflecting such replacement within five (5) Business Days of the date on which the assignee Lender executes and delivers such Assignment and Assumption Agreement to such Non-Consenting Lender or Defaulting Lender, then such Non-Consenting Lender or Defaulting Lender shall be deemed to have executed and delivered such Assignment and Assumption without any action on the part of the Non-Consenting Lender or Defaulting Lender.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

Section 3.08 Survival.

All of the Borrower's obligations under this Article III shall survive termination of the Aggregate Commitments, repayment of all other Obligations hereunder, resignation of the Administrative Agent and any assignment of rights by, or replacement of, any Lender.

ARTICLE IV. **CONDITIONS PRECEDENT TO BORROWINGS**

Section 4.01 Conditions to Borrowing on the Closing Date.

The obligation of each Lender to make a Borrowing hereunder on the Closing Date is subject to satisfaction of the following conditions precedent, except as otherwise agreed between the Borrower and the Administrative Agent:

(a) The Administrative Agent's receipt of the following, each of which shall be originals or pdf copies or other facsimiles (followed promptly by originals) unless otherwise specified, each properly executed by a Responsible Officer of the signing Loan Party:

(i) a Committed Loan Notice in accordance with the requirements hereof;

(ii) executed counterparts of this Agreement;

(iii) a Note executed by the Borrower in favor of each Lender that has requested a Note at least two (2) Business Days in advance of the Closing Date;

(iv) the Security Agreement, Perfection Certificate, Intellectual Property Security Agreement and each other Collateral Document required to be executed on the Closing Date, duly executed by each Loan Party thereto, together with:

(A) to the extent not delivered to the First Lien Collateral Agent as bailee for the Collateral Agent pursuant to the Second Lien Intercreditor Agreement, certificates, if any, representing the Pledged Equity referred to therein accompanied by undated stock powers executed in blank and instruments evidencing the Pledged Debt indorsed in blank; and

(B) evidence that all other actions, recordings and filings required by the Collateral Documents (other than the filing or recording of any Mortgages) that the Administrative Agent may deem reasonably necessary to satisfy the Collateral and Guarantee Requirement shall have been taken, completed or otherwise provided for;

(v) such certificates of good standing (to the extent such concept exists) from the applicable secretary of state of the state of organization of each Loan Party, certificates of resolutions or other action, incumbency certificates and/or other certificates of Responsible Officers of each Loan Party as the Administrative Agent may reasonably require evidencing the identity, authority and capacity of each Responsible Officer thereof authorized to act as a Responsible Officer in connection with this Agreement and the other Loan Documents to which such Loan Party is a party or is to be a party on the Closing Date;

(vi) an opinion from Weil, Gotshal & Manges LLP, counsel to the Loan Parties, in customary form;

(viii) evidence that the Administrative Agent has been named as loss payee and/or additional insured, as applicable, under each insurance policy with respect to all insurance as to which the Administrative Agent shall have reasonably requested to be so named; and

(ix) a copy of the Second Lien Intercreditor Agreement, duly executed and delivered by each party thereto;

provided, however, that, each of the requirements set forth in clauses (iv) and (ix) above, including the delivery of documents and instruments necessary to satisfy the Collateral and Guarantee Requirement (except for the execution and delivery of the Security Agreement and to the extent that a Lien on the Collateral may be perfected (x) by the filing of a financing statement under the Uniform Commercial Code or (y) by the delivery of stock certificates of the Borrower and the Subsidiary Guarantors with respect to which a Lien may be perfected upon closing by the delivery of a stock certificate), shall not constitute conditions precedent to any Borrowing on the Closing Date after the Borrower's use of commercially reasonable efforts to satisfy such requirement on or prior to the Closing Date without undue burden or expense (1) if the Borrower agrees to deliver, or cause to be delivered, such evidence of insurance, documents and instruments, or take or cause to be taken such other actions as may be required to confirm such insurance or perfect such security interests within ninety (90) days after the Closing Date (subject to extensions approved by the Administrative Agent in its reasonable discretion) or (2) other than with respect to the Borrower and Holdings, if the delivery of such documents and instruments

cannot be provided as a condition precedent solely because the Board of Directors of the applicable entities (each such entity, a “**Deferred Loan Party**”) have not authorized such documents or instruments (such documents and instruments, the “**Duly Authorized Documents**”) and the elections of new directors or managers, as the case may be, of the applicable Deferred Loan Party’s Board of Directors, to authorize such documents or instruments has not taken place.

(b) Payment of all fees and expenses due to the Administrative Agent and the Arrangers, to the extent invoiced at least three (3) Business Days prior to the Closing Date (except as otherwise reasonably agreed by the Borrower), required to be paid on the Closing Date.

(d) There shall not have occurred a Material Adverse Change (as defined in, and interpreted pursuant to, the Merger Agreement) since the date of the Merger Agreement.

(e) The Specified Representations shall be true and correct in all material respects and a Responsible Officer of the Borrower shall have certified as to the same.

(f) The Arrangers shall have received the Audited Financial Statements.

(g) The Administrative Agent shall have received, at least two (2) days prior to the Closing Date, all documentation and other information about the Borrower and the Guarantors required under applicable “know your customer” and anti-money laundering rules and regulations, including the PATRIOT Act, that has been requested by the Administrative Agent in writing at least ten (10) days prior to the Closing Date.

(h) The Specified Merger Agreement Representations shall be true and correct in all material respects, but only to the extent the failure of the Specified Merger Agreement Representations to be true and correct in all material respects gives the Merger Sub (or its applicable Affiliate) the right to terminate its obligation to consummate (or gives the Merger Sub (or its applicable Affiliate) the right not to consummate) the Acquisition under the Merger Agreement.

Without limiting the generality of the provisions of Section 9.03, for purposes of determining compliance with the conditions specified in this Section 4.01, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objection thereto.

Section 4.02 Conditions to All Borrowings After the Closing Date.

The obligation of each Lender to honor any Committed Loan Notice (other than a Committed Loan Notice requesting only a conversion of Loans to the other Type, or a continuation of Eurocurrency Rate Loans) after the Closing Date is subject to the following conditions precedent:

(i) The representations and warranties of each Loan Party set forth in Article V and in each other Loan Document shall be true and correct in all material respects on and as of the date of such Borrowings with the same effect as though made on and as of such date, except to the extent such representations and warranties expressly relate to an earlier date, in which case they shall be true and correct in all material respects as of such earlier date.

(ii) No Default shall exist or would result from such proposed Borrowing or from the application of the proceeds therefrom.

(iii) The Administrative Agent shall have received a Committed Loan Notice in accordance with the requirements hereof.

Each Committed Loan Notice (other than a Committed Loan Notice requesting only a conversion of Loans to the other Type or a continuation of Eurocurrency Rate Loans) submitted by the Borrower after the Closing Date shall be deemed to be a representation and warranty that the conditions specified in Sections 4.02(i) and (ii) have been satisfied on and as of the date of the applicable Borrowing.

ARTICLE V.

This Agreement and each other Loan Document has been duly executed and delivered by each Loan Party that is a party thereto. This Agreement and each other Loan Document constitutes a legal, valid and binding obligation of such Loan Party, enforceable against each Loan Party that is a party thereto in accordance with its terms, except as such enforceability may be limited by (i) Debtor Relief Laws and by general principles of equity principles of good faith and fair dealing, and (ii) the need for filings and registrations necessary to create or perfect the Liens on the Collateral granted by the Loan Parties in favor of the Secured Parties and (iii) the effect of foreign Laws, rules and regulations as they relate to pledges of Equity Interests in Foreign Subsidiaries.

The accrual of interest, the accretion of accreted value and the payment of interest in the form of additional Indebtedness shall not be deemed to be an incurrence of Indebtedness for purposes of this Section 7.03. The principal amount of any non-interest bearing Indebtedness or other discount security constituting Indebtedness at any date shall be the principal amount thereof that would be shown on a balance sheet of the Borrower dated such date prepared in accordance with GAAP. Notwithstanding the foregoing, no Non-Loan Party shall guarantee Indebtedness for borrowed money of any Loan Party.

Section 8.01 Events of Default.

Any of the following from and after the Closing Date shall constitute an event of default (an “**Event of Default**”):

(a) *Non-Payment.* Any Loan Party fails to pay (i) when and as required to be paid herein, any amount of principal of any Loan, or (ii) within five (5) Business Days after the same becomes due, any interest on any Loan or any other amount payable (or required to be paid) hereunder or with respect to any other Loan Document; or

(b) *Specific Covenants.* The Borrower or, in the case of Section 7.14, Holdings, fails to perform or observe any term, covenant or agreement contained in any of Sections 6.03(a) or 6.05(a) (solely with respect to the Borrower), Article VII or under the “Market Flex” section of the Fee Letter; or

(c) *Other Defaults.* Any Loan Party fails to perform or observe any other covenant or agreement (not specified in Section 8.01(a) or (b) above) contained in any Loan Document on its part to be performed or observed and such failure continues for thirty (30) days after receipt by the Borrower of written notice thereof from the Administrative Agent; or

(d) *Representations and Warranties.* Any representation, warranty, certification or statement of fact made or deemed made by any Loan Party herein, in any other Loan Document, or in any document required to be delivered in connection herewith or therewith shall be incorrect in any material respect when made or deemed made; or

(e) *Cross-Default.* Any Loan Party or any Restricted Subsidiary (A) fails to make any payment beyond the applicable grace period, if any, whether by scheduled maturity, required prepayment, acceleration, demand, or otherwise, in respect of any Indebtedness (other than Indebtedness hereunder) having an aggregate outstanding principal amount of not less than the Threshold Amount, or (B) fails to observe or perform any other agreement or condition relating to any such Indebtedness, or any other event occurs (other than, with respect to Indebtedness consisting of Swap Contracts, termination events or equivalent events pursuant to the terms of such Swap Contracts and not as a result of any other default thereunder by any Loan Party), the effect of which default or other event is to cause, or to permit the holder or holders of such Indebtedness (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) to cause, with the giving of notice if required, such Indebtedness to become due or to be repurchased, prepaid, defeased or redeemed (automatically or otherwise), or an offer to repurchase, prepay, defease or redeem such Indebtedness to be made, prior to its stated maturity; *provided* that (I) this clause (e)(B) shall not apply to secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness, if such sale or transfer is permitted hereunder and (II) no such event under any Senior Facility (as defined in the Second Lien Intercreditor Agreement) (other than the failure to pay any outstanding principal amount when due at the final scheduled maturity of such Senior Facility) shall constitute an Event of Default under this clause (e) until the Indebtedness under such Senior Facility shall have been accelerated or commitments thereunder have been terminated as a result of such event; *provided, further*, that such failure is unremedied and is not waived by the holders of such Indebtedness prior to any termination of the Commitments or acceleration of the Loans pursuant to Section 8.02; or

(f) *Insolvency Proceedings, Etc.* Any Loan Party or any Restricted Subsidiary that is a Material Subsidiary institutes or consents to the institution of any proceeding under any Debtor Relief Law, or makes an assignment for the benefit of creditors; or applies for or consents to the appointment of any receiver, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar officer for it or for all or any material part of its

property; or any receiver, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar officer is appointed without the application or consent of such Person and the appointment continues undischarged or unstayed for sixty (60) calendar days; or any proceeding under any Debtor Relief Law relating to any such Person or to all or any material part of its property is instituted without the consent of such Person and continues undismissed or unstayed for sixty (60) calendar days, or an order for relief is entered in any such proceeding; or

(g) *Attachment.* Any writ or warrant of attachment or execution or similar process is issued or levied against all or any material part of the property of the Borrower and the Restricted Subsidiaries, taken as a whole, and is not released, vacated or fully bonded within sixty (60) days after its issue or levy; or

(h) *Judgments.* There is entered against any Loan Party or any Restricted Subsidiary a final judgment and order for the payment of money in an aggregate amount exceeding the Threshold Amount (to the extent not covered by independent third-party insurance as to which the insurer has been notified of such judgment or order and has not denied coverage) and such judgment or order shall not have been satisfied, vacated, discharged or stayed or bonded pending an appeal for a period of sixty (60) consecutive days; or

(i) *Invalidity of Loan Documents.* Any material provision of any Loan Document, at any time after its execution and delivery and for any reason other than as expressly permitted hereunder or thereunder (including as a result of a transaction permitted under Section 7.04 or 7.05) or as a result of acts or omissions by the Administrative Agent or any Lender or the satisfaction in full of all the Obligations, ceases to be in full force and effect; or any Loan Party contests in writing the validity or enforceability of any provision of any Loan Document or the validity or priority of a Lien as required by the Collateral Documents on a material portion of the Collateral; or any Loan Party denies in writing that it has any or further liability or obligation under any Loan Document (other than as a result of repayment in full of the Obligations and termination of the Aggregate Commitments), or purports in writing to revoke or rescind any Loan Document; or

(j) *Change of Control.* There occurs any Change of Control; or

(k) *Collateral Documents.* (i) Any Collateral Document after delivery thereof pursuant to Section 4.01, 6.11 or 6.13 shall for any reason (other than pursuant to the terms hereof or thereof including as a result of a transaction not prohibited under this Agreement) cease to create a valid and perfected Lien, with the priority required by the Collateral Documents on and security interest in any material portion of the Collateral purported to be covered thereby, subject to Liens permitted under Section 7.01, (x) except to the extent that any such perfection or priority is not required pursuant to the Collateral and Guarantee Requirement or results from the failure of the Administrative Agent to maintain possession of certificates actually delivered to it representing securities pledged under the Collateral Documents or to file Uniform Commercial Code continuation statements and (y) except as to Collateral consisting of Real Property to the extent that such losses are covered by a lender's title insurance policy and such insurer has not denied coverage or (ii) any Lien created or purported to be created by the Collateral Documents shall cease to have the lien priority established or purported to be established by the applicable Intercreditor Agreement; or

(l) *Duly Authorized Documents*. Any Deferred Loan Party fails to deliver any Duly Authorized Documents by 5:00 p.m. on the Closing Date; or

(m) *ERISA*. (i) An ERISA Event occurs with respect to a Pension Plan or Multiemployer Plan which has resulted or could reasonably be expected to result in liability of a Loan Party or an ERISA Affiliate in an aggregate amount which could reasonably be expected to result in a Material Adverse Effect, or (ii) a Loan Party or any ERISA Affiliate fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its withdrawal liability under Section 4201 of ERISA in an aggregate amount which could reasonably be expected to result in a Material Adverse Effect.

Section 8.02 Remedies Upon Event of Default.

If any Event of Default occurs and is continuing, the Administrative Agent may and, at the request of the Required Lenders, shall take any or all of the following actions:

(i) declare the commitment of each Lender to make Loans to be terminated, whereupon such commitments and obligation shall be terminated;

(ii) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower; and

(iii) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents or applicable Law;

provided that upon the occurrence of an actual or deemed entry of an order for relief with respect to Borrower under the Bankruptcy Code of the United States or any Debtor Relief Laws, the obligation of each Lender to make Loans shall automatically terminate and the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, in each case without further act of the Administrative Agent or any Lender.

Section 8.03 Application of Funds.

Except as may be otherwise provided in any applicable Incremental Amendment with respect to Obligations under the applicable Incremental Loans or in any applicable Refinancing Amendment with respect to Obligations under the applicable Refinancing Loans (in each case, which shall not be more favorable to the holders of such Loans than the allocation described below), after the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable), subject to the Second Lien Intercreditor Agreement, any amounts received on account of the Obligations shall be applied by the Administrative Agent in the following order (to the fullest extent permitted by mandatory provisions of applicable Law):

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest, but including Attorney Costs payable under Section 10.04 and amounts payable under Article III) payable to the Administrative Agent in its capacity as such;

Second, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal and interest) payable to the Lenders (including Attorney Costs payable under Section 10.04 and amounts payable under Article III), ratably among them in proportion to the amounts described in this clause *Second* payable to them;

Third, to payment of that portion of the Obligations constituting accrued and unpaid interest on the Loans, and any fees, premiums and scheduled periodic payments due under Treasury Services Agreements or Secured Hedge Agreements, ratably among the Secured Parties in proportion to the respective amounts described in this clause *Third* payable to them;

Fourth, to payment of that portion of the Obligations constituting unpaid principal of the Loans, and any breakage, termination or other payments under Treasury Services Agreements or Secured Hedge Agreements, ratably among the Secured Parties in proportion to the respective amounts described in this clause *Fourth* held by them;

Fifth, to the payment of all other Obligations of the Loan Parties that are due and payable to the Administrative Agent and the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Obligations owing to the Administrative Agent and the other Secured Parties on such date; and

Last, the balance, if any, after all of the Obligations have been paid in full, to the Borrower or as otherwise required by Law.

Notwithstanding the foregoing, no amount received from any Guarantor shall be applied to any Excluded Swap Obligation of such Guarantor.

Section 8.04 [Reserved].

ARTICLE IX.
ADMINISTRATIVE AGENT AND OTHER AGENTS

Section 9.01 Appointment and Authority.

(a) Each of the Lenders hereby irrevocably appoints UBS to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article IX (other than Sections 9.06 (solely with respect to the removal and consent rights of the Borrower set forth therein) and Section 9.10 (solely with respect to the requirement for execution, filing and other actions with respect to the Collateral Documents and other collateral documentation set forth therein)) are solely for the benefit of the Administrative Agent and the Lenders, and no Loan Party shall have rights as a third party beneficiary of any of such provisions.

(b) The Administrative Agent shall also act as the “collateral agent” under the Loan Documents, and each of the Lenders (including in its capacities as a potential Hedge Bank) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “collateral agent” and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent, shall be entitled to the benefits of all provisions of this Article IX and Article X (including the second paragraph of Section 10.05), as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Loan Documents as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

Section 9.02 Rights as a Lender.

The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

Section 9.03 Exculpatory Provisions.

(a) The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, the Administrative Agent:

(i) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), *provided* that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law; and

(iii) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity.

(b) The Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 10.01 and 8.02) or (ii) in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Borrower or a Lender.

(c) The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

Section 9.04 Reliance by Administrative Agent.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 9.05 Delegation of Duties.

The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article IX shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

Section 9.06 Resignation of Administrative Agent.

The Administrative Agent may resign as the Administrative Agent upon ten (10) days' notice to the Lenders and the Borrower; *provided* that if no successor agent is appointed in accordance with the terms set forth below within such ten (10)-day period, the Administrative Agent shall not be permitted to resign until the earlier to occur of (x) the date of the appointment of the successor agent or (y) the date that is thirty (30) days after the last day of such ten (10)-day period. If the Administrative Agent is subject to an Agent-Related Distress Event, the Borrower may remove the Administrative Agent upon ten (10) days' notice. Upon the resignation or removal of the Administrative Agent under this Agreement, the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which such appointment shall be subject to the consent of the Borrower (which consent of the Borrower shall not be unreasonably withheld or delayed if such successor is a commercial bank with a combined capital and surplus of at least \$5,000,000,000 that is a "U.S. person" and a "financial institution" within the meaning of Treasury Regulation Section 1.1441-1, and otherwise may be withheld at the Borrower's sole discretion) at all times other than during the existence of an Event of Default under Section 8.01(a) or (f); *provided*, that in no event shall a Disqualified Institution be a successor agent. If no successor agent is appointed by the Required Lenders prior to the effective date of the resignation or removal of the Administrative Agent, the retiring or removed Administrative Agent may appoint, after consulting with the Lenders and subject to the Borrower's consent right set forth above, a successor agent from among the Lenders; *provided* that if the Administrative Agent shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders under any of the Loan Documents, the retiring or removed Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and (b) all payments and communications provided to be made to or through the Administrative Agent shall instead be made to each Lender directly and all determinations provided to be made by the Administrative Agent shall instead be made by the Required Lenders, in each case until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section 9.06. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent. Upon resignation or removal, the retiring or removed Administrative Agent shall be discharged from all of its duties

and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section 9.06). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Administrative Agent's resignation or the removed Administrative Agent's removal hereunder and under the other Loan Documents, hereunder and under the other Loan Documents, the provisions of this Article and Sections 10.04 and 10.05 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Administrative Agent was acting as Administrative Agent.

Section 9.07 Non-Reliance on Administrative Agent and Other Lenders.

Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

Section 9.08 No Other Duties, Etc.

Anything herein to the contrary notwithstanding, none of the Administrative Agent, Bookrunners, Arrangers or Syndication Agents listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent or a Lender.

Section 9.09 Administrative Agent May File Proofs of Claim; Credit Bidding.

In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 2.09, 10.04 and 10.05) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 2.09, 10.04 and 10.05.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender to authorize the Administrative Agent to vote in respect of the claim of any Lender or in any such proceeding.

Section 9.10 Collateral and Guaranty Matters.

Each of the Lenders (including in its capacities as a potential Hedge Bank) irrevocably authorize the Administrative Agent:

(a) to automatically release any Lien on any property granted to or held by the Administrative Agent under any Loan Document (i) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted and (B) obligations and liabilities under Treasury Services Agreements and Secured Hedge Agreements not due and payable), (ii) at the time the property subject to such Lien is Disposed or to be Disposed as part of or in connection with any Disposition permitted (other than a lease and other than to a Person that is a Loan Party) hereunder or under any other Loan Document, (iii) subject to Section 10.01, if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders, (iv) if the property subject to such Lien is owned by a Guarantor, upon release of such Guarantor from its obligations under its Guaranty pursuant to clause (c) below, (v) if such property becomes an Excluded Asset or (vi) to the extent such release is required pursuant to the terms of the Second Lien Intercreditor Agreement;

(b) to release or subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 7.01(u) to the extent required by the holder of, or pursuant to the terms of any agreement governing, the obligations secured by such Liens; and

(c) to release any Subsidiary Guarantor from its obligations under the Guaranty, if in the case of any such Subsidiary, such Person ceases to be a Material Domestic Subsidiary or becomes an Excluded Subsidiary as a result of a transaction or designation permitted hereunder; *provided* that no such release shall occur if such Guarantor continues to be a guarantor or obligor in respect of any Junior Financing, any Refinancing Equivalent Debt or any Incremental Equivalent Debt or any Permitted Refinancing in respect thereof or any First Lien Obligations;

provided further, that notwithstanding the foregoing, if any Subsidiary Guarantor becomes an Excluded Subsidiary pursuant to clause (a) of the definition of Excluded Subsidiary, such Guarantor shall not be released from its obligations under the Guaranty or any other Loan Document unless (x) such Subsidiary Guarantor would no longer be a direct or indirect Subsidiary of the Borrower or (y) after giving pro forma effect to such release and the consummation of the relevant transaction, the Borrower would be permitted to make an Investment in such Person to be so released pursuant to clause (1) of the definition of "Permitted Investments" (and, if this clause (y) shall be applicable, Borrower shall be deemed to have made such an Investment in such Person pursuant to such clause (1)).

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.10. In each case as specified in this Section 9.10, the Administrative Agent will (and each Lender irrevocably authorizes the Administrative Agent to), at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Collateral Documents or to subordinate its interest in such item, or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.10.

Section 9.11 Secured Cash Management Agreements and Secured Hedge Agreements.

Except as otherwise expressly set forth herein or in any Guaranty or any Collateral Document, no Hedge Bank that obtains the benefits of Section 8.03, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article IX to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Treasury Services Agreements and Secured Hedge Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Hedge Bank.

The Lenders hereby authorize the Administrative Agent to enter into the Second Lien Intercreditor Agreement, any Third Lien Intercreditor Agreement, any Subordination Agreement or other intercreditor agreement or arrangement permitted under this Agreement and the Lenders acknowledge that any such intercreditor agreement is binding upon the Lenders.

Section 9.12 Withholding Tax Indemnity.

To the extent required by any applicable Laws (as determined in good faith by the Administrative Agent), the Administrative Agent may withhold from any payment to any Lender under any Loan Document an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 3.01, each Lender shall indemnify and hold harmless the Administrative Agent against, and shall make payable in respect thereof within ten (10) days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the IRS or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold Tax from amounts paid to or for the account of such Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 9.12. The agreements in this Section 9.12 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other Obligations.

ARTICLE X.
MISCELLANEOUS

Section 10.01 Amendments, Etc.

Except as otherwise set forth in this Agreement, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by any Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders (other than with respect to any amendment or waiver contemplated in Sections 10.01(a) through (h) below, which shall only require the consent of the Lenders expressly set forth therein and not the Required Lenders) (or by the Administrative Agent with the consent of the Required Lenders) and the applicable Loan Party, as the case may be, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; *provided that*, no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender without the written consent of such Lender (it being understood that a waiver of any condition precedent set forth in Section 4.02 or of any Default, mandatory prepayment or mandatory reduction of any Commitments shall not constitute an extension or increase of any Commitment of any Lender);

(b) postpone any date scheduled for, or reduce the amount of, any payment of principal or interest under Section 2.07 or 2.08 (other than pursuant to Section 2.08(b)), without the written consent of each Lender directly and adversely affected thereby, it being understood that the waiver of (or amendment to the terms of) any mandatory prepayment of the Loans shall not constitute a postponement of any date scheduled for the payment of principal or interest;

(c) reduce or forgive the principal of, or the rate of interest specified herein on, any Loan, or (subject to clause (iii) of the second proviso to this Section 10.01) any fees or other amounts payable hereunder or under any other Loan Document (or extend the timing of payments of such fees or other amounts) without the written consent of each Lender directly and adversely affected thereby; *provided* that, for the avoidance of doubt, only the consent of the Required Lenders shall be necessary to amend the definition of “Default Rate” or to waive any obligation of the Borrower to pay interest at the Default Rate;

(d) change any provision of this Section 10.01 or the definition of “Required Lenders,” “Required Class Lenders,” or any other provision specifying the number of Lenders or portion of the Loans or Commitments required to take any action under the Loan Documents, without the written consent of each Lender directly affected thereby (it being understood that each Lender shall be directly and adversely affected by a change to the “Required Lenders” or “Pro Rata Share” definitions);

(e) other than in connection with a transaction permitted under Section 7.04 or Section 7.05, release all or substantially all of the Collateral in any transaction or series of related transactions, without the written consent of each Lender (except as otherwise required pursuant to the Second Lien Intercreditor Agreement);

(f) other than in connection with a transaction permitted under Section 7.04 or Section 7.05, release all or substantially all of the aggregate value of the Guarantees, without the written consent of each Lender (except as otherwise required pursuant to the Second Lien Intercreditor Agreement);

(g) [Reserved]; or

(h) amend, waive or otherwise modify any term or provision (including the availability and conditions to funding under Section 2.14 with respect to Incremental Loans and the rate of interest applicable thereto) which directly affects Lenders of one or more Incremental Loans (including Loans extended under such Commitments) and does not directly affect Lenders under any other Class, in each case, without the written consent of the Required Class Lenders under such applicable Incremental Loans (and in the case of multiple Classes which are affected, such Required Class Lenders shall consent together as one Class); *provided, however*, that the waivers described in this clause (h) shall not require the consent of any Lenders other than (x) the Required Class Lenders under such applicable Incremental Loans and (y) in the case of any waiver that otherwise would be subject to clause (a), (b), (c), (d) or (e) above, each Lender, each directly affected Lender or each directly and adversely affected Lender (as specified in clause (a), (b), (c), (d) or (e) above) under the applicable Class or Classes of Incremental Loans (including Loans extended under such Commitments); *provided further however, that the aggregate amount of Incremental Loans permitted under Section 2.14(d)(iii) shall not be permitted to be increased without the consent of the Required Lenders;*

(i) amend, modify or waive any term or provision of Section 2.13 or 8.03 that would alter the pro rata sharing of payments or priority of payments specified thereby, as applicable, without the consent of each Lender directly and adversely affected thereby;

and *provided, further*, that (i) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document; and (ii) Section 10.07(h) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any such Defaulting Lender may not be increased or extended without the consent of such Lender, (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms materially and adversely affects any Defaulting Lender to a greater extent than other affected Lenders shall require the consent of such Defaulting Lender and (z) the consent of any Defaulting Lender shall be required in respect of any amendments referred to in Section 10.01(b).

Notwithstanding the foregoing, no Lender consent is required to effect any amendment or supplement to any Junior Lien Intercreditor Agreement, the Second Lien Intercreditor Agreement, any Third Lien Intercreditor Agreement, any Subordination Agreement or any other intercreditor agreement or arrangement permitted under this Agreement (i) that is for the purpose of adding the holders of Permitted Pari Passu Secured Refinancing Debt, Permitted Junior Secured Refinancing Debt, subordinated Permitted Unsecured Refinancing Debt, Incremental Equivalent Debt (or, in each case, a Senior Representative with respect thereto), First Lien Incremental Equivalent Debt or First Lien Refinancing Equivalent Debt as parties thereto, as expressly contemplated by the terms of such Second Lien Intercreditor Agreement, such Third Lien Intercreditor Agreement, such Subordination Agreement or such other intercreditor agreement or arrangement permitted under this Agreement, as applicable (it being understood that any such amendment or supplement may make such other changes to the applicable intercreditor agreement as, in the good faith determination of the Administrative Agent, are required to effectuate the foregoing and *provided* that such other changes are not adverse, in any material respect, to the interests of the Lenders) or (ii) that is expressly contemplated by the Second Lien Intercreditor Agreement, any Third Lien Intercreditor Agreement, any Subordination Agreement or any other intercreditor agreement or arrangement permitted under this Agreement; *provided, further*, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent hereunder or under any other Loan Document without the prior written consent of the Administrative Agent.

Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Loans, and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders.

In addition, notwithstanding the foregoing, this Agreement may be amended with the written consent of the Administrative Agent, the Borrower and the Lenders providing the Replacement Loans (as defined below) to permit the refinancing of all outstanding Loans of any Class (“**Replaced Loans**”) with replacement term loans (“**Replacement Loans**”) hereunder; *provided* that (a) the aggregate principal amount of such Replacement Loans shall not exceed the aggregate principal amount of such Replaced Loans, plus accrued interest, fees, premiums (if any) and penalties thereon and reasonable fees and expenses associated with such Replacement Loans, (b) the All-In Yield with respect to such Replacement Loans (or similar interest rate spread applicable to such Replacement Loans) immediately prior to such refinancing unless the maturity of the Replacement Loans is at least one (1) year later than the maturity of the Replaced Loans, (c) the Weighted Average Life to Maturity of such Replacement Loans shall not be shorter than the Weighted Average Life to Maturity of such Replaced Loans at the time of such refinancing (except by virtue of amortization or prepayment of the Replaced Loans prior to the time of such incurrence) and (d) all other terms applicable to such Replacement Loans shall be substantially identical to, or less favorable to the Lenders providing such Replacement Loans than, those applicable to such Replaced Loans, except to the extent necessary to provide for covenants and other terms applicable to any period after the Latest Maturity Date of the Loans in effect immediately prior to such refinancing. Each amendment to this Agreement providing for Replacement Loans may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent and the Borrower to effect the provisions of this paragraph, and for the avoidance of doubt, this paragraph shall supersede any other provisions in this Section 10.01 to the contrary.

Notwithstanding anything to the contrary contained in this Section 10.01, guarantees, collateral security documents and related documents executed by Subsidiaries in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i) (A) to comply with local Law or advice of local counsel and/or (B) effectuate the provisions of clause (3)(Y) of the definition of “Permitted Investments”, (ii) to cure ambiguities or defects or (iii) to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Loan Documents.

If the Administrative Agent and the Borrower shall have jointly identified an obvious error (including, but not limited to, an incorrect cross-reference) or any error or omission of a technical or immaterial nature, in each case, in any provision of this Agreement or any other Loan Document (including, for the avoidance of doubt, any exhibit, schedule or other attachment to any Loan Document), then the Administrative Agent (acting in its sole discretion) and the Borrower or any other relevant Loan Party shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Loan Document. Notification of such amendment shall be made by the Administrative Agent to the Lenders promptly upon such amendment becoming effective.

Notwithstanding anything to the contrary contained in any Loan Document, no Loan Party shall, nor shall such Loan Party permit any of its Subsidiaries to, pay or cause to be paid, directly or indirectly, any consideration to or for the benefit of any Lender for or as an inducement to any consent, amendment, modification, forbearance or waiver of any Loan Document or provide any Lender a right to purchase or subscribe for any loans, securities or other property on account of or in exchange for Loans held by such Lender unless such consideration or right is offered to be paid or provided to all Lenders, and is paid or provided ratably to all Lenders that approve such consent, amendment, modification, forbearance or waiver or who hold such Loans (and this sentence may not be amended, modified or waived except with the prior written consent of the Borrower and each Lender).

Section 10.02 Notices and Other Communications; Facsimile Copies.

(a) Notices; Effectiveness; Electronic Communications.

(i) Notices Generally. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (C) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(A) if to the Borrower, the Administrative Agent, to the address, telecopier number, electronic mail address or telephone number specified for such Person on Schedule 10.02 or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the other parties; and

(B) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its Administrative Questionnaire or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the Borrower and the Administrative Agent.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (C) below shall be effective as provided in such subsection (C).

(C) Electronic Communications. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, *provided* that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender or has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, *provided* that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), *provided* that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(b) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "**Agent Parties**") have any liability to the Loan Parties, any Lender, or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Agent Party; *provided, however*, that in no event shall any Agent Party have any liability to the Loan Parties, any Lender, or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(c) Change of Address, Etc. Each of the Borrower and the Administrative Agent, may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the Borrower and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side

Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable Law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the “Public Side Information” portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state securities laws.

(d) Reliance by Administrative Agent and Lenders. The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Administrative Agent, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower in the absence of gross negligence, willful misconduct or bad faith of such Person, as determined by a final non-appealable judgment of a court of competent jurisdiction. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

Section 10.03 No Waiver; Cumulative Remedies.

No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 8.02 for the benefit of all the Lenders; *provided, however*, that the foregoing shall not prohibit (a) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) any Lender from exercising setoff rights in accordance with Section 10.09 (subject to the terms of Section 2.13), or (c) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and *provided, further*, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (b) and (c) of the preceding proviso and subject to Section 2.13, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

Section 10.04 Attorney Costs and Expenses.

The Borrower agrees (a) if the Closing Date occurs, to pay or reimburse the Administrative Agent and the other Agents for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the preparation, negotiation, syndication and execution of this Agreement and the other Loan Documents, and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby, including all Attorney Costs, which shall be limited to Cahill Gordon & Reindel LLP and one local counsel as reasonably necessary in any relevant jurisdiction material to the interests of the Lenders taken as a whole (and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to the affected Indemnitees similarly situated) and (b) after the Closing Date, to pay or reimburse the Administrative Agent for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and including all respective Attorney Costs, which shall be limited to Attorney Costs of one counsel to the Administrative Agent and the Lenders taken as a whole and one local counsel as reasonably necessary in any relevant jurisdiction material to the interests of the Lenders taken as a whole and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to the affected Indemnitees similarly situated). The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. All amounts due under this Section 10.04 shall be paid within thirty (30) days after written demand therefor (together with backup documentation supporting such reimbursement request); *provided* that, with respect to the Closing Date, all amounts due under this Section 10.04 shall be paid on the Closing Date solely to the extent invoiced to the Borrower within three (3) Business Days prior to the Closing Date. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent in its discretion. For the avoidance of doubt, this Section 10.04 shall not apply to Taxes, except any Taxes that represent costs and expenses arising from any non-Tax claim.

Section 10.05 Indemnification by the Borrower.

The Borrower shall indemnify and hold harmless each Agent, Agent-Related Person, Lender, Arranger and Bookrunner and their Affiliates, and their respective officers, directors, employees, partners, agents, advisors and other representatives of the foregoing (collectively the "**Indemnitees**") from and against any and all liabilities, losses, damages, claims, or out-of-pocket expenses (including Attorney Costs but limited in the case of legal fees and expenses to the reasonable and documented out-of-pocket fees, disbursements and other charges of one counsel to all Indemnitees taken as a whole and, if reasonably necessary, one local counsel for all Indemnitees taken as a whole in each relevant jurisdiction, and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to the affected Indemnitees similarly

situated) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against any such Indemnitee in any way relating to or arising out of or in connection with (a) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby, (b) any Commitment or Loan or the use or proposed use of the proceeds therefrom, (c) any actual or alleged Environmental Liability of the Loan Parties or any Subsidiary or (d) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) (a "**Proceeding**") and regardless of whether any Indemnitee is a party thereto or whether or not such Proceeding is brought by the Borrower or any other Person and, in each case, whether or not caused by or arising, in whole or in part, out of the negligence of the Indemnitee (all of the foregoing, collectively, the "**Indemnified Liabilities**"); *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such liabilities, losses, damages, claims or out-of-pocket expenses resulted from (x) the gross negligence, bad faith or willful misconduct of such Indemnitee or of any of its Related Indemnified Persons, as determined by a final non-appealable judgment of a court of competent jurisdiction, (y) a material breach of any obligations under any Loan Document by such Indemnitee or of any of its Related Indemnified Persons, as determined by a final non-appealable judgment of a court of competent jurisdiction or (z) any dispute solely among Indemnitees other than any claims against an Indemnitee in its capacity or in fulfilling its role as an administrative agent or arranger or any similar role under any Facility and other than any claims arising out of any act or omission of the Borrower or any of its Affiliates (as determined in a final and non-appealable judgment of a court of competent jurisdiction). No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement (except for direct (as opposed to indirect, special, punitive or consequential) damages resulting from the gross negligence, bad faith or willful misconduct, as determined by a court of competent jurisdiction in a final and non-appealable judgment, of any such Indemnitee), nor shall any Indemnitee, Related Indemnified Person, Loan Party or any Subsidiary have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date) (other than, in the case of any Loan Party, in respect of any such damages incurred or paid by an Indemnitee to a third party, or which are included in a third-party claim, and for any out-of-pocket expenses related thereto). In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, any Subsidiary of any Loan Party, its directors, stockholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents are consummated. All amounts due under this Section 10.05 shall be paid within thirty (30) days after written demand therefor (together with backup documentation supporting such reimbursement request); *provided, however*, that such Indemnitee shall promptly refund such amount to the extent that there is a final judicial or arbitral determination that such Indemnitee was not entitled to indemnification rights with respect to such payment pursuant to the express

terms of this Section 10.05. The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. For the avoidance of doubt, this Section 10.05 shall not apply to Taxes, except any Taxes that represent liabilities, obligations, losses, damages, penalties, claims, demands, actions, prepayments, suits, costs, expenses and disbursements arising from any non-Tax claims.

To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under this Section 10.05 or Section 10.04 to be paid by it to the Administrative Agent (or any sub-agent thereof), or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender's Pro Rata Share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent) in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent) in connection with such capacity. The obligations of the Lenders under this paragraph are subject to the provisions of Section 2.12(e).

Section 10.06 Payments Set Aside.

To the extent that any payment by or on behalf of the Borrower is made to the Administrative Agent, or any Lender, or the Administrative Agent, or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

Section 10.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (except as permitted by Section 7.04) and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Assignee pursuant to an assignment made in accordance with the provisions of Section 10.07(b) (such an assignee, an "**Eligible Assignee**") and (A) in the case of any Assignee that, immediately prior to or upon giving effect to such assignment, is an Affiliated Lender, Section 10.07(k), (B) in

the case of any Assignee that is Holdings or any of its Subsidiaries, Section 10.07(l), or (C) in the case of any Assignee that, immediately prior to or upon giving effect to such assignment, is a Debt Fund Affiliate, Section 10.07(o), (ii) by way of participation in accordance with the provisions of Section 10.07(e), (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.07(g) or (i) or (iv) to an SPC in accordance with the provisions of Section 10.07(h) (and any other attempted assignment or transfer by any party hereto shall be null and void); *provided, however*, that notwithstanding the foregoing, no Lender may assign or transfer by participation any of its rights or obligations hereunder to (i) any Person that is a Defaulting Lender, (ii) a natural Person or a Disqualified Institution or (iii) to Holdings, the Borrower or any of their respective Subsidiaries (except pursuant to Section 2.05(a)(v) or Section 10.07(l)). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(e) and, to the extent expressly contemplated hereby, the Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement. The Administrative Agent shall promptly give notice to the Borrower of any request by a Lender to assign any of its rights or obligations hereunder to any Person that is on the Disqualified Institutions List or, to the extent it has knowledge, any Person that is an Affiliate of a Person on the Disqualified Institutions List.

(b) (i) Subject to the limitations set forth in paragraph (a) above and the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees (“**Assignees**”) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld, conditioned or delayed, except in connection with a proposed assignment to any Disqualified Institution) of:

(A) the Borrower, *provided* that no consent of the Borrower shall be required for (i) an assignment of all or a portion of the Loans to a Lender, an Affiliate of a Lender or an Approved Fund, (ii) other than with respect to any proposed assignment to any Person that is a Disqualified Institution, if an Event of Default under Section 8.01(a) or, solely with respect to the Borrower, Section 8.01(f) has occurred and is continuing, to any Assignee or (iii) an assignment of all or a portion of the Loans pursuant to Section 10.07(k), Section 10.07(l) or Section 10.07(o); *provided* that, other than with respect to any proposed assignment to any Person that is a Disqualified Institution, the Borrower shall be deemed to have consented to any such assignment of the Loans unless it shall have objected thereto by written notice to the Administrative Agent within fifteen (15) Business Days after having received notice thereof; and

(B) the Administrative Agent; *provided* that no consent of the Administrative Agent shall be required for (X) an assignment of all or a portion of the Loans pursuant to Section 10.07(k), Section 10.07(l) or Section 10.07(o) or (Y) an Approved Fund of any Lender;

Notwithstanding the foregoing or anything to the contrary set forth herein, to the extent any Lender is required to assign any portion of its Commitments, Loans and other rights, duties and obligations hereunder in order to comply with applicable Laws, such assignment may be made by such Lender without the consent of the Borrower, the Administrative Agent, or any other party hereto so long as such Lender complies with the requirements of Section 10.07(b)(ii).

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than an amount of \$1,000,000, and shall be in increments of an amount of \$1,000,000, in excess thereof unless each of the Borrower and the Administrative Agent otherwise consent; *provided* that such assignments shall be aggregated in respect of each Lender and its Affiliates ~~or Approved Funds, if any, if any;~~ *provided further that no such minimum (or minimum increments) shall apply in respect of an assignment by a Lender to an Approved Fund of such Lender;*

(B) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500 (unless waived or reduced by the Administrative Agent in its sole discretion); *provided that such fee shall not be payable for an assignment by a Lender to an Approved Fund of such Lender;* and

(C) other than in the case of assignments pursuant to Section 10.07(l), the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

This paragraph (b) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis among such Facilities.

In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full Pro Rata Share of all Loans in accordance with its Pro Rata Share. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(c) Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 10.07(d), from and after the effective date specified in each Assignment and Assumption, (1) other than in connection with an assignment pursuant to Section 10.07(l), the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and (2) the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment). Upon request, and the surrender by the assigning Lender of its Note, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this clause (c) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(e).

(d) The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption, each Affiliated Lender Assignment and Assumption delivered to it, and each notice of cancellation of any Loans delivered by the Borrower pursuant to Section 10.07(k) or Section 10.07(l) and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Agent and any Lender (but in the case of any Lender, such inspection shall be limited to reviewing such Lender's own entry in the Register only), at any reasonable time and from time to time upon reasonable prior notice. This Section 10.07(d) and Section 2.11 shall be construed so that all Loans are at all times maintained in "registered form" within the meaning of Section 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations). Notwithstanding the foregoing, in no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any Lender is an Affiliated Lender nor shall the Administrative Agent be obligated to monitor the aggregate amount of Loans or Incremental Loans held by Affiliated Lenders.

(e) Any Lender may at any time sell participations to any Person (other than a natural person, a Disqualified Institution or a Defaulting Lender) (each, a "**Participant**") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); *provided* that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that

such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or the other Loan Documents; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in clauses (a) through (f) of the first proviso to Section 10.01 that requires the affirmative vote of such Lender. Subject to Section 10.07(f), the Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 to the same extent as if it were a Lender (subject, for the avoidance of doubt, to the limitations and requirements of those Sections (including Sections 3.01(d) and Sections 3.06 and 3.07) applying to each Participant as if it were a Lender), and it being understood that documentation required under Section 3.01(d) shall be delivered solely to the participating Lender) and had acquired its interest by assignment pursuant to Section 10.07(c). To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of Section 10.09 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.13 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "**Participant Register**"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. No Lender shall have the obligation to disclose all or a portion of the Participant Register (including the identity of the Participant or any information relating to a Participant's interest in any Loans or other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that any loans are in registered form for U.S. federal income tax purposes.

(f) A Participant shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent (not to be unreasonably withheld or delayed; for the avoidance of doubt, the Borrower shall have a reasonable basis for withholding consent if such Participant would result in a materially increased indemnification obligation to the Borrower at such time).

(g) Any Lender may, without the consent of the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(h) Notwithstanding anything to the contrary contained herein, any Lender (a "**Granting Lender**") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an "**SPC**") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, (ii) if an SPC elects not to exercise such

option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof and (iii) such SPC and the applicable Loan or any applicable part thereof, shall be appropriately reflected in the Participant Register. Each party hereto hereby agrees that (i) an SPC shall be entitled to the benefit of Sections 3.01, 3.04 and 3.05 (subject to the requirements and the limitations of such Sections and Sections 3.06 and 3.07 and it being understood that the documentation required under Section 3.01(d) shall be delivered solely to the Granting Lenders) but neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement except, in the case of Section 3.01, to the extent that the grant to the SPC was made with the prior written consent of the Borrower which may be withheld in the Borrower's sole and absolute discretion, (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (iii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the Lender hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrower and the Administrative Agent and with the payment of a processing fee of \$3,500, assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(i) Notwithstanding anything to the contrary contained herein, without the consent of the Borrower or the Administrative Agent, (1) any Lender may in accordance with applicable Law create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it and (2) any Lender that is a Fund may create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; *provided* that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 10.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(j) [Reserved].

(k) Any Lender may at any time, assign all or a portion of its rights and obligations with respect to Loans under this Agreement to a Person who is or will become, after such assignment, an Affiliated Lender through (x) Dutch auctions or other offers to purchase open to all Lenders on a pro rata basis consistent with the procedures set forth in Section 2.05(a)(v) or (y) open market purchase on a non-pro rata basis, in each case subject to the following limitations:

(i) the assigning Lender and the Affiliated Lender purchasing such Lender's Loans shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit J hereto (an "**Affiliated Lender Assignment and Assumption**");

(ii) Affiliated Lenders will not receive information provided solely to Lenders by the Administrative Agent or any Lender and will not be permitted to attend or participate in conference calls or meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article II;

(iii) (A) each Affiliated Lender that purchases any Loans pursuant to clause (x) above shall represent and warrant to the selling Lender and the Administrative Agent (other than any other Affiliated Lender), or shall make a statement that such representation cannot be made, that it does not possess material non-public information with respect to Holdings and its Subsidiaries or the securities of any of them that has not been disclosed to the Lenders generally (other than Lenders who elect not to receive such information) and (B) each Lender (other than any other Affiliated Lender) that assigns any Loans to an Affiliated Lender pursuant to clause (k)(y) above shall deliver to the Administrative Agent and the applicable Affiliated Lender a customary Big Boy Letter;

(iv) the aggregate principal amount of Loans held at any one time by Affiliated Lenders shall not exceed 25% of the original principal amount of all Loans at such time outstanding; (such percentage, the "**Affiliated Lender Cap**"); *provided* that to the extent any assignment to an Affiliated Lender would result in the aggregate principal amount of all Loans held by Affiliated Lenders exceeding the Affiliated Lender Cap, the assignment of such excess amount will be void *ab initio*; and

(v) as a condition to each assignment pursuant to this clause (k), the Administrative Agent and the Borrower shall have been provided a notice in the form of Exhibit E-2 to this Agreement in connection with each assignment to an Affiliated Lender or a Person that upon effectiveness of such assignment would constitute an Affiliated Lender pursuant to which such Affiliated Lender shall waive any right to bring any action in connection with such Loans against the Administrative Agent, in its capacity as such.

Each Affiliated Lender agrees to notify the Administrative Agent promptly (and in any event within ten (10) Business Days) if it acquires any Person who is also a Lender, and each Lender agrees to notify the Administrative Agent promptly (and in any event within ten (10) Business Days) if it becomes an Affiliated Lender. Such notice shall contain the type of information required and be delivered to the same addressee as set forth in Exhibit E-2.

Notwithstanding anything to the contrary contained herein, any Affiliated Lender that has purchased Loans pursuant to this subsection (k) and any Debt Fund Affiliate that has purchased Loans may, in their sole discretion, contribute, directly or indirectly, principal amount of such Loans, plus all accrued and unpaid interest thereon, to the Borrower for the purpose of cancelling and extinguishing such Loans. Upon the date of such contribution, assignment or transfer, (x) the aggregate outstanding principal amount of Loans shall reflect such cancellation and extinguishing of the Loans then held by the Borrower and (y) the Borrower shall promptly provide notice to the Administrative Agent of such contribution of such Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of the applicable Loans in the Register.

(l) Any Lender may, so long as no Default or Event of Default has occurred and is continuing, at any time, assign all or a portion of its rights and obligations with respect to Loans under this Agreement to Holdings or the Borrower through (x) Dutch auctions or other offers to purchase open to all Lenders on a pro rata basis consistent with the procedures set forth in Section 2.05(a)(v) or (y) notwithstanding Sections 2.12 and 2.13 or any other provision in this Agreement, open market purchase on a non-pro rata basis; *provided that*:

(i) if Holdings is the assignee, upon such assignment, transfer or contribution, Holdings shall automatically be deemed to have contributed the principal amount of such Loans, plus all accrued and unpaid interest thereon, to the Borrower; and

(ii) (a) the principal amount of such Loans, along with all accrued and unpaid interest thereon, so contributed, assigned or transferred to the Borrower shall be deemed automatically cancelled and extinguished on the date of such contribution, assignment or transfer, (b) the aggregate outstanding principal amount of Loans of the remaining Lenders shall reflect such cancellation and extinguishing of the Loans then held by the Borrower and (c) the Borrower shall promptly provide notice to the Administrative Agent of such contribution, assignment or transfer of such Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of the applicable Loans in the Register.

(m) Notwithstanding anything in Section 10.01 or the definition of "Required Lenders" or "Required Class Lenders" to the contrary, for purposes of determining whether the Required Lenders and Required Class Lenders (in respect of a Class of Loans) have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, or subject to Section 10.07(n), any plan of reorganization pursuant to the U.S. Bankruptcy Code, (ii) otherwise acted on any matter related to any Loan Document, or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, no Affiliated Lender shall have any right to consent (or not consent), otherwise act or direct or require the Administrative Agent or any Lender to take (or refrain from taking) any such action, and all Loans held by any Affiliated Lenders shall be disregarded for all purposes of calculating whether the Required Lenders, Required Class Lenders (in respect of a Class of Loans) or all Lenders have taken any actions (and shall be deemed to have voted pro rata with other lenders that are not Affiliated Lenders), except that no amendment, modification or waiver of any Loan Document shall, without the consent of the applicable Affiliated Lender, deprive any Affiliated Lender of its Pro Rata Share of any payment to which all Lenders of the applicable Class of Loans are entitled or affect an Affiliated Lender in a manner that is disproportionate to the effect on any Lender of the same Class of Loans.

(n) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, each Affiliated Lender hereby agrees that (and each Affiliated Lender Assignment and Assumption shall provide a confirmation that) if a proceeding under any Debtor Relief Law shall be commenced by or against the Borrower or any other Loan Party at a time when such Lender is an Affiliated Lender, such Affiliated Lender irrevocably authorizes and empowers the Administrative Agent to vote on behalf of such Affiliated Lender with respect to the Loans held by such Affiliated Lender in a manner such that all Affiliated Lenders will be deemed to vote in

the same proportion as Lenders that are not Affiliated Lenders, unless the Administrative Agent instructs such Affiliated Lender to vote, in which case such Affiliated Lender shall vote with respect to the Loans held by it in order to provide that all Affiliated Lenders will be deemed to vote in the same proportion as Lenders that are not Affiliated Lenders; *provided* that such Affiliated Lender shall be entitled to vote in accordance with its sole discretion (and not in accordance with the direction of the Administrative Agent) in connection with any plan of reorganization to the extent any such plan of reorganization proposes to treat any Obligations held by such Affiliated Lender in a manner that has a disproportionate effect on such Affiliated Lender as compared to the proposed treatment of similar Obligations held by Lenders that are not Affiliated Lenders.

(o) Although Debt Fund Affiliates shall be Eligible Assignees and shall not be subject to the provisions of Section 10.07(m) or (n), any Lender may, at any time, assign all or a portion of its rights and obligations with respect to Loans under this Agreement to a Person who is or will become, after such assignment, a Debt Fund Affiliate only through (x) Dutch auctions or other offers to purchase open to all Lenders on a pro rata basis consistent with the procedures set forth in Section 2.05(a)(v) (for the avoidance of doubt, without requiring any representation as to the possession of material non-public information by such Affiliate and without regard to whether a Default or an Event of Default has occurred and is continuing) or (y) open market purchase on a non-pro rata basis. Notwithstanding anything in Section 10.01 or the definition of "Required Lenders" to the contrary, for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, (ii) otherwise acted on any matter related to any Loan Document or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, all Loans held by Debt Fund Affiliates, in the aggregate, may not account for more than 49.9% of the Loans of Lenders included in determining whether the Required Lenders have consented to any action pursuant to Section 10.01.

(p) The aggregate outstanding principal amount of the Loans of the applicable Class shall be deemed reduced by the full par value of the aggregate principal amount of the Loans purchased by, or contributed to (in each case, and subsequently cancelled hereunder), the Borrower pursuant to Section 10.07(k) or (l) and the principal repayment on the Maturity Date with respect to the Loans of such Class pursuant to Section 2.07 shall be reduced by the par value of the aggregate principal amount of Loans so purchased or contributed (and subsequently cancelled), with such reduction being applied solely to the Loans of the Lenders which sold such Loans.

Section 10.08 Confidentiality.

Each of the Agents and the Lenders agrees to maintain the confidentiality of the Information, except that Information may be disclosed (a) to its Affiliates and its and its Affiliates' managers, administrators, directors, officers, employees, trustees, partners, investors, ~~investment advisors~~ beneficial owners and/or prospective investors, prospective Eligible Assignees (including their respective beneficial owners and/or prospective investors), investment advisors (including prospective investors of such investment advisors) and agents, including

accountants, legal counsel, service providers and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential); (b) to the extent requested by any Governmental Authority or self-regulatory authority having or asserting jurisdiction over such Person (including any Governmental Authority regulating any Lender or its Affiliates), *provided* that the Administrative Agent or such Lender, as applicable, agrees that it will notify the Borrower prior to any such disclosure by such Person to the extent practicable (other than at the request of a regulatory authority or any self-regulatory authority having or asserting jurisdiction over such Person) unless such notification is prohibited by law, rule or regulation; (c) to the extent required by applicable Laws or regulations or by any subpoena or similar legal process, *provided* that the Administrative Agent or such Lender, as applicable, agrees that it will notify the Borrower as soon as practicable in the event of any such disclosure by such Person (other than at the request of a regulatory authority or any self-regulatory authority having or asserting jurisdiction over such Person) unless such notification is prohibited by law, rule or regulation; (d) to any other party to this Agreement; (e) subject to an agreement containing provisions at least as restrictive as those of this Section 10.08 (or as may otherwise be reasonably acceptable to the Borrower), to any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or any Eligible Assignee invited to be an Additional Lender, any pledgee referred to in Section 10.07(g), or any actual or prospective direct or indirect counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations; (f) with the written consent of the Borrower; (g) to the extent such Information becomes publicly available other than as a result of a breach of this Section 10.08 or becomes available to the Administrative Agent, any Arranger, any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than a Loan Party or any Sponsor or their respective related parties (so long as such source is not known to the Administrative Agent, such Arranger, such Lender or any of their respective Affiliates to be bound by confidentiality obligations to any Loan Party); (h) to any rating agency when required by it on a customary basis and after consultation with the Borrower (it being understood that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Information relating to Loan Parties and their Subsidiaries received by it from such Lender); (i) in connection with the exercise of any remedies hereunder, under any other Loan Document or the enforcement of its rights hereunder or thereunder; or (j) to the extent such Information is independently developed by such Person or its Affiliates so long as not based on Information obtained in a manner that would otherwise violate this Section 10.08.

For purposes of this Section 10.08, “**Information**” means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary thereof or their respective businesses, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by any Loan Party or any Subsidiary thereof other than as a result of a breach of this Section 10.08; *provided* that all information received after the Closing Date from Holdings, the Borrower or any of its Subsidiaries shall be deemed confidential unless such information is clearly identified at the time of delivery as not being confidential.

Each of the Administrative Agent and the Lenders acknowledges that (a) the Information may include material non-public information concerning the Borrower or any of its Subsidiaries, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with applicable Law, including United States Federal and state securities Laws.

Section 10.09 Setoff.

In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Lender and its Affiliates (and the Administrative Agent, in respect of any unpaid fees, costs and expenses payable hereunder) is authorized at any time and from time to time, without prior notice to the Borrower, any such notice being waived by the Borrower (on its own behalf and on behalf of each Loan Party and each of its Subsidiaries) to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by, and other Indebtedness at any time owing by, such Lender and its Affiliates or the Administrative Agent to or for the credit or the account of the respective Loan Parties and their Subsidiaries against any and all Obligations (other than, with respect to any Guarantor, Excluded Swap Obligations of such Guarantor) owing to such Lender and its Affiliates or the Administrative Agent hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not such Agent or such Lender or Affiliate shall have made demand under this Agreement or any other Loan Document and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness; *provided* that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.17 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such set off and application made by such Lender; *provided* that the failure to give such notice shall not affect the validity of such setoff and application. The rights of the Administrative Agent and each Lender under this Section 10.09 are in addition to other rights and remedies (including other rights of setoff) that the Administrative Agent and such Lender may have at Law.

Section 10.10 Interest Rate Limitation.

Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "**Maximum Rate**"). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 10.11 Counterparts; Electronic Execution of Assignments and Certain Other Documents.

This Agreement and each other Loan Document may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopier, .pdf or other electronic imaging means of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document. The Agents may also require that any such documents and signatures delivered by telecopier, .pdf or other electronic imaging means be confirmed by a manually signed original thereof; provided that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopier, .pdf or other electronic imaging means.

The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 10.12 Integration; Termination.

This Agreement, together with the other Loan Documents, comprises the complete and integrated agreement of the parties on the subject matter hereof and thereof and supersedes all prior agreements (other than the Fee Letter) written or oral, on such subject matter. In the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control; *provided* that the inclusion of supplemental rights or remedies in favor of the Agents or the Lenders in any other Loan Document shall not be deemed a conflict with this Agreement. Each Loan Document was drafted with the joint participation of the respective parties thereto and shall be construed neither against nor in favor of any party, but rather in accordance with the fair meaning thereof. Notwithstanding anything contained herein or in any Loan Document or any other agreement among the parties or anything else to the contrary, the Fee Letter and all obligations thereunder shall survive the execution, delivery and performance of the Loan Documents and the occurrence of the Closing Date.

Section 10.13 Survival of Representations and Warranties.

All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Borrowing, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied (other than Obligations under Secured Hedge Agreements, Treasury Services Agreements or contingent indemnification obligations, in any such case, not then due and payable).

Section 10.14 Severability.

If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 10.14, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent, then such provisions shall be deemed to be in effect only to the extent not so limited.

Section 10.15 GOVERNING LAW.

(a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) ANY LEGAL ACTION OR PROCEEDING ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, SHALL BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY (BOROUGH OF MANHATTAN) OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH LOAN PARTY, EACH AGENT AND EACH LENDER CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THOSE COURTS AND AGREES THAT IT WILL NOT COMMENCE OR SUPPORT ANY SUCH ACTION OR PROCEEDING IN ANOTHER JURISDICTION. NOTWITHSTANDING THE FOREGOING, NOTHING CONTAINED HEREIN OR IN ANY OTHER LOAN DOCUMENT WILL PREVENT ANY LENDER OR THE ADMINISTRATIVE AGENT FROM BRINGING ANY ACTION TO ENFORCE ANY AWARD OR JUDGMENT OR EXERCISE ANY RIGHT UNDER THE SECURITY DOCUMENTS OR AGAINST ANY COLLATERAL OR ANY OTHER PROPERTY OF ANY LOAN PARTY IN ANY OTHER FORUM IN WHICH JURISDICTION CAN BE ESTABLISHED. EACH LOAN PARTY, EACH AGENT AND EACH LENDER IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY LOAN DOCUMENT OR OTHER DOCUMENT RELATED

THERE TO. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENTS IN THE MANNER PROVIDED FOR NOTICES (OTHER THAN TELECOPIER) IN SECTION 10.02. NOTHING IN THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

Section 10.16 WAIVER OF RIGHT TO TRIAL BY JURY.

Section 10.18 USA Patriot Act.

Each Lender that is subject to the USA Patriot Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name, address and tax identification number of such Loan Party and other information regarding such Loan Party that will allow such Lender or the Administrative Agent, as applicable, to identify such Loan Party in accordance with the USA Patriot Act. This notice is given in accordance with the requirements of the USA Patriot Act and is effective as to the Lenders and the Administrative Agent. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each Loan Party acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent and the other Arrangers are arm's-length commercial transactions between the Loan Parties and their respective Affiliates, on the one hand, and the Administrative Agent, the other Arrangers and the Lenders, on the other hand, (B) each Loan Party has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) each Loan Party is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Administrative Agent, each other Arranger and each Lenders each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for each Loan Party or any of their respective Affiliates, or any other Person and (B) neither the Administrative Agent, any other Arranger nor any Lender has any obligation to the Loan Parties or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, the other Arrangers, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Loan Parties and their respective Affiliates, and neither the Administrative Agent nor any other Arranger nor any Lender has any obligation to disclose any of such interests to the Loan Parties or any of their respective Affiliates. To the fullest extent permitted by law, each Loan Party hereby waives and releases any claims that it may have against the Administrative Agent, the other Arrangers and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 10.20 INTERCREDITOR AGREEMENTS.

EACH LENDER AGREES TO BE BOUND BY AND WILL TAKE NO ACTIONS CONTRARY TO THE PROVISIONS OF THE RELEVANT INTERCREDITOR AGREEMENT.

(c) THE PROVISIONS OF THIS SECTION 10.20 ARE NOT INTENDED TO SUMMARIZE ALL RELEVANT PROVISIONS OF THE RELEVANT INTERCREDITOR AGREEMENT. REFERENCE MUST BE MADE TO THE RELEVANT INTERCREDITOR AGREEMENT ITSELF TO UNDERSTAND ALL TERMS AND CONDITIONS THEREOF. EACH LENDER IS RESPONSIBLE FOR MAKING ITS OWN ANALYSIS AND REVIEW OF THE RELEVANT INTERCREDITOR AGREEMENT AND THE TERMS AND PROVISIONS THEREOF, AND NO AGENT (AND NONE OF ITS AFFILIATES) MAKES ANY REPRESENTATION TO ANY LENDER AS TO THE SUFFICIENCY OR ADVISABILITY OF THE PROVISIONS CONTAINED IN THE RELEVANT INTERCREDITOR AGREEMENT.

(d) THE PROVISIONS OF THIS SECTION 10.20 SHALL APPLY WITH EQUAL FORCE, MUTATIS MUTANDIS, TO THE SECOND LIEN INTERCREDITOR AGREEMENT, THE THIRD LIEN INTERCREDITOR AGREEMENT, THE SUBORDINATION AGREEMENT AND ANY OTHER INTERCREDITOR AGREEMENT OR ARRANGEMENT PERMITTED BY THIS AGREEMENT.

(f) NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, (I) THE LIENS AND SECURITY INTERESTS GRANTED TO THE ADMINISTRATIVE AGENT PURSUANT TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT ARE EXPRESSLY SUBJECT AND SUBORDINATE TO THE LIENS AND SECURITY INTERESTS GRANTED IN FAVOR OF THE SENIOR SECURED PARTIES (AS DEFINED IN THE SECOND LIEN INTERCREDITOR AGREEMENT) TO THE EXTENT SET FORTH IN THE SECOND LIEN INTERCREDITOR AGREEMENT, INCLUDING LIENS AND SECURITY INTERESTS GRANTED TO FIRST LIEN ADMINISTRATIVE AGENT, PURSUANT TO OR IN CONNECTION WITH THE FIRST LIEN CREDIT AGREEMENT AND (II) THE EXERCISE OF ANY RIGHT OR REMEDY BY THE ADMINISTRATIVE AGENT HEREUNDER IS SUBJECT TO THE LIMITATIONS AND PROVISIONS OF THE SECOND LIEN INTERCREDITOR AGREEMENT. IN THE EVENT OF ANY CONFLICT BETWEEN THE TERMS OF THE SECOND LIEN INTERCREDITOR AGREEMENT AND THE TERMS OF THIS AGREEMENT, THE TERMS OF THE SECOND LIEN INTERCREDITOR AGREEMENT SHALL GOVERN.

Section 10.21 Acknowledgement and Consent to Bail-In of EEA Financial Institutions.

Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

Section 10.22 Acknowledgement Regarding Any Supported QFCs.

To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any Swap Contract or any other agreement or instrument that is a QFC (such support, “QFC Credit Support”, and each such QFC, a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 10.22, the following terms have the following meanings:

“BHC Act Affiliate” of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

“Covered Entity” means any of the following: (i) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b); (ii) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (iii) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

“Default Right” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

“QFC” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

ARTICLE XI. GUARANTEE

Section 11.01 The Guarantee.

Each Guarantor hereby jointly and severally with the other Guarantors guarantees, as a primary obligor and not as a surety, to each Secured Party and their respective successors and assigns, the prompt payment in full when due (whether at stated maturity, by required prepayment, declaration, demand, by acceleration or otherwise) of the principal of and interest (including any interest, fees, costs or charges that would accrue but for the provisions of (i) the Title 11 of the United States Code after any bankruptcy or insolvency petition under Title 11 of the United States Code and (ii) any other Debtor Relief Laws) on the Loans made by the Lenders to, and the Notes held by each Lender of, the Borrower, and all other Obligations (excluding, with respect to any Guarantor, any Excluded Swap Obligations of such Guarantor) from time to time owing to the Secured Parties by any Loan Party under any Loan Document or any Secured Hedge Agreement or any Treasury Services Agreement, in each case strictly in accordance with the terms thereof (such obligations being herein collectively called the “**Guaranteed Obligations**”). The Guarantors hereby jointly and severally agree that if the Borrower or other Guarantor(s) shall fail to pay in full when due (whether at stated maturity, by acceleration or otherwise) any of the Guaranteed Obligations, the Guarantors will promptly pay the same in cash, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Guaranteed Obligations, the same will be promptly paid in full when due (whether at extended maturity, by acceleration or otherwise) in accordance with the terms of such extension or renewal.

Section 11.02 Obligations Unconditional.

The obligations of the Guarantors under Section 11.01 shall constitute a guaranty of payment and to the fullest extent permitted by applicable Law, are absolute, irrevocable and unconditional, joint and several, irrespective of the value, genuineness, validity, regularity or enforceability of the Guaranteed Obligations of the Borrower under this Agreement, the Notes, if any, or any other agreement or instrument referred to herein or therein, or any substitution, release or exchange of any other guarantee of or security for any of the Guaranteed Obligations, and, irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or Guarantor (except for payment in full). Without limiting the generality of the foregoing, it is agreed that the occurrence of any one or more of the following shall not alter or impair the liability of the Guarantors hereunder which shall remain absolute, irrevocable and unconditional under any and all circumstances as described above:

- (i) at any time or from time to time, without notice to the Guarantors, to the extent permitted by Law, the time for any performance of or compliance with any of the Guaranteed Obligations shall be extended, or such performance or compliance shall be waived;
- (ii) any of the acts mentioned in any of the provisions of this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein shall be done or omitted;
- (iii) the maturity of any of the Guaranteed Obligations shall be accelerated, or any of the Guaranteed Obligations shall be amended in any respect, or any right under the Loan Documents or any other agreement or instrument referred to herein or therein shall be amended or waived in any respect or any other guarantee of any of the Guaranteed Obligations or except as permitted pursuant to Section 11.09, any security therefor shall be released or exchanged in whole or in part or otherwise dealt with;
- (iv) any Lien or security interest granted to, or in favor of any Lender or Agent as security for any of the Guaranteed Obligations shall fail to be perfected; or
- (v) the release of any other Guarantor pursuant to Section 11.09.

The Guarantors hereby expressly waive diligence, presentment, demand of payment, protest and, to the extent permitted by Law, all notices whatsoever, and any requirement that any Secured Party exhaust any right, power or remedy or proceed against the Borrower under this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein, or against any other Person under any other guarantee of, or security for, any of the Guaranteed Obligations. The Guarantors waive, to the extent permitted by Law, any and all notice of the creation, renewal, extension, waiver, termination or accrual of any of the Guaranteed Obligations and notice of or proof of reliance by any Secured Party upon this Guarantee or acceptance of this Guarantee, and the Guaranteed Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred in reliance upon this Guarantee, and all dealings between the Borrower and the Secured Parties shall likewise be conclusively presumed to have been had or consummated in reliance upon this Guarantee. This

Guarantee shall be construed as a continuing, absolute, irrevocable and unconditional guarantee of payment without regard to any right of offset with respect to the Guaranteed Obligations at any time or from time to time held by Secured Parties, and the obligations and liabilities of the Guarantors hereunder shall not be conditioned or contingent upon the pursuit by the Secured Parties or any other Person at any time of any right or remedy against the Borrower or against any other Person which may be or become liable in respect of all or any part of the Guaranteed Obligations or against any collateral security or guarantee therefor or right of offset with respect thereto. This Guarantee shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon the Guarantors and the successors and assigns thereof, and shall inure to the benefit of the Lenders, and their respective successors and assigns, notwithstanding that from time to time during the term of this Agreement there may be no Guaranteed Obligations outstanding.

Section 11.03 Reinstatement.

The obligations of the Guarantors under this Article XI shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of the Borrower or other Loan Party in respect of the Guaranteed Obligations is rescinded or must be otherwise restored by any holder of any of the Guaranteed Obligations, whether as a result of any proceedings in bankruptcy or reorganization or otherwise.

Section 11.04 Subrogation; Subordination.

Each Guarantor hereby agrees that until the payment and satisfaction in full in cash of all Guaranteed Obligations and the expiration and termination of the Commitments of the Lenders under this Agreement it shall waive any claim and shall not exercise any right or remedy, direct or indirect, arising by reason of any performance by it of its guarantee in Section 11.01, whether by subrogation or otherwise, against the Borrower or any other Guarantor of any of the Guaranteed Obligations or any security for any of the Guaranteed Obligations. Any Indebtedness of any Loan Party to any Non-Loan Party permitted pursuant to Section 7.03(b)(ii) or 7.03(d) shall be subordinated to such Loan Party's Obligations in the manner set forth in the Intercompany Note evidencing such Indebtedness.

Section 11.05 Remedies.

The Guarantors jointly and severally agree that, as between the Guarantors and the Lenders, the obligations of the Borrower under this Agreement and the Notes, if any, may be declared to be forthwith due and payable as provided in Section 8.02 (and shall be deemed to have become automatically due and payable in the circumstances provided in Section 8.02) for purposes of Section 11.01, notwithstanding any stay, injunction or other prohibition preventing such declaration (or such obligations from becoming automatically due and payable) as against the Borrower and that, in the event of such declaration (or such obligations being deemed to have become automatically due and payable), such obligations (whether or not due and payable by the Borrower) shall forthwith become due and payable by the Guarantors for purposes of Section 11.01.

Section 11.06 Instrument for the Payment of Money.

Each Guarantor hereby acknowledges that the guarantee in this Article XI constitutes an instrument for the payment of money, and consents and agrees that any Lender or Agent, at its sole option, in the event of a dispute by such Guarantor in the payment of any moneys due hereunder, shall have the right to bring a motion-action under New York CPLR Section 3213.

Section 11.07 Continuing Guarantee.

The guarantee in this Article XI is a continuing guarantee of payment, and shall apply to all Guaranteed Obligations whenever arising.

Section 11.08 General Limitation on Guarantee Obligations.

In any action or proceeding involving any state corporate limited partnership or limited liability company law, or any applicable state, federal or foreign bankruptcy, insolvency, reorganization or other Law affecting the rights of creditors generally, if the obligations of any Subsidiary Guarantor under Section 11.01 would otherwise be held or determined to be void, voidable, invalid or unenforceable, or subordinated to the claims of any other creditors, on account of the amount of its liability under Section 11.01, then, notwithstanding any other provision to the contrary, the amount of such liability shall, without any further action by such Subsidiary Guarantor, any Loan Party or any other Person, be automatically limited and reduced to the highest amount (after giving effect to the right of contribution established in Section 11.10) that is valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding.

Section 11.09 Release of Guarantors.

If, in compliance with the terms and provisions of the Loan Documents, (i) all or substantially all of the Equity Interests or property of any Subsidiary Guarantor are sold or otherwise transferred to a Person or Persons none of which is a Loan Party or (ii) any Subsidiary Guarantor becomes an Excluded Subsidiary (any such Subsidiary Guarantor, and any Subsidiary Guarantor referred to in clause (i), a “**Transferred Guarantor**”), such Transferred Guarantor shall, upon the consummation of such sale or transfer or other transaction, be automatically released from its obligations under this Agreement (including under Section 10.05 hereof) and its obligations to pledge and grant any Collateral owned by it pursuant to any Collateral Document and, in the case of a sale of all or substantially all of the Equity Interests of the Transferred Guarantor, the pledge of such Equity Interests to the Administrative Agent pursuant to the Collateral Documents shall be automatically released, and, so long as the Borrower shall have provided the Agents such certifications or documents as any Agent shall reasonably request, the Administrative Agent shall take such actions as are necessary to effect each release described in this Section 11.09 in accordance with the relevant provisions of the Collateral Documents; provided further, that notwithstanding the foregoing, if any Subsidiary Guarantor becomes an Excluded Subsidiary pursuant to clause (a) of the definition of Excluded Subsidiary, such Guarantor shall not be released from its obligations under the Guaranty or any other Loan Document unless (x) such Subsidiary Guarantor would no longer be a direct or indirect Subsidiary of the Borrower or (y) after giving pro forma effect to such release and the consummation of the relevant transaction, the Borrower would be permitted to make an Investment in such Person to be so released pursuant to clause (1) of the definition of “Permitted Investments” (and, if this clause (y) shall be applicable, Borrower shall be deemed to have made such an Investment in such Person pursuant to such clause (1)).

Subject to the immediately preceding paragraph of this Section 11.09, the Guarantees made herein shall remain in full force and effect so long as any Lender shall have any Commitment hereunder, any Loan or other Obligation (other than (i) contingent indemnification obligations as to which no claim has been asserted and (ii) obligations under Treasury Services Agreements or obligations under Secured Hedge Agreements) hereunder which is accrued and payable shall remain unpaid or unsatisfied.

Section 11.10 Right of Contribution.

Each Guarantor hereby agrees that to the extent that a Subsidiary Guarantor shall have paid more than its proportionate share of any payment made hereunder, such Subsidiary Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder which has not paid its proportionate share of such payment. Each Subsidiary Guarantor's right of contribution shall be subject to the terms and conditions of Section 11.04. The provisions of this Section 11.10 shall in no respect limit the obligations and liabilities of any Subsidiary Guarantor to the Administrative Agent, and the Lenders, and each Subsidiary Guarantor shall remain liable to the Administrative Agent and the Lenders for the full amount guaranteed by such Subsidiary Guarantor hereunder.

Section 11.11 Keepwell.

Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally, and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Loan Party to honor all of its obligations under this Guaranty in respect of any Swap Obligation (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 11.11 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 11.11, or otherwise under this Guaranty, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section 11.11 shall remain in full force and effect until the payment in full and discharge of the Guaranteed Obligations. Each Qualified ECP Guarantor intends that this Section 11.11 constitute, and this Section 11.11 shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each other Guarantor for all purposes of section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

2014 EQUITY INCENTIVE PLAN

1. DEFINED TERMS

Exhibit A, which is incorporated by reference, defines the terms used in the Plan and sets forth certain operational rules related to those terms.

2. PURPOSE

The Plan has been established to attract, retain and motivate the employees, officers, directors and consultants of the Company and its Affiliates, and to advance the interests of the Company by providing them with appropriate incentives and rewards either through a proprietary interest in the long-term success of the Company or compensation based on fulfilling certain performance goals. The Plan is a “compensatory benefit plan” within the meaning of Rule 701 under the Securities Act of 1933 (the “Securities Act”), as amended, and all Awards granted under the Plan are intended to qualify for an exemption from the registration requirements (i) under the Securities Act, pursuant to Rule 701 of the Securities Act or another applicable exemption, and (ii) under applicable state securities laws.

3. ADMINISTRATION

The Administrator has full discretionary authority, subject only to the express provisions of the Plan, to interpret, clarify, construe or resolve any ambiguity in any provision of the Plan or any Award; administer the Plan; determine eligibility for, and grant Awards; determine the type and amount of Awards to be granted to each Participant; determine, modify or waive the terms and conditions of any Award (including by accelerating or waiving vesting of Awards and exercisability of Awards, extending the term or period of exercisability of any Awards (subject to the limitations set forth in Section 6(b)(4) of this Plan), and modifying the purchase price or exercise price of any Award (subject to the limitations set forth in Section 6(a)(10) of this Plan)); prescribe forms, rules and procedures; and otherwise do all things necessary or advisable to carry out the purposes of the Plan. Awards may, in the discretion of the Administrator, be made under this Plan in assumption of, or in substitution for, outstanding awards previously granted by the Company or an Affiliate or a company acquired by the Company or with which the Company combines. The Administrator shall have full and exclusive discretionary power to adopt rules, forms, instruments and guidelines for administering this Plan as the Administrator deems necessary or proper. All actions taken and all interpretations and determinations of the Administrator or the Board (or any other committee or sub-committee thereof), as applicable, made under the Plan will be final and conclusive and will bind all interested parties (including, without limitation, Participants and their beneficiaries or successors). The Administrator may delegate to one or more of its members (if any), one or more officers of the Company or any Affiliate, or one or more agents or advisors such administrative duties or powers as it may deem advisable. The Administrator shall not be liable for and the Company shall indemnify and hold harmless the Administrator from and against any action taken or omitted to be taken by the Administrator in connection with the Plan, except for such actions or omissions arising from or as a result of the Administrator’s own willful misconduct.

4. LIMITS ON AWARDS UNDER THE PLAN

A maximum of 32,482,177 Class A Units may be delivered in satisfaction of Awards under the Plan, subject to Section 7(b) hereof. The number of Class A Units delivered in satisfaction of Awards shall, for purposes of the preceding sentence, be determined net of Class A Units withheld by the Company in payment of the exercise price of an Award or in satisfaction of tax withholding requirements with respect to an Award, to the extent permitted by the Administrator in its sole discretion. In the event that any outstanding Award expires, is forfeited, cancelled or otherwise terminated without consideration (i.e., Class A Units or cash) therefor, the Class A Units subject to such Award to the extent of any such forfeiture, cancellation, expiration, or termination shall again be available for Awards under the Plan. Class A Units issued under awards of an acquired company that are assumed, converted, replaced or adjusted in connection with the acquisition shall not reduce the number of Class A Units available for Awards under the Plan.

5. ELIGIBILITY AND PARTICIPATION

The Administrator in its sole discretion and from time to time will select Participants from among those key employees and directors of, and consultants and advisors to, the Company or its Affiliates who, in the opinion of the Administrator, are in a position to make a significant contribution to the success of the Company and its Affiliates. Options and UARs may only be granted to those key employees, directors and consultants and advisors with respect to whom the Company is an "eligible issuer" within the meaning of Section 409A of the Code. Designation of a Participant in any year shall not require the Administrator to designate such Person to receive an Award in any other year or, once designated, to receive the same type or amount of Award as granted to the Participant in any other year.

6. RULES APPLICABLE TO AWARDS

(a) All Awards

(1) Award Provisions. The Administrator in its sole discretion will determine the terms of all Awards, subject to the limitations provided herein. By accepting (or, under such rules as the Administrator may prescribe, being deemed to have accepted) an Award, the Participant agrees to the terms of the Award and the Plan. Notwithstanding any provision of the Plan to the contrary, awards of an acquired company that are converted, replaced or adjusted in connection with the acquisition may contain terms and conditions that are inconsistent with the terms and conditions specified herein, as determined by the Administrator in its sole discretion.

(2) **Term of Plan.** No Awards may be made on or after December 10, 2024, which is the tenth (10th) anniversary of the date the Plan was adopted, or if earlier, the termination of the Plan by the Administrator, however, previously granted Awards may continue beyond that date in accordance with their terms.

(3) **Transferability.** No Awards, except as the Administrator otherwise expressly provides in accordance with the second sentence of this Section 6(a)(3), may be transferred other than by will or by the laws of descent and distribution. The Administrator may permit Awards to be transferred by gift, subject to such limitations as the Administrator may impose.

(4) **Vesting, Etc.** The Administrator may determine the time or times (including upon the achievement of performance conditions) at which an Award will vest or become exercisable and the terms on which an Award requiring exercise will remain exercisable, which terms need not be the same for each grant of Awards or for each Participant. An Award shall not become exercisable unless such Award is fully vested and exercisable pursuant to the terms of the applicable Award Agreement. Without limiting the foregoing, the Administrator may at any time accelerate the vesting or exercisability of an Award, regardless of any adverse or potentially adverse tax consequences resulting from such acceleration.

(5) **Taxes.**

(A) The Company shall have the power and the right to deduct or withhold automatically from any amount deliverable under an Award or otherwise, or require a Participant to remit to the Company, the minimum statutory amount to satisfy federal, state, and local taxes, domestic or foreign, required by law or regulation to be withheld with respect to any taxable event arising as a result of the Plan. With respect to required withholding, Participants may elect (subject to the Company's automatic withholding right set out above), subject to the approval of the Administrator in its sole discretion, to satisfy the withholding requirement, in whole or in part, by having the Company withhold Class A Units having a Fair Market Value on the date that the tax is to be determined equal to the minimum statutory total tax that could be imposed on the transaction.

(B) Participants (or their beneficiaries) shall be responsible for all taxes with respect to any Awards under the Plan. Notwithstanding anything contained herein to the contrary, the Administrator and the Company make no guarantees to any Person regarding the tax treatment of Awards or payments made under the Plan.

(6) Distribution Equivalents, Etc. The Administrator may provide for the payment of amounts in lieu of cash distributions with respect to Class A Units subject to an Award. Any entitlement to dividend equivalents or similar entitlements shall be established and administered consistent either with exemption from, or compliance with, the requirements of Section 409A of the Code.

(7) Section 83(b) Election. Restricted Class A Unit. If a Participant makes an election pursuant to Section 83(b) of the Code (a "Section 83(b) Election") concerning a Restricted Class A Unit, the Participant shall be required to file promptly a copy of such election with the Company.

(8) Rights Limited. Nothing in the Plan will be construed as giving any person the right to continued Employment with the Company or its Affiliates, or any rights as a unitholder except as to Class A Units actually issued under the Plan. The loss of existing or potential profit in Awards will not constitute an element of damages in the event of termination of Employment for any reason, even if the termination is in violation of an obligation of the Company or any Affiliate to the Participant.

(9) Coordination with Other Plans. Awards under the Plan may be granted in tandem with, or in satisfaction of or substitution for, other Awards under the Plan or awards made under other compensatory plans or programs of the Company or its Affiliates.

(10) Section 409A. Notwithstanding anything to the contrary in this Plan or any Award Agreement:

(A) To the extent that the Plan and/or Awards are subject to Section 409A of the Code, the Administrator may, in its sole discretion and without a Participant's prior consent, amend the Plan and/or Awards, adopt policies and procedures, or take any other actions (including amendments, policies, procedures and actions with retroactive effect) as are necessary or appropriate to (i) exempt the Plan and/or any Award from the application of Section 409A of the Code, United States Department of Treasury regulations and other interpretive guidance issued thereunder, including without limitation any such regulations or other guidance that may be issued after the date of the grant of an Award ("Section 409A Guidance"), (ii) preserve the intended tax treatment of any such Award, and/or (iii) comply with the requirements of Section 409A Guidance. This Plan shall be interpreted at all times in such a manner that the terms and provisions of the Plan and Awards are exempt from or comply with Section 409A Guidance. In no event shall the Company or any of its Affiliates be liable for any additional tax, interest or penalties that may be imposed on a Participant under Section 409A of the Code or any damages that may be imposed on a Participant or any other Person for failing to comply with Section 409A of the Code.

(B) Notwithstanding any contrary provision in the Plan or Award Agreement, any payment(s) that are otherwise required to be made under the Plan to a “specified employee” (as defined under Section 409A Guidance) as a result of his or her Separation from Service (other than a payment that is exempt from Section 409A of the Code) shall be delayed for the first six (6) months following such Separation from Service (or, if earlier, the date of death of the specified employee) and shall instead be paid (in a manner set forth in the Award Agreement) on the date that immediately follows the end of such six-month period or as soon as administratively practicable thereafter. Any remaining payments of nonqualified deferred compensation shall be made without delay at the time or times such payments are otherwise scheduled to be made.

(b) Awards Requiring Exercise

(1) Time and Manner of Exercise. Unless the Administrator expressly provides otherwise, an Award requiring exercise by the Participant may not be exercised until the latest of (i) the date that the Administrator receives a notice of exercise (in form acceptable to the Administrator) signed by the appropriate Person, (ii) if applicable, the date that all payments required under the Award in accordance with Section 6(a)(5) and Section 6(b)(3) hereof are received by the Administrator, and (iii) the condition specified in Section 6(b)(5) is satisfied. If the Award is exercised by any Person other than the Participant, the Administrator may require satisfactory evidence that the Person exercising the Award has the right to do so.

(2) Exercise Price. The exercise price (or the base value from which appreciation is to be measured) of each Award requiring exercise shall be 100% of the Fair Market Value of the Class A Units subject to the Award, determined as of the date of grant, or such greater amount as the Administrator may determine in connection with the grant.

(3) Payment Of Exercise Price. Where the exercise of an Award is to be accompanied by payment, payment of the exercise price shall be made by cash or check, at the election of the Participant, or by such other means as are permitted by the Administrator in its sole discretion or as set forth in the applicable Award Agreement.

(4) Maximum Term. Awards requiring exercise will have a term not to exceed ten (10) years from the date of grant.

(5) LLC Agreement. Unless the Administrator determines otherwise, or unless the Participant is already fully bound by the terms set forth therein, exercise of an Award shall be conditioned upon the execution by the Participant of a joinder agreement pursuant to which such Participant shall become fully bound by the terms set forth in the Company’s LLC Agreement.

7. EFFECT OF CERTAIN TRANSACTIONS

(a) **Mergers, etc.** Except as otherwise provided in an Award, the following provisions shall apply in the event of a Sale Transaction:

(1) **Assumption or Substitution.** If the Sale Transaction is one in which there is an acquiring or surviving entity, the Administrator may, in its sole discretion, provide for the assumption of some or all outstanding Awards or for the grant of new awards in substitution therefor by the acquiror or survivor or an affiliate of the acquiror or survivor.

(2) **Cash-Out of Awards.** If the Sale Transaction is one in which holders of Class A Units will receive upon consummation a payment (whether cash, noncash or a combination of the foregoing), the Administrator may, in its sole discretion, provide for the termination of some or all outstanding Awards or any portion thereof in exchange for a payment (a "cash-out"), equal in the case of each affected Award or portion thereof to the excess, if any, of (A) the Fair Market Value of one Class A Unit times the number of Class A Units subject to the Award or such portion, over (B) the aggregate exercise or purchase price, if any, under the Award or such portion (in the case of a UAR, the aggregate base value above which appreciation is measured), in each case on such payment terms (which need not be the same as the terms of payment to holders of Class A Units) and other terms, and subject to such conditions as the Administrator determines, including, but not limited to, conditioning the Participant's receipt of payments pursuant to this Section 7(a)(2) on the Participant's agreement to waive any and all rights with respect to any such payment that may become payable after the fifth (5th) anniversary of the date of consummation of the Sale Transaction in order to comply with Treasury Regulations Section 1.409A-3(i)(5)(iv).

(3) **Acceleration of Certain Awards.** In the event of a Sale Transaction the Administrator may, in its sole discretion, give the holders of some or all outstanding Options and UARs a reasonable period of time, as determined by the Administrator, prior to the consummation of the Sale Transaction to exercise such Options or UARs, and at the end of such period, such Options and UARs shall terminate and be forfeited to the extent not so exercised during such period without consideration therefor (unless otherwise specified by the Administrator).

(4) **Additional Limitations.** Any Class A Units and any cash or other property delivered pursuant to this Section 7(a) with respect to an Award may, in the discretion of the Administrator, contain such restrictions, if any, as the Administrator deems appropriate to reflect any performance or other vesting conditions to which the Award was subject and that did not lapse (and were not satisfied) in connection with the Sale Transaction. Subject to Section 6(a)(10) hereof, in the case of an Award that does not vest in connection with the Sale Transaction, the Administrator may require that any amounts delivered, exchanged or otherwise paid in respect of such Award in connection with the Sale Transaction be placed in escrow or otherwise made subject to such restrictions as the Administrator, in its sole discretion, deems appropriate to carry out the intent of the Plan.

(b) Changes in and Distributions With Respect to Class A Units

(1) Basic Adjustment Provisions. In the event of a merger, consolidation, reorganization, conversion to corporate form, unit distribution, extraordinary cash distribution, distribution in-kind, unit split or combination of Class A Units (including a reverse unit split), split-up, spin-off, exchange of Class A Units, recapitalization or other change in the Company's capital structure, the Administrator, without liability to any Person, shall take such equitable actions as are appropriate in its reasonable judgment to preserve the economic rights of the Participants, whether by adjusting the terms of the Awards or such other means as the Administrator shall determine, and, in each case, compliance with applicable tax laws (including, but not limited to, Section 409A of the Code), as determined by the Administrator.

(2) Continuing Application of Plan Terms. References in the Plan to Class A Units will be construed to include any Class A Units or securities resulting from an adjustment pursuant to this Section 7.

8. LEGAL CONDITIONS AND RESTRICTIONS ON CLASS A UNITS; COMPLIANCE WITH LAW

The Administrator may impose such other conditions or restrictions on Class A Units received in connection with an Award as it may deem advisable or desirable. These restrictions may include, but shall not be limited to, a requirement that the Participant hold the Class A Units received for a specified period of time or a requirement that a Participant represent and warrant in writing that the Participant is acquiring the Class A Units for investment and without any present intention to sell or distribute such Class A Units. The certificates, if any, for Class A Units may include any legend which the Administrator deems appropriate to reflect any conditions and restrictions applicable to such Class A Units and the Company may hold the certificates pending lapse of the applicable restrictions.

The Company will not be obligated to deliver any Class A Units pursuant to the Plan or to remove any restriction from Class A Units previously delivered under the Plan until: (i) the Company is satisfied that all legal matters in connection with the issuance and delivery of such Class A Units have been addressed and resolved, including, if applicable, compliance with the requirements of the Securities Act of 1933, as amended; (ii) if the outstanding Class A Units are, at the time of delivery, listed on any stock exchange or national market system, the Class A Units to be delivered have been listed or authorized to be listed on such exchange or system upon official notice of issuance; and (iii) all conditions of the Award have been satisfied or waived. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Class A Unit hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Class A Units as to which such requisite authority shall not be obtained.

Awards shall be granted and administered consistent with the requirements of applicable Delaware law relating to the issuance of units and the consideration to be received therefor, applicable requirements of the Securities Act of 1933, as amended, and with the applicable requirements of the stock exchanges or other trading systems on which the Class A Units are listed or entered for trading, in each case as determined by the Administrator. For the avoidance of doubt, the Administrator may, in its sole discretion and without a Participant's prior consent, amend the Plan and/or Awards, adopt policies and procedures, or take any other actions (including amendments, policies, procedures and actions with retroactive effect) as are necessary or appropriate to bring the Plan and/or Awards into compliance with applicable law.

9. AMENDMENT AND TERMINATION

The Administrator may at any time or times amend the Plan or any outstanding Award for any purpose which may at the time be permitted by law, and may at any time terminate the Plan as to any future grants of Awards; provided, that, except as otherwise expressly provided by the Plan or an Award, the Administrator may not, without the Participant's consent, alter the terms of an Award so as to affect materially and adversely a Participant's rights under an Award, unless the Administrator expressly reserved the right to do so at the time of the Award. Any amendments to the Plan shall be conditioned upon unitholder approval only to the extent, if any, such approval is required by law (including the Code) or regulatory authority, as determined by the Administrator.

10. OTHER COMPENSATION ARRANGEMENTS

The existence of the Plan or the grant of any Award will not in any way affect the Company's right to award a Person bonuses or other compensation in addition to Awards under the Plan.

11. MISCELLANEOUS

(a) Waiver of Jury Trial. BY ACCEPTING AN AWARD UNDER THE PLAN, EACH PARTICIPANT WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM CONCERNING ANY RIGHTS UNDER THE PLAN AND ANY AWARD, OR UNDER ANY AMENDMENT, WAIVER, CONSENT, INSTRUMENT, DOCUMENT OR OTHER AGREEMENT DELIVERED OR WHICH IN THE FUTURE MAY BE DELIVERED IN CONNECTION THEREWITH, AND AGREES THAT ANY SUCH ACTION, PROCEEDING OR COUNTERCLAIM SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY. BY ACCEPTING AN AWARD UNDER THE PLAN, EACH PARTICIPANT CERTIFIES THAT NO OFFICER, REPRESENTATIVE, OR ATTORNEY OF THE COMPANY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT THE COMPANY WOULD NOT, IN THE EVENT OF ANY ACTION, PROCEEDING OR COUNTERCLAIM, SEEK TO ENFORCE THE FOREGOING WAIVERS.

(b) Limitation of Liability. Notwithstanding anything to the contrary in the Plan, neither the Company, nor any Affiliate, nor the Administrator, nor any Person acting on behalf of the Company, any Affiliate, or the Administrator, shall be liable to any Participant or to the estate or beneficiary of any Participant or to any other holder of an Award by reason of any acceleration of income, or any additional tax, asserted by reason of the failure of an Award to satisfy the requirements of Section 409A of the Code, or by reason of Section 4999 of the Code.

(c) Severability. If any provision of the Plan or any Award is or becomes or is deemed to be invalid, illegal or unenforceable in any jurisdiction, or as to any Person or Award, or would disqualify the Plan or any Award under any law or regulatory authority deemed applicable by the Administrator, such provision shall be construed or deemed amended to conform to such laws or regulatory authority, or if it cannot be so construed or deemed amended without, in the determination of the Administrator, materially altering the intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction, Person, or Award, and the remainder of the Plan and any such Award shall remain in full force and effect.

(d) Unfunded Plan. Participants shall have no right, title or interest whatsoever in or to any investments that the Company may make to aid it in meeting its obligations under the Plan. Nothing contained in the Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Company and any Participant, beneficiary, legal representative, or any other Person. To the extent that any person acquires a right to receive payments from the Company, such right shall be no greater than the right of an unsecured general creditor of the Company. All payments to be made hereunder shall be paid from the general funds of the Company, and no special or separate fund shall be established and no segregation of assets shall be made to assure payment of such amounts. The Plan is not subject to the U.S. Employee Retirement Income Security Act of 1974, as amended from time to time.

(e) No Constraint on Company Action. Nothing in the Plan shall be construed to (i) limit, impair, or otherwise affect the Company's right or power to make adjustments, reclassifications, reorganizations, or changes of its capital or business structure, or to merge or consolidate, or dissolve, liquidate, sell, or transfer all or any part of its business or assets, or (ii) limit the right or power of the Company or its Affiliates to take any action which such entity deems to be necessary or appropriate.

(f) Foreign Laws. To comply with the laws (including tax laws) in countries other than the United States in which the Company or any Affiliate operates or has employees, directors or consultants, the Administrator, in its sole discretion, shall have the power and authority to: (i) determine which Affiliates shall be covered by the Plan; (ii) determine which employees, directors or consultants outside the United States are eligible to participate in the Plan; (iii) modify the terms and conditions of any Award granted to employees, directors or consultants outside the United States to comply with applicable foreign laws; (iv) take any action, before or after an Award is made, that it deems advisable to obtain approval or comply with any necessary local government regulatory exemptions or approvals; and (v) establish sub-plans and modify exercise procedures and other terms and procedures, to the extent such actions may be necessary or advisable.

(g) Successors. All obligations of the Company under the Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business or assets of the Company.

(h) Governing Law. This Plan and each Award (including, without limitation, the validity, construction, effect or performance hereof or thereof and any remedies hereunder or thereunder or related hereto or thereto) and all claims or causes of action or other matters (whether in contract, tort or otherwise) that may be based upon, arise out of or relate to this Plan or any Award or the negotiation, execution, performance or breach of this Plan or any Award shall be governed by and construed and enforced in accordance with the laws of the State of Delaware, without giving effect to any choice or conflict of law provisions (whether Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

(i) Effective Date. The Plan shall be effective as of the date of adoption by the Board, which date is set forth below (the "Effective Date").

* * *

This Plan was duly adopted and approved by the Board on the 10th day of December, 2014.

“Administrator”: The Board, except that the Board may delegate its authority under the Plan to a committee of the Board, in which case references herein to the Board shall refer to such committee. The Board may delegate: (i) to one or more of its members such of its duties, powers and responsibilities as it may determine; (ii) to one or more officers of the Company the power to grant rights or options; and (iii) to such employees or other Persons as it determines such ministerial tasks as it deems appropriate. “Affiliate”: Any entity that stands in a relationship to the Company that would result in the Company and such other entity being treated as one employer under Section 414(b) and Section 414(c) of the Code, except that in determining eligibility for the grant of an Option or UAR by reason of service for an Affiliate, Sections 414(b) and 414(c) of the Code shall be applied by substituting “at least 50%” for “at least 80%” under Section 1563(a) (1), (2) and (3) of the Code and Treas. Regs. § 1.414(c)-2; provided, that, to the extent permitted under Section 409A of the Code, “at least 20%” shall be used in lieu of “at least 50%”; and further, provided, that, the lower ownership threshold described in this definition (50% or 20% as the case may be) shall apply only if the same definition of affiliation is used consistently with respect to all compensatory unit options or unit awards (whether under the Plan or another plan). The Company may at any time by amendment provide that different ownership thresholds (consistent with Section 409A of the Code) apply but any such change shall not be effective for twelve (12) months.

- (i) Options.
- (ii) UARs.

- (a) the Participant shall have been indicted for, shall have been convicted of, or shall have pleaded guilty or nolo contendere to, any felony or any crime involving dishonesty or moral turpitude;
- (b) the Participant shall have committed any fraud, theft, embezzlement, misappropriation of funds, breach of fiduciary duty or act of dishonesty;

- (d) the Participant shall have engaged in conduct that (i) is likely to make the LLC, its Subsidiaries and/or any of their respective Affiliates subject to criminal liabilities, (ii) involves a material breach of fiduciary obligation on the part of the Participant or (iii) could reasonably be expected to have a material adverse effect upon the business, interests or reputation of the LLC, its Subsidiaries and/or any of their respective Affiliates;
- (e) the Participant shall have (i) acted in a grossly negligent manner or otherwise failed to perform his or her duties to the LLC and its Subsidiaries, (ii) failed or refused to comply with a reasonable written directive of the Board or, where a Participant does not report directly to the Board, the Chief Executive Officer of the LLC or such other senior executive of the LLC that the Board or Chief Executive Officer may designate from time to time, or (iii) failed or refused to comply with the policies of the LLC and its Subsidiaries and, in each case, if any such action or failure or refusal to act is capable of cure or remedy, has not cured or remedied such action or failure or refusal to act within ten (10) days of receipt of notice from the LLC advising such Participant of such breach; or

(f) the Participant shall have deliberately refused to devote such time and attention to fulfilling his responsibilities to the LLC, its Subsidiaries and/or any of their respective Affiliates as would be reasonably expected from an executive having similar responsibilities in a comparable company (other than due to Disability or temporary disability which, in the reasonable judgment of the Board, causes the Participant to be incapable of devoting such time and energy), and such refusal has continued for thirty (30) days after delivery of written notification by the Board of Directors (which notice includes detailed information regarding such alleged refusal and the reasonable steps to be taken to correct such failure) that, in the good faith judgment of the Board, the Participant has failed to cure.

“Class A Unit”: An equity interest in the Company entitled to certain distributions and other rights as specified in the LLC Agreement, or any other securities or equity interests into which such units shall be converted or exchanged pursuant to an amalgamation, arrangement, merger, business combination, recapitalization or other transaction.

“Employment”: The employment or other service relationship (including, solely for the purposes of this Plan, as a director on the Board or any board of the Company’s Affiliates or as an independent contractor, consultant or otherwise) between a natural person, on the one hand, and the Company and/or its Affiliates, on the other hand.

(a) a material reduction in such Participant’s aggregate annual base salary as in effect from time to time other than as part of an across-the-board reduction applicable to all members of management that results in a proportional reduction to such Participant equal to that of other members of management;

(b) a material diminution of position or duties; provided, however, that a diminution of position or duties as a result of a sale of part of the business of the LLC or its Subsidiaries, the acquisition of another business by the LLC or its Subsidiaries, or organic growth of the business of the LLC or its Subsidiaries shall not constitute “Good Reason”; or

(c) relocation of such Participant’s principal place of business by more than one-hundred (100) miles.

Notwithstanding the foregoing, none of the circumstances described above may serve as the basis for “Good Reason” unless (i) the Participant notifies the Board in writing of any event constituting “Good Reason” within ninety (90) days following the initial existence of such circumstance and the LLC or its applicable Subsidiary has failed to cure such circumstance within thirty (30) days following such written notice, and (ii) the Participant’s separation from service due to such circumstance occurs within the one-hundred twenty-five (125) day period following the initial existence of such circumstance. For the avoidance of doubt, any determination by the Board of (A) whether or not to pay bonuses to any Participant, or (B) the aggregate amount of any such bonuses, shall not constitute “Good Reason”.

“IPO”: The first completion of a sale of equity securities in the capital of the Company pursuant to a registration statement which has become effective under the United States Securities Act of 1933, as amended (excluding registration statements on Form S-4, S-8 or similar limited purpose forms), in which equity shares in the capital of the Company, or its successor, shall be listed and traded on a national exchange in the United States or quoted on Nasdaq.

For the avoidance of doubt, neither a Recapitalization Transaction (as such term is defined in the LLC Agreement), nor an IPO shall constitute a Sale Transaction.

Notwithstanding the foregoing, solely for purposes of determining the timing of payment or timing of distribution of any compensation or benefit under this Plan that constitutes “nonqualified deferred compensation” within the meaning of Section 409A of the Code, a “Sale Transaction” shall not be deemed to have occurred unless the events that have occurred will also constitute a “change in the ownership or effective control, or a change in the ownership of a substantial portion of the assets,” of the Company under Treasury Regulation 1.409A-3(i)(5), or any successor provision.

“UAR”: A right entitling the Participant upon exercise to receive an amount (payable in cash or in Class A Units of equivalent value) equal to the excess of the Fair Market Value of the Class A Units subject to the right over the base value from which appreciation under the UAR is to be measured.

EMPLOYMENT AGREEMENT

THIS EMPLOYMENT AGREEMENT (this "Agreement") is entered into as of August 3, 2018, by and between Michael Osanloo ("Executive") and PHD Group Holdings LLC (the "Company").

WHEREAS, the Company desires to employ Executive, and Executive desires to be employed by the Company, on the terms set forth in this Agreement; and

WHEREAS, the Company and Executive intend for this Agreement to become effective on October 1, 2018 (the "Effective Date").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Employment Term. The Company hereby agrees to employ Executive, and Executive hereby agrees to accept employment with the Company, upon the terms and conditions contained in this Agreement. Executive's employment with the Company pursuant to this Agreement shall commence on the Effective Date and shall continue until the third anniversary of the Effective Date (the "Initial Term"); provided, that the term of this Agreement shall automatically be extended for one (1) additional year commencing on the third anniversary of the Effective Date and on each anniversary thereafter (each, a "Renewal Term") unless, not less than thirty (30) days prior to the commencement of any such Renewal Term, either party shall have given written notice to the other that it does not wish to extend this Agreement (a "Non-Renewal Notice"), in which case, Executive's employment under this Agreement shall terminate upon the close of business on the last day of the Initial Term or the then-current Renewal Term, as applicable. The period during which Executive is employed by the Company pursuant to this Agreement is hereinafter referred to as the "Term."

2. Employment Duties. Executive shall have the title of President and Chief Executive Officer of the Company and shall have such duties, authorities and responsibilities as are consistent with such position and as the Board of Managers of the Company (the "Board") may designate from time to time. Executive shall report directly to the Board. Executive shall devote Executive's full working time and attention and Executive's best efforts to Executive's employment and service with the Company and shall perform Executive's services in a capacity and in a manner consistent with Executive's position for the Company; provided, that this Section 2 shall not be interpreted as prohibiting Executive from (i) managing Executive's personal investments (so long as such investment activities are of a passive nature), or (ii) engaging in charitable or civic activities, in each case of (i) and (ii), so long as such activities do not, individually or in the aggregate, (a) materially interfere with the performance of Executive's duties and responsibilities hereunder, (b) create a fiduciary conflict, or (c) result in a violation of Section 17 of this Agreement. Executive shall serve as an executive officer and member of the Board. If requested, Executive shall also serve as an executive officer and/or board member of the board of directors (or similar governing body) of any entity that directly, or indirectly through one or more intermediaries, controls, is controlled by, or is under common control with, the Company (an "Affiliate") without any additional compensation.

3. Base Salary. During the Term, the Company shall pay Executive a base salary at an annual rate of \$750,000, payable in accordance with the Company's normal payroll practices for employees as in effect from time to time. Executive's base salary shall be subject to review by the Board from time to time and may be increased by the Board in its sole discretion. Executive's annual base salary, as in effect from time to time, is hereinafter referred to as the "Base Salary."

4. Annual Bonus. With respect to each fiscal year during the Term, Executive shall be eligible to earn an annual cash bonus award (the "Annual Bonus"), with a target Annual Bonus of 100% of the actual amount of Base Salary paid during such fiscal year, up to a maximum of 150% of such Base Salary, based upon the achievement of annual performance targets relating to the fiscal year of the Company established by the Board, in consultation with Executive, within ninety (90) days of the beginning of each such fiscal year (or within sixty (60) days following the Effective Date for the fiscal year 2018). The Annual Bonus, if any, for each fiscal year during the Term shall be paid to Executive as soon as reasonably practicable after the certification of the financial statements for the performance period to which such Annual Bonus relates, but no later than the end of the calendar year after the fiscal year to which the bonus relates, at the same time that other senior executives of the Company receive annual bonus payments; provided, that the Annual Bonus shall be prorated for any partial fiscal years during the Term. For fiscal year 2018, Executive shall be guaranteed an Annual Bonus of a minimum of 100% of Base Salary, pro-rated for the number of days Executive was employed by the Company in fiscal year 2018. Executive shall not be paid any Annual Bonus with respect to a fiscal year unless Executive is employed with the Company on the day such Annual Bonus is paid.

5. Signing Bonus. The Executive shall be entitled to a signing bonus equal to \$200,000 (the "Signing Bonus") payable within thirty (30) days of the Effective Date. If the Executive's employment is terminated by the Company for Cause or if Executive voluntarily resigns without Good Reason prior to the first anniversary of the Effective Date, the Executive shall repay the entire amount of the Signing Bonus to the Company within five (5) business days after such termination of employment. If Executive's employment is terminated by the Company for Cause or if Executive voluntarily resigns without Good Reason following the first anniversary of the Effective Date and prior to the second anniversary of the Effective Date, the Executive shall repay an amount equal to 50% of the Signing Bonus to the Company within five (5) business days after such termination of employment.

6. Incentive Equity Awards. The Executive shall be eligible to participate in the Company's incentive equity plan as determined by the Board, in its sole discretion, subject to the terms and conditions of such plan and any applicable award agreement. As soon as reasonably practicable following the Effective Date, subject to approval by the Board, Executive shall be granted options to acquire 15,000,000 Class A Units of the Company. Fifty percent (50%) of such options shall be subject to time-based vesting over a period of five (5) years and fifty percent (50%) of such options shall be subject to both time- and performance-based vesting. Such options will be granted pursuant to the Company's standard forms for award agreements attached hereto as Exhibit A.

7. Benefits. During the Term, Executive shall be entitled to participate in any compensation or employee benefit plans or programs and receive all benefits and perquisites for which salaried employees of the Company generally are eligible under any plan or program in place as of the Effective Date or later established by the Company, as in effect from time to time, excluding any severance or bonus plans unless specifically referenced in this Agreement (collectively, "Benefit Plans"), on the same basis as those generally made available to other senior executives of the Company, to the extent consistent with applicable law and the terms of the applicable Benefit Plan. The Company does not promise the adoption or continuance of any particular Benefit Plan and reserves the right to amend or cancel any Benefit Plan at any time in its sole discretion (subject to the terms of such Benefit Plan and applicable law). To the extent the Company is not able to provide the Executive fully funded health and dental insurance, the Company shall pay an amount to Executive equal to the cost of such health and dental insurance that must be paid by the Executive. For the avoidance of doubt, any amounts paid to Executive for such benefits shall not count toward, be substituted in lieu of, or be considered in determining payments or benefits due to the Executive under any other plan, program or agreement of the Company, including the Annual Bonus calculation.

8. Co-investment. On or prior to the Effective Date, Executive shall have the opportunity to purchase Class A Common Units of the Company with a fair market value, as determined by the Board on the date of such investment, up to \$1,500,000.

9. Vacation. Executive shall be entitled to twenty (20) days' paid vacation in accordance with Company policy, as in effect on the Effective Date, which shall accrue and be useable by Executive in accordance with such policy.

10. Expense Reimbursement. The Executive shall be entitled to reimbursement for all reasonable and necessary out-of-pocket business, entertainment and travel expenses incurred by Executive in connection with the performance of the Executive's duties hereunder in accordance with the Company's expense reimbursement policies and procedures.

11. Relocation Expenses. The Company shall reimburse Executive for all reasonable and necessary relocation expenses incurred by Executive in connection with his relocation to Illinois within six (6) months of the Effective Date (including, without duplication, moving expenses, the broker's fee relating to the sale of Executive's principal residence in the Phoenix, Arizona area, customary closing costs, air fare and travel expenses to/from Executive's current residence to company headquarter, temporary housing for six (6) months following the Effective Date, car rental, and other reasonable living expenses and incidentals), subject to presentation by Executive of documentation reasonably satisfactory to the Company that the applicable expense has been incurred. To the extent that the reimbursement of any amounts pursuant to this Section 11 is taxable to the Executive, the Executive will be grossed up for income tax at Executive's marginal income tax rate for such amount. Payment of reimbursements shall be made in calendar year 2019 and any gross up amounts applicable to the reimbursed expenses shall be paid no later than December 31, 2019, but as soon as practicable after the computation thereof.

12. Termination of Employment. The Term and Executive's employment hereunder may be terminated as follows:

(a) Automatically in the event of the death of Executive;

(b) At the option of the Company, by written notice to Executive or Executive's personal representative in the event of the Disability of Executive. As used herein, the term "Disability" shall mean a physical or mental incapacity or disability which, despite any reasonable accommodation required by applicable law, has rendered, or is likely to render, Executive unable to perform Executive's material duties for a period of either (i) 180 days in any twelve-month period or (ii) 90 consecutive days, as determined by a medical physician selected by the Board;

(c) At the option of the Company for Cause, on prior written notice to Executive;

(d) At the option of the Company at any time without Cause by delivering written notice of its determination to terminate to Executive;

(e) At the option of Executive for Good Reason;

(f) At the option of Executive without Good Reason, upon sixty (60) days prior written notice to the Company (which the Company may, in its sole discretion, make effective as a resignation earlier than the termination date provided in such notice), or

(g) Upon the close of business on the last day of the Initial Term or the then-current Renewal Term, as applicable, as a result of a Non-Renewal Notice.

13. Payments by Virtue of Termination of Employment.

(a) Termination by the Company Without Cause, by the Company's Non-Renewal Notice or by Executive For Good Reason. If Executive's employment is terminated at any time during the Term by the Company without Cause, by the Company's Non-Renewal Notice or by Executive for Good Reason, subject to Section 13(d) of this Agreement, Executive shall be entitled to:

(i) (A) within thirty (30) days following such termination, (i) payment of Executive's accrued and unpaid Base Salary and (ii) reimbursement of expenses under Section 10 of this Agreement, in each case of (i) and (ii), accrued through the date of termination and (B) all other accrued amounts or accrued benefits due to Executive in accordance with the Company's benefit plans, programs or policies (other than severance);

(ii) an amount equal to Executive's Base Salary as in effect immediately prior to Executive's date of termination, which amount shall be payable during the eighteen (18) months commencing on the date of termination (the "Severance Period") in substantially equal installments in accordance with the Company's regular payroll practices as in effect from time to time; provided, that the first payment pursuant to this Section 13(a)(ii) shall be made on the next regularly scheduled payroll date following the sixtieth (60th) day after Executive's termination and shall include payment of any amounts that would otherwise be due prior thereto;

(iii) an amount equal to the pro-rata portion of Executive's Annual Bonus for the fiscal year of termination based on actual performance for the full fiscal year as if Executive had been continuously employed throughout the entire fiscal year, determined by multiplying the amount of such annual bonus which would be due for the fiscal year by a fraction, the numerator of which is the number of days in such fiscal year through the date of such termination and the denominator of which is 365, payable in a lump-sum on such date as the Company generally pays Annual Bonuses to other senior executives of the Company; and

(iv) subject to Executive's timely election of continuation coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended ("COBRA"), the Company shall pay to Executive each month an amount equal to the monthly amount of the COBRA continuation coverage premium under the Company's group medical plans as in effect from time to time less the amount of Executive's portion of the premium as if Executive was an active employee under the same terms as provided to senior executive officers of the Company until the earliest of (i) eighteen (18) months after the date of Executive's termination of employment; (ii) the date Executive is no longer eligible for benefits under COBRA; or (iii) the date Executive obtains other employment that offers medical benefits, provided, that the first payment pursuant to this Section 13(a)(iv) shall be made on the next regularly scheduled payroll date following the sixtieth (60th) day after Executive's termination and shall include payment of any amounts that would otherwise be due prior thereto.

(b) Termination Due to Death or Disability. If Executive's employment terminates due to Executive's death or Disability, Executive or Executive's legal representatives shall be entitled to receive: (A) within thirty (30) days following such termination, (i) payment of Executive's accrued and unpaid Base Salary, (ii) payment of Executive's earned but unpaid Annual Bonus with respect to the calendar year prior to the year of termination, if any, and (iii) reimbursement of expenses under Section 10 of this Agreement, in each case of (i), (ii) and (iii), accrued through the date of termination, (B) all other accrued amounts or accrued benefits due to Executive in accordance with the Company's benefit plans, programs or policies (other than severance) and (C) an amount equal to the pro-rata portion of Executive's Annual Bonus for the fiscal year of termination based on actual performance for the full fiscal year as if Executive had been continuously employed throughout the entire fiscal year, determined by multiplying the amount of such annual bonus which would be due for the fiscal year by a fraction, the numerator of which is the number of days in such fiscal year through the date of such termination and the denominator of which is 365, payable in a lump-sum on such date as the Company generally pays Annual Bonuses to other senior executives of the Company.

(c) Termination by the Company for Cause, by Executive without Good Reason or by Executive's Non-Renewal Notice. If (i) the Company terminates Executive's employment for Cause during the Term, (ii) Executive terminates his employment without Good Reason during the Term or (iii) Executive's employment terminates at the expiration of the Term pursuant to a Non-Renewal Notice by Executive, Executive shall be entitled to receive the payments and benefits described under Section 13(a)(i) of this Agreement.

(d) Conditions to Payment. All payments and benefits due to Executive under this Section 13 which are not otherwise required by applicable law shall be payable only if Executive executes and delivers to the Company a general release of claims in a form reasonably satisfactory to the Company and such release is no longer subject to revocation (to the extent applicable), in each case, within sixty (60) days following termination of employment. Failure to timely execute and return such release or the revocation of such release shall be a waiver by

Executive of Executive's right to severance (which, for the avoidance of doubt, shall not include any amounts described in Section 13(a)(i) of this Agreement). In addition, severance shall be conditioned on Executive's continued compliance with Section 17 of this Agreement and compliance with any restrictive covenants in any other agreements to which the Executive is a party with the Company or any Affiliates.

(e) No Other Severance. Executive hereby acknowledges and agrees that, other than the severance payments described in this Section 13, upon the effective date of the termination of Executive's employment, Executive shall not be entitled to any other severance payments or benefits of any kind under any Company benefit plan, severance policy generally available to the Company's employees or otherwise and all other rights of Executive to compensation under this Agreement shall end as of such date.

14. Definitions. For purposes of this Agreement,

(a) "Cause" shall mean that the Board has determined in its reasonable good faith judgment that any one or more of the following has occurred:

(i) Executive shall have been convicted of, or shall have pleaded guilty or nolo contendere to, any felony or any crime involving dishonesty or moral turpitude;

(ii) Executive shall have committed any fraud, theft, embezzlement, misappropriation of funds, breach of fiduciary duty or act of dishonesty;

(iii) Executive shall have breached, in any material respect, any of the provisions of this Agreement or any other material agreement with the Company or an Affiliate and, if any such breach is capable of cure or remedy, has not cured or remedied such breach within ten (10) days of receipt of notice from the Company advising such Executive of such breach;

(iv) Executive shall have engaged in conduct that (A) is likely to make the Company, its subsidiaries and/or any of their respective Affiliates subject to criminal liabilities, (B) involves a material breach of fiduciary obligation on the part of Executive or (C) could reasonably be expected to have a material adverse effect upon the business, interests or reputation of the Company, its subsidiaries and/or any of their respective Affiliates and, in each case, if any such conduct is capable of cure or remedy, has not cured or remedied such conduct within ten (10) days of receipt of notice from the Company advising such Executive of such conduct;

(v) Executive shall have (A) acted in a grossly negligent manner or otherwise failed to perform his duties to the Company and its subsidiaries, (B) failed or refused to comply with a reasonable written directive of the Board or, where an Executive does not report directly to the Board, the Chief Executive Officer of the Company or such other senior executive of the Company that the Board or Chief Executive Officer may designate from time to time, or (iii) failed or refused to comply with the policies of the Company and its subsidiaries and, in each case, if any such action or failure or refusal to act is capable of cure or remedy, has not cured or remedied such action or failure or refusal to act within ten (10) days of receipt of notice from the Company advising such Executive of such breach; or

(vi) Executive shall have deliberately refused to devote such time and attention to fulfilling his responsibilities to the Company, its subsidiaries and/or any of their respective Affiliates as would be reasonably expected from an executive having similar responsibilities in a comparable company (other than due to Disability or temporary disability which, in the reasonable judgment of the Board, causes Executive to be incapable of devoting such time and energy), and such refusal has continued for thirty (30) days after delivery of written notification by the Board (which notice includes detailed information regarding such alleged refusal and the reasonable steps to be taken to correct such failure) that, in the good faith judgment of the Board, Executive has failed to cure.

(b) “Good Reason” shall mean that any one or more of the following has occurred as a result of an action by the Company and without Executive’s consent:

(i) a material reduction in Executive’s Base Salary other than as part of an across-the-board reduction applicable to all members of management that results in a proportional reduction to Executive equal to that of other members of management;

(ii) a material diminution of Executive’s position or duties; provided, however, that a diminution of position or duties as a result of a sale of part of the business of the Company or its subsidiaries, the acquisition of another business by the Company or its subsidiaries, or organic growth of the business of the Company or its subsidiaries shall not constitute “Good Reason”; or

(iii) relocation of Executive’s principal place of business by more than one-hundred (100) miles.

Notwithstanding the foregoing, none of the circumstances described above may serve as the basis for “Good Reason” unless (x) Executive notifies the Board in writing of any event constituting “Good Reason” within thirty (30) days following the initial existence of such circumstance and (y) the Company or its applicable subsidiary has failed to cure such circumstance within sixty (60) days following such written notice. Failing such cure, a termination of employment by Executive for Good Reason shall be effective on the day following the expiration of such cure period.

15. Return of Company Property. Within ten (10) days following the effective date of Executive’s termination for any reason, Executive or Executive’s personal representative shall, return all property of the Company or any of its Affiliates in Executive’s possession, including, but not limited to, all Company-owned computer equipment (hardware and software), telephones, facsimile machines, tablet computer and other communication devices, credit cards, office keys, security access cards, badges, identification cards and all copies (including drafts) of any documentation or information (however stored) relating to the business of the Company or any of its Affiliates, the Company’s or any of its Affiliates’ customers and clients or their respective prospective customers or clients. Anything to the contrary notwithstanding, Executive shall be entitled to retain (i) personal papers and other materials of a personal nature; (ii) information showing Executive’s compensation or relating to reimbursement of expenses, and (iii) copies of plans, programs and agreements relating to Executive’s employment, or termination thereof, with the Company which he received in Executive’s capacity as a participant; provided, that, in each case of (i)—(iii), such papers or materials do not include Confidential and Proprietary Information (as defined in Section 17(a)).

16. Resignation as Officer or Director. Upon the effective date of any Executive's termination, Executive shall be deemed to have resigned, to the extent applicable, as an officer of the Company, as a member of the board of directors or similar governing body of the Company or any of its Affiliates, and as a fiduciary of any Company benefit plan. On or immediately following the effective date of any such termination of Executive's employment, Executive shall confirm the foregoing by submitting to the Company in writing a confirmation of Executive's resignation(s).

17. Restrictions on Activities of Executive.

(a) Confidential and Proprietary Information. Executive shall not, during the Term or at any time thereafter directly or indirectly, disclose, reveal, divulge or communicate to any person other than authorized officers, directors and employees of the Company or use or otherwise exploit for Executive's own benefit or for the benefit of anyone other than the Company, any Confidential and Proprietary Information (as defined below). Executive shall not have any obligation to keep confidential any Confidential and Proprietary Information if and to the extent disclosure thereof is specifically required by applicable law, court order or other legal or regulatory process. Upon termination of Executive's employment, Executive agrees that all Confidential and Proprietary Information, directly or indirectly, in his possession in any form (together with all duplicates thereof) will promptly (and in any event within 10 days following such termination) be returned to the Company and will not be retained by Executive or furnished to any person, either by sample, facsimile film, audio or video cassette, electronic data, verbal communication or any other means of communication. "Confidential and Proprietary Information" means any information with respect to the Company or any of its Affiliates, including methods of operation, customer lists, products, prices, fees, costs, technology, formulas, inventions, trade secrets, know-how, software, marketing methods, plans, personnel, suppliers, competitors, markets or other specialized information or proprietary matters; provided, that, there shall be no obligation hereunder with respect to, information that (i) is generally available to the public on the Effective Date, (ii) becomes generally available to the public other than as a result of a disclosure not otherwise permissible hereunder, or (iii) is required to be disclosed by law, court order or other legal or regulatory process and Executive gives the Company prompt written notice and the opportunity to seek a protective order. This Agreement does not limit or interfere with Executive's right, without notice to or authorization of the Company, to communicate and cooperate in good faith with any self-regulatory organization or U.S. federal, state, or local governmental or law enforcement branch, agency, commission, or entity (collectively, a "Government Entity") for the purpose of (i) reporting a possible violation of any U.S. federal, state, or local law or regulation, (ii) participating in any investigation or proceeding that may be conducted or managed by any Government Entity, including by providing documents or other information, or (iii) filing a charge or complaint with a Government Entity, provided that in each case, such communications, participation, and disclosures are consistent with applicable law. Additionally, Executive shall not be held criminally or civilly liable under any federal or state trade secret law for the disclosure of a trade secret that is made (i) in confidence to a federal, state, or local government official, or to an attorney, solely for the purpose of reporting or investigating a suspected violation of law, or (ii)

in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal. If Executive files a lawsuit for retaliation by an employer for reporting a suspected violation of law, Executive may disclose the trade secret to the Executive's attorney and use the trade secret information in the court proceeding, if Executive files any document containing the trade secret under seal; and does not disclose the trade secret, except pursuant to court order. All disclosures permitted under this Section 17(a) are herein referred to as "Permitted Disclosures." Notwithstanding the foregoing, under no circumstance will Executive be authorized to disclose any Confidential and Proprietary Information as to which the Company may assert protections from disclosure under the attorney-client privilege or the attorney work product doctrine, without prior written consent of Company's General Counsel or other authorized officer designated by the Company.

(b) Assignment of Inventions.

(i) Executive agrees that during the Term, any and all inventions, discoveries, innovations, writings, domain names, improvements, trade secrets, designs, drawings, formulas, business processes, secret processes and know-how, whether or not patentable or a copyright or trademark, which Executive may create, conceive, develop or make, either alone or in conjunction with others and related or in any way connected with the Company's strategic plans, products, processes or apparatus or the business (collectively, "Inventions"), shall be fully and promptly disclosed to the Company and shall be the sole and exclusive property of the Company as against Executive or any of Executive's assignees. Regardless of the status of Executive's employment by the Company, Executive and Executive's heirs, assigns and representatives shall promptly assign to the Company any and all right, title and interest in and to such Inventions made during employment with the Company.

(ii) Whether during or after the Term, Executive further agrees to execute and acknowledge all papers and to do, at the Company's expense, any and all other things necessary for or incident to the applying for, obtaining and maintaining of such letters patent, copyrights, trademarks or other intellectual property rights, as the case may be, and to execute, on request, all papers necessary to assign and transfer such Inventions, copyrights, patents, patent applications and other intellectual property rights to the Company and its successors and assigns. In the event that the Company is unable, after reasonable efforts and, in any event, after ten (10) business days, to secure Executive's signature on a written assignment to the Company, of any application for letters patent, trademark registration or to any common law or statutory copyright or other property right therein, whether because of Executive's physical or mental incapacity, or for any other reason whatsoever, Executive irrevocably designates and appoints the Secretary of the Company as Executive's attorneyin fact to act on Executive's behalf to execute and file any such applications and to do all lawfully permitted acts to further the prosecution or issuance of such assignments, letters patent, copyright or trademark.

(c) Non-Disparagement. During the Term and at any time thereafter, Executive agrees not to disparage or encourage or induce others to disparage the Company, any Affiliate, any of their respective employees that were employed during Executive's employment with the Company or its Affiliates or any of their respective past and present, officers, directors, products or services (the "Company Parties"). For purposes of this Section 17(c), the term "disparage" includes, without limitation, comments or statements to the press, to the Company's or any Affiliate's employees or to any individual or entity with whom the Company or any

Affiliate has a business relationship (including, without limitation, any vendor, supplier, customer or distributor), or any public statement, that in each case is intended to, or can be reasonably expected to, materially damage any of the Company Parties. Upon termination of Executive's employment, the Company shall instruct its chief executive officer, chief financial officer and chief operating officer not to disparage or encourage or induce others to disparage Executive while such senior executives are employed by the Company. Notwithstanding the foregoing, nothing in this Section 17(c) shall prevent Executive or the chief executive officer, chief financial officer and chief operating officer of the Company from making any truthful statement to the extent, but only to the extent (A) necessary with respect to any litigation, arbitration or mediation involving this Agreement, including, but not limited to, the enforcement of this Agreement, in the forum in which such litigation, arbitration or mediation properly takes place or (B) required by law, legal process or by any court, arbitrator, mediator or administrative or legislative body (including any committee thereof) with apparent jurisdiction over Executive. Nothing in this Section 17(c) shall interfere with Executive's ability to make the Permitted Disclosures as defined in Section 17(a) above

18. Cooperation. From and after an Executive's termination of employment, Executive shall provide Executive's reasonable cooperation in connection with any action or proceeding (or any appeal from any action or proceeding) which relates to events occurring during Executive's employment hereunder, provided, that the Company shall reimburse Executive for Executive's reasonable out-of-pocket costs and expenses (including legal counsel selected by Executive and reasonably acceptable to the Company) and such cooperation shall not unreasonably burden Executive or unreasonably interfere with any subsequent employment that Executive may undertake.

19. Injunctive Relief and Specific Performance. Executive understands and agrees that Executive's covenants under Sections 15, 17 and 18 are special and unique and that the Company and its Affiliates may suffer irreparable harm if Executive breaches any of Sections 15, 17, or 18 because monetary damages would be inadequate to compensate the Company and its Affiliates for the breach of any of these sections. Accordingly, Executive acknowledges and agrees that the Company shall, in addition to any other remedies available to the Company at law or in equity, be entitled to obtain specific performance and injunctive or other equitable relief by a federal or state court in Illinois to enforce the provisions of Sections 15, 17, and/or 18 without the necessity of posting a bond or proving actual damages, without liability should such relief be denied, modified or vacated. The party who prevails in any such action or proceeding shall be entitled to obtain attorney's fees. Further, if the Executive prevails in any such action or proceeding previously described, the Executive shall be entitled to obtain attorney's fees in respect of such action or proceeding. Additionally, in the event of a breach or threatened breach by Executive of Section 17, in addition to all other available legal and equitable rights and remedies, the Company shall have the right to cease making payments, if any, being made pursuant to Section 13(a)(ii) hereunder. Executive also recognizes that the territorial, time and scope limitations set forth in Section 17 are reasonable and are properly required for the protection of the Company and its Affiliates and in the event that any such territorial, time or scope limitation is deemed to be unreasonable by a court of competent jurisdiction, the Company and Executive agree, and Executive submits, to the reduction of any or all of said territorial, time or scope limitations to such an area, period or scope as said court shall deem reasonable under the circumstances.

20. Recoupment; Offset. Notwithstanding anything to the contrary, any compensation payable under this Agreement shall be subject to any recoupment, repayment, "clawback" or similar policy adopted by the Company or required under applicable law or stock exchange rules. Subject to applicable law, the Company may offset any amount payable under this Agreement, other than "nonqualified deferred compensation" as defined under Section 409A (defined below), against any obligations owed by the Executive to the Company.

21. Attorney Fees. The Company shall promptly reimburse Executive for reasonable legal fees incurred in connection with the review of this Agreement and the option award agreements, up to \$10,000.

22. Miscellaneous.

(b) This Agreement is personal to the Executive and shall not be assigned by the Executive. Any purported assignment by the Executive shall be null and void from the initial date of the purported assignment. The Company may assign this Agreement to any successor or assign (whether direct or indirect, by purchase, merger, consolidation or otherwise) to all or substantially all of the business or assets of the Company. This Agreement shall inure to the benefit of the Company and its successors and assigns.

(c) This Agreement contains the entire agreement between the parties with respect to the subject matter hereof superseding all other agreements, term sheets, offer letters, and drafts thereof, oral or written, between the parties hereto with respect to the subject matter hereof. No promises, statements, understandings, representations or warranties of any kind, whether oral or in writing, express or implied, have been made to Executive by any person or entity to induce him to enter into this Agreement other than the express terms set forth herein, and Executive is not relying upon any promises, statements, understandings, representations, or warranties other than those expressly set forth in this Agreement.

(d) No change or modification of this Agreement shall be valid unless the same shall be in writing and signed by all of the parties hereto. No waiver of any provisions of this Agreement shall be valid unless in writing and signed by the party charged with waiver. No waiver of any of the provisions of this Agreement shall be deemed, or shall constitute, a waiver of any other provision, whether or not similar, nor shall any waiver constitute a continuing waiver, unless so provided in the waiver.

(e) If any provisions of this Agreement (or portions thereof) shall, for any reason, be held invalid or unenforceable, such provisions (or portions thereof) shall be ineffective only to the extent of such invalidity or unenforceability, and the remaining provisions of this Agreement (or portions thereof) shall nevertheless be valid, enforceable and of full force and effect. If any court of competent jurisdiction finds that any restriction contained in this Agreement is invalid or unenforceable, then the parties hereto agree that such invalid or unenforceable restriction shall be deemed modified so that it shall be valid and enforceable to the greatest extent permissible under law, and if such restriction cannot be modified so as to make it enforceable or valid, such finding shall not affect the enforceability or validity of any of the other restrictions contained herein.

(f) This Agreement may be executed in two or more identical counterparts, all of which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party. In the event that any signature is delivered by facsimile transmission or by an e-mail which contains a portable document format (.pdf) file of an executed signature page, such signature page shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such signature page were an original thereof.

(g) The section or paragraph headings or titles herein are for convenience of reference only and shall not be deemed a part of this Agreement. The parties have jointly participated in the drafting of this Agreement, and the rule of construction that a contract shall be construed against the drafter shall not be applied. The terms “including,” “includes,” “include” and words of like import shall be construed broadly as if followed by the words “without limitation.” The terms “herein,” “hereunder,” “hereof” and words of like import refer to this entire Agreement instead of just the provision in which they are found.

(h) Notwithstanding anything to the contrary in this Agreement:

(i) The parties agree that this Agreement shall be interpreted to comply with or be exempt from Section 409A of the Internal Revenue Code of 1986, as amended (the "Code") and the regulations and authoritative guidance promulgated thereunder to the extent applicable (collectively "Section 409A"), and all provisions of this Agreement shall be construed in a manner consistent with the requirements for avoiding taxes or penalties under Section 409A. In no event whatsoever will the Company, any of its Affiliates, or any of their respective directors, officers, agents, attorneys, employees, executives, shareholders, investors, members, managers, trustees, fiduciaries, representatives, principals, accountants, insurers, successors or assigns be liable for any additional tax, interest or penalties that may be imposed on Executive under Section 409A or any damages for failing to comply with Section 409A.

(ii) A termination of employment shall not be deemed to have occurred for purposes of any provision of this Agreement providing for the payment of any amounts or benefits considered "nonqualified deferred compensation" under Section 409A upon or following a termination of employment unless such termination is also a "separation from service" within the meaning of Section 409A, and for purposes of any such provision of this Agreement, references to a "resignation," "termination," "terminate," "termination of employment" or like terms shall mean separation from service. If any payment, compensation or other benefit provided to Executive in connection with the termination of his employment is determined, in whole or in part, to constitute "nonqualified deferred compensation" within the meaning of Section 409A and Executive is a specified employee as defined in Section 409A(2)(B)(i) of the Code, no part of such payments shall be paid before the day that is six (6) months plus one (1) day after the date of termination or, if earlier, ten business days following the Executive's death (the "New Payment Date"). The aggregate of any payments that otherwise would have been paid to the Executive during the period between the date of termination and the New Payment Date shall be paid to Executive in a lump sum on such New Payment Date. Thereafter, any payments that remain outstanding as of the day immediately following the New Payment Date shall be paid without delay over the time period originally scheduled, in accordance with the terms of this Agreement.

(iii) All reimbursements for costs and expenses under this Agreement shall be paid in no event later than the end of the calendar year following the calendar year in which Executive incurs such expense. With regard to any provision herein that provides for reimbursement of costs and expenses or in-kind benefits, except as permitted by Section 409A, (i) the right to reimbursement or in-kind benefits shall not be subject to liquidation or exchange for another benefit, and (ii) the amount of expenses eligible for reimbursements or in-kind, benefits provided during any taxable year shall not affect the expenses eligible for reimbursement or in-kind benefits to be provided in any other taxable year.

(iv) If under this Agreement, an amount is paid in two or more installments, for purposes of Section 409A, each installment shall be treated as a separate payment. Whenever a payment under this Agreement specifies a payment period with reference to a number of days (e.g., "payment shall be made within thirty (30) days following the date of termination"), the actual date of payment within the specified period shall be within the sole discretion of the Company.

(i) This Agreement, for all purposes, shall be construed in accordance with the laws of the State of Illinois without regard to conflicts of law principles. Any action or proceeding by either of the parties to enforce this Agreement shall be brought only in a state or federal court located in the State of Illinois. The parties hereby irrevocably submit to the jurisdiction of such courts and waive the defense of inconvenient forum to the maintenance of any such action or proceeding in such venue.

(j) Other than the Company's right to seek injunctive relief or specific performance as provided in this Agreement, any dispute, controversy, or claim between Executive, on the one hand, and the Company, on the other hand, arising out of, under, pursuant to, or in any way relating to this Agreement shall be submitted to and resolved by confidential and binding arbitration ("Arbitration"), administered by the American Arbitration Association ("AAA") and conducted pursuant to the rules then in effect of the AAA governing commercial disputes. The Arbitration hearing shall take place in Illinois. Such Arbitration shall be before three neutral arbitrators (the "Panel") licensed to practice law and familiar with commercial disputes. Any award rendered in any Arbitration shall be final and conclusive upon the parties to the Arbitration and not subject to judicial review, and the judgment thereon may be entered in the highest court of the forum (state or federal) having jurisdiction over the issues addressed in the Arbitration, but entry of such judgment will not be required to make such award effective. The Panel may enter a default decision against any party who fails to participate in the Arbitration. The administration fees and expenses of the Arbitration shall be borne equally by the parties to the Arbitration; provided that each party shall pay for and bear the cost of his/her/its own experts, evidence, and attorney's fees, except that, in the discretion of the Panel, any award may include the costs of a party's counsel and/or its share of the expense of Arbitration if the Panel expressly determines that an award of such costs is appropriate to the party whose position substantially prevails in such Arbitration. Notwithstanding any other provision of this Agreement, no party shall be entitled to an award of special, punitive, or consequential damages. To submit a matter to Arbitration, the party seeking redress shall notify in writing, in accordance with Section 22(a) of this Agreement, the party against whom such redress is sought, describe the nature of such claim, the provision of this Agreement that has been allegedly violated and the material facts surrounding such claim. The Panel shall render a single written, reasoned decision. The decision of the Panel shall be binding upon the parties to the Arbitration, and after the completion of such Arbitration, the parties to the Arbitration may only institute litigation regarding the Agreement for the sole purpose of enforcing the determination of the Arbitration hearing or, with respect to the Company, to seek injunctive or equitable relief pursuant to Section 19f of this Agreement. The Panel shall have exclusive authority to resolve any dispute relating to the interpretation, applicability, enforceability or formation of this agreement to arbitrate, including any claim that all or part of this Agreement is void or voidable and any claim that an issue is not subject to arbitration. All proceedings conducted pursuant to this agreement to arbitrate, including any order, decision or award of the arbitrator, shall be kept confidential by all parties except to the extent such disclosure is required by law, or in a proceeding to enforce any rights under this Agreement.

EXECUTIVE ACKNOWLEDGES THAT, BY SIGNING THIS AGREEMENT, HE IS WAIVING ANY RIGHT THAT HE MAY HAVE TO A JURY TRIAL OR A COURT TRIAL RELATED TO THIS AGREEMENT.

(k) Executive hereby represents and warrants to the Company that (i) the execution, delivery and performance of this Agreement by Executive do not and shall not conflict with, breach, violate or cause a default under any contract, agreement, instrument, order, judgment or decree to which Executive is a party or by which he/she is bound, (ii) Executive is not a party to or bound by any employment agreement, non-compete agreement or confidentiality agreement with any other person or entity and (iii) upon the execution and delivery of this Agreement by the Company, this Agreement shall be the valid and binding obligation of Executive on and after the date hereof, enforceable in accordance with its terms. Executive hereby acknowledges and represents that he has had the opportunity to consult with independent legal counsel or other advisor of his choice and has done so regarding his rights and obligations under this Agreement, that he is entering into this Agreement knowingly, voluntarily, and of his own free will, that he is relying on his own judgment in doing so, and that he fully understands the terms and conditions contained herein.

(l) The Company shall have the right to withhold from any amount payable hereunder any Federal, state and local taxes in order for the Company to satisfy any withholding tax obligation it may have under any applicable law or regulation.

(m) The covenants and obligations of the Company under Sections 10, 13, 18, 19 and 21 hereof, and the covenants and obligations of Executive under Sections 13, 15, 16, 17, 18, 19 and 21 hereof, shall continue and survive any expiration of the Term, termination of Executive's employment or any termination of this Agreement.

Forms of Award Agreements

EMPLOYMENT AGREEMENT

THIS EMPLOYMENT AGREEMENT (this "Agreement") is entered into as of August 1, 2014, by and between Sherri Abruscato ("Executive") and PHD Group Holdings LLC (the "Company").

WHEREAS, pursuant to that certain Agreement and Plan of Merger (as the same may be amended, modified or supplemented from time to time, the "Merger Agreement"), dated as of June 28, 2014, by and among Portillo's Holdings, LLC, a Delaware limited liability company (the "Portillo's"), PHD Intermediate LLC, a Delaware limited liability company (the "Purchaser"), PHD Merger Sub LLC, a Delaware limited liability company and wholly-owned subsidiary of the Purchaser (the "Merger Sub"), and RP & SP Holdings, Inc., a Delaware corporation (the "Representative"), as representative for the Members (as defined in the Merger Agreement), Merger Sub shall merge with and into Portillo's, whereupon the separate existence of Merger Sub shall cease, and Portillo's shall be the surviving company;

WHEREAS, the Company desires to continue to employ Executive, and Executive desires to continue to be employed by the Company, on the terms set forth in this Agreement; and

WHEREAS, the Company and Executive intend for this Agreement to become effective upon the Closing (as defined in the Merger Agreement) (the "Effective Date").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. **Employment Term.** The Company hereby agrees to continue to employ Executive, and Executive hereby agrees to accept continued employment with the Company, upon the terms and conditions contained in this Agreement. Executive's employment with the Company pursuant to this Agreement shall commence on the Effective Date and shall continue until the third anniversary of the Effective Date (the "Initial Term"); provided, that the term of this Agreement shall automatically be extended for one (1) additional year commencing on the third anniversary of the Effective Date and on each anniversary thereafter (each, a "Renewal Term") unless, not less than thirty (30) days prior to the commencement of any such Renewal Term, either party shall have given written notice to the other that it does not wish to extend this Agreement (a "Non-Renewal Notice"), in which case, Executive's employment under this Agreement shall terminate upon the close of business on the last day of the Initial Term or the then-current Renewal Term, as applicable. The period during which Executive is employed by the Company pursuant to this Agreement is hereinafter referred to as the "Term."

2. **Employment Duties.** Executive shall have the title of Chief Operating Officer of the Company and shall have such duties, authorities and responsibilities as are consistent with such position and as the Board of Managers of the Company (the "Board") or the Chief Executive Officer ("CEO") may designate from time to time. Executive shall report directly to the Board or the CEO. Executive shall devote Executive's full working time and attention and Executive's best efforts to Executive's employment and service with the Company and shall perform Executive's services in a capacity and in a manner consistent with Executive's position for the Company; provided, that this Section 2 shall not be interpreted as prohibiting Executive

from (i) managing Executive's personal investments (so long as such investment activities are of a passive nature), or (ii) engaging in charitable or civic activities, in each case of (i) and (ii), so long as such activities do not, individually or in the aggregate, (a) materially interfere with the performance of Executive's duties and responsibilities hereunder, (b) create a fiduciary conflict, or (c) result in a violation of Section 14 of this Agreement. If requested, Executive shall also serve as an executive officer and/or board member of the board of directors (or similar governing body) of any entity that directly, or indirectly through one or more intermediaries, controls, is controlled by, or is under common control with, the Company (an "Affiliate") without any additional compensation.

3. Base Salary. During the Term, the Company shall pay Executive a base salary at an annual rate of \$325,000, payable in accordance with the Company's normal payroll practices for employees as in effect from time to time. Executive's base salary shall be reviewed annually by the Board and may be increased by the Board in its sole discretion. Executive's annual base salary, as in effect from time to time, is hereinafter referred to as the "Base Salary."

4. Annual Bonus. With respect to each fiscal year during the Term, Executive shall be eligible to earn an annual cash bonus award (the "Annual Bonus"), with a target Annual Bonus of fifty percent (50%) of the actual amount of Base Salary paid during such fiscal year, based upon the achievement of annual performance targets relating to the fiscal year of the Company established by the Board, in consultation with the CEO, within ninety (90) days of the beginning of each such fiscal year. The Annual Bonus, if any, for each fiscal year during the Term shall be paid to Executive as soon as reasonably practicable after the certification of the financial statements for the performance period to which such Annual Bonus relates, but no later than March 15th of the calendar year after the fiscal year to which the bonus relates, at the same time that other senior executives of the Company receive annual bonus payments; provided, that the Annual Bonus shall be prorated for any partial fiscal years during the Term. Executive shall not be paid any Annual Bonus with respect to a fiscal year unless Executive is employed with the Company on the day such Annual Bonus is paid. For the avoidance of doubt, the Executive shall be eligible to receive a short-year bonus for the period from August 1, 2014 through December 31, 2014, to account for the Company's change from a fiscal year ending July 31st to a fiscal year ending December 31st. Performance targets for such short-year bonus will be set as soon as reasonably practicable.

5. Incentive Equity Awards. Subject to the Company's adoption of an incentive equity plan following the Closing, the Executive shall be eligible to participate in such plan as determined by the Board, in its sole discretion, subject to the terms and conditions of the plan and any applicable award agreement.

6. Benefits. During the Term, Executive shall be entitled to participate in any benefit plans or programs offered by the Company as in effect from time to time, excluding any severance or bonus plans unless specifically referenced in this Agreement (collectively, "Benefit Plans"), on the same basis as those generally made available to other senior executives of the Company, to the extent consistent with applicable law and the terms of the applicable Benefit Plan. The Company does not promise the adoption or continuance of any particular Benefit Plan and reserves the right to amend or cancel any Benefit Plan at any time in its sole discretion (subject to the terms of such Benefit Plan and applicable law). To the extent the Company is not able to provide the Executive fully funded health and dental insurance, the Company shall pay an

amount to each Executive equal to the cost of such health and dental insurance that must be paid by the Executive. For the avoidance of doubt, any amounts paid to Executive for such benefits shall not count toward, be substituted in lieu of, or be considered in determining payments or benefits due to the Executive under any other plan, program or agreement of the Company, including the Annual Bonus calculation.

7. Vacation. Executive shall be entitled to paid vacation days in accordance with Company policy, as in effect on the Effective Date, which shall accrue and be useable by Executive in accordance with such policy.

8. Expense Reimbursement. The Executive shall be entitled to reimbursement for all reasonable and necessary out-of-pocket business, entertainment and travel expenses incurred by the Executive in connection with the performance of the Executive's duties hereunder in accordance with the Company's expense reimbursement policies and procedures.

9. Termination of Employment. The Term and Executive's employment hereunder may be terminated as follows:

(a) Automatically in the event of the death of Executive;

(b) At the option of the Company, by written notice to Executive or Executive's personal representative in the event of the Disability of Executive. As used herein, the term "Disability" shall mean a physical or mental incapacity or disability which, despite any reasonable accommodation required by applicable law, has rendered, or is likely to render, Executive unable to perform Executive's material duties for a period of either (i) 180 days in any twelve-month period or (ii) 90 consecutive days, as determined by a medical physician selected by the Board;

(c) At the option of the Company for Cause, on prior written notice to Executive;

(d) At the option of the Company at any time without Cause (provided that the assignment of this Agreement to, and assumption of this Agreement by, the purchaser of all or substantially all of the assets of the Company shall not be treated as a termination without Cause under this Section 9(d)), by delivering written notice of its determination to terminate to Executive;

(e) At the option of Executive for Good Reason;

(f) At the option of Executive without Good Reason, upon sixty (60) days prior written notice to the Company (which the Company may, in its sole discretion, make effective as a resignation earlier than the termination date provided in such notice), or

(g) Upon the close of business on the last day of the Initial Term or the then-current Renewal Term, as applicable, as a result of a Non-Renewal Notice.

10. Payments by Virtue of Termination of Employment.

(a) Termination by the Company Without Cause, by the Company's Non-Renewal Notice or by Executive For Good Reason. If Executive's employment is terminated at any time during the Term by the Company without Cause, by the Company's Non-Renewal Notice or by Executive for Good Reason, subject to Section 10(d) of this Agreement, Executive shall be entitled to:

(i) (A) within thirty (30) days following such termination, (i) payment of Executive's accrued and unpaid Base Salary and (ii) reimbursement of expenses under Section 8 of this Agreement, in each case of (i) and (ii), accrued through the date of termination and (B) all other accrued amounts or accrued benefits due to Executive in accordance with the Company's benefit plans, programs or policies (other than severance); and

(ii) an amount equal to Executive's Base Salary as in effect immediately prior to Executive's date of termination, which amount shall be payable during the twelve (12) months commencing on the date of termination (the "Severance Period") in substantially equal installments in accordance with the Company's regular payroll practices as in effect from time to time; provided, that the first payment pursuant to this Section 10(a)(ii) shall be made on the next regularly scheduled payroll date following the sixtieth (60th) day after Executive's termination and shall include payment of any amounts that would otherwise be due prior thereto.

(b) Termination Due to Death or Disability. If Executive's employment terminates due to Executive's death or Disability, Executive or Executive's legal representatives shall be entitled to receive: (A) within thirty (30) days following such termination, (i) payment of Executive's accrued and unpaid Base Salary, (ii) payment of Executive's earned but unpaid Annual Bonus with respect to the calendar year prior to the year of termination, if any, and (iii) reimbursement of expenses under Section 8 of this Agreement, in each case of (i), (ii) and (iii), accrued through the date of termination and (B) all other accrued amounts or accrued benefits due to Executive in accordance with the Company's benefit plans, programs or policies (other than severance).

(c) Termination by the Company for Cause, by Executive without Good Reason or by the Executive's Non-Renewal Notice. if (i) the Company terminates Executive's employment for Cause during the Term, (ii) Executive terminates her employment without Good Reason during the Term or (iii) Executive's employment terminates at the expiration of the Term pursuant to a Non-Renewal Notice by Executive, Executive shall be entitled to receive the payments and benefits described under Section 10(a)(i) of this Agreement.

(d) Conditions to Payment. All payments and benefits due to Executive under this Section 10 which are not otherwise required by applicable law shall be payable only if Executive executes and delivers to the Company a general release of claims in a form reasonably satisfactory to the Company and such release is no longer subject to revocation (to the extent applicable), in each case, within sixty (60) days following termination of employment. Failure to timely execute and return such release or the revocation of such release shall be a waiver by Executive of Executive's right to severance (which, for the avoidance of doubt, shall not include any amounts described in Section 10(a)(i) of this Agreement). In addition, severance shall be conditioned on Executive's continued compliance with Section 14 of this Agreement as provided in Section 16 below and compliance with any restrictive covenants in any other agreements to which the Executive is a party with the Company or any Affiliates.

(e) No Other Severance. Executive hereby acknowledges and agrees that, other than the severance payments described in this Section 10, upon the effective date of the termination of Executive's employment, Executive shall not be entitled to any other severance payments or benefits of any kind under any Company benefit plan, severance policy generally available to the Company's employees or otherwise and all other rights of Executive to compensation under this Agreement shall end as of such date.

11. Definitions. For purposes of this Agreement,

(a) "Cause" shall mean that the Board has determined in its reasonable good faith judgment that any one or more of the following has occurred:

(i) Executive shall have been convicted of, or shall have pleaded guilty or nolo contendere to, any felony or any crime involving dishonesty or moral turpitude;

(ii) Executive shall have committed any fraud, theft, embezzlement, misappropriation of funds, breach of fiduciary duty or act of dishonesty;

(iii) Executive shall have breached, in any material respect, any of the provisions of this Agreement or any other material agreement with the Company or an Affiliate and, if any such breach is capable of cure or remedy, has not cured or remedied such breach within ten (10) days of receipt of notice from the Company advising such Executive of such breach;

(iv) Executive shall have engaged in conduct that (A) is likely to make the Company, its subsidiaries and/or any of their respective Affiliates subject to criminal liabilities, (B) involves a material breach of fiduciary obligation on the part of Executive or (C) could reasonably be expected to have a material adverse effect upon the business, interests or reputation of the Company, its subsidiaries and/or any of their respective Affiliates and, in each case, if any such conduct is capable of cure or remedy, has not cured or remedied such conduct within ten (10) days of receipt of notice from the Company advising such Executive of such conduct;

(v) Executive shall have (A) acted in a grossly negligent manner or otherwise failed to perform his or her duties to the Company and its subsidiaries, (B) failed or refused to comply with a reasonable written directive of the Board or, where a Executive does not report directly to the Board, the Chief Executive Officer of the Company or such other senior executive of the Company that the Board or Chief Executive Officer may designate from time to time, or (iii) failed or refused to comply with the policies of the Company and its subsidiaries and, in each case, if any such action or failure or refusal to act is capable of cure or remedy, has not cured or remedied such action or failure or refusal to act within ten (10) days of receipt of notice from the Company advising such Executive of such breach; or

(vi) Executive shall have deliberately refused to devote such time and attention to fulfilling her responsibilities to the Company, its subsidiaries and/or any of their respective Affiliates as would be reasonably expected from an executive having similar responsibilities in a comparable company (other than due to Disability or temporary disability which, in the reasonable judgment of the Board, causes Executive to be incapable of devoting such time and energy), and such refusal has continued for thirty (30) days after delivery of written notification by the Board (which notice includes detailed information regarding such alleged refusal and the reasonable steps to be taken to correct such failure) that, in the good faith judgment of the Board, Executive has failed to cure.

(b) “Good Reason” shall mean that any one or more of the following has occurred as a result of an action by the Company and without Executive’s consent:

(i) a material reduction in Executive’s Base Salary other than as part of an across-the-board reduction applicable to all members of management that results in a proportional reduction to Executive equal to that of other members of management;

(ii) a material diminution of Executive’s position or duties; provided, however, that a diminution of position or duties as a result of a sale of part of the business of the Company or its subsidiaries, the acquisition of another business by the Company or its subsidiaries, or organic growth of the business of the Company or its subsidiaries shall not constitute “Good Reason”; or

(iii) relocation of Executive’s principal place of business by more than one-hundred (100) miles.

Notwithstanding the foregoing, none of the circumstances described above may serve as the basis for “Good Reason” unless (x) Executive notifies the Board in writing of any event constituting “Good Reason” within thirty (30) days following the initial existence of such circumstance and (y) the Company or its applicable subsidiary has failed to cure such circumstance within sixty (60) days following such written notice. Failing such cure, a termination of employment by Executive for Good Reason shall be effective on the day following the expiration of such cure period.

12. Return of Company Property. Within ten (10) days following the effective date of Executive’s termination for any reason, Executive or Executive’s personal representative shall, return all property of the Company or any of its Affiliates in Executive’s possession, including, but not limited to, all Company-owned computer equipment (hardware and software), telephones, facsimile machines, tablet computer and other communication devices, credit cards, office keys, security access cards, badges, identification cards and all copies (including drafts) of any documentation or information (however stored) relating to the business of the Company or any of its Affiliates, the Company’s or any of its Affiliates’ customers and clients or their respective prospective customers or clients. Anything to the contrary notwithstanding, Executive shall be entitled to retain (i) personal papers and other materials of a personal nature; (ii) information showing Executive’s compensation or relating to reimbursement of expenses, and (iii) copies of plans, programs and agreements relating to Executive’s employment, or termination thereof, with the Company which he received in Executive’s capacity as a participant; provided, that, in each case of (i) – (iii), such papers or materials do not include Confidential and Proprietary Information (as defined in Section 14(a)).

13. Resignation as Officer or Director. Upon the effective date of any Executive's termination, Executive shall be deemed to have resigned, to the extent applicable, as an officer of the Company, as a member of the board of directors or similar governing body of the Company or any of its Affiliates, and as a fiduciary of any Company benefit plan. On or immediately following the effective date of any such termination of Executive's employment, Executive shall confirm the foregoing by submitting to the Company in writing a confirmation of Executive's resignation(s).

14. Restrictions on Activities of Executive.

(a) Confidential and Proprietary Information. Executive shall not, during the Term or at any time thereafter directly or indirectly, disclose, reveal, divulge or communicate to any person other than authorized officers, directors and employees of the Company or use or otherwise exploit for Executive's own benefit or for the benefit of anyone other than the Company, any Confidential and Proprietary Information (as defined below). Executive shall not have any obligation to keep confidential any Confidential and Proprietary Information if and to the extent disclosure thereof is specifically required by applicable law, court order or other legal or regulatory process; provided, however, that in the event disclosure is required by applicable law, Executive shall provide the Company with prompt notice, to the extent reasonably possible, of such requirement prior to making any disclosure so that the Company may seek an appropriate protective order. Upon termination of Executive's employment, Executive agrees that all Confidential and Proprietary Information, directly or indirectly, in her possession in any form (together with all duplicates thereof) will promptly (and in any event within 10 days following such termination) be returned to the Company and will not be retained by Executive or furnished to any person, either by sample, facsimile film, audio or video cassette, electronic data, verbal communication or any other means of communication. "Confidential and Proprietary Information" means any information with respect to the Company or any of its Affiliates, including methods of operation, customer lists, products, prices, fees, costs, technology, formulas, inventions, trade secrets, know-how, software, marketing methods, plans, personnel, suppliers, competitors, markets or other specialized information or proprietary matters; provided, that, there shall be no obligation hereunder with respect to, information that (i) is generally available to the public on the Effective Date, (ii) becomes generally available to the public other than as a result of a disclosure not otherwise permissible hereunder, or (iii) is required to be disclosed by law, court order or other legal or regulatory process and Executive gives the Company prompt written notice and the opportunity to seek a protective order.

(b) Assignment of Inventions.

(i) Executive agrees that during the Term, any and all inventions, discoveries, innovations, writings, domain names, improvements, trade secrets, designs, drawings, formulas, business processes, secret processes and know-how, whether or not patentable or a copyright or trademark, which Executive may create, conceive, develop or make, either alone or in conjunction with others and related or in any way connected with the Company's strategic plans, products, processes or apparatus or the business (collectively, "Inventions"), shall be fully and promptly disclosed to the Company and shall be the sole and exclusive property of the Company as against Executive or any of Executive's assignees. Regardless of the status of Executive's employment by the Company, Executive and Executive's heirs, assigns and representatives shall promptly assign to the Company any and all right, title and interest in and to such Inventions made during employment with the Company.

(ii) Whether during or after the Term, Executive further agrees to execute and acknowledge all papers and to do, at the Company's expense, any and all other things necessary for or incident to the applying for, obtaining and maintaining of such letters patent, copyrights, trademarks or other intellectual property rights, as the case may be, and to execute, on request, all papers necessary to assign and transfer such Inventions, copyrights, patents, patent applications and other intellectual property rights to the Company and its successors and assigns. In the event that the Company is unable, after reasonable efforts and, in any event, after ten (10) business days, to secure Executive's signature on a written assignment to the Company, of any application for letters patent, trademark registration or to any common law or statutory copyright or other property right therein, whether because of Executive's physical or mental incapacity, or for any other reason whatsoever, Executive irrevocably designates and appoints the Secretary of the Company as Executive's attorney-in-fact to act on Executive's behalf to execute and file any such applications and to do all lawfully permitted acts to further the prosecution or issuance of such assignments, letters patent, copyright or trademark.

(c) Non-Disparagement. During the Term and at any time thereafter, Executive agrees not to disparage or encourage or induce others to disparage the Company, any Affiliate, any of their respective employees that were employed during Executive's employment with the Company or its Affiliates or any of their respective past and present, officers, directors, products or services (the "Company Parties"). For purposes of this Section 14(e), the term "disparage" includes, without limitation, comments or statements to the press, to the Company's or any Affiliate's employees or to any individual or entity with whom the Company or any Affiliate has a business relationship (including, without limitation, any vendor, supplier, customer or distributor), or any public statement, that in each case is intended to, or can be reasonably expected to, materially damage any of the Company Parties. Upon termination of Executive's employment, the Company shall instruct its chief executive officer, chief financial officer and chief operating officer not to disparage or encourage or induce others to disparage Executive while such senior executives are employed by the Company. Notwithstanding the foregoing, nothing in this Section 14(e) shall prevent Executive or the chief executive officer, chief financial officer and chief operating officer of the Company from making any truthful statement to the extent, but only to the extent (A) necessary with respect to any litigation, arbitration or mediation involving this Agreement, including, but not limited to, the enforcement of this Agreement, in the forum in which such litigation, arbitration or mediation properly takes place or (B) required by law, legal process or by any court, arbitrator, mediator or administrative or legislative body (including any committee thereof) with apparent jurisdiction over Executive.

15. Cooperation. From and after an Executive's termination of employment, Executive shall provide Executive's reasonable cooperation in connection with any action or proceeding (or any appeal from any action or proceeding) which relates to events occurring during Executive's employment hereunder, provided, that the Company shall reimburse Executive for Executive's reasonable out-of-pocket costs and expenses (including legal counsel selected by Executive and reasonably acceptable to the Company) and such cooperation shall not unreasonably burden Executive or unreasonably interfere with any subsequent employment that Executive may undertake.

16. Injunctive Relief and Specific Performance. Executive understands and agrees that Executive's covenants under Sections 12, 14 and 15 are special and unique and that the Company and its Affiliates may suffer irreparable harm if Executive breaches any of Sections 12, 14, or 15 because monetary damages would be inadequate to compensate the Company and its Affiliates for the breach of any of these sections. Accordingly, Executive acknowledges and agrees that the Company shall, in addition to any other remedies available to the Company at law or in equity, be entitled to obtain specific performance and injunctive or other equitable relief by a federal or state court in Illinois to enforce the provisions of Sections 12, 14 and/or 15 without the necessity of posting a bond or proving actual damages, without liability should such relief be denied, modified or vacated. The party who prevails in any such action or proceeding shall be entitled to obtain attorney's fees. Further, if the Executive prevails in any such action or proceeding previously described, the Executive shall be entitled to obtain attorney's fees in respect of such action or proceeding. Additionally, in the event of a breach or threatened breach by Executive of Section 14, in addition to all other available legal and equitable rights and remedies, the Company shall have the right to cease making payments, if any, being made pursuant to Section 10(a)(ii) hereunder. Executive also recognizes that the territorial, time and scope limitations set forth in Section 14 are reasonable and are properly required for the protection of the Company and its Affiliates and in the event that any such territorial, time or scope limitation is deemed to be unreasonable by a court of competent jurisdiction, the Company and Executive agree, and Executive submits, to the reduction of any or all of said territorial, time or scope limitations to such an area, period or scope as said court shall deem reasonable under the circumstances.

17. Recoupment. Notwithstanding anything to the contrary, any compensation payable under this Agreement shall be subject to any recoupment, repayment, "clawback" or similar policy adopted by the Company or required under applicable law or stock exchange rules.

18. Miscellaneous.

(c) This Agreement contains the entire agreement between the parties with respect to the subject matter hereof superseding all other agreements, term sheets, offer letters, and drafts thereof, oral or written, between the parties hereto with respect to the subject matter hereof. No promises, statements, understandings, representations or warranties of any kind, whether oral or in writing, express or implied, have been made to Executive by any person or entity to induce him to enter into this Agreement other than the express terms set forth herein, and Executive is not relying upon any promises, statements, understandings, representations, or warranties other than those expressly set forth in this Agreement.

(d) No change or modification of this Agreement shall be valid unless the same shall be in writing and signed by all of the parties hereto. No waiver of any provisions of this Agreement shall be valid unless in writing and signed by the party charged with waiver. No waiver of any of the provisions of this Agreement shall be deemed, or shall constitute, a waiver of any other provision, whether or not similar, nor shall any waiver constitute a continuing waiver, unless so provided in the waiver.

The parties have jointly participated in the drafting of this Agreement, and the rule of construction that a contract shall be construed against the drafter shall not be applied. The terms “including,” “includes,” “include” and words of like import shall be construed broadly as if followed by the words “without limitation.” The terms “herein,” “hereunder,” “hereof” and words of like import refer to this entire Agreement instead of just the provision in which they are found.

(h) Notwithstanding anything to the contrary in this Agreement:

(i) The parties agree that this Agreement shall be interpreted to comply with or be exempt from Section 409A of the Internal Revenue Code of 1986, as amended (the “Code”) and the regulations and authoritative guidance promulgated thereunder to the extent applicable (collectively “Section 409A”), and all provisions of this Agreement shall be construed in a manner consistent with the requirements for avoiding taxes or penalties under Section 409A. In no event whatsoever will the Company, any of its Affiliates, or any of their respective directors, officers, agents, attorneys, employees, executives, shareholders, investors, members, managers, trustees, fiduciaries, representatives, principals, accountants, insurers, successors or assigns be liable for any additional tax, interest or penalties that may be imposed on Executive under Section 409A or any damages for failing to comply with Section 409A.

(ii) A termination of employment shall not be deemed to have occurred for purposes of any provision of this Agreement providing for the payment of any amounts or benefits considered “nonqualified deferred compensation” under Section 409A upon or following a termination of employment unless such termination is also a “separation from service” within the meaning of Section 409A, and for purposes of any such provision of this Agreement, references to a “resignation,” “termination,” “terminate,” “termination of employment” or like terms shall mean separation from service. If any payment, compensation or other benefit provided to Executive in connection with the termination of her employment is determined, in whole or in part, to constitute “nonqualified deferred compensation” within the meaning of Section 409A and Executive is a specified employee as defined in Section 409A(2)(B)(i) of the Code, no part of such payments shall be paid before the day that is six (6) months plus one (1) day after the date of termination or, if earlier, ten business days following the Executive’s death (the “New Payment Date”). The aggregate of any payments that otherwise would have been paid to the Executive during the period between the date of termination and the New Payment Date shall be paid to Executive in a lump sum on such New Payment Date. Thereafter, any payments that remain outstanding as of the day immediately following the New Payment Date shall be paid without delay over the time period originally scheduled, in accordance with the terms of this Agreement.

(iii) All reimbursements for costs and expenses under this Agreement shall be paid in no event later than the end of the calendar year following the calendar year in which Executive incurs such expense. With regard to any provision herein that provides for reimbursement of costs and expenses or in-kind benefits, except as permitted by Section 409A, (i) the right to reimbursement or in-kind benefits shall not be subject to liquidation or exchange for another benefit, and (ii) the amount of expenses eligible for reimbursements or in-kind, benefits provided during any taxable year shall not affect the expenses eligible for reimbursement or in-kind benefits to be provided in any other taxable year.

(iv) If under this Agreement, an amount is paid in two or more installments, for purposes of Section 409A, each installment shall be treated as a separate payment. Whenever a payment under this Agreement specifies a payment period with reference to a number of days (e.g., "payment shall be made within thirty (30) days following the date of termination"), the actual date of payment within the specified period shall be within the sole discretion of the Company.

(i) This Agreement, for all purposes, shall be construed in accordance with the laws of the State of Illinois without regard to conflicts of law principles. Any action or proceeding by either of the parties to enforce this Agreement shall be brought only in a state or federal court located in the State of Illinois. The parties hereby irrevocably submit to the jurisdiction of such courts and waive the defense of inconvenient forum to the maintenance of any such action or proceeding in such venue.

(j) Other than the Company's right to seek injunctive relief or specific performance as provided in this Agreement, any dispute, controversy, or claim between Executive, on the one hand, and the Company, on the other hand, arising out of, under, pursuant to, or in any way relating to this Agreement shall be submitted to and resolved by confidential and binding arbitration ("Arbitration"), administered by the American Arbitration Association ("AAA") and conducted pursuant to the rules then in effect of the AAA governing commercial disputes. The Arbitration hearing shall take place in Illinois. Such Arbitration shall be before three neutral arbitrators (the "Panel") licensed to practice law and familiar with commercial disputes. Any award rendered in any Arbitration shall be final and conclusive upon the parties to the Arbitration and not subject to judicial review, and the judgment thereon may be entered in the highest court of the forum (state or federal) having jurisdiction over the issues addressed in the Arbitration, but entry of such judgment will not be required to make such award effective. The Panel may enter a default decision against any party who fails to participate in the Arbitration. The administration fees and expenses of the Arbitration shall be borne equally by the parties to the Arbitration; provided that each party shall pay for and bear the cost of his/her/its own experts, evidence, and attorney's fees, except that, in the discretion of the Panel, any award may include the costs of a party's counsel and/or its share of the expense of Arbitration if the Panel expressly determines that an award of such costs is appropriate to the party whose position substantially prevails in such Arbitration. Notwithstanding any other provision of this Agreement, no party shall be entitled to an award of special, punitive, or consequential damages. To submit a matter to Arbitration, the party seeking redress shall notify in writing, in accordance with Section 18(a) of this Agreement, the party against whom such

redress is sought, describe the nature of such claim, the provision of this Agreement that has been allegedly violated and the material facts surrounding such claim. The Panel shall render a single written, reasoned decision. The decision of the Panel shall be binding upon the parties to the Arbitration, and after the completion of such Arbitration, the parties to the Arbitration may only institute litigation regarding the Agreement for the sole purpose of enforcing the determination of the Arbitration hearing or, with respect to the Company, to seek injunctive or equitable relief pursuant to Section 16 of this Agreement. The Panel shall have exclusive authority to resolve any dispute relating to the interpretation, applicability, enforceability or formation of this agreement to arbitrate, including any claim that all or part of this Agreement is void or voidable and any claim that an issue is not subject to arbitration. All proceedings conducted pursuant to this agreement to arbitrate, including any order, decision or award of the arbitrator, shall be kept confidential by all parties except to the extent such disclosure is required by law, or in a proceeding to enforce any rights under this Agreement.

EXECUTIVE ACKNOWLEDGES THAT, BY SIGNING THIS AGREEMENT, SHE IS WAIVING ANY RIGHT THAT SHE MAY HAVE TO A JURY TRIAL OR A COURT TRIAL RELATED TO THIS AGREEMENT.

(k) Executive hereby represents and warrants to the Company that (i) the execution, delivery and performance of this Agreement by Executive do not and shall not conflict with, breach, violate or cause a default under any contract, agreement, instrument, order, judgment or decree to which Executive is a party or by which he/she is bound, (ii) Executive is not a party to or bound by any employment agreement, non-compete agreement or confidentiality agreement with any other person or entity and (iii) subject to Section 19, upon the execution and delivery of this Agreement by the Company, this Agreement shall be the valid and binding obligation of Executive on and after the date hereof, enforceable in accordance with its terms. Executive hereby acknowledges and represents that he has had the opportunity to consult with independent legal counsel or other advisor of her choice and has done so regarding her rights and obligations under this Agreement, that she is entering into this Agreement knowingly, voluntarily, and of her own free will, that he is relying on her own judgment in doing so, and that she fully understands the terms and conditions contained herein.

(l) The Company shall have the right to withhold from any amount payable hereunder any Federal, state and local taxes in order for the Company to satisfy any withholding tax obligation it may have under any applicable law or regulation.

(m) The covenants and obligations of the Company under Sections 8, 10, 15, 16 and 18 hereof, and the covenants and obligations of Executive under Sections 10, 12, 13, 14, 15, 16 and 18 hereof, shall continue and survive any expiration of the Term, termination of Executive's employment or any termination of this Agreement.

19. Effectiveness of Agreement.
